***Press Release Announcing Exercise of Over-allotment Option***

On March 27, 2014, National Health Investors, Inc. (the Company) announced that the underwriters had exercised their over-allotment option to purchase an additional \$25 million in aggregate principal amount of its 3.25% Convertible Senior Notes due 2021 (the Notes). On Monday, March 25, 2014, the Company closed the initial offering of \$175 million in aggregate principal amount of Notes. The Notes will bear interest at a rate equal to 3.25% per year and the conversion rate will initially equal 13.9260 shares of common stock per \$1,000 principal amount of Notes. The purchase of the additional \$25 million in aggregate principal amount of Notes closed on March 28, 2014. The total principal amount of the Notes sold was \$200 million, and the net proceeds were approximately \$193.6 million, after deducting the underwriting discounts and commissions and other estimated expenses of the offering payable by the Company.

The Company intends to use the net proceeds of the offering to reduce amounts outstanding under its revolving credit facility and for general working capital purposes.

The joint book-running managers for the offering were BofA Merrill Lynch and J.P. Morgan. The co-lead managers for the offering were BMO Capital Markets and KeyBanc Capital Markets. The co-managers for the offering were Capital One Securities, JMP Securities LLC, Regions Securities LLC and Stifel. The offering was made pursuant to the Company's effective shelf registration statement previously filed with the Securities and Exchange Commission.

A copy of the Company's press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

***Press Release Announcing Entry into Amended Credit Agreement***

On March 27, 2014, the Company announced that it has entered into amended \$700 million senior unsecured credit facilities that include a new \$450 million revolving credit facility, a new \$130 million term loan and existing \$120 million of existing term loans. The facilities can be expanded, subject to certain conditions, up to an additional \$130 million. At closing, the new facilities replaced smaller credit facilities that originated on June 30, 2013 that provided for \$370 million of total commitments.

The amended credit facilities provide for: (1) a \$450 million unsecured revolving credit facility that matures in March 2019 (inclusive of an embedded 1-year extension option) with interest at 150 basis points over LIBOR; (2) a \$130 million unsecured term loan that matures in June 2020 with interest at 175 basis points over LIBOR of which interest of 3.91% is fixed with an interest rate swap agreement; and (3) two existing term loans which remain in place totaling \$120 million, maturing in June 2020 and bearing interest at 175 basis points over LIBOR, a notional amount of \$40 million being fixed at 3.29% until 2019 and \$80 million being fixed at 3.86% until 2020.

A copy of the Company's press release is attached hereto as Exhibit 99.2 and is incorporated herein by reference.
