PROXY STATEMENT

This Proxy Statement is being furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of InfuSystem Holdings, Inc. (the "Company") to be used at the Annual Meeting of Stockholders to be held on Thursday, May 8, 2014, and at any adjournment thereof (the "Meeting"), for the purposes set forth in the accompanying Notice of Meeting. This Proxy Statement and the accompanying materials are expected to be first sent or given to stockholders of the Company on or about April 8, 2014.

The close of business on March 14, 2014 has been fixed as the record date (the "Record Date") for the determination of the stockholders entitled to notice of and to vote at the Meeting. Only holders of shares of the Company's common stock, par value \$0.0001 per share ("Common Stock"), as of the Record Date are entitled to notice of and to vote at the Meeting. Each share of Common Stock entitles the holder thereof to one vote per share on each matter presented to the stockholders for approval at the Meeting. On the Record Date, there were 22,161,129 shares of Common Stock outstanding and entitled to vote.

If your shares are registered directly in your name with the Company's transfer agent, Computershare, you are considered the stockholder of record of those shares and this Proxy Statement and the accompanying materials are being sent directly to you by the Company.

If you are a stockholder of record (also called a "registered stockholder") you can vote your shares in person at the Meeting or you can vote by proxy using the Internet at www.investorvote.com/INFU or by telephone at 1-800-652-VOTE (8683) or by completing and returning the enclosed proxy card by mail.

Whichever method you use, each valid proxy received in time will be voted at the Meeting in accordance with your instructions. To ensure that your proxy is voted, it should be received by the close of business on May 7, 2014. If you submit a proxy without giving instructions, your shares will be voted as recommended by the Board of Directors.

At any time before the polls for the Annual Meeting are closed, if you hold shares of the Company's Common Stock in your name, you may revoke a properly executed or authorized proxy by (a) an Internet or telephone vote subsequent to the date shown on the previously executed and delivered proxy or the date of a prior Internet or telephonic vote, (b) mailing a later-dated, properly executed and delivered proxy, or (c) mailing a written revocation to our Secretary.

If you hold shares of the Company's Common Stock in a brokerage account, you must contact the broker and comply with the broker's procedures if you want to revoke or change the instructions previously given to the broker. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the "beneficial owner" of shares held in street name (also called a "street name holder"), and this Proxy Statement and the accompanying materials are being forwarded to you by your broker, bank or nominee, who is considered the stockholder of record of those shares. As a beneficial owner, you have the right to direct your broker, bank or nominee on how to vote the shares held in your account. If you do not provide instructions to the broker, bank or nominee, that firm will only be able to vote your shares with respect to routine matters. Please note that pursuant to revised broker voting regulations, the only routine matter for the Meeting and the only matter for which brokers, banks and nominees will have the discretion to vote, is Proposal 5 (Ratification of Independent Public Accounting Firm). Your broker, bank or nominee must have proper instructions from you in order to vote with respect to Proposal 1 (Election of Directors), Proposal 2 (Approval of the adoption of the InfuSystem Holdings, Inc. Employee Stock Purchase Plan), Proposal 3 (Approval of the adoption of the InfuSystem Holdings, Inc. Equity Plan) and Proposal 4 (Advisory Vote on Executive Compensation), and

Table of Contents

without proper instructions from you, the broker, bank or nominee will not have the power to vote on, and will be considered a broker non-vote for, such proposal. We recommend that you contact your broker, bank or nominee to assure that your shares are properly voted.

The presence, in person or by proxy, of the holders of a majority of the shares of Common Stock entitled to vote at the Meeting will constitute a quorum. Abstentions and broker non-votes will be counted for purposes of determining whether a quorum is present at the Annual Meeting.

The vote required, and the effect of abstentions and broker non-votes with respect to each proposal, is as follows:

The six nominees for election to the Board of Directors (Proposal 1) will be elected by a majority of the votes cast by the shares of the Company's Common Stock issued and outstanding as of the Record Date that are present at the Annual Meeting, in person or by proxy, and entitled to vote. You may vote in favor or withhold your vote with respect to each individual nominee. If an incumbent director is not elected due to a failure to receive a majority of the votes cast by the shares of the Company's Common Stock issued and outstanding as of the Record Date that are present, in person, and entitled to vote and his or her successor is not otherwise elected and qualified, the director must promptly offer to tender his or her resignation to the Board of Directors. The Nominating and Governance Committee will make a recommendation to the Board of Directors on whether to accept or reject the resignation. The Board of Directors will then either accept or reject such resignation. Votes cast for a director include votes for that director's election and votes to withhold authority with respect to that director's election and excludes broker non-votes with respect to that director's election. Broker non-votes and failures to vote will have no effect on the outcome of the vote.

The proposal to approve the adoption of the InfuSystem Holdings, Inc. Employee Stock Purchase Plan (Proposal 2) will require the affirmative vote of a majority of the shares of the Company's Common Stock present at the Annual Meeting, in person or represented by proxy, and entitled to vote. Abstentions will be treated as votes against the proposal. Broker non-votes and failures to vote will have no effect on the outcome of the vote.

The proposal to approve the adoption of the InfuSystem Holdings, Inc. Equity Plan (Proposal 3) will require the affirmative vote of a majority of the votes cast by the shares of the Company's Common Stock issued and outstanding as of the Record Date that are present at the Annual Meeting, in person or by proxy, and entitled to vote. Abstentions will be treated as votes against the proposal. Broker non-votes and failures to vote will have no effect on the outcome of the vote.

The proposal to approve, by advisory vote, the compensation paid to our named executive officers (Proposal 4), will require the affirmative vote of a majority of the shares of the Company's Common Stock present at the Annual Meeting, in person or represented by proxy, and entitled to vote. Abstentions will be treated as votes against the proposal. Broker non-votes and failures to vote will have no effect on the outcome of the vote.

UNLESS SPECIFIED OTHERWISE, AS PERMITTED BY APPLICABLE LAW AND STOCK EXCHANGE RULES, THE PROXIES WILL BE VOTED AT THE MEETING OR ANY ADJOURNMENT THEREOF:

- (I) FOR THE ELECTION OF THE SIX INDIVIDUALS NAMED IN THIS PROXY STATEMENT TO THE BOARD OF DIRECTORS TO SERVE UNTIL THE 2015 ANNUAL MEETING (AND UNTIL THEIR SUCCESSORS ARE DULY ELECTED AND QUALIFIED);**

The Board of Directors Role in Risk Oversight

The Board of Directors is actively engaged in overseeing and reviewing the Company's strategic direction and objectives, taking into account (among other considerations) the Company's risk profile and exposures. It is management's responsibility to manage risk and bring to the Board of Directors' attention the most material risks to the Company. The Board of Directors has oversight responsibility of the processes established to report and monitor systems for material risks applicable to the Company. The Board annually reviews the Company's enterprise risk management and receives regular updates on risk exposures via the Audit Committee and senior management.

While the Board as a whole has responsibility for risk oversight, including Chief Executive Officer succession planning, the committees of the Board also oversee the Company's risk profile and exposures relating to matters within the scope of their authority. The Board regularly receives detailed reports from the committees regarding risk oversight in their areas of responsibility.

Director Independence

The Board of Directors has considered the independence of each director and nominee for election as a director in accordance with the elements of independence set forth in the listing standards of the NYSE MKT. Based upon information solicited from each nominee, the Board of Directors has affirmatively determined that David Dreyer, Gregg Lehman, Joseph Whitters and Wayne Yetter (collectively, the Independent Directors) have no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) and are independent within the meaning of NYSE MKT's director independence standards and Audit Committee independence standards, as currently in effect.

Required Vote

The six nominees for election to the Board of Directors (Proposal 1) will be elected by a majority of the votes cast by the shares of the Company's Common Stock issued and outstanding as of the Record Date that are present at the Annual Meeting, in person or by proxy, and entitled to vote. You may vote in favor or withhold your vote with respect to each individual nominee. If an incumbent director is not elected due to a failure to receive a majority of the votes cast by the shares of the Company's Common Stock issued and outstanding as of the Record Date that are present, in person, and entitled to vote and his or her successor is not otherwise elected and qualified, the director must promptly offer to tender his or her resignation to the Board of Directors. The Nominating and Governance Committee will make a recommendation to the Board of Directors on whether to accept or reject the resignation. Votes cast for a director include votes for that director's election and votes to withhold authority with respect to that director's election and excludes abstentions and broker non-votes with respect to that director's election. Abstentions, broker non-votes and votes withheld will have no effect on the outcome of the vote.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS OF THE COMPANY VOTE FOR THE PROPOSAL TO ELECT DAVID DREYER, GREGG LEHMAN, RYAN MORRIS, ERIC STEEN, JOSEPH WHITTERS AND WAYNE YETTER AS MEMBERS OF THE BOARD OF DIRECTORS TO SERVE UNTIL THE 2015 ANNUAL STOCKHOLDERS MEETING AND UNTIL THEIR SUCCESSORS ARE DULY ELECTED AND QUALIFIED.

Board of Directors and Committees of the Board of Directors

The Board of Directors has responsibility for the overall governance of the Company. The Board of Directors held a total of eleven meetings and took action by unanimous written consent on nine occasions during the fiscal year ended December 31, 2013. Each then-current director attended at least 75% of the meetings held by the Board of Directors and of the meetings of each committee on which such director served. In addition to regularly scheduled meetings, the directors discharge their responsibilities through telephonic and other communications with each other and the executive officers.

