Item 1.01 Entry into a Material Definitive Agreement.

On April 24, 2014, LVB Acquisition, Inc., a Delaware corporation (the *Company*), which owns all of the outstanding shares of common stock of Biomet, Inc., entered into an Agreement and Plan of Merger (the *Merger Agreement*), with Zimmer Holdings, Inc., a Delaware corporation (*Parent*), and Owl Merger Sub, Inc., a Delaware corporation and wholly owned subsidiary of Parent (*Merger Sub*).

Under the Merger Agreement, the Company will be acquired for an aggregate purchase price based on a total enterprise value of \$13.35 billion, which will consist of \$10.35 billion in cash and 32,704,677 shares of Parent common stock (which number of shares represents the quotient of \$3.0 billion divided by \$91.73, the volume weighted average price of Parent's common stock on the New York Stock Exchange for the five trading days prior to the date of the Merger Agreement). According to Parent's Form 8-K filed on April 30, 2014, in connection with the merger, Parent expects to pay off all of the outstanding funded debt of the Company and its subsidiaries, and the aggregate cash merger consideration paid by Parent at the closing will be reduced by such amount. Parent is expected to fund the cash portion of the merger consideration and the repayment of the outstanding funded debt of the Company and its subsidiaries with a combination of new debt and cash on hand. The closing of the merger is not conditioned on the receipt of any debt financing by Parent. Parent, however, is not required to consummate the merger until the completion of a 15 consecutive business day marketing period.

The aggregate merger consideration, as reduced by the amount of the Company's funded debt repaid by Parent in connection with the closing of the merger, will be allocated among holders of the Company's outstanding common stock and equity awards. At the effective time of the merger, each outstanding Company option will fully vest and convert into the right to receive a payment comprised of Parent common stock and cash equal to the difference between the value of the per share merger consideration and the exercise price of the option. Each right of any kind, contingent or accrued, to receive shares of Company common stock granted under any of the Company's stock plans (including restricted stock units and leveraged share awards) other than Company options, whether vested or unvested, which is outstanding immediately prior to the effective time of the merger shall be cancelled and each former holder of any such cancelled award will be entitled to receive a payment comprised of Parent common stock and cash into which the number of shares of Company common stock previously subject to such awards would have been converted into in the merger if such shares of Company common stock had been outstanding immediately prior to the effective time of the merger; provided, that in the case of leveraged share awards, any such payment will be reduced by any unpaid portion of any loan with respect to such award.

Consummation of the merger is subject to various conditions, including, without limitation, (i) approval of the merger by the Company stockholders, (ii) the receipt of regulatory approval or the expiration or termination of applicable waiting periods under the applicable antitrust laws of certain jurisdictions, including the expiration or termination of any applicable waiting period under the U.S. Hart-Scott-Rodino Antitrust Improvements Act of 1976 and approval of the merger by the European Commission under Council Regulation 139/2004 of the European Union and (iii) the Form S-4 to be filed by Parent with respect to the shares of Parent common stock to be issued in the merger being declared effective by the Securities and Exchange Commission (the *SEC*).

Under certain other circumstances principally related to a failure to obtain required antitrust clearances prior to the outside date (as defined in, and subject to extensions pursuant to, the Merger Agreement) and subject to certain other conditions, the Merger Agreement provides for Parent to pay to the Company a fee of \$800 million upon termination of the Merger Agreement.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference. The Merger Agreement has been included as an exhibit hereto solely to provide investors and security holders with information regarding its terms. It is not intended to be a source of financial, business or operational information about the Company, Biomet, Inc. (*Biomet*), Parent or their respective subsidiaries or affiliates. The

representations, warranties and covenants contained in the Merger Agreement are made only for purposes of the Merger Agreement and are made as of specific dates; are solely for the benefit of the parties; may be subject to qualifications and limitations agreed upon by the parties in connection with negotiating the terms of the Merger Agreement, including being qualified by confidential disclosures made for the purpose of allocating contractual risk between the parties rather than establishing matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors or security holders. Investors and security holders should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of the Company, Biomet, Parent or their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures.

Concurrently with the entry into the Merger Agreement, Parent entered into a Stockholders Agreement, dated as of the date of the Merger Agreement, with LVB Acquisition Holding, LLC and the other signatories thereto, which will become effective as of the closing of the merger, and a Voting Agreement, dated as of the date of the Merger Agreement, with LVB Acquisition Holding, LLC and the other signatories thereto, pursuant to which the holder of approximately 95% of the Company's outstanding common stock agreed to deliver a written consent in favor of the approval of the merger.

Additional Information about this Transaction

In connection with the proposed transaction, Zimmer will file with the SEC a Registration Statement on Form S-4 that will include a consent solicitation statement of LVB Acquisition, Inc. that also constitutes a prospectus of Zimmer. We urge investors and security holders to read the consent solicitation statement/prospectus when it becomes available because it will contain important information regarding the proposed merger. You may obtain a free copy of the consent solicitation statement/prospectus (when available) and other related documents filed by Zimmer and LVB Acquisition, Inc., with the SEC at the SEC's website at www.sec.gov. These documents and other relevant materials, including any documents incorporated by reference therein, when and if filed, may also be obtained free of charge from Zimmer at <http://investor.zimmer.com> or from LVB Acquisition, Inc. at <http://www.biomet.com/corporate/investors/>, as applicable. This communication shall not constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any offer or sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful, prior to registration or qualification under the securities laws of any such jurisdiction.

Item 5.02(e) Compensatory Arrangements of Certain Officers.

On April 24, 2014, Biomet entered into an amendment (each, an Amendment) to Biomet's employment agreements with each of Jeffery R. Binder, Daniel P. Florin, Robin T. Barney, Bradley J. Tandy and Adam R. Johnson (the Executives) to amend certain severance provisions of each such employment agreement. All other provisions of the employment agreements remain unchanged in every respect.

Each Amendment affects the severance amount that the Executive will be entitled to if his or her employment with Biomet is terminated within the two-year period following the closing of the merger contemplated by the Merger Agreement (the Closing). Specifically, if Messrs. Florin, Tandy, Johnson or Ms. Barney's employment is terminated at any time within the two-year period following the Closing either by Biomet for any reason other than for cause, death or disability, or by the Executive for good reason, and, with respect to the amendment to Mr. Binder's employment agreement (the Binder Amendment), if Mr. Binder's employment is terminated at any time within the two-year period following the Closing either by Biomet for any reason other than for cause, death or disability, or by Mr. Binder for good reason or, on or after January 1, 2015, with or without good reason (and his employment could not be terminated by Biomet for cause at such time), each Amendment and the Binder Amendment provide that the Executive will receive an amount equal to (a) two times his or her base salary in effect at the date of termination plus (b) two times the amount equal to the average of (x) the actual annual incentive bonus earned by the Executive with respect to the 2014 fiscal year and (y) the Executive's target annual incentive bonus under Biomet's annual bonus plan for Biomet's fiscal year in which the Closing occurs.

Furthermore, under the Binder Amendment, if Mr. Binder is terminated by Biomet for any reason other than for cause, death or disability, or if Mr. Binder terminates his employment for good reason or, on or after January 1, 2015, with or without good reason (and his employment could not be terminated by Biomet for cause at such time) prior to a change of control, he would be entitled to an amount equal to (a) two times his base salary in effect at the date of termination plus (b) two times the amount equal to the average of (x) the actual annual incentive bonus earned by Mr. Binder with respect to the 2014 fiscal year and (y) Mr. Binder's target annual incentive bonus under the annual bonus plan for

Biomet's fiscal year that contains the date of termination.

The above descriptions of the Amendment and the Binder Amendment are qualified in their entirety by reference to the copies of such agreements filed herewith as exhibits 10.01 and 10.02, respectively, and incorporated herein by reference.

Applicable Law, waiver of the conditions set forth in Article VIII, Parent and Merger Sub shall not be obligated to effect the Closing prior to the third (3rd) Business Day following the final day of the Marketing Period, unless Parent shall request an earlier date on three (3) Business Days prior written notice (but, subject in each such case, to the satisfaction or, to the extent permitted by Applicable Law, waiver of all of the conditions set forth in Article VIII (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of those conditions)).

Section 2.3 Effective Time. Upon the terms and subject to the conditions set forth in this Agreement, as promptly as reasonably practicable following the Closing on the Closing Date, the parties shall file the Certificate of Merger, together with any required related certificates, filings or recordings, with the Secretary of State of the State of Delaware, in such form as required by, and executed in accordance with, the relevant provisions of the DGCL. The Merger shall become effective upon the filing of the Certificate of Merger with the Secretary of State of the State of Delaware or at such later date and time as the Company and Parent may agree upon and as is set forth in the Certificate of Merger (such time, the Effective Time and such date, the Effective Date).

ARTICLE III

THE SURVIVING CORPORATION

Section 3.1 Certificate of Incorporation. At the Effective Time, the Certificate of Incorporation of the Company shall be amended and restated in its entirety to read as set forth on Exhibit A. As so amended, the Certificate of Incorporation of the Company shall be the Certificate of Incorporation of the Surviving Corporation until thereafter amended as permitted by Applicable Law, such Certificate of Incorporation and this Agreement (including Section 7.7).

Section 3.2 Bylaws. At the Effective Time, the Bylaws of Merger Sub, as in effect immediately prior to the Effective Time, shall be the Bylaws of the Surviving Corporation until thereafter amended as permitted by Applicable Law, such Bylaws and this Agreement (including Section 7.7).

Section 3.3 Directors and Officers. From and after the Effective Time, the directors of Merger Sub immediately prior to the Effective Time shall be the directors of the Surviving Corporation, and the officers of the Company immediately prior to the Effective Time shall be the officers of the Surviving Corporation, in each case, until their respective successors have been duly elected or appointed and qualified or until their earlier death, resignation or removal in accordance with the Certificate of Incorporation and Bylaws of the Surviving Corporation.

ARTICLE IV

EFFECT ON CAPITAL STOCK; PURCHASE PRICE

Section 4.1 Effect on Capital Stock.

(a) Each share of Company Common Stock issued and outstanding immediately prior to the Effective Time (other than any Cancelled Shares and Dissenting Shares) shall, by virtue of this Agreement and without any action on the part of the Company, Parent or Merger Sub or the holders of any shares of Company Common Stock, be automatically converted into and shall thereafter represent the right to receive, upon the terms and subject to the conditions set forth in this Agreement, (i) such fraction of a validly issued, fully-paid and non-assessable share of Parent Common Stock (the Exchange Ratio) equal to the quotient obtained by dividing (A) the sum of the Aggregate Stock Consideration and the Incremental Deemed Stock Consideration by (B) the Aggregate Company Shares Deemed Outstanding (the Per Share Stock Consideration) and (ii) the Per Share Cash Consideration (together with the Per Share Stock Consideration, the Merger Consideration).

(b) From and after the Effective Time, all of the shares of Company Common Stock converted into the right to receive the Merger Consideration pursuant to this Article IV shall no longer be outstanding and shall automatically be cancelled and retired and shall cease to exist, and each holder of a certificate (each, a Certificate) previously representing any such shares of Company Common Stock shall thereafter cease to have any rights with respect to such securities, except the right to receive, upon the terms and subject to the conditions set forth in this Agreement, (i) the Merger Consideration, (ii) any dividends and other distributions in accordance with Section 4.2(h) and (iii) any cash to be paid in lieu of any fractional share of Parent Common Stock in accordance with Section 4.3.

(c) If at any time during the period between the date of this Agreement and the Effective Time, any change in the outstanding shares of capital stock of Parent shall occur by reason of any reclassification, recapitalization, stock split or combination, exchange or readjustment of shares, or any stock dividend thereon with a record date during such period, or any similar event, the Exchange Ratio, the Per Share Cash Consideration and any number or amount contained herein which is based on the price of Parent Common Stock or the number of shares of Parent Common Stock, as the case may be, shall be appropriately adjusted to reflect such reclassification, recapitalization, stock split or combination, exchange or readjustment of shares, stock dividend thereon or similar event and provide to the holders of Company Common Stock as of immediately prior to the Effective Time the same economic effect as contemplated by this Agreement prior to such event (it being understood that, notwithstanding anything in this Agreement to the contrary, unless any such event described in this Section 4.1(c) has occurred that would require an adjustment pursuant to this Section 4.1(c), in no event shall Parent be obligated to issue any shares of Parent Common Stock in excess of the Aggregate Stock Consideration in connection with the Merger).

(d) At the Effective Time, all shares of Company Common Stock that are owned by Parent, Merger Sub, any Subsidiary of Parent or Merger Sub, or held in treasury of the Company or owned by the Company or any Subsidiary of the Company (the Cancelled Shares) shall be automatically cancelled and retired without any conversion thereof and shall cease to exist and no payment shall be made in respect thereof.

(e) Each issued and outstanding share of common stock, par value \$0.01 per share, of Merger Sub issued and outstanding immediately prior to the Effective Time shall be converted into and become one (1) validly issued, fully-paid and non-assessable share of common stock, par value \$0.01 per share, of the Surviving Corporation.

Section 4.2 Surrender and Payment.

(a) At or prior to the date that is not less than two (2) months prior to the anticipated Effective Time, Parent shall appoint an exchange agent reasonably acceptable to the Company (the Exchange Agent) for the purpose of exchanging Certificates representing shares of Company Common Stock for the Merger Consideration in accordance with this Article IV. As promptly as reasonably practicable after the appointment of the Exchange Agent (but in any event within ten (10) Business Days after the date thereof), Parent and the Company will develop and finalize a letter of transmittal which shall be in customary form and have such other provisions as to which Parent and the Company may reasonably agree (which letter of transmittal shall specify that the delivery of the Merger Consideration shall be effected, and risk of loss and title shall pass, only upon proper delivery of the Certificates to the Exchange Agent) (the Letter of Transmittal) for use in effecting delivery of shares of Company Common Stock to the Exchange Agent. At or as promptly as reasonably practicable after finalizing such Letter of Transmittal (but in any event within ten (10) Business Days after the date thereof and at least ten (10) Business Days prior to the Effective Time), Parent shall cause the Exchange Agent to send to each holder of record of shares of Company Common Stock on the date thereof, and from time to time thereafter as requested by Parent or the Company, a Letter of Transmittal, together with instructions for effecting the surrender of Certificates in exchange for the Merger Consideration.

(b) At or prior to the Effective Time, Parent shall deposit, or shall cause to be deposited, with the Exchange Agent, in trust for the benefit of the holders of shares of Company Common Stock (other than any Cancelled Shares), for exchange in accordance with this Article IV, evidence of book-entry shares (or certificates if requested by any such holder) representing the number of shares of Parent Common Stock and an amount of cash, in each case, sufficient to pay to the holders of shares of Company Common Stock the Per Share Cash Consideration and the Per Share Stock Consideration (such certificates or book-entry shares for shares of Parent Common Stock and cash in Dollars, together with cash in lieu of fractional shares in accordance with Section 4.3 and any dividends or distributions with respect to the shares of Parent Common Stock in accordance with Section 4.2(h), being hereinafter referred to as the Exchange Fund) payable pursuant to Section 4.1 in exchange for outstanding shares of Company Common Stock. The Exchange Agent shall, pursuant to irrevocable instructions, deliver the Merger Consideration contemplated to be paid pursuant to Section 4.1 out of the Exchange Fund. Parent agrees to make available to the Exchange Agent from time to time as needed, any cash in lieu of fractional shares of Parent Common Stock to be issued and paid in consideration therefor pursuant to Section 4.3 and any dividends or distributions to which such holder is entitled pursuant to Section 4.2(h) of this Agreement. Except as specified in this Section 4.2, the Exchange Fund shall not be used for any other purpose.

