The Reporting Persons (as defined below) beneficially own 41,823,145 shares of Common Stock (the Subject Shares), which number includes 27,986,283 shares underlying forward purchase contracts and 8,300,000 shares underlying delayed settlement puts written by the Pershing Square Funds and exercised by the counterparty. The Subject Shares represent approximately 8.3% of the outstanding shares of Common Stock based on 501,324,843 shares of Common Stock outstanding as of November 7, 2014 as reported in the Issuer's Quarterly Report on Form 10-Q filed on November 10, 2014. The Pershing Square Funds also have economic exposure to 995,602 notional shares of Common Stock under cash-settled total return swaps, bringing their total economic exposure to 42,818,747 shares of Common Stock (representing approximately 8.5% of the outstanding shares of Common Stock on the same basis).

PS Management's principal business is to serve as the sole general partner of Pershing Square.

The principal occupation of William A. Ackman is to serve as the Chief Executive Officer of Pershing Square and the managing member of PS Management.

Item 3. Source and Amount of Funds or Other Consideration

The Pershing Square Funds purchased 5,536,862 shares of Common Stock for an aggregate consideration (including brokerage commission) of \$181,582,363. The Pershing Square Funds entered into forward purchase contracts providing for the purchase of 27,986,283 shares of Common Stock for an aggregate purchase price of \$1,059,615,643 (less rebate amounts for early settlement). In addition, the Pershing Square Funds wrote European-style delayed settlement puts referencing 22,400,000 notional shares of Common Stock for an aggregate consideration of \$9,761,000. On the expiration date of these puts, the puts that were in-the-money were exercised and as a result, the Pershing Square Funds expect to purchase 8,300,000 shares of Common Stock on a delayed settlement basis for an aggregate purchase price of \$310,963,000 (plus interest).

The Pershing Square Funds funded or will fund these amounts out of their capital and from \$9,761,000 in aggregate proceeds they received for writing the delayed settlement puts.

See Item 6 for information about the forward purchase contracts and delayed settlement puts referred to above.

Item 4. Purpose of Transaction

The Reporting Persons believe that the Issuer's Common Stock is undervalued and is an attractive investment.

The Reporting Persons intend to engage in discussions with the Issuer and Issuer's management and board of directors, other stockholders of the Issuer and other interested parties that may relate to the business, management, operations (including cost structure), assets, capitalization, financial condition, strategic plans, governance and board composition and the future of the Issuer.

The Reporting Persons may also take one or more of the actions described in subsections (a) through (j) of Item 4 of Schedule 13D and may discuss such actions with the Issuer and Issuer's management and the board of directors, other stockholders of the Issuer and other interested parties.

The Reporting Persons intend to review their investments in the Issuer on a continuing basis. Depending on various factors and subject to the obligations described herein, including, without limitation, the Issuer's financial position and strategic direction, actions taken by the board, price levels of shares of Common Stock, other investment opportunities available to the Reporting Persons, concentration of positions in the portfolios managed by the Reporting Persons, market conditions and general economic and industry conditions, the Reporting Persons may take such actions with respect to their investments in the Issuer as they deem appropriate, including, without limitation, purchasing additional shares of Common Stock or other financial instruments related to the Issuer or selling some or all of their beneficial or economic holdings, engaging in hedging or similar transactions with respect to the securities relating to the Issuer and/or otherwise changing their intention with respect to any and all matters referred to in Item 4 of Schedule 13D.

See Item 6 for information about the relationship between the Reporting Persons and Sachem Head Capital Management LP, a Delaware limited partnership (SHCM).

Item 5. Interest in Securities of the Issuer

(a), (b) Information about the number and percentage of shares of Common Stock beneficially owned by the Reporting Persons is set forth in Item 1, and that information is incorporated by herein reference.

Pershing Square, as the investment adviser to the Pershing Square Funds, may be deemed to have the shared power to vote or direct the vote of (and the shared power to dispose or direct the disposition of) the Subject Shares. As the

general partner of Pershing Square, PS Management may be deemed to have the shared power to vote or direct the vote of (and the shared power to dispose or direct the disposition of) the Subject Shares. By virtue of William A. Ackman's position as the Chief Executive Officer of Pershing Square and managing member of PS Management, William A. Ackman may be deemed to have the shared power to vote or direct the vote of (and the shared power to dispose or direct the disposition of) the Subject Shares.