The Board has no policy regarding director attendance at annual meetings of stockholders. Two members of the Board at that time attended the 2013 Annual Meeting.

The Board of Directors has established three standing committees, an Audit Committee, a Nominating and Governance Committee and a Compensation Committee, each of which is comprised entirely of independent directors and reports to the Board of Directors. From time to time during the assessment of certain strategic opportunities, the Board may establish a Special Committee comprised wholly of independent directors.

The Board of Directors has determined that, in lieu of appointing a lead independent director, Messrs. Dreyer, Whitters and Yetter will coordinate the activities of the lead independent director position. During the Company's assessment of potential strategic opportunities potentially involving Executive Chairman Ryan Morris, Mr. Yetter was appointed to serve as the Chairman of the Board. The Company's business and strategy have evolved over the recent past. The Board of Directors' leadership structure has varied over time depending on the demands of the business and the circumstances affecting the Company. The Board of Directors has utilized, and intends to continue to utilize, flexibility to establish the most appropriate leadership structure at any given time.

Audit Committee

The Audit Committee is composed entirely of independent directors. The following individuals are the current members of the Audit Committee: Joseph Whitters, David Dreyer and Wayne Yetter, and Mr. Whitters serves as Chairman of the Audit Committee. The Audit Committee held seven meetings during the fiscal year ended December 31, 2013.

The Board of Directors has determined that each of Mr. Dreyer and Mr. Whitters qualifies as an "audit committee financial expert" as that term is defined under Item 407 of Regulation S-K of the Securities Exchange Act of 1934 (the "Exchange Act"). Committee held no meetings during the fiscal year ended December 31, 2013. The Board of Directors has adopted a written charter for the Nominating Committee, a copy of which is posted on the Company's website at www.infusystem.com.

The Nominating Committee identifies individuals for nomination to the Board of Directors by the full Board of Directors. The Nominating Committee will consider all qualified director candidates identified by members of the Nominating Committee, by senior management and stockholders. Stockholders who would like to propose an independent director candidate for the consideration of the Nominating Committee may do so by submitting the candidate's name, résumé and biographical information care of InfuSystem Holdings, Inc., 31700 Research Park Drive, Madison Heights, Michigan 48071, Attn: Secretary, no later than the deadline for submission of stockholder proposals set forth under the section of this Proxy Statement entitled "Stockholder Proposals for the 2015 Annual Meeting." All proposals for nomination received by the Secretary will be presented to the Nominating Committee for consideration.

The Nominating Committee reviews each director candidate's biographical information and assesses each candidate's independence, skills and expertise based on a variety of factors, including the following criteria:

Whether the candidate has exhibited behavior that indicates he or she is committed to the highest ethical standards;

Whether the candidate has had broad business, governmental, non-profit or professional experience that indicates that the candidate will be able to make a significant and immediate contribution to the Board of Directors' discussion and decision-making; and

Whether the candidate will be able to devote sufficient time and energy to the performance of his or her duties as a director.

In addition to above listed criteria, the Nominating Committee considers the diversity of candidates, which may include diversity of skills and experience as well as geographic, gender, age, and ethnic diversity. The Nominating Committee does not, however, have a formal policy with regard to the consideration of diversity in identifying candidates.

Application of these factors requires the exercise of judgment by members of the Nominating Committee and cannot be measured in a quantitative way.

The Nominating Committee applied each of these factors in its review and assessment of the background, independence, skills and expertise of each of the director nominees included in this proxy statement, including Mr. Lehman. Members of the Nominating Committee had several meetings and conversations with each of the director nominees, at the recommendation of Ryan Morris, and conducted extensive due diligence and background investigations prior to approving their nomination for election at the Meeting.

The Compensation Committee evaluates executive officer performance, with input from the Board of Directors and the Chief Executive Officer (for executive officers other than the Chief Executive Officer), in light of the Company's strategic objectives and establishes compensation levels based on such evaluation. The objectives of the Compensation Committee are to attract and retain experienced and highly qualified personnel and reward our executive officers for advancing critical elements of our strategic plan.

The Compensation Committee has the authority to retain, oversee, terminate, and approve fees for compensation consultants to assist in the discharge of its responsibilities. In 2013, the Compensation Committee retained Pearl Meyer & Partners (PM&P), an independent compensation consulting firm, to assist in the review of the Company's executive compensation plan. PM&P reported directly to the Committee and did not provide any other services, beyond compensation consulting, to the Company.

In 2013, the Committee considered and assessed all relevant factors, including but not limited to, those set forth in Rule 10C-1(b)(4)(i) through (vi) under the Exchange, that could give rise to a potential conflict of interest with respect to PM&P's work. Based on this review, we are not aware of any conflict of interest that has been raised by the work performed by PM&P.

Further, the options were granted on the date of the annual meeting of stockholders on August 29, 2013, and such options would be granted pursuant to the 2007 Stock Incentive Plan with an exercise price equal to 110% of the trailing average closing price of the Company's Common Stock for the five trading days prior to and including the date of grant. Such options vest monthly over a period of one year and immediately upon a change in control. In accordance with the SEC's proxy disclosure rules, included in the Stock Awards and Option Awards columns are the aggregate grant date fair values of restricted stock awards and stock option awards made during the respective fiscal years computed in accordance with FASB ASC Topic 718. The measurement objective of FASB ASC Topic 718 is to estimate the fair value at the grant date of the equity instruments that the entity is obligated to issue when employees have rendered the requisite service and satisfied any other conditions necessary to earn the right to benefit from the instruments (for example, to exercise share options). That estimate is based on the share price and other pertinent factors, such as expected volatility at the grant date. The grant date fair value of an award reflects the accounting expense and may not represent the actual value that will be realized. For a discussion of the assumptions used in computing this valuation, see Management's Discussion and Analysis of Financial Condition and Results of Operations and Note 11 of the Notes to the Consolidated Financial Statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013. As of December 31, 2013, Mr. Climaco and Mr. Gillman each had 91,667 aggregate outstanding stock options. Mr. Climaco exercised 50,000 options on March 15, 2014, and 39,584 shares of Common Stock were withheld by the Company in satisfaction of the exercise price. Mr. Climaco was responsible for all tax withholdings. His remaining 41,667 options and all of Mr. Gillman's 91,667 options expire on April 24, 2014. As of December 31, 2013, Mr. Dreyer and Mr. Whitters each had 125,000 aggregate outstanding stock options. Mr. Morris exercised 100,000 options on February 28, 2014 and 150,000 options on March 14, 2014, and an aggregate of 218,871 shares of Common Stock were withheld by the Company in satisfaction of the exercise price and income tax withholdings. His remaining 60,000 options expire on August 29, 2015. As of December 31, 2013, Mr. Yetter had 75,000 aggregate outstanding stock options. PROPOSAL 2

APPROVAL OF THE INFUSYSTEM HOLDINGS, INC. EMPLOYEE STOCK PURCHASE PLAN

Background:

On April 4, 2014, the Board of Directors approved and adopted the InfuSystem Holdings, Inc. Employee Stock Purchase Plan (the "ESPP"), subject to stockholder approval. If the stockholders approve the ESPP, it will become effective on the day of the Annual Meeting.

The ESPP is intended to qualify as an Employee Stock Purchase Plan under Section 423 of the Internal Revenue Code (the "Code") and would provide eligible employees with an opportunity to purchase shares of the Company's Common Stock through voluntary payroll deductions.

Description of the ESPP:

The principal provisions of the ESPP are summarized below. This summary is not a complete description of all of the ESPP's provisions, and is qualified in its entirety by reference to the ESPP which is attached to this Proxy Statement as Appendix A. Capitalized terms used in the summary below that are not defined in this Proxy Statement have the meanings set forth in the ESPP.

Purpose

The ESPP is intended to provide eligible employees of the Company and its Participating Subsidiaries with an opportunity to acquire Shares through Offerings which run from October 1st to the following March 31st and from April 1st to the following September 30th of each year (each an Offering Period). If the first day of any Offering Period is not a business day, the Offering Period will start on the next succeeding business day, which will reduce the Offering Period by the number of days delayed. Similarly, if the last day of the Offering Period is not a business day, the Offering Period will end on the most recent preceding business day.

Shares

Shares offered under the ESPP will be the Company's Common Stock. The maximum number of Shares which may be sold under the ESPP is 200,000 Shares. Any Shares that are not purchased during an Offering Period may again be sold under the ESPP.

Administration

The ESPP will be administered by the Compensation Committee. The Compensation Committee may delegate to one or more officers or managers of the Company or any Participating Subsidiary authority to administer the ESPP, subject to any terms and limitations imposed by the Compensation Committee.

Eligibility

Any employee of the Company or any Participating Subsidiary whose customary employment with the Company is more than twenty hours per week or more than five months in any calendar year, and who is an employee 30 days (or another specified time period not to exceed 60 days) prior to the first day of the applicable Offering Period (the Offering Date), will be eligible to participate in the ESPP, subject to signing an enrollment form and other enrollment procedures. However, no employee will be permitted to elect to purchase Shares if, after such purchase, the employee would own 5% or more of the total combined voting power or value of all classes of Common Stock of the Company or any Participating Subsidiary. An employee who is on an authorized sick leave, military leave or other leave of absence will remain an employee for purposes of the ESPP; provided, however, if the period of leave exceeds 90 days and the employee's right to reemployment is not

Table of Contents

guaranteed either by statute or contract, then the employee will be deemed to have terminated employment on the 91st day of such leave. As of March 31, 2014, the Company had approximately 200 employees who would be eligible to participate in the ESPP.