(c) The Exchange Agent shall invest any cash included in the Exchange Fund as directed by Parent on a daily basis in (i) short-term direct obligations of the United States of America with maturities of no more than thirty (30) days or (ii) short-term obligations for which the full faith and credit of the United States of America is pledged to provide for payment of all principal and interest; provided, that no gain or loss thereon shall affect the amounts payable to

the holders of Company Common Stock pursuant to this Article IV. If for any reason (including losses) the cash in the Exchange Fund shall be insufficient to fully satisfy all of the payment obligations to be made in cash by the Exchange Agent hereunder, Parent shall promptly deposit cash into the Exchange Fund in an amount which is equal to the deficiency in the amount of cash required to fully satisfy such cash payment obligations.

(d) Each holder of shares of Company Common Stock that have been converted into a right to receive the Merger Consideration, upon surrender to the Exchange Agent of a Certificate, together with a properly completed and validly executed Letter of Transmittal in accordance with the instructions thereto, and such other documents as may be required pursuant to such instructions, will be entitled to receive (i) one or more shares of Parent Common Stock (which shall be in uncertificated book-entry form unless a physical certificate is requested) representing, in the aggregate, the whole number of shares of Parent Common Stock that such holder has the right to receive pursuant to Section 4.1 and (ii) a check (or, with respect to the Principal Stockholder and the holders of shares of Company Common Stock set forth on Section 4.2(d) of the Company Disclosure Letter, by wire transfer of immediately available Dollar funds) in an amount equal to the cash portion of the Merger Consideration that such holder has the right to receive pursuant to Section 4.1 and the other provisions contained in this Article IV, including cash payable in lieu of fractional shares in accordance with Section 4.3 and dividends and other distributions in accordance with Section 4.2(h). No interest shall be paid or accrued on any Merger Consideration, cash payable in lieu of fractional shares in accordance with Section 4.3 or dividends and other distributions in accordance with Section 4.2(h). Until so surrendered, each such Certificate shall, after the Effective Time, represent for all purposes only the right to receive the Merger Consideration, cash payable in lieu of fractional shares in accordance with Section 4.3 and dividends and other distributions in accordance with Section 4.2(h).

(e) If any cash payment is to be made to a Person other than the Person in whose name the applicable surrendered Certificate is registered, it shall be a condition of such payment that the Person requesting such payment shall pay, or cause to be paid, any transfer or other Taxes required by reason of the making of such cash payment to a Person other than the registered holder of the surrendered Certificate, or required for any other reason relating to such holder or requesting Person, or shall establish to the satisfaction of the Exchange Agent that such Tax has been paid or is not payable. If any portion of the Merger Consideration is to be registered in the name of a Person other than the Person in whose name the applicable surrendered Certificate is registered, it shall be a condition to the registration thereof that the surrendered Certificate shall be properly endorsed or otherwise be in proper form for transfer and that the Person requesting such delivery of the Merger Consideration shall pay, or cause to be paid, to the Exchange Agent any transfer or other Taxes required as a result of such registration in the name of a Person other than the registered holder of such Certificate or establish to the satisfaction of the Exchange Agent that such Tax has been paid or is not payable.

(f) At the Effective Time, the share transfer books of the Company shall be closed and thereafter, there shall be no further registration of Transfers of shares of Company Common Stock. From and after the Effective Time, the holders of Certificates representing shares of Company Common Stock outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such shares of Company Common Stock except the right

to receive the consideration provided for, and in accordance with the procedures set forth, in this Article IV or as otherwise provided herein or by Applicable Law. If, after the Effective Time, Certificates are presented to the Exchange Agent, the Surviving Corporation or Parent, such Certificates shall be canceled and exchanged for the consideration provided for, and in accordance with the procedures set forth, in this Article IV.

(g) Any portion of the Exchange Fund (including the proceeds of any investments thereof) that remains undistributed to the holders of shares of Company Common Stock one (1) year after the Effective Time shall be returned to Parent, upon demand, and any such holder who has not exchanged his, her or its shares of Company Common Stock for the Merger Consideration in accordance with this Section 4.2 prior to that time shall thereafter look only to Parent for delivery of the Merger Consideration in respect of such holder's shares. Notwithstanding the foregoing, neither Parent, Merger Sub, the Company nor the Surviving Corporation shall be liable to any holder of shares of Company Common Stock for any Merger Consideration or other amounts delivered to a public official pursuant to applicable abandoned property, escheat or similar laws. Any portion of the Exchange Fund remaining unclaimed by holders of shares of Company Common Stock three (3) years after the Effective Time (or such earlier date prior to such time as such amounts would otherwise escheat to or become property of any Governmental Authority) shall, to the extent permitted by Applicable Law, become the property of Parent free and clear of any claims or interest of any Person previously entitled thereto.

(h) No dividends or other distributions with respect to shares of Parent Common Stock issued in the Merger shall be paid to the holder of any unsurrendered Certificates until such Certificates are surrendered as provided in this Section 4.2. Following such surrender, subject to the effect of escheat, Tax or other Applicable Law, there shall be paid, without interest, to the record holder of the shares of Parent Common Stock issued in exchange therefor (i) at the time of such surrender, all dividends and other distributions payable in respect of such shares of Parent Common Stock with a record date after the Effective Time and a payment date on or prior to the date of such surrender and not previously paid and (ii) at the appropriate payment date, the dividends or other distributions payable with respect to such shares of Parent Common Stock with a record date after the Effective Time but with a payment date subsequent to such surrender. For purposes of dividends or other distributions in respect of shares of Parent Common Stock, all shares of Parent Common Stock to be issued pursuant to the Merger shall be entitled to dividends pursuant to the immediately preceding sentence as if issued and outstanding as of the Effective Time.

(i) Any portion of the Merger Consideration deposited with the Exchange Agent pursuant to this Section 4.2 to pay for Dissenting Shares for which appraisal rights shall have been perfected shall be returned to Parent upon the settlement or final and non-appealable adjudication of any claim for appraisal rights asserted with respect to such Dissenting Shares.

(j) All Merger Consideration issued and paid to a holder of Company Common Stock upon conversion of the Company Common Stock in accordance with the terms hereof (including any cash paid pursuant to Section 4.2(h) or Section 4.3) shall be deemed to have been issued and paid in full satisfaction of all rights pertaining to such Company Common Stock.

Section 4.3 Fractional Shares.

(a) No fractional shares of Parent Common Stock shall be issued in the Merger, but in lieu thereof each holder of shares of Company Common Stock otherwise entitled to a fractional share of Parent Common Stock will be entitled to receive, from the Exchange Agent in accordance with the provisions of this Section 4.3, a cash payment equal to the number of such fractional shares of Parent Common Stock multiplied by the Parent Reference Price. Fractional share interests will not entitle the owner thereof to vote or to any other rights (including the right to receive dividends or other distributions of Parent) of a stockholder of Parent.

(b) As soon as practicable after the determination of the amount of cash, if any, to be paid to holders of shares of Company Common Stock in lieu of any fractional shares of Parent Common Stock, the Exchange Agent shall make available such amounts to such holders of shares of Company Common Stock without interest, subject to and in accordance with Section 4.2.

Section 4.4 Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by Parent or the Surviving Corporation, the posting by such Person of a bond, in such reasonable amount as the Surviving Corporation may direct, as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the Merger Consideration to be paid in respect of the shares of Company Common Stock represented by such Certificate as contemplated by this Article IV (including any cash payable in respect of such shares in lieu of fractional shares in accordance with Section 4.3 and any dividends or distributions payable in accordance with Section 4.2(h)).

Section 4.5 Dissenting Shares. Notwithstanding anything in this Agreement to the contrary, with respect to each share of Company Common Stock as to which the holder thereof shall have properly complied with the provisions of Section 262 of the DGCL as to appraisal rights (each, a Dissenting Share), if any, such holder shall be entitled to payment, solely from the Surviving Corporation, of the appraisal value of the Dissenting Shares to the extent permitted by and in accordance with the provisions of Section 262 of the DGCL; provided, however, that (a) if any holder of Dissenting Shares, under the circumstances permitted by and in accordance with the DGCL, affirmatively withdraws his, her or its demand for appraisal of such Dissenting Shares, (b) if any holder of Dissenting Shares fails to establish his, her or its entitlement to appraisal rights as provided in the DGCL or (c) if any holder of Dissenting Shares takes or fails to take any action the consequence of which is that such holder is not entitled to payment of the appraisal value for his, her or its shares under the DGCL, such holder or holders (as the case may be) shall forfeit the right to appraisal of such shares of Company Common Stock and such shares of Company Common Stock shall thereupon cease to constitute Dissenting Shares and such shares of Company Common Stock shall be deemed converted as of the Effective Time into the right to receive the Merger Consideration as provided in this Article IV. The Company shall give Parent prompt notice of any demands received by the Company for appraisal of shares of Company Common Stock, and Parent shall have the right to participate in all negotiations and proceedings with respect to such demands. The Company shall

not, except with the prior written consent of Parent, (i) voluntarily make any payment with respect to any demands for appraisal for Dissenting Shares, (ii) offer to settle any such demands, (iii) waive any failure to timely deliver a written demand for appraisal in accordance with the DGCL or (iv) agree to do any of the foregoing.

Section 4.6 Treatment of Stock Options and Other Stock-Based Awards.

(a) Prior to the Effective Time, the Board of Directors of the Company (or, if appropriate, any committee thereof) shall adopt appropriate resolutions and take all other actions necessary and appropriate to provide that, immediately prior to the Effective Time, each option to purchase shares of Company Common Stock (a Company Option) granted under the equity incentive plans of the Company or under any and all individual consultant, employee, director, independent contractor, independent sales personnel or distributor agreement (collectively, the Company Stock Plans), whether vested or unvested, that is outstanding immediately prior to the Effective Time shall be cancelled and, in exchange therefor, each former holder of any such cancelled Company Option shall be entitled to receive, in consideration of the cancellation of such Company Option and in settlement therefor, a payment (comprised of Parent Common Stock and cash) equal to the product of (i) the total number of shares of Company Common Stock previously subject to such Company Option and (ii) the excess, if any, of the Merger Consideration Value over the exercise price per share of Company Common Stock previously subject to such Company Option (such amounts payable hereunder being referred to as the Per Option Consideration). From and after the Effective Time, any such cancelled Company Option shall no longer be exercisable by the former holder thereof, but shall only entitle such holder to the payment of an allocable portion of the Aggregate Option Consideration. At, or as promptly as reasonably practicable after the Effective Time, Parent shall or shall cause the Surviving Corporation to deliver in exchange for each Company Option which is canceled pursuant to this Section 4.6(a) a payment (comprised of Parent Common Stock and cash) equal to the product of (i) the Aggregate Option Consideration and (ii) a fraction, the numerator of which is the Per Option Consideration for such Company Option and the denominator of which is the aggregate of the Per Option Consideration for all Company Options. The portion of each such payment consisting of cash shall be equal to the ratio which (i) the value of the Aggregate Adjusted Cash Consideration bears to (ii) the value of the Aggregate Consideration (based, for such purposes, on the Parent Reference Price in respect of the value of the Parent Common Stock that comprised part of the Aggregate Consideration). The portion of each such payment consisting of Parent Common Stock shall be equal to the ratio which (i) the value of the Aggregate Stock Consideration bears to (ii) the value of the Aggregate Consideration (based, for such purposes, on the Parent Reference Price in respect of the value of the Parent Common Stock that comprised part of the Aggregate Consideration). The cash and shares payable pursuant to the preceding sentence shall be subject to any applicable withholding or other taxes required by Applicable Law to be withheld, with any such amounts being withheld from the cash payment to the maximum extent possible.

(b) Prior to the Effective Time, the Board of Directors of the Company (or, if appropriate, any committee thereof) shall adopt appropriate resolutions and take all other actions necessary and appropriate to provide that, immediately prior to the Effective Time, each right of any kind, contingent or accrued, to receive shares of Company Common Stock or benefits measured by the value of a number of shares of Company Common Stock, and each award of

any kind consisting of shares of Company Common Stock, granted under Company Stock Plans (including restricted stock units and leveraged share awards), other than Company Options (each, a Company Stock-Based Award), whether vested or unvested, which is outstanding immediately prior to the Effective Time shall be cancelled and, in exchange therefor, each former holder of any such cancelled Company Stock-Based Award shall be entitled to receive, in consideration of the cancellation of such Company Stock-Based Award and in settlement therefor, a payment of the Merger Consideration (comprised of Parent Common Stock and cash) into which the number of shares of Company Common Stock previously subject to such Company Stock-Based Award would have been converted into in the Merger if such shares of Company Common Stock had been outstanding immediately prior to the Effective Time; provided, that in the case of leveraged share awards, any such payment will be reduced by any unpaid portion of any loan with respect to such award. Such reduction shall be comprised of a proportionate reduction in the cash and Parent Common Stock otherwise required to be paid. From and after the Effective Time, any such cancelled Company Stock-Based Award shall only entitle such holder to the payment of the Merger Consideration pursuant to this Section 4.6(b), as so reduced. At, or as promptly as reasonably practicable after, the Effective Time, Parent shall or shall cause the Surviving Corporation to provide each holder of Company Stock-Based Awards which are canceled pursuant to this Section 4.6(b) with a lump sum cash payment and a payment of Parent Common Stock equal to the Merger Consideration payable to such holder pursuant to this Section 4.6(b), as so reduced, subject to any applicable withholding or other taxes required by Applicable Law to be withheld, with any such amounts withheld from the cash payment to the maximum extent possible.

(c) The Company shall take all steps necessary to provide that the Company Stock Plans (as well as any outstanding awards under any such plans) are terminated effective as of the Closing.

(d) No fractional shares of Parent Common Stock shall be issued to holders of Company Options or Company Stock-Based Awards, but in lieu thereof each holder of Company Options or Company Stock-Based Awards otherwise entitled to a fractional share of Parent Common Stock will be entitled to receive, from the Company in accordance with the provisions of this Section 4.6, a cash payment in lieu of such fractional shares of Parent Common Stock in addition to the cash payment otherwise contemplated by this Section 4.6, equal to the number of such fractional shares of Parent Common Stock multiplied by the Parent Reference Price. Fractional share interests will not entitle the owner thereof to vote or to any other rights (including the right to receive dividends or other distributions of Parent) of a stockholder of Parent. The parties acknowledge that payment of cash consideration in lieu of issuing fractional shares is not separately bargained-for consideration but merely represents a mechanical rounding off for purposes of avoiding the expense and inconvenience to Parent that would otherwise be caused by the issuance of fractional shares.

Section 4.7 Further Action. If at any time after the Effective Time, any further action is necessary to vest the Surviving Corporation with full right, title and possession to all assets, property, rights, privileges, powers and franchises of the Company, the directors and officers of the Surviving Corporation are fully authorized in the name of the Company and Merger Sub to take all such lawful and necessary action.

Section 4.8 Withholding Rights. Each of Parent, Merger Sub and the Surviving Corporation shall be entitled to deduct and withhold, or cause the Exchange Agent to deduct and withhold, from any of the consideration otherwise payable to any Person pursuant to this Agreement such amounts as it is required to deduct and withhold with respect to all of the consideration payable to such Person under any provision of federal, state, local or foreign Tax law. To the extent that amounts are so deducted or withheld by Parent, Merger Sub, the Surviving Corporation, or the Exchange Agent, as the case may be, and paid over to the applicable Governmental Authority, such deducted or withheld amounts shall be treated for all purposes of this Agreement as having been paid to the holder of shares of Company Common Stock, Company Options or Company Stock-Based Awards, as applicable, in respect of which such deduction and withholding was made by Parent, Merger Sub, the Surviving Corporation or the Exchange Agent, as the case may be.

