This Schedule TO relates to the tender offer by BioMarin Falcons B.V. and BioMarin Giants B.V. (together, Purchaser), each a private company with limited liability (*besloten vennootschap met beperkte aansprakelijkheid*) organized under the laws of the Netherlands and a wholly-owned direct or indirect subsidiary of BioMarin Pharmaceutical Inc., a Delaware corporation (Parent), for all of the outstanding ordinary shares, nominal value 0.01 per share (Shares), of Prosensa Holding N.V., a public limited liability company (*naamloze vennootschap*) organized under the laws of the Netherlands (Prosensa), at a purchase price of \$17.75 per Share, net to the seller in cash (the Cash Consideration), plus one non-transferrable contingent value right (CVR) per Share, which represents the contractual right to receive cash payments of up to \$4.14 per Share in the aggregate upon the achievement of certain product approval milestones (the Cash Consideration, together with one CVR, the Offer Price), in each case, without interest thereon and less any applicable withholding taxes, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated December 12, 2014 (the Offer to Purchase), a copy of which is attached as Exhibit (a)(1)(A), and in the related Letter of Transmittal, a copy of which is attached as Exhibit (a)(1)(B) (the Letter of Transmittal, together with the Offer to Purchase, as each may be amended or supplemented from time to time, constitutes the Offer).

All the information set forth in the Offer to Purchase is incorporated by reference herein in response to Items 1 through 9 and Item 11 of this Schedule TO, and is supplemented by the information specifically provided in this Amendment.

### **Items 1 through 9 and Item 11**

The Offer to Purchase and Items 1 through 9 and Item 11 of this Schedule TO, to the extent such Items incorporate by reference the information contained in the Offer to Purchase, are hereby amended and supplemented as set forth below.

(1) The sentence beginning with The Asset Sale and the subsequent dissolution and liquidation of Prosensa will result in [ ] on each of pages iv, x, 2, and 47 of the Offer to Purchase is hereby amended and restated on such pages as follows:

The Asset Sale and the subsequent dissolution and liquidation of Prosensa will result in all holders of Shares that were not tendered in the Offer or during the Subsequent Offering Period receiving, for each Share then held, cash and CVRs (which will be the same CVRs in respect of Shares which are to be received by any Prosensa shareholder whose Shares are tendered and accepted in the Offer) in an amount equal to the Offer Price, in each case, without interest and less any applicable Dutch dividend withholding tax (*dividendbelasting*) or any other applicable withholding taxes.

(2) The Summary Term Sheet and Section 9 of the Offer to Purchase are hereby amended and supplemented by inserting the following paragraph after the last bullet under each of Summary Term Sheet Is your financial condition relevant to my decision to tender my Shares in the Offer? and Section 9 Source and Amount of Funds of the Offer to Purchase:

While, for the reasons stated above, Parent and Purchaser do not believe our financial condition is relevant to a decision by a holder of Shares whether to tender Shares and accept the Offer, holders of Shares should consider the following in connection with their decision to tender Shares and accept the Offer: (1) Parent and BioMarin Falcons financial condition could deteriorate such that they would not have the necessary cash or cash equivalents to make the required payments under the CVR Agreement; (2) holders of the CVRs would have no greater rights against BioMarin Falcons or Parent pursuant to its guarantee of BioMarin Falcons obligations under the CVR Agreement, as applicable, than those of general unsecured creditors of BioMarin Falcons or Parent pursuant to its guarantee of BioMarin Falcons obligations under the CVR Agreement, as applicable, under applicable law, including in the event of any bankruptcy of BioMarin Falcons or Parent; (3) the CVRs would be structurally subordinated in right of payment to all of BioMarin Falcons and Parent's, if payment is requested pursuant to its guarantee of BioMarin Falcons obligations under the CVR Agreement, as applicable, secured obligations to the extent of the collateral securing such obligations; and (4) the CVRs would be structurally subordinated in right of payment to all existing and future indebtedness, claims of holders of capital stock and other liabilities, including trade payables, of BioMarin Falcons subsidiaries and Parent's subsidiaries other than BioMarin Falcons, if applicable pursuant to Parent's guarantee of BioMarin Falcons obligations under the CVR Agreement, as applicable.

(3) Section 12 Purpose of the Offer; Plans for Prosensa Other Post-Closing Reorganization Measures. of the Offer to Purchase is hereby amended and supplemented by replacing the second sentence in the last paragraph of such section with the following sentence:

This will depend on, among other things, the percentage of Shares tendered in the Offer (which, in the case of a Statutory Buy-Out Proceeding, requires Purchaser to acquire 95% or more of the Shares) and the means available in the Netherlands to achieve the objective of enabling Purchaser (and/or its affiliates) to acquire all of the issued and outstanding Shares, taking into account options available under the applicable provisions of Dutch law.

(4) Section 15 Certain Conditions of the Offer is hereby amended and supplemented by replacing the last paragraph in such section with the following paragraphs:

Subject to the applicable rules and regulations of the SEC, Purchaser expressly reserves the right to waive, in whole or in part, any condition to the Offer or modify the terms of the Offer; provided, however, that, without Prosensa's consent, Purchaser cannot (1) change the form of consideration payable in the Offer, (2) decrease the Offer Price, (3) waive or change the Minimum Condition, (4) extend the Expiration Date other than in accordance with the terms of the Purchase Agreement, (5) decrease the number of Shares sought in the Offer, (6) impose additional conditions to the Offer, or (7) amend, modify or supplement any other term of the Offer in a manner adverse to the holders of Shares.

The foregoing conditions are for the sole benefit of Parent and Purchaser and may be asserted by Parent or Purchaser regardless of the circumstances giving rise to any such condition or may be waived by Parent or Purchaser in its sole discretion, in each case subject to the terms of the Purchase Agreement and applicable rules and regulations of the SEC. In addition, each of the foregoing conditions is independent of any of the other foregoing conditions; the exclusion of any event from a particular condition does not mean that such event may not be included in another condition.