Method of Payment

Payment for Shares purchased under the ESPP will be made by payroll deduction in 1% increments of eligible compensation, subject to a minimum deduction of 1% of eligible compensation per pay period and a maximum deduction of 10% of eligible compensation per pay period unless provided otherwise in the Offering; provided, however, no employee may purchase Shares at a rate which exceeds \$25,000 of Fair Market Value for each calendar year in which a purchase is executed, determined as of the Offering Date of the applicable Offering. Payroll deductions will occur over the Offering Period. The payroll deduction amounts will be held in a bookkeeping account for the participant until the purchase of the Shares. Interest will not be paid on the amount credited to the account. The Fair Market Value of a Share means the closing sales price of the Common Stock of the Company on the NYSE MKT or any other such exchange on which the Common Stock is traded, or in the absence of reported sales on such date, the closing sales price on the immediately preceding date on which sales were reported.

Purchase of Shares

Shares will be purchased on the Purchase Date which generally will be the last day of the Offering Period unless otherwise provided by the Compensation Committee. The amount of Shares purchased by a participant will be the number of whole shares that can be purchased with the amount credited to the participant's account. Fractional shares will not be purchased. Any amount remaining in the account after the purchase will be carried over to the next Offering if not withdrawn by the participant. If the number of Shares to be purchased exceeds the number available for purchase in the Offering, the Compensation Committee will allocate the available Shares among the Offering participants in an equitable manner.

Purchase Price

The Purchase Price per Share will not be less than the lesser of: (a) 85% of the Fair Market Value of a Share on the Offering Date, or (b) 85% of the Fair Market Value of a Share on the Purchase Date.

Withdrawal by Participant

At any time up to 15 days prior to the Purchase Date, a participant may withdraw all (but not part) of the amount credited to the participant's account. If the participant withdraws the amount credited to the participant's account, then the participant will cease to participate in the Offering and may not resume participation until the next Offering. Once an employee participates in an Offering, then participation in the next offering will be automatic subject to the participant's right to withdraw (in which event the employee may reenroll in a subsequent Offering).

Termination of Employment; Death

If a participant ceases to be an employee of the Company or any Participating Subsidiary, whether due to termination of employment or death, the participant shall be deemed to have elected to withdraw the participant's entire account. The amount in the participant's account will be paid to the participant, or to the participant's beneficiary or estate in the event of the participant's death.

Adjustments to Shares; Acceleration of Purchase

In the event of a change in Shares subject to the ESPP or subject to any Offering by reason of any dividend or other distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase,

Table of Contents

or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event that affects the Shares such that the Compensation Committee determines an adjustment to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the ESPP, then the Compensation Committee may, in such manner as it deems appropriate, make adjustments in the ESPP, including changing the number of Shares subject to the ESPP and the price of the outstanding Offering.

In the event that a person or group becomes the beneficial owner of 50% of the outstanding Common Stock of the Company or of a sale of substantially all assets of the Company to an affiliate of the Company without the consent of at least two-thirds of the Board of Directors, or if within 12 months after a tender offer or exchange offer for the Common Stock of the Company (other than by the Company), the individuals who were then directors of the Company cease to constitute a majority of the Board of Directors, then if the surviving or acquiring corporation does not continue or assume the outstanding rights under the ESPP or substitute similar rights, the Committee may pay the participants the amounts in the participants' accounts in cash or cause Shares to be purchased with the amounts then credited to the participants' accounts within five (5) days prior to the transaction.

Federal Income Tax Implications of the ESPP

Federal Income Tax Consequences to Participants

Payroll deductions to the ESPP are made on an after-tax basis, which means that the applicable federal and state tax withholding is applied to a participant's compensation before ESPP contributions are deducted.

If there is a disposition of the participant's Shares within one year of the Purchase Date or two years after the Offering Date, the participant will recognize ordinary income equal to the excess of the Fair Market Value of the Shares on the Purchase Date over the purchase price. Any further gain or loss recognized upon such disposition of Shares will be short-term or long-term capital gain or loss, depending upon the length of time the participant holds the Shares following the Purchase Date. If there is a disposition of the participant's Shares more than one year after the Purchase Date or more than two years after the Offering Date, or if the participant dies while owning the Shares and the participant's beneficiary or estate disposes of the Shares, then the participant (or the beneficiary or estate in the event of a participant's death) will recognize ordinary income equal to the lesser of (a) the excess of the Fair Market Value realized upon the disposition of the Shares over the purchase price of the Shares, or (b) the excess of the Fair Market Value of the Shares on the first day of the Offering Period over the purchase price of the Shares. The amount of ordinary income recognized upon such a disposition (but not upon death) is added to the participant's basis in the Shares. Any further gain or loss which is realized upon such disposition of Shares is treated as long-term capital gain or loss.

Federal Income Tax Consequences to the Company

In the event of a disposition of Shares by a participant after the expiration of the required holding periods, the Company will not recognize taxable income, nor will it be entitled to any deduction from income by reason of the participant's purchase or disposition of the Shares. In the event a participant recognizes compensation income as a result of a disposition prior to the expiration of the required holding periods, the Company will be entitled to a corresponding deduction from its taxable income, subject to the deduction limitation imposed by Section 162(m) of the Code.

The foregoing summary of the effect of federal income taxation upon the participant with respect to Shares purchased under the ESPP does not purport to be complete. Reference should be made to the applicable provisions of the Code. In addition, the summary does not discuss the tax implications of a participant's death or the provisions of income tax laws of any municipality, state or foreign country in which the participant may reside.

New Plan Benefits under the ESPP

Each executive officer of the company qualifies for participation under the ESPP and may be eligible to annually purchase Shares of the Company's Common Stock at a discount below the market price up to a maximum of \$25,000 per year. However, participation in the ESPP is voluntary and dependent upon the executive officer's election to participate, and the benefit of participating will depend on the terms of the Offerings and the Fair Market Value of the Shares on the Purchase Date. Accordingly, future benefits that would be received by the executive officers and other eligible employees under the proposed ESPP cannot be determined at this time.

Equity Compensation Plan Information

A summary of our securities authorized for issuance under equity compensation plans as of March 31, 2014 is set forth on page 26 of this proxy statement and additional information is included in the Company's Annual Report on Form 10-K filed with the SEC on March 11, 2014.

Required Vote

The proposal to approve the adoption of the InfuSystem Holdings, Inc. Employee Stock Purchase Plan (Proposal 2) will require the affirmative vote of a majority of the shares of the Company's Common Stock present at the Annual Meeting, in person or represented by proxy, and entitled to vote. Abstentions will be treated as votes against the proposal. Broker non-votes and failures to vote will have no effect on the outcome of the vote.

Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR PROPOSAL 2 TO APPROVE THE INFUSYSTEM HOLDINGS, INC. EMPLOYEE STOCK PURCHASE PLAN.

PROPOSAL 3

APPROVAL OF THE INFUSYSTEM HOLDINGS, INC. EQUITY PLAN

Background

On April 4, 2014, the Board of Directors approved and adopted the InfuSystem Holdings, Inc. Equity Plan (the Plan), subject to stockholder approval. If the stockholders approve the Plan, it will become effective on the day of the Annual Meeting.

Reasons for Stockholder Approval

The Board of Directors seeks stockholder approval of the Plan as required by Section 711 of the NYSE MKT Company Guide and as a matter of good corporate governance practices. Stockholder approval will permit designated stock options granted pursuant to the Plan to qualify as incentive stock options under the Internal Revenue Code. Such qualification can give the holder of the options more favorable tax treatment, as explained below.

The approval of the Plan will not affect the Company's ability to make stock-based or cash-based awards outside of the Plan to the extent consistent with applicable law and stock exchange rules.

Description of the Plan

The principal provisions of the Plan are summarized below. The summary is not a complete description of all of the Plan's provisions and is qualified in its entirety by reference to the Plan, which is attached to this Proxy Statement as Appendix B. Capitalized terms used in the summary below that are not defined in this Proxy Statement have the meanings set forth in the Plan.

Purpose

The purpose of the Plan is to advance the interests of the Company and its stockholders by providing a means (i) to attract, retain, and reward directors, officers, other employees, and persons who provide services to the Company and its Subsidiaries, (ii) to link compensation to measures of the Company's performance in order to provide additional incentives, including stock-based incentives and cash-based incentives, to such persons for the creation of stockholder value, and (iii) to enable such persons to acquire or increase a proprietary interest in the Company in order to promote a closer identity of interests between such persons and the Company's stockholders. The Plan is intended to replace the Company's 2007 Stock Incentive Plan, and no new grants will be made under the 2007 Stock Incentive Plan on or after the effective date of this Plan if the Plan is approved by stockholders.

Aggregate Limitation on Stock-Based Awards

Shares issued pursuant to the Plan will be the Company's Common Stock. The aggregate number of Shares that may be issued under the Plan during the life of the Plan will not exceed 2,000,000, subject to adjustment as discussed below. Shares issued that are reacquired by the Company in connection with a forfeiture or other failure to satisfy performance conditions will not be treated as having been issued for purposes of this limit. Shares delivered under the Plan may be newly issued Shares, treasury Shares or any combination of the two.