ARTICLE V

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

Except as disclosed in the Company Disclosure Letter and except as disclosed in any form, report, schedule, statement or other document (including all amendments thereto but excluding any disclosure contained in the Risk Factors section thereof (other than statements of fact) and any cautionary or predictive statements or forward-looking statements contained elsewhere therein) filed with, or furnished to, the Commission by the Company or Biomet on or after June 1, 2012 and prior to the date of this Agreement, the Company hereby represents and warrants to Parent and Merger Sub as follows:

Section 5.1 Corporate Existence. Each of the Company and its Subsidiaries is an entity duly organized, validly existing and in good standing under the laws of its jurisdiction of organization with all requisite corporate power and authority to own, lease and operate its properties and assets as they are now being owned, leased or operated and to carry on its business as presently conducted. Each of the Company and its Subsidiaries is duly qualified to do business as a foreign corporation or other legal entity and is in good standing (with respect to jurisdictions which recognize such concept) in each jurisdiction where the character of the properties owned, leased or operated by it or the nature of the business transacted by it requires it to be so qualified or in good standing, except where the failure to be so qualified and in good standing would not have a Company Material Adverse Effect.

Section 5.2 Authorization.

(a) The Company has all necessary corporate power and authority to execute and deliver this Agreement, to perform its obligations hereunder and, subject to receipt of the Company Stockholder Approval, the delivery of the notice required to be delivered by the Company pursuant to Section 228(e) of the DGCL (the Section 228 Notice) following receipt of the Company Stockholder Approval, and the filing of the Certificate of Merger pursuant to the DGCL, to consummate the transactions contemplated hereby. Except for the approvals described in the following sentence, the execution, delivery and performance of this Agreement by the Company and the consummation by the Company of the transactions contemplated hereby

have been duly and validly authorized by all necessary corporate action on behalf of the Company. No other corporate proceedings on the part of the Company are necessary to authorize this Agreement or to consummate the transactions contemplated hereby, including the Merger, other than the adoption of this Agreement by the holders of a majority of the outstanding shares of Company Common Stock entitled to vote in accordance with the DGCL (the Company Stockholder Approval), the filing of the Certificate of Merger pursuant to the DGCL and the delivery of the Section 228 Notice following receipt of the Company Stockholder Approval. The only vote of the holders of any class or series of capital stock of the Company necessary to adopt this Agreement is the Company Stockholder Approval. This Agreement has been duly and validly executed and delivered by the Company and, assuming the due authorization, execution and delivery by each other party hereto, constitutes a legal, valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except as may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer and similar laws of general applicability relating to or affecting creditors' rights or by general equity principles.

(b) The Board of Directors of the Company has duly adopted resolutions by unanimous vote of those voting at a meeting duly called and held (i) approving the execution, delivery and performance of this Agreement by the Company, (ii) determining that entering into this Agreement is fair to, and in the best interests of, the Company and its stockholders, (iii) declaring this Agreement advisable and (iv) recommending that the Company's stockholders adopt this Agreement and directing that this Agreement be submitted to the Company's stockholders for adoption.

Section 5.3 Company SEC Documents.

(a) Since June 1, 2012, the Company and Biomet have filed with, or furnished to, as applicable, the Commission all registration statements, prospectuses, reports, forms, statements, schedules, certifications and other documents required to be filed by the Company and Biomet with the Commission (together with all exhibits and schedules thereto and all information incorporated therein by reference, collectively, the Company SEC Documents). As of their respective dates, or if amended, as of the date of the last such amendment, the Company SEC Documents (i) complied in all material respects with the requirements of the Securities Act, the Exchange Act and the Sarbanes Act (to the extent then applicable) and (ii) did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. For the avoidance of doubt, the Registration Statement is not a Company SEC Document.

(b) Each of the consolidated financial statements (including, in each case, any related notes thereto) contained in the Company SEC Documents (the Company Financial Statements), including each Company SEC Document filed after the date hereof until the Closing, (i) complied, as of their respective dates of filing with the Commission (or if amended, the date of the last such amendment), in all material respects with the published rules and regulations of the Commission with respect thereto, (ii) was prepared in accordance with GAAP applied on a consistent basis throughout the periods involved and (iii) fairly presented in all material respects, as applicable, the consolidated financial position of the Company and its

Subsidiaries as of the respective dates thereof and the consolidated results of the Company's and its Subsidiaries operations and cash flows for the periods indicated (except, in the case of each of sub-clauses (ii) and (iii), that the unaudited interim financial statements were subject to normal year-end and quarter-end adjustments which were not material).

(c) Each of the Company and Biomet maintains a system of internal accounting controls sufficient to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP. Each of the Company and Biomet has (A) reasonably designed disclosure controls and procedures (within the meaning of Rules 13a-15(e) and 15d-15(e) of the Exchange Act) to ensure that material information is made known to the Chief Executive Officer and the Chief Financial Officer of the Company and Biomet by others within the Company and Biomet and (B) disclosed, based on its most recent evaluation prior to the date of this Agreement, to its auditors and the audit committee of its Board of Directors (1) any significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting (as defined in Rule 13a-15(f) of the Exchange Act) which are reasonably likely to adversely affect in any material respect its ability to record, process, summarize and report financial data and (2) any fraud, whether or not material, that involves management or other employees who have a significant role in its internal controls.

(d) There are no unresolved comments in comment letters received from the Commission staff with respect to the Company SEC Documents filed or furnished on or prior to the date hereof.

Section 5.4 Absence of Changes or Events. Except (w) as otherwise expressly contemplated by this Agreement, (x) for the negotiation, execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby, (y) for the IPO or (z) as set forth in Section 5.4 of the Company Disclosure Letter, (a) since May 31, 2013 (the Balance Sheet Date) (i) until the date of this Agreement the businesses of the Company and its Subsidiaries have been conducted in the Ordinary Course of Business in all material respects and (ii) there has not been a Company Material Adverse Effect and (b) since the Balance Sheet Date until the date of this Agreement, none of the Company or any of its Subsidiaries has taken any action, or failed to take any action, that, if such action were to be taken after the date hereof and prior to the Effective Time, would have breached any of the covenants contained in sub-clauses (ii)(B), (iii), (iv) (but, in the case of clause (iv), only with respect to incurrence of Funded Debt), (v), (x) and (xii) (but, in the case of clause (xii), only with respect to a liquidation, dissolution, wind-up, restructuring or reorganization of the Company or any of its Significant Subsidiaries) of Section 7.1(b).

Section 5.5 Capitalization.

(a) Section 5.5(a)(i) of the Company Disclosure Letter sets forth for the Company its authorized capital stock or other equity interests and the amount of its outstanding capital stock or other equity interests, in each case, as of the date of this Agreement. Section 5.5(a)(ii) of the Company Disclosure Letter sets forth for the Company the record owner(s) of its outstanding capital stock or other equity interests as of the date of this Agreement. Section 5.5(a)(iii) of the Company Disclosure Letter sets forth for each Significant Subsidiary of the

Company the percentage of capital stock or other equity interests of each such Significant Subsidiary directly or indirectly owned by the Company as of the date of this Agreement. Except as set forth in Section 5.5(a)(i) of the Company Disclosure Letter, as of the date of this Agreement, there are no shares of capital stock of or equity interests in the Company issued, reserved for issuance or outstanding. Except as set forth in Section 5.5(a)(iii) of the Company Disclosure Letter, as of the date of this Agreement, there are no shares of capital stock of or equity interests in a Significant Subsidiary of the Company issued, reserved for issuance or outstanding. All of the outstanding capital stock or other equity interests of each of the Company and its Significant Subsidiaries have, to the extent applicable, been duly authorized and validly issued and are fully paid and non-assessable. Section 6.12 Taxes. Except as would not have a Parent Material Adverse Effect, each of Parent and its Subsidiaries has (a) duly and timely filed (including all applicable extensions) all Tax Returns required to be filed, (b) paid all Taxes it has been required to pay and (c) duly paid or made provision for the payment of all Taxes that have been incurred or are due or claimed to be due from it by federal, state, foreign or local taxing authorities other than Taxes that are not yet delinquent or are being contested in good faith, have not been finally determined and have been adequately reserved against. Except as would not have a Parent Material Adverse Effect, there are no disputes pending, or claims asserted, for Taxes or assessments upon Parent or any of its Subsidiaries for which Parent does not have reserves that are adequate under GAAP.

Section 6.13 Operations of Merger Sub. Merger Sub has been formed solely for the purpose of engaging in the transactions contemplated hereby and prior to the Effective Time will have engaged in no other business activities and will have incurred no liabilities or obligations other than as contemplated herein.

Section 6.14 Availability of Funds. Parent has delivered to the Company, on or prior to the date of this Agreement, a true and complete copy of an executed commitment letter among Parent, Credit Suisse Securities (USA) LLC and Credit Suisse AG, Cayman Islands Branch, including all exhibits, schedules and annexes thereto, and each fee letter associated therewith (which fee letter may be redacted with respect to fee amounts, pricing caps and other economic terms that could not reasonably be expected to adversely affect the amount or availability of the debt financing contemplated by such commitment letter) regarding the terms of the debt financing to be provided thereby (collectively, the Commitment Letter), pursuant to which the parties thereto (other than Parent) have committed to provide, subject to the terms and conditions set forth therein, debt financing in the amounts set forth therein (the Debt Financing), which includes debt securities to be incurred in lieu of the bridge facilities (the Bridge Financing), as contemplated by the Commitment Letter. The Commitment Letter is (A) in full force and effect and represents a legal, valid and binding obligation of Parent and, to the Knowledge of Parent, each of the other parties thereto and (B) enforceable in accordance with its terms against Parent and, to the Knowledge of Parent, each of the other parties thereto, in each case except as such enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other Applicable Laws of general application affecting enforcement of creditors' rights or by principles of equity (regardless of whether enforcement is

sought in a proceeding at law or in equity). None of the respective obligations and commitments contained in the Commitment Letter have been withdrawn, terminated or rescinded in any respect, and no such amendment, modification, withdrawal, termination or rescission is contemplated by Parent or, to the Knowledge of Parent, by any other party thereto. No event has occurred which (with or without notice or lapse of time, or both) would or would reasonably be expected to constitute a default or breach or a failure to satisfy a condition precedent on the part of Parent or, to the Knowledge of Parent, any other parties thereto under the Commitment Letter. There are not, and there are not contemplated to be, any side letters or other contracts or arrangements related to the Debt Financing other than as expressly contemplated by the Commitment Letter delivered to the Company at or prior to the execution and delivery of this Agreement. There are no conditions precedent related to the funding of the full amount of the Debt Financing other than those expressly set forth in the Commitment Letter delivered to the Company prior to the execution and delivery of this Agreement. Parent has no reason to believe that (i) it or any other party thereto will be unable to satisfy on a timely basis any term of the Commitment Letter, (ii) any of the conditions precedent to the Debt Financing will not be satisfied or (iii) the Debt Financing will not be made available to Parent on the Closing Date. Parent has fully paid any and all commitment fees or other fees in connection with the Commitment Letter that are payable on or prior to the date hereof, and will pay in full any such amounts due on or before the Closing Date. Subject to the terms and conditions of the Commitment Letter, and subject to the terms and conditions of this Agreement, Parent has, or will have at Closing, the aggregate proceeds contemplated by the Commitment Letter, and together with the available cash of Parent, will have sufficient funds for Parent and Merger Sub to consummate the transactions contemplated hereby, including to (1) pay the Aggregate Cash Consideration, (2) pay the Debt Payoff Amount, (3) pay all Breakage Costs, and (4) satisfy all of the other payment obligations of Parent and Merger Sub contemplated by this Agreement (such amounts referred to in clauses (1), (2), (3) and (4), in the aggregate, the Required Amount).

Section 6.15 Parent SEC Documents.

(a) Since June 1, 2012, Parent has filed with, or furnished to, as applicable, the Commission all registration statements, prospectuses, reports, forms, statements, schedules, certifications and other documents required to be filed by Parent with the Commission (together with all exhibits and schedules thereto and all information incorporated therein by reference, collectively, the Parent SEC Documents). As of their respective dates, or if amended, as of the date of the last such amendment, the Parent SEC Documents (i) complied in all material respects with the requirements of the Securities Act, the Exchange Act and the Sarbanes Act (to the extent then applicable) and (ii) did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

(b) Each of the consolidated financial statements (including, in each case, any related notes thereto) contained in the Parent SEC Documents, including each Parent SEC Document filed after the date hereof until the Closing, (i) complied, as of their respective dates of filing with the Commission, in all material respects with the published rules and regulations of the Commission with respect thereto, (ii) was prepared in accordance with GAAP applied on a consistent basis throughout the periods involved and (iii) fairly presented in all material respects, as applicable, the consolidated financial position of Parent and its Subsidiaries as of the

respective dates thereof and the consolidated results of Parent's and its Subsidiaries' operations and cash flows for the periods indicated (except, in the case of each of sub-clauses (ii) and (iii), that the unaudited interim financial statements were subject to normal year-end and quarter-end adjustments which were not material).

(c) Parent maintains a system of internal accounting controls sufficient to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP. Parent has (A) reasonably designed disclosure controls and procedures (within the meaning of Rules 13a-15(e) and 15d-15(e) of the Exchange Act) to ensure that material information is made known to the Chief Executive Officer and the Chief Financial Officer of Parent and (B) disclosed, based on its most recent evaluation prior to the date of this Agreement, to its auditors and the audit committee of its Board of Directors (1) any significant deficiencies and material weaknesses in the design or operation of internal controls over financial reporting (as defined in Rule 13a-15(f) of the Exchange Act) which are reasonably likely to adversely affect in any material respect its ability to record, process, summarize and report financial data and (2) any fraud, whether or not material, that involves management or other employees who have a significant role in its internal controls.

(d) There are no unresolved comments in comment letters received from the Commission staff with respect to the Parent SEC Documents filed or furnished on or prior to the date hereof.

Section 6.16 Disclosure Documents. None of the information supplied by or on behalf of Parent or Merger Sub for inclusion or incorporation by reference in (a) the Form S-4 will, at the time the Form S-4 is filed with the Commission, at each time at which it is amended and at the time it becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading or (b) the prospectus to be filed with the Commission as part of the Form S-4, the Consent Solicitation Statement or the Proxy Statement, as applicable, will, at the date it is first mailed to the stockholders of the Company, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The Form S-4, including the prospectus contained therein, will comply as to form in all material respects with the provisions of the Securities Act. Notwithstanding the foregoing, Parent makes no representation or warranty with respect to any statements made or incorporated by reference in any of the foregoing documents which were not supplied by or on behalf of Parent.

Section 6.17 Foreign Corrupt Practices Act.

(a) None of Parent or any of its Subsidiaries, any of their respective officers or employees, or, to the Knowledge of Parent, any supplier, distributor, licensee or agent or any other Person acting on behalf of Parent or any of its Subsidiaries, directly or indirectly, has, since June 1, 2013, (i) made or offered to make or received any direct or indirect payments in material violation of any Applicable Law (including the U.S. Foreign Corrupt Practices Act and the U.K. Bribery Act 2010), including any contribution, payment, commission, rebate, promotional

allowance or gift of funds or property or any other economic benefit or thing of value to or from any employee, official or agent of any Governmental Authority where either the contribution, payment, commission, rebate, promotional allowance, gift or other economic benefit or thing of value, or the purpose thereof, was illegal in any material respect under any Applicable Law (including the United States Foreign Corrupt Practices Act), or (ii) provided or received any product or services in material violation of any Applicable Law (including the U.S. Foreign Corrupt Practices Act and the U.K. Bribery Act 2010). There are no pending internal investigations and, to the Knowledge of Parent, no pending Proceedings, in each case, regarding any action or any allegation of any action described above in this Section 6.17(a).

(b) The operations of Parent and its Subsidiaries are and have been conducted at all times in compliance in all material respects with applicable financial recordkeeping, reporting and internal control requirements of the Money Laundering Laws and of the United States Foreign Corrupt Practices Act. No Proceeding by or before any Governmental Authority that is material to Parent and its Subsidiaries with respect to the Money Laundering Laws is pending or, to the Knowledge of Parent, threatened, nor, to the Knowledge of Parent, is any investigation by or before any Governmental Authority involving Parent or any of its Subsidiaries with respect to the Money Laundering Laws pending or threatened.

