Also, additional information regarding each Nominee's and Trustee's current age, principal occupations and other directorships, if any, that have been held by the Trustees for the past five years is provided in the table below.

Leadership Structure of the Board of Trustees

The Board, which has overall responsibility for the oversight of the Trust's investment programs and business affairs, believes that it has structured itself in a manner that allows it to effectively perform its oversight obligations. Mr. May, the Chairman of the Board (Chairman), is not an Independent Trustee and the Trustees have not appointed a lead Independent Trustee. The Board believes that the use of an Interested Trustee as Chairman is the appropriate leadership structure for the Trust given (i) Mr. May's role in the day to day operations of the Trust's Administrator, (ii) the extent to which the work of the Board is conducted through the Audit Committee and Nominating and Corporate Governance Committee (each of whose meetings is chaired by an Independent Trustee) (iii) the frequency that Independent Trustees meet with their independent legal counsel and auditors in the absence of members of the Trust's Board who are Interested Trustees of the Trust and management, (iv) relatively small size of the Board, and (v) the overall sophistication of the Independent Trustees, both individually and collectively. The Trustees also complete an annual self-assessment during which the Trustees review their overall structure and consider where and how its structure remains appropriate in light of the Trust's current circumstances. The Chairman's role is to preside at all meetings of the Board and in between Board meetings to generally act as the liaison between the Board and the Trust's officers, attorneys and various other service providers, including but not limited to, the Trust's investment adviser, administrator and other such third parties servicing the Trust. The Board believes that having an interested person serve as Chairman of the Board enables Mr. May to more effectively carry out these liaison activities. The Board also believes that it benefits during its meetings from having a person intimately familiar with the operation of the Trust to set the agenda for Board meetings to ensure that important matters are brought promptly to the Board's attention.

The Trust has three standing committees, each of which enhances the leadership structure of the Board: the Audit Committee, the Executive Committee and the Nominating and Corporate Governance Committee. The Audit Committee and Nominating and Corporate

Governance Committee are each chaired by, and composed of, members who are Independent Trustees. The Executive Committee consists of two Independent Trustees and one Interested Trustee.

Oversight of Risk Management

The Trust is confronted with a multitude of risks, such as investment risk, counter party risk, valuation risk, political risk, risk of operational failures, business continuity risk, regulatory risk, legal risk and other risks not listed here. The Board recognizes that not all risk that may affect the Trust can be known, eliminated or even mitigated. In addition, there are some risks that may not be cost effective or an efficient use of the Trust's limited resources to moderate. As a result of these realities, the Board, through its oversight and leadership, has and will continue to deem it necessary for shareholders of the Trust to bear certain and undeniable risks, such as investment risk, in order for the Trust to operate in accordance with its prospectus, statement of additional information and other related documents.

However, as required under the 1940 Act, the Board has adopted on the Trust's behalf a vigorous risk program that mandates the Trust's various service providers, including the investment adviser, to adopt a variety of processes, procedures and controls to identify various risks, mitigate the likelihood of such adverse events from occurring and/or attempt to limit the effects of such adverse events on the Trust. The Board fulfills its leadership role by receiving a variety of quarterly written reports prepared by the Trust's Chief Compliance Officer (CCO) that (1) evaluate the operation, policies and policies of the Trust's service providers, (2) makes known any material changes to the policies and procedures adopted by the Trust or its service providers since the CCO's last report, and (3) disclose any material compliance matters that occurred since the date of the last CCO report. In addition, the Independent Trustees meet quarterly in executive sessions without the presence of any Interested Trustees, the investment adviser, the administrator, or any of their affiliates. This configuration permits the Independent Trustees to effectively receive information and have private discussions necessary to perform its risk oversight role, exercise independent judgment, and allocate areas of responsibility between the full Board, its various committees and certain officers of the Trust. Furthermore the Independent Trustees have engaged independent legal counsel and auditors to assist the Independent Trustees in performing their oversight responsibilities. As discussed above and in consideration of other factors not referenced herein, the Board has determined its leadership role concerning risk management, as one of oversight and not active management of the Trust's day-to-day risk management operations.

(1) This information has been furnished by each Trustee and Nominee for election as Trustee as of December 31, 2013. Beneficial Ownership is determined in accordance with Section 16a-1(a)(2) of the Securities Exchange Act of 1934, as amended (the 1934 Act).

(2) Ownership amount constitutes less than 1% of the total shares outstanding.

Independent Trustee Transactions with Trust Affiliates

As of December 31, 2013, neither independent Trustees/Nominees (as such term is defined by the NYSE MKT LLC listing standards (NYSE MKT)) nor members of their immediate families owned securities, beneficially or of record, of the Reaves Asset Management (the Adviser), or an affiliate or person directly or indirectly controlling, controlled by, or under common control with the Adviser. In addition, over the past five years, neither Nominee nor members of their immediate families have had any direct or indirect interest, the value of which exceeds \$120,000, in the Adviser or any of its affiliates. Further, during each of the last two fiscal years, neither Nominee nor member of their immediate families have conducted any transactions (or series of transactions) or maintained any direct or indirect relationship in which the amount involved exceeds \$120,000 and to which the Adviser or any of its affiliates was a party.