Administration

The Compensation Committee will have the authority to select award recipients, determine the type, size and other terms and condition of the award, and make all other decisions and determinations as may be required under the Plan.

Table of Contents

Type of Awards

The Compensation Committee is authorized to grant awards payable in either Shares or cash, including Shares, Shares subject to restrictions and a risk of forfeiture, options to purchase Shares, stock appreciation rights, Share units, performance units and dividend equivalents. These awards may be granted as a bonus, or in lieu of obligations of the Company or any Subsidiary to pay cash or grant other awards under other plans or compensatory arrangements.

Terms and Conditions of Awards

The Compensation Committee will determine the size of each award to be granted (including, where applicable, the number of Shares to which an award will relate), and all other terms and conditions of each award (including any exercise price, grant price, or purchase price, any restrictions or conditions relating to transferability, forfeiture, exercisability or settlement of an award, and any schedule or performance conditions for the lapse of such restrictions or conditions, and accelerations or modifications, in each case based on such considerations as the Compensation Committee may determine). The Compensation Committee will have the authority to delegate any or all of its authority to the extent such delegation is consistent with applicable law.

Terms and Conditions of Options

In no event will the exercise price of any option be less than the Market Value (as defined below) of a Share on the date of grant. Except in the event of an adjustment, as described below under the heading *Adjustments*, the exercise price of any outstanding option to purchase Shares or an outstanding stock appreciation right may not be reduced, nor may an outstanding option to purchase Shares or stock appreciation right be cancelled in exchange for a new award with a lower (or no) purchase price or for cash, without stockholder approval. *Market Value* means the average closing price (or the average mean of the closing bid and asked prices for a Share) of the Company's Common Stock reported on the Company's principal stock exchange, NYSE MKT, for the five (5) most recent trading days prior to the date of grant.

Stand-Alone, Additional, Tandem, and Substitute Awards

The Compensation Committee may, in its discretion, grant awards under the Plan alone or in addition to, in tandem with, or in substitution or exchange for, any other award granted under the Plan or under another plan of the Company, any Subsidiary, or any business entity that may be acquired by the Company or a Subsidiary, or any other right of a participant to receive payment from the Company or any Subsidiary.

Eligibility

Individuals who are (i) employees (including officers) of the Company or any Subsidiary, (ii) Non-Employee Directors, (iii) any other individual or entity who provides substantial personal services to the Company or any Subsidiary, and (iv) any individual who has agreed to become an employee of the Company or a Subsidiary are eligible to receive awards under the Plan, if selected by the Compensation Committee in its discretion.

Per Participant Limitations

In any calendar year, no individual may be granted stock-based awards under the Plan that relate to more than 500,000 Shares, or cash-based awards that can be settled for more than \$500,000.

Table of Contents

Certain Performance-Based Awards

The Compensation Committee may grant performance awards, which may be cash-denominated awards or stock-based awards. Generally, performance awards require satisfaction of pre-established performance goals, consisting of one or more business criteria and a targeted performance level with respect to such criteria as a condition to the grant, exercise or settlement of the performance awards. Performance may be measured over a period of any length specified by the Compensation Committee, up to ten (10) years. If so determined by the Compensation Committee, the business criteria used by the Compensation Committee in establishing performance goals applicable to performance awards to the named executive officers will be based on one or more of the following individual, corporate-wide or subsidiary, division or operating unit financial measures: (1) pre-tax or after-tax net income; (2) pre-tax or after-tax operating income; (3) gross revenue; (4) profit margin; (5) stock price (including market capitalization); (6) cash flow(s); (7) market share; (8) pre-tax or after-tax earnings per share; (9) pre-tax or after-tax operating earnings per share; (10) expenses; (11) return on equity; and (12) strategic business criteria, consisting of one or more objectives based on meeting specified revenue, market penetration, geographic business expansion goals, cost targets, goals relating to acquisitions or divestitures, clinical goals, distribution and development goals, sales force goals and strategic alliance goals.

Each such goal may be expressed on an absolute and/or relative basis, may be based on or otherwise employ comparisons based on current internal targets and/or the past performance of the Company (including the performance of one or more subsidiaries, divisions and/or operating units), and in the case of earnings-based measures, may use or employ comparisons relating to capital (including, but not limited to, the cost of capital), stockholders' equity and/or shares outstanding, or to assets or net assets.

Adjustments

In the event of any change in the outstanding shares of Common Stock by reason of any Share dividend or split, reorganization, recapitalization, merger, amalgamation, consolidation, spin-off, combination or exchange of shares of Common Stock, repurchase, liquidation, dissolution or other corporate exchange, any large, special and non-recurring dividend or distribution to stockholders, or other similar corporate transaction, the Compensation Committee shall make such substitution or adjustment as is equitable and appropriate in order to preserve, without enlarging, the rights of participants, as to (i) the number and kind of Shares which may be delivered pursuant to awards, (ii) the number and kind of Shares subject to or deliverable in respect of outstanding awards, and (iii) the exercise price, grant price or purchase price relating to any award. In addition, the Compensation Committee shall make such equitable and appropriate adjustments in the terms and conditions of, and the criteria included in, awards (including cancellation of awards in exchange for the intrinsic (i.e., in-the-money) value, if any, of the vested portion thereof, substitution of awards using securities or other obligations of a successor or other entity, acceleration of the expiration date for awards, or adjustment to performance goals in respect of awards) in recognition of unusual or nonrecurring events (including events described in the preceding sentence, as well as acquisitions and dispositions of businesses and assets) affecting the Company, any Subsidiary or any business unit, or the financial statements of the Company or any Subsidiary, or in response to changes in applicable laws, regulations, or accounting principles. Notwithstanding the foregoing, if any such event will result in the acquisition of all or substantially all of the Company's outstanding shares of Common Stock, then if the document governing such acquisition (e.g., merger agreement) specifies the treatment of outstanding awards, such treatment shall govern without the need for any action by the Compensation Committee.

Unless earlier terminated, the Plan will terminate ten years after its approval by stockholders.

Federal Income Tax Implications of the Plan

The Federal income tax consequences arising with respect to awards granted under the Plan will depend on the type of the award. As a general rule, the recipient will recognize ordinary income at the time of payment of cash, or delivery of actual Shares. Future appreciation on Shares held beyond the ordinary income recognition event will be taxable to the recipient at capital gains rates when the Shares are sold. The Company as a general rule, will be entitled to a tax deduction that corresponds in time and amount to the ordinary income recognized by the recipient, and the Company will not be entitled to any tax deduction in respect of capital gain income recognized by the recipient. Exceptions to these general rules may arise under the following circumstances, among others: (i) if Shares, when delivered, are subject to a substantial risk of forfeiture by reason of failure to satisfy any employment or performance-related condition, ordinary income taxation and the Company's tax deduction will be delayed until the risk of forfeiture lapses (unless the recipient makes a special election to include the amount in income notwithstanding the risk of forfeiture); (ii) if an employee is granted an option that qualifies as incentive stock option, no ordinary income will be recognized (but rather any gain recognized will be capital), and the Company will not be entitled to any tax deduction, if Shares acquired upon exercise of such option are held at least one year from the date of exercise and two years from the date of grant; (iii) the Company will not be entitled to a tax deduction for compensation attributable to awards granted to one of its named executive officers, if and to the extent such compensation does not qualify as performance based compensation Code Section 162(m), and such compensation, along with any other non-performance-based compensation paid in the same calendar year to such individual, exceeds \$1 million, and (iv) an award may be taxable at 20 percentage points above ordinary income tax rates at the time it becomes vested, even if that is prior to the delivery of the cash or stock in settlement of the award, if the award constitutes deferred compensation under Code Section 409A, and the requirements of Code Section 409A are not satisfied. The foregoing provides only a general description of the application of federal income tax laws to certain awards under the Plan. This discussion is intended for the information of stockholders considering how to vote at the Annual Meeting and not as tax guidance to participants in the Plan, as the consequences may vary with the types of awards made, the identity of the recipients and the method of payment or settlement. The summary does not address the effects of other federal taxes (including possible golden parachute excise taxes) or taxes imposed under state, local, or foreign tax laws.

New Plan Benefits under the Plan

Awards under the Plan generally will be granted in the discretion of the Compensation Committee. Accordingly, future benefits that would be received by the executive officers and other eligible employees under the proposed Plan cannot be determined at this time.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors has furnished the following report on its activities during the fiscal year ended December 31, 2013. The report is not deemed to be soliciting material or filed with the SEC or subject to the SEC's proxy rules or to the liabilities of Section 18 of the Exchange Act and the report shall not be deemed to be incorporated by reference into any prior or subsequent filing under the Securities Act or the Exchange Act except to the extent that the Company specifically incorporates it by reference into any such filing.

The Audit Committee oversees the financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial reporting process, principles and internal controls as well as preparation of the Company's financial statements.

In fulfilling its responsibilities, the Audit Committee appointed independent registered public accounting firm BDO USA, LLP (the 2013 Auditor) for the fiscal year ended December 31, 2013. The Audit Committee also reviewed and discussed the Company's audited financial statements and the adequacy of the Company's internal controls with the 2013 Auditor and with management. The Audit Committee met with the 2013 Auditor, without management present, to discuss the results of the 2013 Auditor's audits and the overall quality of the Company's financial reporting.