(c) None of Parent or any of its Subsidiaries nor any of their respective Representatives or Affiliates (nor any Person or entity acting on behalf of any of the foregoing) is currently subject to any material sanctions administered by the Office of Foreign Assets Control of the United States Department of the Treasury, and no Proceeding by or before any Governmental Authority that is material to Parent and its Subsidiaries with respect to any such sanctions is pending or, to the Knowledge of Parent, threatened, nor, to the Knowledge of Parent, is any investigation by or before any Governmental Authority involving Parent or any of its Subsidiaries with respect to any such sanctions pending or threatened.

Section 6.18 No Brokers. Except for Credit Suisse Securities (USA) LLC, whose fees and expenses are the sole responsibility of Parent, no broker, investment banker or finder is entitled to any brokerage or finder's fee or other commission in connection with the transactions contemplated by this Agreement based on any Contract made by or on behalf of Parent or any of its Subsidiaries.

Section 6.19 State Takeover Statutes. Section 203 of the DGCL is inapplicable to the transactions contemplated by this Agreement. No other State Takeover Laws applicable to Parent or any anti-takeover provision in the Organizational Documents of Parent is applicable to the Merger or the other transactions contemplated by this Agreement.

Upon the terms and subject to the conditions set forth in this Agreement (including Section 7.3(b)), each party agrees to make any filings required to be made pursuant to the HSR Act, the EU Merger Regulation or other applicable foreign, federal, state or supranational antitrust, competition, fair trade or similar Applicable Laws with respect to the transactions contemplated by this Agreement as promptly as reasonably practicable (and in no event later than the dates set forth on Section 7.3(a) of the Company Disclosure Letter unless otherwise mutually agreed by the Company and Parent) and to supply as promptly as reasonably practicable to the appropriate Governmental Authorities any additional information and documentary material that may be requested by such Governmental Authorities pursuant to the HSR Act, the EU Merger Regulation or such other applicable foreign, federal, state or supranational antitrust, competition, fair trade or similar Applicable Laws. All such antitrust filings to be made shall be made in substantial compliance with the requirements of the HSR Act, the EU Merger Regulation and such other applicable foreign, federal, state or supranational antitrust, competition, fair trade or similar Applicable Laws, as applicable.

(b) In furtherance, and without limiting the generality, of the foregoing, the parties shall use their reasonable best efforts to (i) cooperate with and assist each other in good faith to (A) determine, as promptly as reasonably practicable, which filings are required to be made pursuant to the HSR Act, the EU Merger Regulation or other applicable foreign, federal, state or supranational antitrust, competition, fair trade or similar Applicable Laws with respect to the transactions contemplated by this Agreement, (B) provide or cause to be provided as promptly as reasonably practicable to the other party all necessary information and assistance as any Governmental Authority may from time to time require of such party in connection with obtaining the relevant waivers, permits, consents, approvals, authorizations, qualifications, Orders or expiration of waiting periods in relation to such filings or in connection with any other review or investigation of the transactions contemplated by this Agreement by a Governmental Authority pursuant to the HSR Act, the EU Merger Regulation or other applicable foreign, federal, state or supranational antitrust, competition, fair trade or similar Applicable Laws and (C) provide or cause to be provided as promptly as reasonably practicable all assistance and cooperation to allow the other party to prepare and submit any such filings or submissions required to be submitted under the HSR Act, the EU Merger Regulation or other applicable foreign, federal, state or supranational antitrust, competition, fair trade or similar Applicable Laws, including providing to the other party any information that the other party may from time to time require for the purpose of any filing with, notification to, application with, or request for further information made by, any Governmental Authority in respect of any such filing and (ii) (A) cooperate with and assist each other in good faith to devise and implement a joint strategy for making such filings, including the timing thereof, and for obtaining any related antitrust, competition, fair trade or similar clearances, (B) consult in advance with the other party and in good faith take the other party's views into account regarding the overall strategic direction of obtaining such antitrust, competition, fair trade or similar clearances and (C) consult with the other party prior to taking any material substantive position in any written submissions or, to the extent practicable, in any discussions with Governmental Authorities with respect to such antitrust, competition, fair trade or similar clearances, including any position as to a Divestiture; provided, that, in the event the parties disagree in good faith with respect to any matter described in the foregoing clauses (i) or (ii), as may be applicable, despite the good faith cooperation,

assistance and consultation of the parties as required herein and compliance with their other obligations under this Section 7.3, Parent shall, subject to and without limiting Parent's obligations under Section 7.3(c) and the other provisions of this Section 7.3, be permitted to implement its strategy and otherwise pursue its position as to which it has (x) previously discussed and consulted with the Company, (y) taken the Company's views into account in good faith and (z) developed, implemented and pursued with a view to obtaining any necessary antitrust, competition, fair trade or similar clearances as promptly as reasonably practicable (and in any event by the Outside Date); provided, further, that, in such instances where Parent is permitted to implement its strategy and otherwise pursue its position pursuant to the immediately preceding proviso, the Company shall not take a position in any filing, meeting or communication with any Governmental Authority that is contrary to or inconsistent with such strategy and position. Parent shall be permitted to take the lead in all joint meetings and communications with any Governmental Authority in connection with obtaining any necessary antitrust, competition, fair trade or similar clearances; provided, that Parent shall have complied with its obligations under the immediately preceding clause (ii) and the other provisions of this Section 7.3. Each party shall permit the other party to review and discuss in advance, and shall consider in good faith the views of the other party in connection with, any analyses, presentations, memoranda, briefs, written arguments, opinions, written proposals or other materials to be submitted to the Governmental Authorities. Each party shall keep the other apprised of the material content and status of any material communications with, and material communications from, any Governmental Authority with respect to the transactions contemplated by this Agreement, including promptly notifying the other of any material communication it receives from any Governmental Authority relating to any review or investigation of the transactions contemplated by this Agreement under the HSR Act, the EU Merger Regulation or other applicable foreign, federal, state or supranational antitrust, competition, fair trade or similar Applicable Laws. The parties shall, and shall use their reasonable best efforts to cause their respective Affiliates to use their reasonable best efforts to, provide each other with copies of all material, substantive correspondence, filings or communications between them or any of their respective Representatives, on the one hand, and any Governmental Authority or members of its staff, on the other hand, with respect to this Agreement and the transactions contemplated by this Agreement; provided, however, that materials may be redacted (1) to remove references concerning the valuation of the Company and its Subsidiaries or Parent and its Subsidiaries, as applicable; (2) as necessary to comply with any Contract or Applicable Laws or Orders; and (3) as necessary to address reasonable attorney-client or other privilege or confidentiality concerns.

(c) Parent and the Company shall, and shall cause each of their respective Subsidiaries to, take any and all steps necessary to obtain approval of the consummation of the transactions contemplated by this Agreement by any antitrust or competition Governmental Authority, including taking all steps necessary to avoid or eliminate each and every legal impediment under any applicable state, federal, foreign or supranational antitrust, competition, fair trade or similar Applicable Law that may be asserted by any antitrust or competition Governmental Authority or any other Person so as to enable the parties hereto to close the transactions contemplated by this Agreement as promptly as reasonably practicable, and in any event prior to the Outside Date, including proposing, negotiating, accepting, committing to and effecting, by consent decree, hold separate orders, or otherwise, the sale, divestiture or disposition of their Subsidiaries, assets, properties or businesses, the entrance into, or the

amendment, modification or termination of, any Contracts or other arrangements, and other remedies in order to obtain such approvals and to avoid the entry of, and to avoid the commencement of litigation or other Proceedings seeking the entry of, or to effect the dissolution of, any injunction, temporary restraining order or other Applicable Law in any suit or other Proceeding, which could otherwise have the effect of materially delaying or preventing the consummation of any of the transactions contemplated by this Agreement. In addition, Parent and the Company shall, and shall cause each of their respective Subsidiaries to, defend through litigation on the merits so as to enable the parties hereto to close the transactions contemplated by this Agreement as promptly as reasonably practicable (and in any event prior to the Outside Date) any claim asserted in court or an administrative or other tribunal by any antitrust or competition Governmental Authority or other Person under applicable antitrust, competition, fair trade or similar Applicable Laws in order to avoid entry of, or to have vacated or terminated, any decree, order or judgment (whether temporary, preliminary or permanent) or other Applicable Law that could prevent or materially delay the Closing from occurring as promptly as reasonably practicable; provided, however, that, for the avoidance of doubt, such litigation shall in no way limit the obligations of the parties to comply with their obligations under the terms of this Section 7.3. Notwithstanding anything in this Agreement to the contrary, Parent shall not commence any litigation with respect to the matters that are the subject of this Section 7.3 without the prior written consent of the Company (such consent not to be unreasonably withheld, delayed or conditioned). Parent and the Company shall jointly direct and control any litigation described in either of the immediately preceding sentences, with counsel of their own choosing; provided, however, that, without limiting the generality of Section 7.3(b), in the event the parties disagree in good faith with respect to the defense or prosecution of such litigation (or the strategy with respect thereto) despite the good faith cooperation, assistance and consultation of the parties as required herein and compliance with their other obligations under this Section 7.3, Parent shall, subject to and without limiting Parent's obligations under the other provisions of this Section 7.3, be permitted to implement its strategy and otherwise pursue its position in good faith with respect to such litigation as to which it has (x) consulted in advance with the Company, (y) in good faith taken the Company's views into account, including with respect to the overall strategic direction of the defense or prosecution of any such litigation and (z) consulted with the Company prior to taking any material substantive positions, making dispositive motions or other material substantive filings or entering into any negotiations concerning such litigation; provided, that such strategy is designed to obtain approval of the consummation of the transactions contemplated by this Agreement by any antitrust or competition Governmental Authority as promptly as reasonably practicable, and in any event prior to the Outside Date; provided, further, that, in such instances where Parent is permitted to implement its strategy and otherwise pursue its position, the Company shall not take a position that is contrary to or inconsistent with Parent's strategy and position in any filing, meeting or communication with any Governmental Authority. Notwithstanding the foregoing or any other provision of this Agreement, (i) none of Parent and any of its Subsidiaries and Affiliates shall be required to agree to any sale, transfer, license, separate holding, divestiture or other disposition of, or to any prohibition of or any limitation on the acquisition, ownership, operation, effective control or exercise of full rights of ownership, or other modification of rights in respect of, any assets or businesses or other remedy (each, a Divestiture) that are not conditioned on the consummation of the Merger and (ii) the Company, only with the consent of Parent (in connection with satisfying the foregoing obligations), such consent not to be unreasonably withheld, conditioned

or delayed, shall agree to any Divestiture of any of its assets or the assets of any of its Subsidiaries so long as such Divestiture is conditioned on the consummation of the Merger. In the event of any conflict between subsections (a), (b) or (c) of this Section 7.3, the provisions of this subsection (c) of this Section 7.3 shall, which respect to the matters addressed in this subsection (c) of this Section 7.3, supersede the provisions of subsection (a) and (b) of this Section 7.3.

(d) Each party shall and shall cause its respective Subsidiaries to respond as promptly as reasonably practicable to any inquiries or requests for information and documentary material received from any Governmental Authority in connection with any antitrust or competition matters related to this Agreement and the transactions contemplated hereby. The Company and its Subsidiaries shall not, but Parent may, if in its good faith judgment it determines (after consulting in advance with the Company and in good faith taking the Company's views into account) that the taking of such action would enhance the likelihood of obtaining any necessary antitrust, competition, fair trade or similar clearance as promptly as reasonably practicable and in any event by the Outside Date, extend any waiting period or agree to refile under the HSR Act, the EU Merger Regulation or any other applicable state, federal, foreign or supranational antitrust, competition, fair trade or similar Applicable Laws.

(e) Each of the Company and Parent shall use its reasonable best efforts to (i) ensure that no State Takeover Law is or becomes applicable to this Agreement, the Merger or any of the other transactions contemplated hereby and (ii) if any State Takeover Law becomes applicable to this Agreement, the Merger or any of the other transactions contemplated by this Agreement, ensure that the Merger and the other transactions contemplated by this Agreement may be consummated as promptly as reasonably practicable on the terms contemplated by this Agreement and otherwise to minimize the effect of such Applicable Law on this Agreement, the Merger and the other transactions contemplated by this Agreement.

Section 7.4 Information Pending Closing; Access. From the date hereof through the earlier to occur of the Closing and the termination of this Agreement pursuant to Article IX, upon the reasonable advance written request of Parent, the Company shall, and shall cause its Subsidiaries and its and their respective Representatives to, at Parent's sole cost and expense, (a) afford to Parent and its Representatives reasonable access, during normal business hours and in such manner as not to unreasonably interfere with the normal operation of the businesses of the Company and its Subsidiaries, to the properties, books, Contracts, data, files, information and records of the Company and its Subsidiaries, (b) provide such information regarding the Company and its Subsidiaries and their respective operations to Parent and its Representatives as Parent may reasonably request and (c) use commercially reasonable efforts to make available the appropriate Representatives of the Company and its Subsidiaries and instruct such Representatives to reasonably cooperate with Parent and its Representatives; provided, that the foregoing shall not require the Company or its Affiliates or any of its or their respective Representatives to (i) violate any confidentiality obligations of the Company or any of its Affiliates or any of their respective Representatives to any third party (provided, that the Company and its Affiliates shall use commercially reasonable efforts to, at the sole cost and expense of Parent, obtain, or cause to be obtained, waivers or enter into other arrangements to avoid such violations so that this clause (i) does not apply), (ii) violate any privacy or other Applicable Laws, (iii) make any disclosure of information that would reasonably be expected, as

a result of such disclosure, and upon the advice of counsel, to have the effect of causing the waiver of any privilege (including the attorney-client and work product privileges) (provided, that if a joint defense agreement or other commercially reasonable action would maintain such privilege, then the Company and its Affiliates shall use commercially reasonable efforts to enter into, at the sole cost and expense of Parent, or cause to be entered into, a joint defense agreement on customary terms with Parent or take such other commercially reasonable action if so reasonably requested by Parent, at the sole cost and expense of Parent, so that this clause (iii) does not apply), (iv) produce any information that is not generated in the Ordinary Course of Business or (v) furnish any information that could be harmful to the Company's competitive position or otherwise detrimental to the Company if the Closing does not occur (provided, that the Company shall attempt, in good faith, to make reasonable alternative arrangements as may be reasonably necessary to produce the relevant information in a way that would not be so harmful or detrimental). Subject to Section 7.5(a), Parent shall hold, and shall cause its Affiliates and Representatives to hold, in confidence all such information on the terms and subject to the conditions contained in the Non-Disclosure and Exclusivity Agreement, dated as of March 25, 2014, by and between Parent and the Company (the NDA) and the Joint Defense and Confidentiality Agreement, dated as of April 1, 2014, by and among the Company, Parent and their respective counsel (collectively, the Confidentiality Agreement). All access and investigation pursuant to this Section 7.4 shall be coordinated through the General Counsel of the Company or the designee thereof. No access or information provided pursuant to this Section 7.4 or information provided or received by any Person pursuant to this Agreement will affect any of the representations or warranties of the Company contained in this Agreement or the conditions hereunder to the obligations of Parent nor, for the avoidance of doubt, shall the provisions of this Section 7.4 in any way be deemed to limit the obligations set forth in Section 7.10(d) (it being understood that in complying with its obligations under Section 7.10(d), the Company shall not be required to provide Parent or any of its Representatives with access other than as set forth in this Section 7.4). The Company shall be entitled to have its Representatives present at all times during any access pursuant to this Section 7.4. Notwithstanding anything in this Section 7.4 or any other provision of this Agreement to the contrary, no party nor any of its Representatives shall (A) contact or have any discussions with any of the other party's employees below the level of Senior Vice President (or, if no such position exists with respect to any particular area of such other party's organization, its equivalent), unless in each case an employee of such other party above the level of Senior Vice President has (1) made such employee available or (2) given written consent to such contact or discussions, (B) contact or have any discussions with any of the customers, distributors, sales representatives, vendors, suppliers, licensees, sub-licensees, landlords or sub-landlords or tenants or sub-tenants of any other party or its Subsidiaries regarding such party or its Subsidiaries or the transactions contemplated by this Agreement, without prior written consent of the other party or (C) perform any onsite procedure or investigation (including any onsite environmental investigation or study) that involves physical disturbance or damage to any asset or property or any portions thereof.