AUDIT COMMITTEE

The role of the Trust's Audit Committee is to assist the Board in its oversight of (i) the quality and integrity of Trust's financial statements, reporting process and the independent registered public accounting firm (the independent accountants) and reviews thereof, (ii) the Trust's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers, (iii) the Trust's compliance with legal and regulatory requirements, and (iv) the

independent accountants' qualifications, independence and performance. The Audit Committee is also required to prepare an audit committee report pursuant to the rules of the Securities and Exchange Commission (the "SEC") for inclusion in the Trust's annual proxy statement. The Audit Committee operates pursuant to the Audit Committee Charter (the "Charter") that was most recently reviewed and approved by the Board on September 16, 2013. The Charter is available at the Funds' website, www.utilityincomefund.com. As set forth in the Charter, management is responsible for maintaining appropriate systems for accounting and internal control, and the Trust's independent accountants are responsible for planning and carrying out proper audits and reviews. The independent accountants are ultimately accountable to the Board and to the Audit Committee, as representatives of shareholders. The independent accountants for the Trust report directly to the Audit Committee.

Based on the findings of the Board, the Board has determined that it has two audit committee financial experts, as defined in the rules promulgated by the SEC, and as required by the NYSE MKT listing standards; namely, Messrs. Deems and Holland.

The Audit Committee met two times during the fiscal year ended October 31, 2013. The Audit Committee is composed of all five of the Trust's Independent Trustees (as such term is defined by the NYSE MKT listing standards); namely, Ms. Anstine and Messrs. Deems, Holland, Nordberg and Papasan. None of the members of the Audit Committee are interested persons of the Trust.

Audit Committee Report

At a meeting held on December 12, 2013, the Audit Committee reviewed and discussed with management of the Trust and the independent accountants, Deloitte & Touche LLP ("Deloitte"), the audited financial statements of the Trust as of and for the fiscal year ended October 31, 2013, and discussed the audit of such financial statements with Deloitte.

In addition, the Audit Committee discussed with the independent accountants the accounting principles applied by the Trust and such other matters brought to the attention of the Audit Committee by the independent accountants required by Statement of Auditing Standards No. 114, *The Auditor's Communication With Those Charged With Governance*, as currently modified or supplemented and No. 61, as amended (AICPA, *Professional Standards*, Vol. 1 AU section 380), as adopted by the Public Company Accounting Oversight Board ("PCAOB") in Rule 3200T. The Audit Committee also received from the independent accountants the written disclosures and letters required by PCAOB Ethics and Independence Rule 3526 (*Communication with Audit Committees Concerning Independence*) and discussed the relationships between Deloitte and the Trust and the impact that any such relationships might have on the objectivity and independence of Deloitte.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed

by the Trust for accounting, financial management or internal control purposes. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or independent verification of the facts presented to it or representations made by management or the Trust's independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Trust's financial statements has been carried out in accordance with generally accepted accounting standards or that the financial statements are presented in accordance with generally accepted accounting principles.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Trust's independent accountants, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Charter and those discussed above, the Audit Committee recommended to the Board that the Trust's audited financial statements be included in the Trust's Annual Report for the fiscal year ended October 31, 2013.

Audit-Related Fees: The aggregate fees billed in each of the last two fiscal years for assurance and related services by Deloitte that are reasonably related to the performance of the audit of the Trust's financial statements and are not reported above under Audit Fees for fiscal years 2013 and 2012 were \$0 and \$0, respectively.

Tax Fees: The aggregate fees billed in each of the last two fiscal years for professional services rendered by Deloitte for tax compliance, tax advice and tax planning for fiscal years 2013 and 2012 were \$3,390 and \$3,300, respectively. The Audit Committee may delegate its responsibility to pre-approve any such audit and permissible non-audit services to the Chairman of the Audit Committee, and the Chairman must report to the Audit Committee, at its next regularly

scheduled meeting after the Chairman's pre-approval of such services, his decision(s). The Audit Committee may also establish detailed pre-approval policies and procedures for pre-approval of such services in accordance with applicable laws, including the delegation of some or all of the Audit Committee's pre-approval responsibilities to other persons (other than the Adviser or the Trust's officers). Pre-approval by the Audit Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Trust, the investment adviser and any Covered Services Provider constitutes not more than 5% of the total amount of revenues paid by the Trust to its independent accountants during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Trust at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Audit Committee and approved by the Audit Committee or the Chairman prior to the completion of the audit. SHAREHOLDER COMMUNICATIONS WITH THE BOARD OF TRUSTEES

Shareholders may mail written communications to the Board, to committees of the Board or to specified individual Trustees in care of the Secretary of the Trust, 1290 Broadway, Suite 1100, Denver, Colorado 80203. All shareholder communications received by the Secretary will be forwarded promptly to the Board, the relevant Board committee or the specified individual Trustees, as applicable, except that the Secretary may, in good faith, determine that a shareholder communication should not be so forwarded if it does not reasonably relate to the Trust or its operations, management, activities, policies, service providers, board, officers, shareholders or other matters relating to an investment in the Trust or is ministerial in nature.

Timely submission of a proposal does not guarantee that such proposal will be included.

HOUSEHOLDING OF PROXY MATERIALS

Shareholders who share the same address and last name may receive only one copy of the proxy materials unless BFDS, in the case of shareholders of record, or such shareholder's broker, bank or nominee, in the case of shareholders whose shares are held in street name, has received contrary instructions.