The Audit Committee monitored the independence and performance of the 2013 Auditor, as well as discussed with the 2013 Auditor the matters required to be discussed by Statements on Auditing Standards No. 61, as amended. The Company's 2013 Auditor has provided the Audit Committee with the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the 2013 Auditor's communications with the Audit Committee regarding independence and the Audit Committee has discussed 2013 Auditor's independence with the 2013 Auditor and management. Based upon the review and discussions referred to above, the then constituted Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2013 for filing with the SEC.

The Audit Committee has the sole authority to appoint the independent registered public accounting firm. As discussed in Proposal 5, the Audit Committee has determined that it is in the best interests of the Company and its stockholders to recommend that the Board of Directors ask the stockholders, at the Meeting, to ratify the appointment of BDO USA, LLP, as its independent registered public accounting firm.

For purposes of the Plan, the employment relationship shall be treated as continuing intact while the individual is on sick leave or other leave of absence approved by the Company; provided, however, where the period of leave exceeds 90 days and the Employee's

right to reemployment is not guaranteed either by statute or by contract, the employment relationship shall be deemed to have terminated on the ninety-first (91st) day of such leave. Article 3. Administration.

3.1 Authority of Committee. The Plan shall be administered by the Committee. Subject to the express provisions of the Plan and applicable law, and in addition to other express powers and authorizations conferred on the Committee by the Plan, the Committee shall have full power and authority to construe and interpret the Plan and may from time to time adopt such rules and regulations for carrying out the Plan as it may deem necessary or desirable for the administration of the Plan.

3.2 Committee Discretion Binding. Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations, and other decisions under or with respect to the Plan, shall be within the sole discretion of the Committee, may be made at any time and shall be final, conclusive, and binding upon all Persons, including the

Company, any Subsidiary, any Participant, any Employee, and any designated beneficiary.

3.3 Delegation. Subject to the terms of the Plan and applicable law, the Committee may delegate to one or more officers or managers of the Company or any Subsidiary, or to a committee of such officers or managers, the authority, subject to such terms and limitations as the Committee shall determine, to administer the Plan.

3.4 No Liability. No member of the Committee shall be liable for any action taken or determination made in good faith with respect to the Plan.

Article 4. Shares Available for Awards.

4.1 Shares Available. Subject to adjustment as provided in Section 4.2, the number of Shares which may be sold under the Plan shall not exceed 200,000 Shares. The Committee may specify the number of Shares to be offered in an Offering. In the event that any Shares offered in an Offering are not purchased, such unpurchased Shares may again be sold under the Plan.

4.2 Adjustments. In the event that the Committee determines that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event affects the Shares such that an adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee may, in such manner as it may deem appropriate, make such equitable adjustments in the Plan, and the then outstanding Offering, as it deems necessary and appropriate, including, but not limited to, changing the number of Shares reserved under the Plan and the price of the current Offering.

4.3 Source of Shares; No Fractional Shares. Shares which are to be delivered under the Plan may be obtained by the Company from its treasury, by purchases on the open market or from private sources, or by issuing authorized but unissued Shares. Any issuance of authorized but unissued Shares shall be approved by the board of directors of the Company or a duly authorized committee thereof. Authorized but unissued Shares may not be delivered under the Plan if the purchase price thereof is less than the par value of the Shares. No fractional Shares may be purchased or issued under the Plan.

4.4 Oversubscription. If the number of Shares that Participants become entitled to purchase in an Offering is greater than the number of Shares offered in the Offering or remaining available, the available Shares shall be allocated by the Committee among such Participants in such manner as it deems fair and equitable.

Article 5. Eligibility. All Employees (including Employees who are directors) of the Company or of any Subsidiary will be eligible to participate in the Plan, in accordance with such rules as may be prescribed by the Committee from time to time; provided, however, that such rules shall neither permit nor deny participation in the Plan contrary to the requirements of the Code (including, but not limited to, Sections 423(b)(3), (4) and (5) of the Code). During an Offering Period, no Employee may participate under the Plan if such Employee would own five percent (5%) or more of the total combined voting power or value of all classes of stock of the Company or any Subsidiary. For purposes of the preceding sentence, the rules of Section 424(d) of the Code shall apply in determining the stock ownership of an Employee, and Shares which the Employee would be permitted to purchase under the current Offering Period shall be treated as Shares owned by the Employee.

Article 6. Participation and Offerings.

6.1 Committee Authorization. The Committee may authorize one or more Offerings to Employees to purchase Shares under the Plan. The Committee may at any time suspend an Offering if required by law or if the Committee determines in good faith that it is in the best interests of the Company. Each Offering shall be in such

A-3

Table of Contents

form and shall contain such terms and conditions as the Committee shall deem appropriate and which shall comply with the requirements of Section 423(b)(5) of the Code that all Employees granted rights to purchase Shares under the Plan shall have the same rights and privileges. The terms and conditions of an Offering shall be incorporated by reference into the Plan.

6.2 **Enrollment.** An Employee may become a Participant with respect to an Offering by providing a form of enrollment (Enrollment Form) to the Company in accordance with applicable Plan procedures specified by the Committee. If an Employee elects to become a Participant for an Offering Period, he or she will remain a Participant for successive Offering Periods (subject to any subsequent withdrawal under Section 6.7 or Article 8) unless the Employee notifies the Company, in accordance with applicable Plan procedures specified by the Committee, prior to the Offering Date of such succeeding Offering that the Employee elects not to be a Participant with respect to such Offering.

6.3 **Minimum and Maximum Payroll Deduction.** A Participant's Enrollment Form will authorize specified regular payroll deductions on each payroll date during the Offering Period. Subject to Section 6.4, payroll deductions for such purpose shall be in one percent (1%) increments of Compensation subject to a minimum deduction of one percent (1%) of Compensation per pay period and a maximum deduction of ten percent (10%) of Compensation per pay period or such other maximum percentage as specified by the Committee in the Offering. The payroll deduction percentage of a Participant with respect to an Offering if the Participant automatically becomes a Participant in the Offering as provided in Section 6.2 will be the percentage in effect for the last pay period of the immediately preceding Offering, subject to Section 6.6.

6.4 **\$25,000 Maximum.** Notwithstanding any provision in the Plan to the contrary, no Employee may purchase Shares under this Plan and any other qualified employee stock purchase plan (within the meaning of Section 423 of the Code) of the Company or its Subsidiaries at a rate which exceeds Twenty-five Thousand Dollars (\$25,000) of Fair Market Value of Shares for each calendar year in which a purchase is executed. For purposes of this Section, Fair Market Value shall be determined as of the Offering Date of the applicable Offering.

6.5 **Participant Accounts.** The Company and Participating Subsidiaries will establish Participant Accounts to which will be credited the payroll deductions authorized pursuant to Section 6.3. No interest shall be earned by or credited to any Account. All payroll deduction amounts credited to a Participant's account under the Plan will be deposited with the general funds of the Company and may be used by the Company for any corporate purpose, and the Company shall not be obligated to segregate such payroll deduction amounts.

6.6 **Payroll Deduction Changes.** A Participant may, by written notice at any time during the Offering Period, direct the Company or the Subsidiary to reduce or increase payroll deductions, subject to a maximum of one change per Offering Period or such other number of changes as determined by the Committee with respect to an Offering in compliance with Section 423(b)(5) of the Code. Subject to other procedures established by the Committee, any such change (including a change to be effective for the immediately succeeding offering period) shall be made on a new Enrollment Form with the Company not less than 15 days prior to the effective date of such change.

6.7 **Participant Withdrawals: Suspensions.** A Participant may, no later than 15 days prior to a Purchase Date with respect to an Offering, elect to withdraw all of the amount credited to his or her Account, or a portion of the amount credited to his or her Account to the extent authorized by the Committee with respect to an Offering in compliance with Section 423(b)(5) of the Code. Any withdrawal of the entire amount credited to a Participant's Account with respect to an Offering will terminate such Participant's participation in the Offering. If a Participant is also a participant in a 401(k) plan maintained by the Company or any Subsidiary and receives a hardship distribution under such 401(k) plan, the Participant's payroll deductions under this Plan shall be suspended for a period of six (6) months

from the date of the hardship distribution.

6.8 Purchase. As of each Purchase Date, the Account of each Participant shall be totaled. If a Participant's Account contains sufficient funds to purchase one or more Shares as of that date, the Participant shall be deemed

A-4

Table of Contents

to have purchased the largest number of Shares that can be purchased by the amount credited to the Participant's Account at the price determined under Article 7 below. Notwithstanding the preceding sentence, the maximum number of Shares that a Participant may purchase in an Offering shall be \$25,000 divided by the Fair Market Value of a Share on the Offering Date. A Participant's Account will be charged, on the Purchase Date, for the amount of the purchase, and for all purposes under the Plan, the Participant shall be deemed to have purchased the Shares on that date. As promptly as possible after the Purchase Date, the Company shall transfer (including, but not limited to, a transfer by electronic transaction) the Shares so purchased to the Participant's Account to be held on behalf of the Participant (or the Participant and a joint owner as designated by the Participant in accordance with applicable law). The Company may in its discretion issue Shares in certificate or book entry form. Upon the death of a Participant, Shares in the Participant's Account that do not pass to a joint owner in accordance with applicable law will be distributed to the Participant's designated beneficiary or estate.