Section 7.5 Confidentiality and Announcements.

(a) Each of Parent and the Company acknowledges that the information being provided in connection with this Agreement is subject to the terms and conditions of the Confidentiality Agreement. The terms of the Confidentiality Agreement shall continue in full force and effect in accordance with its terms; provided, that, from and after the Effective Time,

any Confidential Information (as defined in the Confidentiality Agreement) to the extent relating exclusively to the businesses of the Company and its Subsidiaries (other than any Confidential Information of the holders of the shares of Company Common Stock) shall be deemed to be Confidential Information of Parent for all purposes under the Confidentiality Agreement. If this Agreement is, for any reason, terminated prior to the Effective Time, the Confidentiality Agreement shall continue in full force and effect in accordance with its terms. If Paragraph 7 of the NDA would expire at any time prior to the Effective Time, the term of Paragraph 7 of the NDA shall not expire but shall instead be automatically extended without any further action by the Company or Parent until the earlier of (x) the Effective Time and (y) the termination of this Agreement pursuant to Article IX (but subject to Section 9.3).

(b) None of the parties shall, and shall use their respective reasonable best efforts to cause their respective Affiliates not to, issue or make, or permit to be issued or made, any press release or other public announcement, statement or disclosure relating to the transactions contemplated by this Agreement, other than (i) with the prior written consent of the other parties hereto (such consent not to be unreasonably withheld, delayed or conditioned) or (ii) as required by any Applicable Law, any Governmental Authority or the rules and regulations of any applicable securities exchange upon prior notice to the other parties hereto (or requested by any Governmental Authority or applicable securities exchange); provided, that the disclosing party required to issue or make, or permitted to be issued or made, any such press release or other public announcement, statement or disclosure shall promptly notify the other party and allow such other party a reasonable opportunity to comment on such press release or other public announcement, statement or disclosure (or, in the case of any of the foregoing required to be made by an Affiliate of such party, such party shall use its reasonable best efforts to cause such Affiliate to promptly notify the other party and allow such party a reasonable opportunity to comment). Notwithstanding the foregoing, Parent and the Company hereby acknowledge and agree that the final form and content of any such required press release or other public announcement, statement or disclosure shall be at the reasonable discretion of the disclosing party.

Section 7.6 Exclusivity. The Company shall, and shall use its reasonable best efforts to cause its Affiliates and its and their respective Representatives to immediately cease (a) any and all discussions or negotiations with any Person (other than Parent and its Affiliates and its and their respective Representatives) regarding a Competing Transaction, (b) furnishing to any Person (other than Parent and its Affiliates and its and their respective Representatives) any information with respect to a Competing Transaction and (c) cooperating with, assisting in, participating in, facilitating or encouraging a Competing Transaction. Until such time, if any, as this Agreement is terminated pursuant to the terms hereof, the Company agrees that it shall not, and shall use its reasonable best efforts to cause its Affiliates and use its reasonable best efforts to cause its and their respective Representatives not to, directly or indirectly, (i) initiate, solicit, knowingly encourage or otherwise facilitate any inquiries or the making of an offer or proposal regarding any Competing Transaction, (ii) engage in any negotiations concerning, or enter into any agreement (other than an agreement with its Subsidiaries or its or their respective Representatives) regarding a Competing Transaction or otherwise knowingly facilitate a Competing Transaction or (iii) except as described in the immediately following sentence, file any amendments to or make any other filing with the Commission with respect to the Registration Statement, including any public or publicly available correspondence with respect

thereto, or request that the Registration Statement (or the prospectus contained therein) be declared effective by the Commission or make any public announcements with respect to an initial public offering of the Company or any of its Subsidiaries, notwithstanding the fact that any such failure to file or other inaction may result in the Registration Statement (or the prospectus contained therein) being deemed stale by the Commission. Promptly after the date of this Agreement, the Company shall file a Registration Withdrawal Request on Form RW with the Commission with respect to the Registration Statement and, if deemed advisable by the Company, make a filing with the Commission on Form 8-K and other appropriate filings with the Commission in connection therewith.

Section 7.7 Indemnification of Directors and Officers.

(a) Parent and Merger Sub agree that all rights to exculpation, indemnification and advancement of expenses for acts or omissions occurring at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time (including in respect of any matters arising in connection with this Agreement and the transactions contemplated hereby), existing as of the date of this Agreement in favor of the current, former or future directors, officers, or employees, as the case may be (each, a D&O Indemnified Person) of the Company or its Subsidiaries as provided in their respective Organizational Documents shall survive the Merger and shall continue in full force and effect. For a period of six (6) years after the Effective Time, (i) Parent shall not, and shall not permit the Surviving Corporation or any of its Subsidiaries to, amend, repeal or modify any provision in the Surviving Corporation's or any of its Subsidiaries' Organizational Documents relating to the exculpation, indemnification or advancement of expenses of any D&O Indemnified Person with respect to acts or omissions occurring at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time (including in respect of any matters arising in connection with this Agreement and the transactions contemplated hereby), unless and only to the extent required by Applicable Law, it being the intent of the parties that all such D&O Indemnified Persons shall continue to be entitled to such exculpation, indemnification and advancement of expenses to the fullest extent permitted by Applicable Law and that no change, modification or amendment of such documents or arrangements may be made that will adversely affect any such Person's right thereto without the prior written consent of that Person and (ii) Parent shall, and shall cause the Surviving Corporation and its Subsidiaries to, maintain any indemnification agreements of the Company and its Subsidiaries with any D&O Indemnified Person existing prior to the date of this Agreement.

(b) In addition to the other rights provided for in this Section 7.7 and not in limitation thereof, for six (6) years from and after the Effective Time, to the fullest extent permitted by Applicable Law, Parent shall cause the Surviving Corporation to (i) indemnify and hold harmless (and exculpate and release from any liability to Parent or the Surviving Corporation or any of their respective Subsidiaries) the D&O Indemnified Persons against all D&O Expenses (as defined below) and all losses, claims, damages, judgments, fines, penalties and amounts paid in settlement (D&O Losses) in respect of any threatened, pending or completed Proceeding, based on, arising out of, relating to or in connection with the fact that such Person is or was a director, officer, employee or other fiduciary of the Company or any of its Subsidiaries or of any other entity arising out of or relating to acts or omissions occurring or existing (or alleged to have occurred or existed) at or prior to the Effective Time (including in

respect of acts or omissions in connection with this Agreement and the transactions contemplated hereby) (a D&O Indemnifiable Claim) and (ii) advance, interest-free, to such D&O Indemnified Persons all D&O Expenses incurred in connection with any D&O Indemnifiable Claim promptly after receipt of statements therefor and upon receipt of a customary undertaking by such D&O Indemnified Person to repay such D&O Expenses so advanced if it is determined by a final non-appealable judgment or a court of competent jurisdiction that such D&O Indemnified Person was or is not entitled to be indemnified under Applicable Law. Advance payment of D&O Expenses in connection with any D&O Indemnifiable Claims shall continue until such D&O Indemnifiable Claim is disposed of or all judgments, Orders, decrees or other rulings in connection with such D&O Indemnifiable Claim become final and nonappealable and are fully and finally satisfied. For the purposes of this Section 7.7, D&O Expenses shall include reasonable and documented out-of-pocket costs and expenses, including reasonable attorneys' fees, expert fees, arbitrator and mediator fees, and all other reasonable and documented out-of-pocket costs, charges and expenses paid or incurred in connection with investigating, defending, being a witness in or otherwise participating in (including on appeal), or preparing to defend, to be a witness in or participate in, any D&O Indemnifiable Claim, but shall exclude losses, claims, damages, judgments, fines, penalties and amounts paid in settlement (which items are included in the definition of D&O Losses).

(c) The Company shall obtain prior to the Effective Time at Parent's sole cost and expense, a policy of directors' and officers' liability insurance and fiduciary liability insurance on behalf of the persons currently covered by the Company's and its Subsidiaries' directors' and officers' liability insurance and fiduciary liability insurance policies with respect to acts or omissions occurring or existing (or alleged to have occurred or existed) at or prior to the Effective Time (including in connection with this Agreement or the transactions contemplated hereby) for six (6) years from the Effective Time with terms, conditions, retentions and levels of coverage (including as coverage relates to deductibles and exclusions) no less favorable, in the aggregate, as the Company's and its Subsidiaries' existing directors' and officers' liability insurance and fiduciary liability insurance policies; provided, however, that if the annual premium for such insurance at any time during such period shall exceed three hundred percent (300%) of the per annum rate of premium paid by the Company and its Subsidiaries as of the date hereof for such insurance, then Parent shall only be obligated to provide such coverage as shall then be available at an annual premium equal to three hundred percent (300%) of such rate.

(d) In the event that Parent or the Surviving Corporation or any of their respective successors or assigns (i) consolidates with or merges into any other Person and is not the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys fifty percent (50%) or more of its properties and other assets to any Person (including by liquidation, dissolution or assignment for the benefit of creditors or similar action), then, and in each such case, Parent or the Surviving Corporation, as the case may be, shall cause proper provision to be made so that the applicable successors and assigns or transferees expressly assume the obligations set forth in this Section 7.7.

(e) The Surviving Corporation shall be a full indemnitor of first resort, shall be required to advance the full amount of all D&O Expenses incurred by a D&O Indemnified Person and shall be liable for the full amount of all D&O Losses to the extent legally permitted

and as required, without regard to any rights a D&O Indemnified Person may have against any other Company Related Party, any insurer providing insurance coverage under an insurance policy issued to any other Company Related Party or otherwise.

(f) Notwithstanding anything to the contrary contained herein or otherwise, the rights and benefits of each D&O Indemnified Person under this Section 7.7 shall not be terminated or modified in any manner as to adversely affect any D&O Indemnified Person without the prior written consent of such D&O Indemnified Person. The provisions of this Section 7.7 are intended to be for the benefit of, and shall be enforceable by, each D&O Indemnified Person referred to in Section 7.7(a), his or her heirs and his or her executors and administrators, each of whom is an intended third-party beneficiary of this Section 7.7, and are in addition to, and not in substitution for, any other rights, including rights to indemnification or contribution that any such Person may have by Contract or otherwise. The provisions of this Section 7.7 shall survive the consummation of the Merger.

Section 7.8 Employee Matters.

(a) As of the Closing Date, and for a one (1) year period following the Closing Date, Parent will provide or cause the Surviving Corporation to provide to those employees of the Company and its Subsidiaries who remain employed by the Surviving Corporation (the Continuing Employees) (A) salary and base wages that are at least equal to the salary and base wages provided to the Continuing Employees immediately prior to the Closing Date and (B) bonus opportunity and benefits (other than equity compensation benefits) that, taken as a whole, are comparable in the aggregate to those provided to similarly situated employees of Parent. For one (1) year following the Closing Date, Parent shall provide the Continuing Employees with severance benefits of the Company in accordance with the terms and conditions set forth on Section 7.8(a) of the Company Disclosure Letter. Notwithstanding the foregoing, nothing herein is intended to limit the right of Parent or the Company or any of their respective Subsidiaries to terminate the employment of any employee at any time.

(b) For purposes of determining eligibility and vesting (but not for accrual of benefits, other than with respect to severance, vacation or paid time-off entitlement) under all employee benefit plans, programs, policies, contracts, fringe benefits or arrangements of Parent or its Affiliates (including, after the Closing Date, the Surviving Corporation) providing benefits after the Closing Date to any Continuing Employee (all such plans, Parent Benefit Plans), Parent shall, and shall cause its Affiliates to, give each Continuing Employee full credit for such Continuing Employee's service with the Company and its Affiliates (as well as service with any predecessor employer, to the extent service with the predecessor employer is recognized by the Benefit Plans immediately prior to the Closing Date) to the same extent recognized by the Company or its Affiliates immediately prior to the Closing Date, except to the extent such recognition would result in duplication of benefits. Parent shall waive, or cause to be waived, any pre-existing condition limitations, exclusions, actively at work requirements and waiting periods under any Parent Benefit Plan that is a welfare benefit plan in which Continuing Employees (and their dependents) will be eligible to participate from and after the Closing Date, except with respect to evidence of insurability requirements under any life insurance and disability plans. Parent shall recognize, or cause to be recognized, the dollar amount of all co-payments, deductibles and similar expenses incurred by each Continuing Employee (and his or

her eligible dependents) under the Benefit Plans during the year in which the Closing Date occurs for purposes of satisfying such year's deductible and co-payment limitations under the relevant welfare benefit plans in which they will be eligible to participate from and after the Closing Date.

(c) Immediately following the Closing, Parent shall pay, or shall cause the Surviving Corporation to pay, Continuing Employees a pro-rata bonus under the annual incentive plans listed in Section 7.8(c) of the Company Disclosure Letter for the fiscal year in which the Closing occurs based on achievement of pro-rata performance targets for the number of days that have elapsed in such fiscal year as of the Closing Date and with the bonus amounts to be the pro-rata portion of a full annual bonus based on the number of days that have elapsed in such fiscal year as of the Closing Date.

(d) The parties acknowledge and agree that, as promptly as reasonably practicable after the date hereof, Parent and the Company shall negotiate in good faith mutually acceptable terms and conditions of an employee retention plan and a sales force retention plan with a total target payout of approximately Seventy Five Million Dollars (\$75,000,000) in the aggregate, which plans shall be funded and paid by Parent at the Closing in the aggregate amount of Forty Four Million Dollars (\$44,000,000) (such aggregate Forty Four Million Dollars (\$44,000,000) amount, the Retention Plan Amount); provided, that notwithstanding anything in this Agreement to the contrary, the Company shall be permitted to provide for (i) payments of Four Million Dollars (\$4,000,000) in respect of a senior management bonus plan, (ii) payments of approximately Eight Million Dollars (\$8,000,000) in respect of an employee bonus plan and (iii) payouts under an employee retention plan and sales force retention plan of up to Thirty One Million Dollars (\$31,000,000) in excess of and in addition to the Retention Plan Amount, in which event any such payments described in the foregoing clauses (i), (ii) and (iii) shall reduce the Closing Date Cash to the extent such amounts have not been paid prior to the Closing and such payments to the extent made shall not be deemed an Expense Amount for purposes of determining the Aggregate Adjusted Cash Consideration.

(e) Nothing expressed or implied herein shall (i) confer upon any past or present employee of the Company and its Subsidiaries, or his or her representatives, beneficiaries, successors and assigns, any rights or remedies of any nature, including, any rights to employment or continued employment with Parent, the Company or any of their respective Subsidiaries or any of their respective successors or Affiliates, (ii) be construed to prohibit the Parent from amending or terminating any employee benefit program or Parent Benefit Plan or (iii) constitute or be construed as an amendment of any employee benefit program or any Parent Benefit Plan.

Section 7.9 Affiliate Arrangements. All Contracts between the Company or a Subsidiary of the Company, on the one hand, and any of their respective Affiliates, on the other hand, other than Contracts (a) solely between the Company and one or more of its Subsidiaries or between or among its Subsidiaries or (b) set forth on Section 7.9 of the Company Disclosure Letter, shall be terminated at and as of the Closing Date, and all obligations and liabilities thereunder shall have been satisfied, other than such provisions, obligations and liabilities that expressly survive such termination, which provisions shall survive such termination.

Section 7.10 Financing.

