6.00% Senior Notes due 2022

On August 5, 2014, CDW LLC (CDW) and CDW Finance Corporation (CDW Finance, and together with CDW, the Co-Issuers) completed the sale of \$600,000,000 aggregate principal amount of 6.00% senior notes due 2022 (the Notes) at an issue price of 100% of the principal amount of the Notes in an offering registered under the Securities Act of 1933, as amended (the Securities Act). The Notes mature on August 15, 2022 and bear interest at a rate of 6.00% per annum, payable semi-annually on February 15 and August 15 of each year. Interest will accrue from August 5, 2014, and the first interest payment date will be February 15, 2015.

Underwriting Agreement

On July 31, 2014, the Co-Issuers entered into an underwriting agreement (the Underwriting Agreement) among the Co-Issuers, CDW Corporation (the Company), certain other guarantors named therein (the Guarantors) and the underwriters named therein (the Underwriters) in connection with the offer and sale of the Notes. The Underwriting Agreement contains customary representations and warranties of the parties and indemnification and contribution provisions whereby the Co-Issuers, the Company and the Guarantors, on the one hand, and the Underwriters, on the other hand, have agreed to indemnify each other against certain liabilities.

The offering was made pursuant to (i) a Registration Statement on Form S-3ASR (the Registration Statement) filed with the Securities and Exchange Commission (the SEC) on July 31, 2014, which became effective upon filing (File No. 333-197744), and (ii) a related prospectus dated July 31, 2014 and filed with the SEC on August 4, 2014 pursuant to Rule 424(b)(2) under the Securities Act.

The description of the Underwriting Agreement in this Current Report on Form 8-K is a summary and is qualified in its entirety by the terms of the Underwriting Agreement. The Underwriting Agreement is attached as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference and is to be incorporated in its entirety into the Registration Statement.

Indenture

The Notes were issued pursuant to an indenture (the Indenture), dated as of August 5, 2014, among the Co-Issuers, the Company, the Guarantors and U.S. Bank National Association, as trustee (the Trustee).

The Co-Issuers may redeem the Notes, in whole or in part, at any time prior to August 15, 2017 at a redemption price equal to 100% of the principal amount of the Notes, plus accrued and unpaid interest to the redemption date, plus the applicable make-whole premium, as described in the Indenture. The Co-Issuers may redeem the Notes, in whole or in part, at any time on or after August 15, 2017 at a redemption price equal to 100% of the principal amount of the Notes, plus accrued and unpaid interest to the redemption date, plus a premium declining over time as set forth in the Indenture. In addition, at any time prior to August 15, 2017, the Co-Issuers may redeem up to 40% of the aggregate principal amount of the Notes with the proceeds of certain equity offerings, as described in the Indenture, at a redemption price equal to 106% of the principal amount of the Notes, plus accrued and unpaid interest to the redemption date. If CDW experiences certain change of control events, Note holders may require it to repurchase all or part of their Notes at 101% of the principal amount of the Notes, plus accrued and unpaid interest to the repurchase date.

The Indenture contains covenants that, among other things, (i) restrict the ability of restricted subsidiaries that are not Guarantors to incur or guarantee indebtedness or issue preferred stock; and (ii) restrict the ability of CDW and the restricted subsidiaries (including the Guarantors) to create liens on certain assets to secure debt, enter into sale and

lease-back transactions, consolidate, merge, sell or otherwise dispose of all or substantially all assets, and designate subsidiaries as unrestricted subsidiaries. The Indenture also contains certain restrictions on the business activities, assets and liabilities of CDW Finance. These covenants are subject to a number of other limitations and exceptions set forth in the Indenture.

The Indenture also provides for customary events of default, including failure to pay any principal or interest when due, failure to comply with covenants and cross-acceleration provisions. In the case of an event of default arising from specified events of bankruptcy or insolvency, all outstanding Notes will become due and payable immediately without further action or notice. If any other event of default under the Indenture occurs or is continuing, the Trustee, acting at the written direction of the holders of at least 25% in aggregate principal amount of the then-outstanding Notes, may declare all of the Notes to be due and payable immediately.

The description of the Indenture and the Notes in this Current Report on Form 8-K is a summary and is qualified in its entirety by the complete text of the Indenture and the Notes. The Indenture and a form of the Notes are attached as Exhibits 4.1 and 4.2, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.