6.9 Insufficient Payroll Deduction. If for any reason a Participant's Compensation is insufficient to cover a payroll deduction on a particular payroll date, then no payroll deduction will be made on that date. The payroll deduction in effect for the Participant will resume on the next payroll date as of which the Participant's Compensation is sufficient to cover such payroll deduction, but the payroll deduction or deductions missed under the preceding sentence will not be deducted on any future payroll date.

6.10 Account Balance after Purchase. Any amount remaining in a Participant's Account after the Purchase Date of an Offering shall be held in the Participant's Account for the purchase of Shares in the next Offering subject to the Participant's withdrawal of such amount under Section 6.7.

Article 7. Purchase Price. The purchase price of a Share on a Purchase Date with respect to an Offering shall be designated by the Committee in the Offering and shall not be less than the lesser of: (a) eighty-five percent (85%) of the Fair Market Value of a Share on the Offering Date, or (b) eighty-five percent (85%) of the Fair Market Value of a Share on the Purchase Date of the applicable Offering Period.

Article 8. Termination of Employment. If a Participant ceases to be an Employee for any reason, he or she shall be deemed to have elected to withdraw from the Plan and the payroll deductions credited to such Participant's Account during the Offering Period, but not yet used, shall be returned to the Participant in cash or, in the case of his or her death, shall be paid in cash to the Participant's designated beneficiary or estate.

Article 9. Transferability. Neither payroll deductions credited to a Participant's Account nor any rights with regard to the purchase of Shares under the Plan may be assigned, transferred, pledged, or otherwise disposed of in any way (other than by will, laws of descent and distribution, or beneficiary designation) by a Participant, and during a Participant's lifetime any rights granted to the Participant under the Plan shall be exercisable only by the Participant. Any such attempt at assignment, transfer, pledge, or other disposition shall be without effect, and the Company will treat such act as an election to withdraw Participant's entire Account in accordance with Section 6.7.

Article 10. Corporate Transactions. In the event of a Corporate Transaction, then: (i) any surviving or acquiring corporation may continue or assume the rights to purchase Shares outstanding under the Plan or may substitute similar rights for those outstanding under the Plan, or (ii) if any surviving or acquiring corporation does not continue or assume such rights to purchase Shares or does not substitute similar rights for rights to purchase Shares outstanding under the Plan, then, in the discretion of the Committee, the Participants' Accounts may be either paid in cash or used to purchase Shares under the Offering within five (5) days prior to the Corporate Transaction.

Article 11. General Provisions.

11.1 Amendments. The Committee may, from time to time, amend or discontinue the Plan; provided, however, that approval of the shareholders shall be sought to the extent required for the Plan to satisfy the requirements of Section 423 of the Code or other applicable laws or regulations.

A-5

11.2 No Right to Employment. A Participant's right to purchase Shares under the Plan shall not be construed as giving such Participant the right to be retained in the employment of the Company or any Subsidiary. Further, the Company or any Subsidiary may at any time dismiss a Participant from employment, free from any liability or claim under the Plan, unless otherwise expressly provided in the Plan.

11.3 No Rights as Shareholder. Subject to the provisions of the Plan, no Participant or holder or beneficiary of any purchase shall have any rights as a shareholder with respect to any Shares to be distributed under the Plan until such Shares have been purchased pursuant to Section 6.8.

11.4 Obligatory Status. Participation in the Plan shall impose no obligation upon a Participant to purchase any Shares under the Plan.

11.5 Application of Funds. The proceeds received by the Company from the sale of Shares pursuant to purchases under the Plan will be used for general corporate purposes.

11.6 Severability. If any provision of the Plan becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any person, or would disqualify the Plan or any purchase under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan, such provision shall be stricken as to such jurisdiction or person, and the remainder of the Plan shall remain in full force and effect.

11.7 Governing Law. The validity, construction, and effect of the Plan and any rules and regulations relating to the Plan shall be determined in accordance with the laws of the State of Delaware, without giving effect to the conflict of law principles thereof.

11.8 Other Laws. The Committee may refuse to issue or transfer any Shares if, acting in its sole discretion, it determines that the issuance or transfer of such Shares might violate any applicable law or regulation (including applicable non-U.S. laws or regulations) or entitle the Company to recover any amounts under Section 16(b) of the Exchange Act, and any payment tendered to the Company by a Participant, other holder or beneficiary in connection with the purchase of such Shares shall be promptly refunded to the relevant Participant, holder or beneficiary. Without limiting the generality of the foregoing, no Plan provision shall be construed as an offer to sell securities of the Company, and no such offer shall be outstanding, unless and until the Committee in its sole discretion has determined that any such offer, if made, would be in compliance with all applicable requirements of the U.S. federal or non-U.S. securities laws and any other laws to which such offer, if made, would be subject.

11.9 Shareholder Approval. This Plan shall not be effective until approved by the shareholders of the Company as provided in Section 423(b)(2) of the Code.

11.10 Headings. Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

3. Administration

3.1 **Committee.** The Committee shall administer the Plan. At any time that a member of the Committee is not a Qualified Member, (i) any action of the Committee relating to an Award intended by the Committee to qualify as performance-based compensation within the meaning of Code Section 162(m) and regulations thereunder may be taken by a subcommittee, designated by the Committee or the Board, composed solely of two or more Qualified Members, and (ii) any action relating to an Award granted or to be granted to a Participant who is then subject to Section 16 of the Securities Exchange Act of 1934 in respect of the Company may be taken either by the Board, a subcommittee of the Committee consisting of two or more Qualified Members or by the Committee but with each such member who is not a Qualified Member abstaining or recusing himself or herself from such action, provided that, upon such abstention or recusal, the Committee remains composed of two or more Qualified Members. Such action, authorized by such a subcommittee or by the Committee upon the abstention or recusal of such non-Qualified Member(s), shall be the action of the Committee for purposes of the Plan. Other provisions of the Plan notwithstanding, the Board may perform any function of the Committee under the Plan, and that authority specifically reserved to the Board under the terms of the Plan, the Company's Articles of Incorporation, By-Laws, or applicable law shall be exercised by the Board and not by the Committee. (d) make all other decisions and determinations as may be required under the terms of the Plan or as the Committee may deem necessary or advisable for the administration of the Plan.

B-2

Table of Contents

All determinations and decisions of the Committee shall be final and binding upon a Participant or any person claiming any rights under the Plan from or through any Participant, and the Participant or such other person may not further pursue his or her claim in any court of law or equity or other arbitral proceeding.

3.3 Delegation by Committee. Except to the extent prohibited by applicable law or the applicable rules of a stock exchange, or as provided in Section 5.2, the Committee may delegate in writing, on such terms and conditions as it determines in its sole and absolute discretion, to one or more senior executives of the Company (i) the authority to make grants of Awards to officers (other than executive officers) and employees of the Company and any Subsidiary and (ii) other administrative responsibilities. Any such delegation may be revoked by the Committee at any time.

3.4 Limitation of Liability. Each member of the Committee shall be entitled to, in good faith, rely or act upon any report or other information furnished to him by any officer or other employee of the Company or any Subsidiary, the Company's independent certified public accountants, or any executive compensation consultant, legal counsel, or other professional retained by the Company to assist in the administration of the Plan. No member of the Committee, nor any officer or employee of the Company acting on behalf of the Committee, shall be personally liable for any action, determination, or interpretation taken or made in good faith with respect to the Plan, and all members of the Committee and any officer or employee of the Company acting on behalf of the Committee or members thereof shall, to the extent permitted by law, be fully indemnified and protected by the Company with respect to any such action, determination, or interpretation.

4. Awards

4.1 Eligibility. The Committee shall have the discretion to select Award recipients from among the following categories of eligible recipients: (i) individuals who are employees (including officers) of the Company or any Subsidiary, (ii) Non-Employee Directors, (iii) any other individual or entity who provides substantial personal services to the Company or any Subsidiary, and (iv) any individual who has agreed to become an employee of the Company or a Subsidiary, provided that no such person may receive any payment or exercise any right relating to an Award until such person has commenced employment.

4.2 Type of Awards. The Committee shall have the discretion to determine the type of Awards to be granted under the Plan. Such Awards may be in a form payable in either Shares or cash, including, but not limited to, Shares that are, or are not, subject to transfer restrictions and a risk of forfeiture, options to purchase Shares, stock appreciation rights, Share units, performance units and dividend equivalents. The Committee is authorized to grant Awards as a bonus, or to grant Awards in lieu of obligations of the Company or any Subsidiary to pay cash or grant other awards under other plans or compensatory arrangements, to the extent permitted by such other plans or arrangements. Shares issued pursuant to an Award in the nature of a purchase right (e.g., options) shall be purchased for such consideration, paid for at such times, by such methods, and in such forms, including cash, Shares, other Awards, or other consideration, as the Committee shall determine.