(a) Parent and Merger Sub shall use their respective reasonable best efforts to arrange and consummate the Financing on the terms and conditions described in the Commitment Letter at or prior to the Closing (or on terms more favorable in the aggregate to Parent and Merger Sub) including by: (i) maintaining in effect and enforcing the Commitment Letter and complying with their respective obligations thereunder; (ii) negotiating, entering into and delivering the definitive agreements with respect to the Debt Financing (the Definitive Financing Agreements) on the terms and conditions contained in the Commitment Letter and, to the extent such definitive agreements are executed and delivered prior to the Effective Time, maintaining in effect and enforcing such definitive agreements; (iii) satisfying (or, if deemed advisable by Parent, seeking the waiver of) on a timely basis all terms, covenants and conditions set forth in the Commitment Letter and the Definitive Financing Agreements applicable to Parent and Merger Sub that are within their control; (iv) participating in and assisting with the preparation of rating agency presentations and meetings with rating agencies; and (v) upon satisfaction of all of the conditions precedent under Section 8.1 and Section 8.2 (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of those conditions), consummating or causing the consummation of the Financing including by enforcing their rights under the Commitment Letter and the Definitive Financing Agreements to the extent necessary at such time to fund the Required Amount.

(b) Parent shall apprise the Company of material developments relating to the Financing and shall give the Company prompt notice of any material adverse change with respect to such Financing. (g) If at any time prior to the Effective Time any information relating to the Company, Parent or Merger Sub, or any of their respective Affiliates, directors or officers, is discovered by the Company, Parent or Merger Sub, which is required to be set forth in an amendment or supplement to the Consent Solicitation Statement/Prospectus or the Form S-4 or the Proxy Statement/Prospectus or the Amended Form S-4, so that none of such documents would include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party which discovers such information shall promptly notify the other parties and an appropriate amendment or supplement describing such information shall be promptly filed with the Commission by Parent in the case of the Form S-4 or the Amended Form S-4 or the Company in the case of the Consent Solicitation Statement/Prospectus or the Proxy Statement/Prospectus and, to the extent required by Applicable Law, disseminated to the stockholders of the Company.

(h) The Company shall, through the Board of Directors of the Company, recommend to its stockholders that they provide the Company Stockholder Approval and shall include such recommendation in the Form S-4 or the Amended Form S-4, as applicable, unless the Company determines in good faith, after consultation with the Company's outside counsel, that the failure to withdraw, amend or modify its recommendation would reasonably be likely to be inconsistent with its fiduciary duties to the stockholders of the Company.

(i) Parent shall prepare and submit to the NYSE a listing application covering the shares of Parent Common Stock to be issued in the Merger and shall use its reasonable best efforts to cause such shares of Parent Common Stock to be authorized for listing on the NYSE, subject to official notice of issuance, prior to the Closing Date.

Section 7.18 Expenses. Except as (i) as set forth in the immediately following sentence or (ii) as otherwise expressly provided herein, all expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the party incurring such expenses. If the Closing occurs, Parent shall bear (a) the costs, fees and expenses incurred by it and Merger Sub in connection with the negotiation and preparation of this Agreement and the consummation of the transactions contemplated hereby, including legal, accounting, brokerage and other fees and expenses, (b) the Sponsor Fee Amount (as defined in Section 7.18(g)(ii) of the Company Disclosure Letter), (c) the Financing Expenses, (d) any and all Breakage Costs, (e) the Retention Plan Amount, (f) the reasonable and customary out-of-pocket third-party costs, fees and expenses (including reasonable, customary and documented attorneys' fees and expenses) associated with the preparation of the Registration Statement and the Company's proposed initial public offering (the IPO) incurred by the Company and its Subsidiaries to date as set forth on Section 7.18 of the Company Disclosure Letter and (g) the reasonable and customary other out-of-pocket third-party costs, fees and expenses of the Company and its Subsidiaries incurred in connection with the negotiation and preparation of this Agreement and the consummation of the transactions contemplated hereby, including reasonable, customary and documented third-party legal, accounting, brokerage and other fees and expenses (the aggregate amount of the costs, fees and expenses described in clauses (c), (f) and (g) of this Section 7.18 to the extent paid by the Company or any of its Subsidiaries prior to the Closing, the Expense Amount); provided, that in no event shall the fees and expenses of the Persons set forth in Section 7.18(g)(i) of the Company Disclosure Letter exceed the amounts to which it is entitled pursuant to the engagement letter referenced in Section 5.24; provided, further, that in the event such third-party legal, accounting, brokerage and other professional advisory fees and expenses described in clause (g) above exceed the amount set forth in set forth in Section 7.18(g)(ii) of the Company Disclosure Letter in the aggregate, the Company shall (i) as promptly reasonably practicable notify Parent in writing of such occurrence, which notice shall set forth a reasonably detailed itemization of such fees and expenses to the extent reasonably available and (ii) from time to time, upon the reasonable request of Parent (but in no event more than twice in any calendar month), provide to Parent as promptly as reasonably practicable after each such

request, a reasonably detailed itemization to the extent reasonably available of the then-current amount of such fees and expenses. For the avoidance of doubt, any itemization of such costs, fees and expenses provided by the Company to Parent shall not, in and of itself, limit Parent's obligation to bear such costs, fees and expenses in accordance with this Section 7.18. Any unpaid costs, fees and expenses incurred by the Company and to be borne by Parent pursuant to this Section 7.18 shall be paid by Parent at the Effective Time by wire transfer of immediately available funds to the account or accounts designated in writing by the Company no later than two (2) Business Days prior to the Effective Time.

(b) The Company shall have performed and complied in all material respects with all agreements, covenants and obligations required by this Agreement to be performed or complied with by the Company on or prior to the Closing; and

(c) The Company shall have caused to be delivered to Parent a certificate executed by a duly authorized officer of the Company certifying that each of the conditions set forth in Sections 8.2(a) and (b) has been satisfied.

Section 8.3 Conditions to the Company's Obligations. In addition to the conditions set forth in Section 8.1, the obligations of the Company to effect the Closing shall be subject to the following conditions, any one or more of which may be waived in writing by the Company:

(a) The representations and warranties made by Parent contained in (i) Section 6.3(a)(ii), the first and third sentences of Section 6.4(a) and Section 6.18 shall be true and correct in all respects as of the date of this Agreement and as of the Closing, as though made on and as of the Closing (except that such representations and warranties that are made as of a specific date shall be true and correct as of such specific date), except, in the case of the representations and warranties contained in the first and third sentences of Section 6.4(a), for any de minimis inaccuracy; (ii) Section 6.1 and Section 6.2 shall be true and correct in all material respects as of the date of this Agreement and as of the Closing, as though made on and as of the Closing (except that such representations and warranties that are made as of a specific date shall be true and correct as of such specific date) and (iii) each other section of Article VI that (A) are not made as of a specific date shall be true and correct as of the date of this Agreement and as of the Closing, as though made on and as of the Closing, and (B) are made as of a specific date shall be true and correct as of such date, in each case, except where the failure of such representations and warranties to be true and correct (without giving effect to any qualifications as to materiality or Parent Material Adverse Effect) has not had and would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect;

(b) Parent and Merger Sub shall have performed and complied in all material respects with all agreements, covenants and obligations required by this Agreement to be performed or complied with by Parent and Merger Sub on or prior to the Closing; and

(c) Parent shall have caused to be delivered to the Company a certificate executed by a duly authorized officer of Parent certifying that each of the conditions set forth in Sections 8.3(a) and (b) has been satisfied.

ARTICLE IX

TERMINATION

Section 9.1 Termination.

(a) This Agreement may be terminated prior to the Closing only as follows:

(i) by mutual written consent of Parent and the Company;

(ii) by Parent or the Company if the Effective Time shall not have occurred on or before the date that is twelve (12) months from the date of this Agreement (as may be extended in accordance with the first proviso to this Section 9.1(a)(ii), the Outside Date); provided, however, that (i) if on the Outside Date the conditions set forth in Section 8.1(a) (to the extent such Restraint arises under the HSR Act, the EU Merger Regulation or any other applicable foreign, federal, state or supranational antitrust, competition, fair trade or similar Applicable Laws specified in Section 8.1(b) of the Company Disclosure Letter) or Section 8.1(b) have not been satisfied or waived, then Parent or the Company may extend the Outside Date for an additional ninety (90) calendar days by delivery of written notice of such extension to the other party not less

than five (5) Business Days prior to the original Outside Date and (ii) if all of the conditions set forth in Section 8.1, Section 8.2 and Section 8.3 have been satisfied or waived (or, with respect to the conditions that by their terms must be satisfied at the Closing, would have been so satisfied if the Closing had occurred) and the Marketing Period has commenced but has not yet ended, the Outside Date shall be extended to the third (3rd) Business Day after the end of the Marketing Period; provided, further, that the right to terminate this Agreement under this Section 9.1(a)(ii) shall not be available to any party whose failure to fulfill any obligation, covenant or agreement of such party under this Agreement or other breach of this Agreement has been a material cause of, or resulted in, the failure of the Effective Time to occur on or before the original Outside Date;

(iii) by Parent or the Company, if any Restraint having the effect set forth in Section 8.1(a) shall have become final and non-appealable; provided, however, that the party seeking to terminate this Agreement shall have complied with its obligations under Section 7.3 in all respects;

(iv) by the Company, if there shall have been a breach or inaccuracy of any representation or warranty of Parent contained in this Agreement on the part of Parent, or Parent or Merger Sub has failed to perform or comply with any of its covenants, obligations or agreements contained in this Agreement, which breach, inaccuracy or failure to perform or comply (i) would give rise to the failure of a condition set forth in Section 8.3(a) or (b) and (ii) is incapable of being cured by Parent or is not cured by Parent prior to the earlier of (x) thirty (30) days following written notice to Parent of such breach, inaccuracy or failure to perform or comply and (y) the Business Day immediately prior to the Outside Date; provided, that the Company is not then in material breach of any representation, warranty, covenant, obligation or agreement contained in this Agreement; and

(v) by Parent, if there shall have been a breach or inaccuracy of any representation or warranty of the Company contained in this Agreement on the part of the Company or the Company has failed to perform or comply with any of its covenants, obligations or agreements contained in this Agreement, which breach, inaccuracy or failure to perform or comply (i) would give rise to the failure of a condition set forth in Section 8.2(a) or (b) and (ii) is incapable of being cured by the Company or is not cured by the Company prior to the earlier of (x) thirty (30) days following written notice to the Company of such breach, inaccuracy or failure to perform or comply and (y) the Business Day immediately prior to the Outside Date; provided, that Parent and Merger Sub are not then in material breach of any representation, warranty, covenant, obligation or agreement contained in this Agreement.

(b) The termination of this Agreement shall be effectuated by the delivery of a written notice of such termination from the party terminating this Agreement to the other party specifying the provision or provisions hereof pursuant to which such termination is effected.

Section 9.2 Reverse Termination Fee.

(a) If this Agreement is terminated by (i) either Parent or the Company pursuant to Section 9.1(a)(iii) as a result of a Restraint arising under an antitrust, competition, fair trade or similar Applicable Law, (ii) the Company pursuant to Section 9.1(a)(iv) as a result of Parent's breach or failure to perform its obligations under Section 7.3 or (iii) either Parent or the Company pursuant to Section 9.1(a)(ii) and at or prior to the time of such termination all of the conditions to the obligations of Parent to consummate the Closing set forth in Section 8.1(a) and Section 8.2 shall have been satisfied or waived (other than (A) the conditions set forth in Section 8.1(a) (to the extent such Restraint arises under the HSR Act, the EU Merger Regulation or any other applicable foreign, federal, state or supranational antitrust, competition, fair trade or similar Applicable Laws under a jurisdiction specified in Section 8.1(b) of the Company Disclosure Letter) and (B) those other conditions that, by their nature, cannot be satisfied until the Closing, but, in the case of this clause (B), which conditions would be capable of satisfaction if the Closing were to occur on the date of termination), then Parent shall pay to the Company a fee of Eight Hundred Million (\$800,000,000) (the Reverse Termination Fee) (which fee shall be payable within two (2) Business Days after written notice of such termination, by wire transfer of immediately available funds to an account designated in writing by the Company).

(b) Notwithstanding anything in this Agreement to the contrary (but subject to and without limitation of Section 10.12 and the proviso to this sentence), the Company agrees that in the event that this Agreement is terminated in accordance with Section 9.1 and the Reverse Termination Fee is payable pursuant to Section 9.2(a) and the Reverse Termination Fee is paid to the Company pursuant to Section 9.2 and accepted by the Company, (i) the payment of such Reverse Termination Fee, together with any amounts payable pursuant to the last three sentences of Section 7.10(d) and Section 9.2(c), shall be the sole and exclusive remedy of the Company Related Parties against the Parent Related Parties and (ii) in no event will the Company Related Parties be entitled to recover any other money damages or any other remedy based on a claim in law or equity with respect to (A) the loss suffered as a result of any failure of the Merger to be consummated, (B) any breach of, or failure to perform, any representation, warranty, agreement or obligation under this Agreement, (C) the termination of this Agreement and (D) any other losses, damages, obligations or liabilities suffered as a result of or under this Agreement and the transactions contemplated by this Agreement, and, subject to and without limitation of Section 10.12 and the proviso to this sentence, upon payment to the Company of the Reverse Termination Fee in accordance with this Section 9.2, together with any amounts payable pursuant to the last three sentences of Section 7.10(d) and Section 9.2(c), and acceptance of the Reverse Termination Fee and such amounts by the Company, no Parent Related Parties shall have any further liability or obligation to the Company Related Parties relating to or arising out of this Agreement or the transactions contemplated hereby; provided, however, that, notwithstanding the foregoing or any other provision of this Agreement to the contrary, irrespective of whether the Reverse Termination Fee has been paid, the Company shall be entitled to pursue, and Parent and Merger Sub shall be responsible for any and all money damages (or, to the extent the Reverse Termination Fee is received by the Company, the excess, if any, of such money damages over such Reverse Termination Fee) arising out of, resulting from or relating to Parent's or Merger Sub's Intentional Breach of this Agreement, including Section 7.3 and, in any determination of such damages, the court shall be permitted to award the Company and its stockholders, if proven, their respective Benefit of the Bargain Damages.

(c) Each of the Company, Parent and Merger Sub acknowledges that (i) the agreements contained in this Section 9.2 are an integral part of the transactions contemplated by this Agreement, (ii) the Reverse Termination Fee is not a penalty, but is liquidated damages, in a reasonable amount that will compensate the Company and its Affiliates in the circumstances in which such fee is paid, other than in the case of an Intentional Breach as contemplated in Section 9.2(b) and subject to and without limitation of Section 10.12, for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the transactions contemplated hereby, which amount would otherwise be impossible to calculate with precision and (iii) without these agreements, the parties would not enter into this Agreement; accordingly, if Parent fails to timely pay the Reverse Termination Fee when due pursuant to this Section 9.2, (1) Parent shall pay to the Company interest on such amount at the prime rate as published in the *Wall Street Journal* in effect on the date such payment was required to be made through the date such payment was actually received and (2) in order to obtain such payment, the Company commences a Proceeding with results in a judgment of all or a portion of the Reverse Termination Fee, Parent shall pay the Company's costs and expenses (including attorney's fees and expenses of enforcement) in connection with such Proceeding.

Section 9.3 Obligations upon Termination. In the event that this Agreement shall be terminated pursuant to Section 9.1, this Agreement shall become null and void and have no further force and effect and all obligations of the parties hereto under this Agreement shall terminate and there shall be no liability of any party hereto to any other party except (a) as set forth in Section 7.5, the last three sentences of Section 7.10(d), the first sentence of Section 7.18, Section 9.2, Article X and this Section 9.3, (b) that nothing herein will relieve or release any party from liability arising from any material breach by such party of this Agreement prior to such termination and (c) for the avoidance of doubt, the Confidentiality Agreement shall survive the termination of this Agreement for a period of two (2) years following the date of such termination (and, notwithstanding anything contained in this Agreement or the Confidentiality Agreement to the contrary, the parties acknowledge and agree that upon such termination the Confidentiality Agreement shall be automatically amended without any further action by the parties thereto to extend the term of the Confidentiality Agreement for such two (2) year period (other than Paragraphs 6 and 8 of the NDA, the terms of which shall not be extended but shall survive such termination and remain in effect, if still in effect at such termination, in accordance with their respective terms as they exist as of the date hereof).

