Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

(e) In connection with a review of various retirement benefit plans and to enhance certain retention aspects of the plans with respect to key management, effective January 30, 2015, the Board of Directors of RTI International Metals, Inc. (RTI or the Company) approved amendments to (i) the existing Letter Agreement in place with Dawne S. Hickton, Vice Chair, President and Chief Executive Officer of the Company, and (ii) the Company s Amended and Restated RTI International Metals, Inc. Supplemental Pension Program (the Supplemental Plan), each as further discussed below.

The amendment to Ms. Hickton s Letter Agreement (the Amendment) provides that if her employment is terminated prior to attaining age 62 (i) by the Company without cause (as defined), whether or not in connection with a change in control (as defined), or (ii) by Ms. Hickton for good reason (as defined) in connection with a change in control, then she will be eligible to receive a payment equal to the difference between the pension benefits she would have received under certain Company retirement plans in which Ms. Hickton participates as though she had retired at age 62, and the actual benefits received by her under such plans. The plans in which Ms. Hickton participates are the Pension Plan for Eligible Salaried Employees of RMI Titanium Company, as amended, the RTI International Metals, Inc. Excess Benefit Plan, as amended, and the RTI International Metals, Inc. Supplemental Pension Program, as amended.

Section 4.02 of the Supplemental Plan was amended to provide discretionary authority to the Company s Board of Directors and the Compensation Committee of the Board of Directors to allow a participant s benefit under the Supplemental Plan to vest upon separation of service in circumstances where the participant has not otherwise met the vesting requirements.

The foregoing descriptions are qualified in their entirety by reference to the Amendment, a copy of which is filed herewith as Exhibit 10.1, and the Amended and Restated RTI International Metals, Inc.