4.3 Terms and Conditions of Awards. The Committee shall determine the size of each Award to be granted (including, where applicable, the number of Shares to which an Award will relate), and all other terms and conditions of each such Award (including, but not limited to, any exercise price, grant price, or purchase price, any restrictions or conditions relating to transferability, forfeiture, exercisability, or settlement of an Award, and any schedule or performance conditions for the lapse of such restrictions or conditions, and accelerations or modifications thereof, based in each case on such considerations as the Committee shall determine). The Committee may determine whether, to what extent, and under what circumstances an Award may be settled, or the exercise price of an Award may be paid, in cash, Shares, other Awards, or other consideration, or an Award may be canceled, forfeited, or surrendered. The right of a Participant to exercise or receive a grant or settlement of any Award, and the timing thereof, may be

subject to such performance conditions as may be specified by the Committee. The Committee may use such business criteria and measures of performance as it may deem

B-3

Table of Contents

appropriate in establishing performance conditions, and may exercise its discretion to reduce or increase the amounts payable under any Award subject to performance conditions, except as limited under Section 5.1 in the case of a Performance Award intended to qualify under Code Section 162(m).

4.4 Terms and Conditions of Options. Except as otherwise set forth in Section 4.5 below, the exercise price, purchase price or grant price (collectively, the exercise price) of any Award granted as an option to purchase Shares or a stock appreciation right shall be determined by the Committee, but in no event shall be less than the Market Value of a Share on the date of grant. Except as otherwise permitted by Section 7 below, the exercise price of any outstanding option to purchase Shares or an outstanding stock appreciation right may not be reduced, nor may an outstanding option to purchase Shares or stock appreciation right be cancelled in exchange for a new Award with a lower (or no) purchase price or for cash, without stockholder approval. No options to purchase Shares nor any other Awards shall be issued under the Plan to a Participant in payment of all or any portion of the exercise price and/or tax withholding obligation owed in payment for any option to purchase Shares or other Award; provided, however, that this provision shall neither limit the cashless exercise of any option to purchase Shares or other Award nor prevent a Participant from surrendering Shares to the Company under an Award as payment for tax withholding obligations.

4.5 Stand-Alone, Additional, Tandem, and Substitute Awards. Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution or exchange for, any other Award or any award granted under another plan of the Company, any Subsidiary, or any business entity to be acquired by the Company or a Subsidiary, or any other right of a Participant to receive payment from the Company or any Subsidiary, and in granting a new Award, the Committee may determine that the value of any surrendered Award or award may be applied to reduce the exercise price of any option or appreciation right or purchase price of any other Award.

5. Performance Awards

5.1 Performance Awards Granted to Designated Covered Employees. If the Committee determines that an Award to be granted to an eligible person who is designated by the Committee as likely to be a Covered Employee (as defined below) should qualify as performance-based compensation for purposes of Code Section 162(m), the grant, exercise, and/or settlement of such Award (a Performance Award) shall be contingent upon achievement of pre-established performance goals and other terms set forth in this Section 5.1. This Section 5.1 shall not apply to Awards that otherwise qualify as performance-based compensation by reason of Regulation §1.162-27(e)(2)(vi) (relating to certain stock options and stock appreciation rights).

(a) *Performance Goals Generally.* The performance goals for such Performance Awards shall consist of one or more business criteria and a targeted level or levels of performance with respect to each such criteria, as specified by the Committee consistent with this Section 5.1. Performance goals shall be objective and shall otherwise meet the requirements of Code Section 162(m) and regulations thereunder (including Regulation §1.162-27 and successor regulations thereto), including the requirement that the level or levels of performance targeted by the Committee result in the achievement of performance goals being substantially uncertain. The Committee may determine that such Performance Awards shall be granted, exercised, and/or settled upon achievement of any one performance goal or that two or more of the performance goals must be achieved as a condition to grant, exercise, and/or settlement of such Performance Awards. Performance goals may differ for Performance Awards granted to any one Participant or to different Participants.

(b) *Business Criteria.* The performance goals for Performance Awards shall be based exclusively on one or more of the following individual, corporate-wide or subsidiary, division or operating unit financial measures:

- (1) pre-tax or after-tax net income,
- (2) pre-tax or after-tax operating income,

B-4

Table of Contents

(3) gross revenue,

(4) profit margin,

(5) stock price (including market capitalization),

(6) cash flow(s),

(7) market share,

(8) pre-tax or after-tax earnings per share,

(9) pre-tax or after-tax operating earnings per share,

(10) expenses,

(11) return on equity,

(12) strategic business criteria, consisting of one or more objectives based on meeting specified revenue, market penetration, geographic business expansion goals, cost targets, goals relating to acquisitions or divestitures, clinical goals, distribution and development goals, sales force goals and strategic alliance goals, or any combination thereof (in each case before or after such objective income and expense allocations or adjustments as the Committee may specify within the period set forth in Section 5.1(c)). Each such goal may be expressed on an absolute and/or relative basis, may be based on or otherwise employ comparisons based on current internal targets and/or the past performance of the Company (including the performance of one or more subsidiaries, divisions and/or operating units), and in the case of earnings-based measures, may use or employ comparisons relating to capital (including, but limited to, the cost of capital), shareholders' equity and/or shares outstanding, or to assets or net assets.

(c) *Performance Period; Timing for Establishing Performance Award Terms.* Achievement of performance goals in respect of such Performance Awards shall be measured over a performance period of up to ten years, as specified by the Committee. Performance goals, amounts payable upon achievement of such goals, and other material terms of Performance Awards shall be established by the Committee (i) while the performance outcome for that performance period is substantially uncertain and (ii) no more than 90 days after the commencement of the performance period to which the performance goal relates or, if less, the number of days which is equal to 25 percent of the relevant performance period.

(d) *Performance Award Pool.* The Committee may establish a Performance Award pool, which shall be an unfunded pool, for purposes of measuring performance of the Company in connection with Performance Awards. The amount of such Performance Award pool shall be based upon the achievement of a performance goal or goals based on one or more of the business criteria set forth in Section 5.1(b) hereof during the given performance period, as specified by the Committee in accordance with Section 5.1(c) hereof. The Committee may specify the amount of the Performance Award pool as a percentage of any of such business criteria, a percentage thereof in excess of a threshold amount, or as another amount which need not bear a strictly mathematical relationship to such business criteria. In such case, Performance Awards may be granted as rights to payment of a specified portion of the Award pool, and such grants shall be subject to the requirements of Section 5.1(c).

(e) *Settlement of Performance Awards; Other Terms.* Settlement of such Performance Awards shall be in cash, Shares, or other Awards, in the discretion of the Committee. The Committee may, in its discretion, reduce the amount of a

settlement otherwise to be made in connection with such Performance Awards, but may not exercise discretion to increase any such amount payable to a Covered Employee in respect of a Performance Award subject to this Section 5.1. The Committee shall specify the circumstances in which such Performance Awards shall be paid or forfeited in the event of termination of employment by the Participant prior to the end of a performance period or settlement of Performance Awards.

(f) *Impact of Extraordinary Items Or Changes In Accounting.* To the extent applicable, the determination of achievement of performance goals for Performance Awards shall be made in accordance

Table of Contents

with U.S. generally accepted accounting principles (GAAP) and a manner consistent with the methods used in the Company s audited financial statements, and, unless the Committee decides otherwise within the period described in Section 5.1(c), without regard to (i) extraordinary items as determined by the Company s independent public accountants in accordance with GAAP, (ii) changes in accounting methods, or (iii) non-recurring acquisition expenses and restructuring charges. Notwithstanding the foregoing, in calculating operating earnings or operating income (including on a per share basis), the Committee may, within the period described in Section 5.1(c), provide that such calculation shall be made on the same basis as reflected in a release of the Company s earnings for a previously completed period as specified by the Committee.

5.2 Written Determinations. Determinations by the Committee as to the establishment of performance goals, the amount potentially payable in respect of Performance Awards, the achievement of performance goals relating to Performance Awards, and the amount of any final Performance Award shall be recorded in writing. Specifically, the Committee shall certify in writing, in a manner conforming to applicable regulations under Code Section 162(m), prior to settlement of each Performance Award, that the performance goals and other material terms of the Performance Award upon which settlement of the Performance Award was conditioned have been satisfied. The Committee may not delegate any responsibility relating to such Performance Awards, and the Board shall not perform such functions at any time that the Committee is composed solely of Qualified Members.

5.3 Status of Section 5.1 Awards under Code Section 162(m). It is the intent of the Company that Performance Awards under Section 5.1 constitute performance-based compensation within the meaning of Code Section 162(m) and regulations thereunder. Accordingly, the terms of Sections 5.1, 5.2 and 5.3, including the definitions of Covered Employee and other terms used therein, shall be interpreted in a manner consistent with Code Section 162(m) and regulations thereunder. The foregoing notwithstanding, because the Committee cannot determine with certainty whether a given Participant will be a Covered Employee with respect to a fiscal year that has not yet been completed, the term Covered Employee as used herein shall mean only a person designated by the Committee, at the time of grant of a Performance Award, as likely to be a Covered Employee with respect to a specified fiscal year. If any provision of the Plan as in effect on the date of adoption of any agreements relating to Performance Awards does not comply or is inconsistent with the requirements of Code Section 162(m) or regulations thereunder, such provision shall be construed or deemed amended to the extent necessary to conform to such requirements.