ARTICLE X

GENERAL

Section 10.1 Amendment. This Agreement may not be amended, altered or modified except by written instrument executed by the parties hereto. Notwithstanding the foregoing, Sections 10.6, 10.9(c), 10.11, 10.13 and this Section 10.1 to the extent such sections are applicable to the Financing Sources may not be modified, waived or terminated in a manner that is adverse to such Financing Source without the prior written consent of such Financing Source.

Section 10.2 Entire Agreement. This Agreement, including the Disclosure Letters, Exhibits and Appendices which form a part hereof, the Stockholders Agreement and the Confidentiality Agreement constitute the entire understanding of the parties hereto with respect to the transactions contemplated hereby and the subject matter contained herein, and supersede all prior and contemporaneous agreements and understandings, written and oral, among the parties with respect to the subject matter hereof.

Section 10.3 Interpretation. When reference is made in this Agreement to any Article, Section, Exhibit or Schedule, such reference is to an Article or Section of, or an Exhibit or Schedule to, this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words include, includes or including are used in this Agreement, they shall be deemed to be followed by the words without limitation. The phrases the date of this Agreement, the date hereof and terms of similar import shall be deemed to refer to the date set forth in the first paragraph of this Agreement. The words hereof, herein, hereby and other words of similar import refer to this Agreement as a whole unless otherwise indicated. Whenever the singular is used herein, the same shall include the plural, and whenever the plural is used herein, the same shall include the singular, where appropriate. The definitions given for terms in Section 1.1 and elsewhere in this Agreement shall apply equally to both the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. Except as otherwise expressly provided herein, all references to Dollars or \$ shall be deemed references to the lawful money of the United States of America. All references herein to a party or the parties shall be to a party or the parties hereto unless the context shall otherwise require. References to any statute, rule or regulation are to the statute, rule or regulation as amended, modified, supplemented or replaced from time to time (and, in the case of statutes, include any rules and regulations promulgated under said statutes) and to any section of any statute, rule or regulation including any successor to said section; provided, that for purposes of any representations and warranties contained in this Agreement that are made as of a specific date or dates, references to any statute, rule or regulation shall be deemed to refer to such statute, rule or regulation, as amended (and, in the case of statutes, any rules and regulations promulgated under said statutes), in each case, as of such date. When used in reference to the Company or any of its Subsidiaries in Section 7.1, Section 7.6 and Article V, the term material shall be measured against the Company and its Subsidiaries, taken as a whole, and when used in reference to Parent or any of its Subsidiaries in Section 7.2 and Article VI, the term material shall be measured against Parent and its Subsidiaries, taken as a whole. Any Contract that is referred to herein means such Contract as from time to time amended, modified or supplemented, including by waiver of consent. Any Contract referred to herein shall include reference to all exhibits, schedules and other documents or Contracts attached thereto. Neither the specification of any dollar amount in any representation or warranty contained in this Agreement nor the inclusion of any specific item in any Disclosure Letter is intended to imply that such amount, or higher or lower amounts, or the item so included or other items, are or are not material, and no party shall use the fact of setting forth of any such amount or the inclusion of any such item in any dispute or controversy between the parties as to whether any obligation, item or matter not described herein or included in any Disclosure Letter is or is not material for purposes of this Agreement. Neither the specification of any item or matter in any representation, warranty or covenant contained in this Agreement

nor the inclusion of any specific item in any Disclosure Letter hereto is intended to imply that such item or matter, or other items or matters, are or are not in the Ordinary Course of Business, and no party shall use the fact of the setting forth or the inclusion of any specific item or matter in any dispute or controversy between the parties as to whether any obligation, item or matter not described herein or included in any Disclosure Letter is or is not in the Ordinary Course of Business for purposes of this Agreement.

Section 10.4 Severability. Any term or provision of this Agreement that is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. Upon such determination that any term or other provision is invalid or unenforceable, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner to the end that the Merger and the other transactions contemplated by this Agreement are fulfilled to the extent possible.

Section 10.6 Binding Effect; Persons Benefiting; No Assignment. This Agreement shall inure to the benefit of and be binding upon the parties hereto and the respective successors and permitted assigns of the parties and such Persons. Except (a) that the D&O Indemnified Persons and their respective heirs, executors, administrators and personal representatives shall be express third-party beneficiaries of Section 7.7 and entitled to enforce such section directly, (b) for the right of the stockholders of the Company and the holders of Company Options and Company Stock-Based Awards to receive payment in accordance with Article IV and, subject to Section 9.2, for the right of the Company, on behalf of the stockholders of the Company and the holders of Company Options and Company Stock-Based Awards, to pursue damages in the event of Parent's or Merger Sub's breach of this Agreement (which right is hereby acknowledged and agreed by Parent and Merger Sub and, notwithstanding anything in this Agreement to contrary, in the event of a breach of this Agreement by Parent or Merger Sub, such damages are agreed and acknowledged by Parent and Merger Sub to include, if proven, in addition to any and all damages to the Company and its Subsidiaries, in the circumstance where this Agreement has been terminated, the benefit of the bargain lost by the holders of Company Common Stock, Company Options or Company Stock-Based Awards, including the loss of expected premium offered to such holders and taking into consideration all relevant matters, including other combination opportunities and the time value of money (collectively, the Benefit of the Bargain Damages)), (c) that Cleary Gottlieb Steen & Hamilton LLP (Cleary Gottlieb) shall be an express third-party beneficiary of Section 10.14 and entitled to enforce such section directly, (d) that the Released Persons shall be express third-party beneficiaries of Section 10.15 and entitled to enforce such section directly and (e) that the Company Related Parties and Parent Related Parties shall be express third-party beneficiaries of Section 10.16 and entitled to enforce such section directly, nothing in this Agreement, express or implied, is intended to confer upon any Person not a party to this Agreement any rights or remedies of any nature whatsoever under or by reason of this Agreement. This Agreement may not be assigned by any party hereto without the prior written consent of each of the other parties; provided, that after the Effective Time, Parent may assign its rights hereunder to an Affiliate thereof so long as Parent remains liable for performance under this Agreement. Notwithstanding any of the foregoing provisions of this Section 10.6 to the contrary, each Financing Source in connection with the Debt Financing is an express third party beneficiary of Sections 10.1, 10.9(c), 10.11, 10.13 and this Section 10.6 to the extent such sections are applicable to such Financing Source and may enforce such sections directly.

Section 10.7 Counterparts. This Agreement may be executed in one or more counterparts (delivery of which may occur via facsimile or e-mail), each of which shall be binding as of the date first written above, and, when delivered, all of which shall constitute one and the same instrument. A facsimile signature or electronically scanned copy of a signature shall constitute and shall be deemed to be sufficient evidence of a party's execution of this Agreement, without necessity of further proof. Each such copy shall be deemed an original, and it shall not be necessary in making proof of this Agreement to produce or account for more than one such counterpart.

Section 10.8 No Prejudice: Survival. The parties hereto acknowledge that the terms and language of this Agreement were the result of negotiations among the parties and, as a result, there shall be no presumption that any ambiguities in this Agreement shall be resolved against any particular party. Any controversy over construction of this Agreement shall be decided without regard to events of authorship. None of the representations, warranties, covenants, obligations or other agreements in this Agreement shall survive the Effective Time; provided, however, that the portion of this sentence preceding this proviso shall not limit any covenant, obligation or agreement of any party which by its express terms contemplates performance after the Effective Time.

Section 10.9 Governing Law; Consent to Jurisdiction.

(a) This Agreement and all matters arising out of or relating hereto, including its validity, construction and interpretation, shall be governed by the laws of the State of Delaware, without regard to the laws as to choice or conflict of laws.

(b) Each party to this Agreement, by its execution hereof, (i) hereby, except as provided in Section 10.9(c) below, irrevocably submits to the exclusive jurisdiction and venue of the Court of Chancery in the State of Delaware (or if such court finds it lacks subject matter jurisdiction, the federal or other state courts) located in Wilmington, Delaware, and any appellate court therefrom, for the purpose of any action, claim, cause of action or suit (in contract, tort or otherwise), inquiry, proceeding or investigation arising out of or related to this Agreement or the agreements delivered in connection herewith or the transactions contemplated hereby or thereby or for recognition or enforcement of any judgment relating thereto, (ii) to the extent not prohibited by Applicable Law, hereby waives and agrees not to assert by way of motion, as a defense or otherwise, in any such action, claim, cause of action or suit (in contract, tort or otherwise), inquiry, proceeding or investigation that it is not subject to the personal jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution by reason of a lack of personal jurisdiction, that any such proceeding brought in one of the above-named courts is improper by reason of a lack of personal jurisdiction or venue, or that this Agreement or the subject matter hereof may not be enforced in or by such court by reason of a lack of personal jurisdiction or improper venue, and (iii) hereby agrees not to commence any action, claim, cause of action or suit (in contract, tort or otherwise), inquiry, proceeding or investigation arising out of or related to this Agreement or the agreements delivered in connection herewith or the transactions contemplated hereby or thereby other than before one of

the above-named courts, nor to make any motion or take any other action seeking or intending to cause the transfer or removal of any such action, claim, cause of action or suit (in contract, tort or otherwise), inquiry, proceeding or investigation to any court other than one of the above-named courts. Each party hereby consents to and accepts service of process in any such proceeding in any manner permitted by Delaware law or if served by registered mail addressed to it at its address provided in Section 10.5. Each party agrees that a final judgment in any such action, claim, cause of action or suit (in contract, tort or otherwise), inquiry, proceeding or investigation shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Applicable Law.

(c) Notwithstanding anything herein to the contrary, each party acknowledges and irrevocably agrees (i) that any action, claim, cause of action or suit (in contract or in tort or otherwise), inquiry, proceeding or investigation brought against any Financing Source arising out of, or relating to, the transactions contemplated hereby, any Financing or the performance of services thereunder shall be subject to the exclusive jurisdiction of the Supreme Court of the State of New York, County of New York, Borough of Manhattan, or if under Applicable Law exclusive jurisdiction is vested in the federal courts, the United States District Court for the Southern District of New York (and the appellate courts thereof) and each party submits for itself and its property with respect to any such legal action to the exclusive jurisdiction of such court, (ii) not to bring or support anyone else in bringing any action, claim, cause of action or suit (in contract or in tort or otherwise), inquiry, proceeding or investigation against any Financing Source arising out of, or relating to, the transactions contemplated hereby, any Financing or the performance of services thereunder in any other court, (iii) that service of process, summons, notice or document by registered mail addressed to them at their respective addresses provided in Section 10.5 shall be effective service of process against it for any such action, claim, cause of action or suit (in contract or in tort or otherwise), inquiry, proceeding or investigation brought in any such court, (iv) to waive and hereby waives, to the fullest extent permitted by Applicable Law, any objection which it may now or hereafter have to the laying of venue of, and the defense of an inconvenient forum to the maintenance of, any such action, claim, cause of action or suit (in contract or in tort or otherwise), inquiry, proceeding or investigation in any such court, (V) TO WAIVE AND HEREBY WAIVES ANY RIGHT TO TRIAL BY JURY IN RESPECT OF ANY SUCH ACTION, CLAIM, CAUSE OF ACTION OR SUIT (IN CONTRACT OR IN TORT OR OTHERWISE), INQUIRY, PROCEEDING OR INVESTIGATION and (vi) that a final judgment in any such action, claim, cause of action or suit (in contract or in tort or otherwise), inquiry, proceeding or investigation shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Applicable Law. Nothing in this Agreement shall affect or eliminate any right to serve process in any other manner permitted by Applicable Laws.

Section 10.10 Waiver. At any time prior to the Effective Time, Parent, on the one hand, and the Company, on the other, may (a) extend the time for the performance of any of the obligations or other acts of the Company in the case of Parent, or of Parent or Merger Sub, in the case of the Company, (b) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto of the Company in the case of Parent, or of Parent or Merger Sub, in the case of the Company, and (c) waive compliance with any of the agreements or conditions contained herein of the Company, in the case of Parent, or of Parent or Merger Sub, in the case of the Company. Any agreement on the part of a party hereto

to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of such party. No failure or delay by any party in exercising any right, power or privilege hereunder shall act as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder.

Section 10.11 WAIVER OF JURY TRIAL. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW WHICH CANNOT BE WAIVED, EACH OF THE PARTIES HERETO HEREBY WAIVES, AND COVENANTS THAT IT WILL NOT ASSERT (WHETHER AS PLAINTIFF, DEFENDANT OR OTHERWISE), ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, CLAIM, CAUSE OF ACTION, SUIT OR PROCEEDING (IN CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR BASED UPON THIS AGREEMENT, ANY DEBT FINANCING (OR AGAINST ANY FINANCING SOURCE) OR THE SUBJECT MATTER HEREOF OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE TRANSACTIONS CONTEMPLATED HEREBY. THE PARTIES ACKNOWLEDGE THAT THIS SECTION 10.11 CONSTITUTES A MATERIAL INDUCEMENT UPON WHICH THEY ARE RELYING AND WILL RELY IN ENTERING INTO THIS AGREEMENT, AND ANY OTHER AGREEMENTS RELATING HERETO OR CONTEMPLATED HEREBY. ANY PARTY HERETO MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 10.11 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF EACH SUCH PARTY TO THE WAIVER OF ITS RIGHT TO TRIAL BY JURY. EACH PARTY CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF ANY ACTION, CLAIM, CAUSE OF ACTION, SUIT OR PROCEEDING, SEEK TO ENFORCE ANY OF THE WAIVERS CONTAINED IN THIS SECTION 10.11, (B) IT UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF SUCH WAIVERS, AND (C) IT MAKES SUCH WAIVERS VOLUNTARILY.

Section 10.12 Enforcement of Agreement. The parties' rights in this Section 10.12 are an integral part of the transactions contemplated by this Agreement and each party hereby waives any objections to any remedy referred to in this Section 10.12. For the avoidance of doubt, the parties agree that irreparable damage would occur in the event that any provision of this Agreement was not performed in accordance with its specific terms or was otherwise breached or the Merger was not consummated, and that money damages would not be an adequate remedy, even if available. It is accordingly agreed that, notwithstanding anything in this Agreement to the contrary (but subject to and without limitation of the last sentence of this Section 10.12), the parties shall be entitled to an injunction or injunctions to prevent or remedy breaches or threatened breaches of this Agreement and to enforce specifically the terms and provisions hereof (including the parties' obligations to consummate the Merger, and Parent's obligation to pay, and the right to receive the Merger Consideration by the stockholders of the Company and the holders of Company Stock-Based Awards and the Per Option Consideration by the holders of Company Options, as applicable) and to any further equitable relief, this being in addition to any other remedy to which they are entitled at law or in equity. In the event any party seeks any remedy referred to in this Section 10.12, such party shall not be required to prove damages or obtain, furnish, post or provide any bond or other security in connection with or as a condition to obtaining any such remedy. For the avoidance of doubt, it is hereby acknowledged

and agreed that (a) the Company shall be entitled to seek specific performance or other equitable remedies to cause Parent or Merger Sub to enforce, including against anticipatory breach, the obligation of the Financing Sources to fund the Debt Financing under the Commitment Letter and (b) in the event that any Financing Source initiates any litigation against Parent or Merger Sub with respect to the Debt Financing, or advises Parent or Merger Sub that it intends not to proceed with the Debt Financing in violation of the terms of the Commitment Letter, the Company shall be entitled to specific performance or other equitable remedies to require Parent or Merger Sub to take enforcement action, including seeking specific performance, to cause the Financing Sources to provide such Debt Financing. While the Company may pursue both a grant of specific performance pursuant to this Section 10.12 and payment of the Reverse Termination Fee pursuant to Section 9.2(a), together with any amounts payable pursuant to the last three sentences of Section 7.10(d) and Section 9.2(c), following termination of this Agreement in accordance with Section 9.1, only in the event the Company accepts payment of the Reverse Termination Fee, together with any amounts payable pursuant to the last three sentences of Section 7.10(d) and Section 9.2(c), following the termination of this Agreement in accordance with Section 9.1 and payment of the Reverse Termination Fee by Parent in accordance with Section 9.2(a), together with any amounts payable pursuant to the last three sentences of Section 7.10(d) and Section 9.2(c), shall the Company not be entitled to specifically enforce the terms and provisions of this Agreement pursuant to this Section 10.12.