See Item 6 for information about shares of Common Stock beneficially owned by SHCM. The Reporting Persons expressly disclaim beneficial ownership of, and thus the Subject Shares reported herein do not include, shares beneficially owned by SHCM.

(c) Exhibit 99.2 filed herewith, which is incorporated herein by reference, describes all of the transactions in shares of or derivatives relating to Common Stock that were effected in the past sixty days by the Reporting Persons. Those transactions were effected for the accounts of the Pershing Square Funds, as further specified in Exhibit 99.2.

(d) The Pershing Square Funds have the right to receive dividends from, and the proceeds from the sale of, the Subject Shares.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

On October 1, 2014, Pershing Square (on behalf of the Pershing Square Funds) and SHCM entered into a letter agreement pursuant to which the Pershing Square Funds agreed to pay SHCM an incentive fee with respect to their stake in the Issuer and SHCM agreed that for a period of time neither it nor its affiliates will trade with respect to any investment in the Issuer (other than ordinary course rebalancing transactions among SHCM affiliates). The foregoing summary of the letter agreement is qualified in its entirety by reference to the actual language of that agreement, a copy of which is filed herewith as Exhibit 99.3 and is incorporated herein by reference.

Until the Reporting Persons or SHCM notify the other that they no longer wish to do so, the Reporting Persons and SHCM intend to consult with each other on strategic matters relating to the Issuer and their respective investments in the Common Stock.

SHCM is filing a separate Schedule 13D reporting beneficial ownership of shares of Common Stock (SHCM Shares). As a result of the letter agreement referred to above and the relationship the Reporting Persons have with SHCM, the Reporting Persons may be deemed to have beneficial ownership (within the meaning of Section 13(d) of the Securities Exchange Act of 1934) of the SHCM Shares, but the Reporting Persons expressly disclaim beneficial ownership of those shares. The Reporting Persons are responsible for the completeness and accuracy of the information concerning the Reporting Persons contained herein, but are not responsible for the completeness and accuracy of the information concerning SHCM contained herein or in SHCM's Schedule 13D relating to the SHCM Shares.

The Pershing Square Funds entered into forward purchase contracts with Nomura International PLC (Nomura) providing for the purchase of an aggregate of 27,986,283 shares of Common Stock for an aggregate purchase price of \$1,059,615,643 (less rebate amounts for early settlement). In addition, the Pershing Square Funds wrote European-style delayed settlement puts to Nomura referencing 22,400,000 notional shares of Common Stock for an aggregate consideration of \$9,761,000. On the expiration date of these puts, the puts that were in-the-money to Nomura were exercised and as a result, the Pershing Square Funds expect to purchase 8,300,000 shares of Common Stock on a delayed settlement basis for an aggregate purchase price of \$310,963,000 (plus interest). The forward purchase contracts are scheduled to settle on dates ranging from August 10, 2015 through November 17, 2015 and the delayed settlement puts are scheduled to settle on April 28, 2015; each may be settled early and each may be settled in cash or through physical delivery of shares (though Pershing Square currently expects all will be settled through physical delivery of shares).

The Pershing Square Funds entered into cash-settled total return swap agreements with UBS AG (UBS). The swaps constitute economic exposure to 995,602 notional shares of Common Stock with a reference price and expiration date set forth on Exhibit 99.2. The swaps do not give the Reporting Persons direct or indirect voting, investment or

dispositive control over any securities of the Issuer and do not require the counterparty thereto to acquire, hold, vote or dispose of any securities of the Issuer. Accordingly, the Reporting Persons disclaim any beneficial ownership of any shares of Common Stock that may be referenced in the swap contracts or shares of Common Stock or other securities or financial instruments that may be held from time to time by UBS.

The foregoing summary of the forward purchase contracts, delayed settlement puts and swaps referred to above is qualified in its entirety by reference to the actual language of the relevant confirmations, forms of which are filed herewith as Exhibits 99.4, 99.5, and 99.6 and are incorporated by reference herein.

Except as described herein, the Reporting Persons have no contracts, arrangements, understandings or relationships (legal or otherwise) with any person respect to any securities of the Issuer.