6. Limitations on Awards

6.1 Aggregate Number of Shares Available for Awards. The maximum aggregate number of Shares that may be delivered to Participants or their Beneficiaries pursuant to all Awards granted under the Plan shall be 2,000,000. Awards made under this Plan which are forfeited (including a repurchase or cancellation of Shares subject thereto by the Company in exchange for the price, if any, paid to the Company for such Shares, or for their par or other nominal value), cancelled or have expired, shall be disregarded for purposes of the preceding sentence. For purposes of calculating Shares remaining available for issuance under the Plan, each Share granted to a Participant as an Award of Shares that are, or are not, subject to transfer restrictions and a risk of forfeiture (i.e., restricted stock) from and after the date of the amendment and restatement of this Plan (i.e., August 14, 2013) shall reduce the total remaining Shares available for grant under the Plan at a rate of two Shares per one restricted share granted; all other Awards under this Plan shall reduce the total remaining Shares available for grant under the Plan at a rate of one Share per one Share subject to such Award.

6.2 Per Participant Limitation on Share-Based Awards. In any calendar year, no Participant may be granted Awards that relate to more than 500,000 Shares. This Section 6.2 shall apply only with respect to Awards that are denominated by a specified number of Shares, even if the Award may be settled in cash or a form other than Shares. If the number of Shares ultimately payable in respect of an Award is a function of future achievement of performance targets, then

for purposes of this limitation, the number of Shares to which such Award relates shall equal the number of Shares that would be payable assuming maximum performance was achieved.

6.3 Per Participant Limitation on Other Awards. In any calendar year, no Participant may be granted Awards not otherwise described in Section 6.2 that can be settled for cash, Shares or other consideration having a value in excess of \$500,000.

7. Adjustments

In the event of any change in the outstanding Shares by reason of any Share dividend or split, reorganization, recapitalization, merger, amalgamation, consolidation, spin-off, combination or exchange of Shares, repurchase, liquidation, dissolution or other corporate exchange, any large, annual and non-recurring dividend or distribution to stockholders, or other similar corporate transaction, the Committee shall make such substitution or adjustment, if any, as is equitable and appropriate in order to preserve, without enlarging, the rights of Participants, as to (i) the number and kind of Shares which may be delivered pursuant to Sections 6.1 and 6.2, (ii) the number and kind of Shares subject to or deliverable in respect of outstanding Awards, and (iii) the exercise price, grant price or purchase price relating to any Award. In addition, the Committee shall make such equitable and appropriate adjustments in the terms and conditions of, and the criteria included in, Awards (including cancellation of Awards in exchange for the intrinsic (i.e., in-the-money) value, if any, of the vested portion thereof, substitution of Awards using securities or other obligations of a successor or other entity, acceleration of the expiration date for Awards, or adjustment to performance goals in respect of Awards) in recognition of unusual or nonrecurring events (including events described in the preceding sentence, as well as acquisitions and dispositions of businesses and assets) affecting the Company, any Subsidiary or any business unit, or the financial statements of the Company or any Subsidiary, or in response to changes in applicable laws, regulations, or accounting principles. Notwithstanding the foregoing, if any such event will result in the acquisition of all or substantially all of the Company's outstanding Shares, then if the document governing such acquisition (e.g., merger agreement) specifies the treatment of outstanding Awards, such treatment shall govern without the need for any action by the Committee.

8. General Provisions

8.1 Compliance with Laws and Obligations. The Company shall not be obligated to issue or deliver Shares in connection with any Award or take any other action under the Plan in a transaction subject to the registration requirements of any applicable securities law, any requirement under any listing agreement between the Company and any securities exchange or automated quotation system, or any other law, regulation, or contractual obligation of the Company, until the Company is satisfied that such laws, regulations, and other obligations of the Company have been complied with in full. Certificates representing Shares issued under the Plan will be subject to such stop-transfer orders and other restrictions as may be applicable under such laws, regulations, and other obligations of the Company, including any requirement that a legend or legends be placed thereon.

8.2 Limitations on Transferability. Awards and other rights under the Plan will not be transferable by a Participant except to a Beneficiary in the event of the Participant's death (to the extent any such Award, by its terms, survives the Participant's death), and, if exercisable, shall be exercisable during the lifetime of a Participant only by such Participant or his guardian or legal representative; provided, however, that such Awards and other rights may be transferred during the lifetime of the Participant, for purposes of the Participant's estate planning or other purposes consistent with the purposes of the Plan (as determined by the Committee), and may be exercised by such transferees in accordance with the terms of such Award, but only if and to the extent permitted by the Committee. Awards and other rights under the Plan may not be pledged, mortgaged, hypothecated, or otherwise encumbered, and shall not be subject to the claims of creditors. A Beneficiary, transferee, or other person claiming any rights under the Plan from or through any Participant shall be subject to all terms and conditions of the Plan and any Award Agreement applicable to such Participant, except as otherwise determined by the Committee, and to any additional terms and conditions deemed necessary or appropriate by the Committee.

8.3 *No Right to Continued Employment; Leaves of Absence.* Neither the Plan, the grant of any Award, nor any other action taken hereunder shall be construed as giving any employee, consultant, director, or other person

B-7

the right to be retained in the employ or service of the Company or any of its Subsidiaries (for the vesting period or any other period of time), nor shall it interfere in any way with the right of the Company or any of its Subsidiaries to terminate any person's employment or service at any time. Unless otherwise specified in the applicable Award Agreement, (i) an approved leave of absence shall not be considered a termination of employment or service for purposes of an Award under the Plan, and (ii) any Participant who is employed by or performs services for a Subsidiary shall be considered to have terminated employment or service for purposes of an Award under the Plan if such Subsidiary is sold or no longer qualifies as a Subsidiary of the Company, unless such Participant remains employed by the Company or another Subsidiary.

8.4 Taxes. The Company and any Subsidiary are authorized to withhold from any delivery of Shares in connection with an Award, any other payment relating to an Award, or any payroll or other payment to a Participant, amounts of withholding and other taxes due or potentially payable in connection with any transaction involving an Award, and to take such other action as the Committee may deem advisable to enable the Company, its Subsidiaries and Participants to satisfy obligations for the payment of withholding taxes and other tax obligations relating to any Award. This authority shall include authority to withhold or receive Shares or other consideration and to make cash payments in respect thereof in satisfaction of withholding tax obligations. Each Participant is responsible for all taxes to which such Participant may be subject in connection with an Award. The Company will not reimburse a Participant for any taxes imposed on Participant in connection with an Award.

8.5 Changes to the Plan and Awards. The Board may amend, suspend, discontinue, or terminate the Plan or the Committee's authority to grant Awards under the Plan without the consent of stockholders or Participants, except that any amendment shall be subject to the approval of the Company's stockholders at or before the next annual meeting of stockholders for which the record date is after the date of such Board action if such stockholder approval is required by any applicable law, regulation or stock exchange rule, and the Board may otherwise, in its discretion, determine to submit other such amendments to stockholders for approval. Notwithstanding the foregoing, without the consent of an affected Participant, no such action may materially impair the rights of such Participant under any Award theretofore granted. The Committee may amend, suspend, discontinue, or terminate any Award theretofore granted and any Award Agreement relating thereto; provided, however, that, without the consent of an affected Participant, no such action may materially impair the rights of such Participant under such Award. Any action taken by the Committee pursuant to Section 7 shall not be treated as an action described in this Section 8.5.

8.6 No Right to Awards; No Stockholder Rights. No Participant or other person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Participants, employees, consultants, or directors. No Award shall confer on any Participant any of the rights of a stockholder of the Company unless and until Shares are duly issued or transferred and delivered to the Participant in accordance with the terms of the Award.

8.7 Unfunded Status of Awards; Creation of Trusts. The Plan is intended to constitute an unfunded plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award shall give any such Participant any rights that are greater than those of a general creditor of the Company; provided, however, that the Committee may authorize the creation of trusts or make other arrangements to meet the Company's obligations under the Plan to deliver cash, Shares, other Awards, or other consideration pursuant to any Award, which trusts or other arrangements shall be consistent with the unfunded status of the Plan unless the Committee otherwise determines.

8.8 Nonexclusivity of the Plan. Neither the adoption of the Plan by the Board nor the submission of the Plan or of any amendment to stockholders for approval shall be construed as creating any limitations on the power of the Board to adopt such other compensatory arrangements as it may deem desirable, including the granting of awards otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

8.9 *Successors and Assigns.* The Plan and Award Agreements may be assigned by the Company to any successor to the Company's business. The Plan and any applicable Award Agreement shall be binding on all successors and assigns of the Company and a Participant, including any permitted transferee of a Participant, the Beneficiary or estate of such Participant and the executor, administrator or trustee of such estate, or any receiver or trustee in bankruptcy or representative of the Participant's creditors.

8.10 *Governing Law.* The Plan and all Award Agreements shall be governed by and construed in accordance with the laws of the Delaware, without giving effect to any choice of law or conflict of law provision or rule (whether of the Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.

8.11 *Severability of Provisions.* If any provision of the Plan shall be held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provisions hereof, and the Plan shall be construed and enforced as if such provisions had not been included.

8.12 *Effective Date and Termination.* The Plan shall be effective upon the date the Company's stockholders initially approve the Plan. The Plan shall automatically terminate on the tenth anniversary of the later of the date the Company's stockholders initially approve the Plan or the date of any subsequent shareholder approval of the Plan; provided that the Board in sole discretion may choose to terminate the Plan as of any earlier date. Upon any such termination of the Plan, no new authorizations of grants of Awards may be made, but then-outstanding Awards shall remain outstanding in accordance with their terms, and the Committee otherwise shall retain its full powers under the Plan with respect to such Awards.