Section 10.13 Financing Sources. The Company and its Affiliates hereby agree that (a) in no event shall the Financing Sources have any liability or obligation to the Company, any of its Subsidiaries or any of its Affiliates relating to or arising out of this Agreement, the Debt Financing, any commitment letters or engagement letters relating thereto or the transactions contemplated hereby or thereby, (b) in no event shall the Company or any of its Affiliates or stockholders seek or obtain any other damages of any kind against any Financing Source (including consequential, special, indirect or punitive damages) and (c) in no event shall the Company or any Company Related Party have any liability or obligation to any of the Financing Sources, in the case of each of the foregoing sub-clauses (a), (b) and (c), relating to or arising out of this Agreement, the Debt Financing, any commitment letters or engagement letters relating thereto or the transactions contemplated hereby or thereby. The provisions of this Section 10.13 shall inure to the benefit of, and be enforceable by, each Financing Source, its Affiliates and their respective successors and permitted assigns, each of which is hereby intended to be an express third party beneficiary of this Section 10.13. Notwithstanding the foregoing provisions of this Section 10.13, following the consummation of the Merger, such provisions will not limit the rights of the parties to the Financing under the Definitive Financing Agreements.

Section 10.14 Waiver of Conflicts. Recognizing that Cleary Gottlieb has acted as legal counsel to the Company, its Subsidiaries, certain of the direct and indirect holders of shares of Company Common Stock and their Affiliates prior to date hereof, and that Cleary Gottlieb intends to act as legal counsel to certain of the direct and indirect holders of shares of Company Common Stock and their Affiliates (which will no longer include the Company and its Subsidiaries) after the Closing, each of Parent, Merger Sub and the Company hereby waives, on its own behalf and agrees to cause its Affiliates, the Surviving Corporation and its Subsidiaries to waive, any conflicts that may arise in connection with Cleary Gottlieb representing any direct or indirect holders of the Company Common Stock or their Affiliates after the Closing as such representation may relate to Parent, Merger Sub, the Company, the Surviving Corporation and its

Subsidiaries or the transactions contemplated hereby. In addition, all communications involving attorney-client confidences between direct and indirect holders of Company Common Stock, the Company and its Subsidiaries and their respective Affiliates, on the one hand, and Cleary Gottlieb, on the other hand, relating to the negotiation, documentation and consummation of the transactions contemplated hereby shall be deemed to be attorney-client confidences that belong solely to the direct and indirect holders of Company Common Stock and their respective Affiliates (and not the Company, the Surviving Corporation or their respective Subsidiaries). Accordingly, the Surviving Corporation and its Subsidiaries shall not have access to any such communications or to the files of Cleary Gottlieb relating to such engagement from and after the Effective Time. Without limiting the generality of the foregoing, from and after the Effective Time, (a) the direct and indirect holders of Company Common Stock and their respective Affiliates (and not the Surviving Corporation and its Subsidiaries) shall be the sole holders of the attorney-client privilege with respect to such engagement, and none of the Surviving Corporation or its Subsidiaries shall be a holder thereof, (b) to the extent that files of Cleary Gottlieb in respect of such engagement constitute property of the client, only the direct and indirect holders of Company Common Stock and their respective Affiliates (and not the Surviving Corporation and its Subsidiaries) shall hold such property rights and (c) Cleary Gottlieb shall have no duty whatsoever to reveal or disclose any such attorney-client communications or files to the Surviving Corporation or any of its Subsidiaries by reason of any attorney-client relationship between Cleary Gottlieb and the Company or any of its Subsidiaries or otherwise.

Section 10.15 Release. As of the Closing, Parent, on its own behalf and on behalf of its Affiliates, the Company and its Affiliates (each, a Releasing Person), hereby releases and forever discharges each of the holders of shares of Company Common Stock and their respective Affiliates, successors and assigns, and each other Company Related Party (in each case, solely in their capacities as such) to the extent such holder of shares of Company Common Stock duly executes and delivers to Parent prior to the Closing a Letter of Transmittal containing a release of Parent and its Affiliates, including the Surviving Corporation and its Subsidiaries, successors and assigns and each other Parent Related Party (provided that the parties acknowledge and agree that such release shall not contain a release of any rights or obligations to the extent arising under any provision of this Agreement that survives the Closing in accordance with the last sentence of Section 10.8, the Stockholders Agreement and any other Contract entered into by Parent, on the one hand, and the Company, the Principal Stockholder or any of their respective Affiliates, on the other hand, in connection with the Merger, including the Confidentiality Agreement, or any liability for fraud) (each, a Released Person) from all debts, demands, causes of action, suits, covenants, torts, damages and any and all claims, defenses, offsets, judgments, demands and liabilities whatsoever, of every name and nature, both at law and in equity, known or unknown, accrued or unaccrued, which have been or could have been asserted against any Released Person, which any Releasing Person has or ever had, which arises out of or in any way relates to events, circumstances or actions occurring, existing or taken prior to or as of the Closing Date in respect of matters relating to the Company and its Subsidiaries (each, a Released Claim); provided, that the parties acknowledge and agree that this Section 10.15 does not apply to and shall not constitute a release of any rights or obligations to the extent arising under any provision of this Agreement that survives the Closing in accordance with the last sentence of Section 10.8, the Stockholders Agreement and any other Contract entered into by Parent, on the one hand, and the Company, the Principal Stockholder or any of their respective Affiliates, on the other hand, in connection with the Merger, including the Confidentiality Agreement, or any liability for fraud.

Section 10.16 Non-Recourse. Notwithstanding anything in this Agreement to the contrary, the obligations and liabilities of the Company under this Agreement and all other obligations, liabilities, claims, losses, damages, or Proceedings (whether in law or in equity and whether based on contract, in tort or otherwise) of or against the Company that may be based on, arise out of or relate to this Agreement (including any breach or alleged breach hereof), the negotiation, execution or performance hereof or the transactions contemplated hereby or in respect of any other document or theory of law or equity or in respect of any oral or written representations made or alleged to be made in connection herewith or therewith, whether at law or equity, in contract, in tort or otherwise, may only be made against the Company in its capacity as a party to this Agreement and will be without recourse of any kind to any former, current or future direct or indirect stockholders, equity holders, controlling persons, portfolio companies, management companies, directors, officers, employees, general or limited partners, members, managers, trustees, attorneys, agents, Representatives or Affiliates of the Company or any heir, executor, administrator, successor or assign of any of the foregoing, or any former, current or future direct or indirect stockholder, equity holder, controlling person, portfolio company, management company, director, officer, employee, general or limited partner, member, manager, trustee, attorney, agent, Representative or Affiliate of any of the foregoing or any heir, executor, administrator, successor or assign of any of the foregoing (other than, in each case, the Company and its Subsidiaries) (each of the foregoing, a Company Related Party). Notwithstanding anything in this Agreement to the contrary, the obligations and liabilities of Parent under this Agreement and all other obligations, liabilities, claims, losses, damages, or Proceedings (whether in law or in equity and whether based on contract, in tort or otherwise) of or against Parent that may be based on, arise out of or relate to this Agreement (including any breach or alleged breach hereof), the negotiation, execution or performance hereof or the transactions contemplated hereby or in respect of any other document or theory of law or equity or in respect of any oral or written representations made or alleged to be made in connection herewith or therewith, whether at law or equity, in contract, in tort or otherwise, may only be made against Parent and will be without recourse of any kind to any former, current or future direct or indirect stockholders, equity holders, controlling persons, management companies, directors, officers, employees, general or limited partners, members, managers, trustees, attorneys, agents, Representatives or Affiliates of Parent or any heir, executor, administrator, successor or assign of any of the foregoing, or any former, current or future direct or indirect stockholder, equity holder, controlling person, management company, director, officer, employee, general or limited partner, member, manager, trustee, attorney, agent, Representative or Affiliate of any of the foregoing or any heir, executor, administrator, successor or assign of any of the foregoing (other than, in each case, Parent and its Subsidiaries) (each of the foregoing, a Parent Related Party).

Zimmer Holdings, Inc. to Combine with Biomet, Inc.

in Transaction Valued at \$13.35 Billion

Creates Leading Musculoskeletal Innovator to Shape Solutions for Evolving Healthcare Industry

Double-Digit Accretion to Zimmer's Adjusted Diluted Earnings Per Share in First Year

Zimmer to Host Conference Call at 8:00 AM ET Today

(**WARSAW, IN**) April 24, 2014 Zimmer Holdings, Inc. (NYSE and SIX: ZMH) (Zimmer or the Company) and Biomet, Inc.'s parent company (Biomet) today announced that their respective Boards of Directors have approved a definitive agreement under which Zimmer will acquire Biomet in a cash and stock transaction valued at approximately \$13.35 billion, including the assumption of net debt. The transaction, which is subject to customary closing conditions and regulatory approvals, is expected to close in the first quarter of 2015.

The merger of Zimmer and Biomet will position the combined company as a leader in the \$45 billion musculoskeletal industry and is aligned with Zimmer's strategic framework, which focuses on growth, operational excellence and prudent capital allocation. The combined company is expected to deliver attractive growth by offering a

more comprehensive and scalable portfolio of solutions with enhanced cross-selling opportunities. In addition, the combined company is expected to advance innovation to benefit healthcare stakeholders, and stockholders are expected to benefit from a more diversified and predictable revenue mix consistent with the comprehensive portfolio. Upon closing, the transaction is expected to be double-digit accretive to Zimmer's adjusted diluted earnings per share in the first year. Cash flows from operations are expected to increase by 1.5 times Zimmer's stand-alone estimates.

This is a milestone combination that brings together two highly complementary organizations and is consistent with our mission to lead the industry in delivering value to healthcare providers, their patients and stockholders, said David Dvorak, Zimmer President and CEO. The transaction positions the combined company as a leader in the musculoskeletal industry with a broad portfolio of products, technologies and services, enabling us to help shape how solutions are developed and delivered. We believe that current demographic and macroeconomic trends affecting the healthcare industry will reward companies that successfully partner with other key stakeholders to improve patient care in a cost-effective manner. Together with Biomet we will expand the scope of our innovation programs and will enhance our efforts to provide integrated services and comprehensive solutions that address the needs of our customers. At the same time, we believe that this merger will further support our long-term growth and stockholder value creation strategies.

Mr. Dvorak continued, This combination is about achieving growth and cultivating best-in-class solutions. We have a great deal of respect for what the management team and employees have accomplished at Biomet, and we are confident in their ability to be a very important part of the combined organization as we bring our two world-class companies together and cement Warsaw, Indiana as the musculoskeletal innovation capital of the world. Both companies share a common set of values and a track record of success integrating acquisitions, which gives me great confidence that we will achieve a smooth transition and capitalize on the opportunity to create a new company that is comprised of the best of Zimmer and Biomet. We look forward to combining the

strengths of both teams to restore mobility, alleviate pain and improve the quality of life for patients around the world.

Jeffrey R. Binder, Biomet's President and Chief Executive Officer, said, "The combination with Zimmer will prepare us to compete as a stronger entity in the medical device industry of the future. Our combined scale will extend the reach and influence with which we pursue our common passion: delivering products and services that benefit our customers and the patients we ultimately serve. Biomet and Zimmer share a 36-year history of mutual respect. Both companies are deeply rooted in the communities in which we operate and believe that we can only be successful in business if we are successful in helping healthcare providers improve the lives of patients. We are equally committed to delivering quality products and outstanding clinical results and to legal and ethical behavior in the markets where we do business. And as companies focused almost exclusively in the musculoskeletal industry, we are passionate about orthopaedics and the related medical technology markets that we serve.

Mr. Binder continued, "Biomet and Zimmer are blessed with talented team members and independent sales people who are dedicated to their companies and to their customers. With today's announcement we are now additionally committed to blending and maximizing the best of our combined talents, capabilities, technologies and cultures to bring to life a great new company.

Strategic and Financial Benefits of the Transaction

Zimmer and Biomet believe that the merger positions the combined company for enhanced innovation opportunities, consistent with Zimmer's value creation framework. The complementary nature of the two businesses adds diversity and scale across various geographies and product categories.

A more comprehensive portfolio of solutions and commitment to innovation: Zimmer and Biomet share a commitment to delivering innovative,

cost-effective solutions to address the healthcare system's unmet needs. The combined company will offer an even broader range of personalized solutions that benefit providers, surgeons and their patients. Through its integrated business model, the combined company will be positioned to enhance the value chain for its stakeholders.

Musculoskeletal diversification and scalable platforms: Given the complementary nature of the portfolios, the combined company will offer a greater depth and breadth of musculoskeletal solutions to improve clinical outcomes and patient satisfaction levels. The combination will enhance enterprise diversification with broader franchises in the Knee, Hip, Surgical, Spine and Dental categories, as well as in the faster-growing Sports Medicine, Extremities and Trauma categories.

Global distribution channels and cross-selling opportunities: Both Zimmer and Biomet have proven teams of talented and experienced employees and sales representatives who have strong customer relationships and are committed to medical training and education. Zimmer and Biomet expect to leverage complementary sales channels in major markets to achieve cross-selling opportunities, while also strengthening their presence in emerging markets through the combination. The combined company's broader portfolio is expected to help its sales force to be more effective in all geographies, increasing its ability to help physicians and healthcare systems improve patient outcomes in a cost-effective manner.

Stronger financial profile and solid earnings accretion: The 2013 combined calendar year revenues of Zimmer and Biomet total approximately \$7.8 billion, with combined adjusted EBITDA of \$2.8 billion. The transaction is expected to be double-digit accretive to Zimmer's adjusted diluted earnings per share in the first year following the closing. Zimmer also expects to achieve net annual synergies of approximately \$270 million by the third year following the closing of the transaction, with approximately \$135 million anticipated in the first year.

Strong balance sheet and cash flow generation: The combined company is expected to generate cash flow from operations of more than 1.5 times Zimmer's stand-alone financials. In addition, Zimmer expects the strong cash flow to enhance the combined company's future financial flexibility and allow Zimmer to maintain a stable dividend of 15 to 20 percent of net income following the closing of the transaction. Finally, the combined company will be disciplined in how it uses investor capital. Zimmer is committed to repaying outstanding debt.

Headquarters and Management

The combined company will continue to be headquartered in Warsaw, Indiana, maintain regional offices around the world and is anticipated to preserve a long-term commitment to its talented team members. Upon completion of the transaction, David Dvorak will be President and Chief Executive Officer of the combined company. In conjunction with the closing of the transaction, two representatives of Biomet's principal stockholders will join the combined company's Board, which will be expanded accordingly. Zimmer and Biomet have highly recognizable and well respected names, and following the closing, the combined company will conduct business under a consolidated name that will leverage the strengths of both brands.

Financing

The transaction is valued at \$13.35 billion and consists of a combination of cash and common stock. Zimmer will pay \$10.35 billion in cash and will also issue to Biomet's equity holders an aggregate number of shares of Zimmer common stock valued at \$3.0 billion. The cash portion will be funded by existing cash on hand, as well as proceeds obtained from a newly committed \$3.0 billion senior unsecured term loan and newly issued senior notes. Zimmer has entered into a fully executed 364-day bridge facility, which it intends to reduce with the issuance of permanent financing. In addition, Zimmer expects to refinance certain of its debt as part of the transaction, including its existing \$250 million notes due 2014 and bank debt outstanding, as well as certain Biomet debt. Zimmer believes that the strong cash flow resulting from the combination

will allow it to pay down debt. The Company expects to maintain its investment grade credit ratings.
