Unaudited Pro Forma Financial Information

Certain unaudited pro forma financial information is attached as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference. The attached unaudited pro forma financial information updates the unaudited pro forma financial information previously included as Exhibit 99.4 to each of the Current Reports on Form 8-K filed by Blackstone Mortgage Trust, Inc. (the Company) on April 13, 2015 in order to reflect the upside of the Company's offering of its class A common stock and the actual public offering price of \$30.50 per share. The unaudited pro forma financial information has been presented for informational purposes only and does not purport to project the future financial position or operating results of the Company.

April 13, 2015 Current Reports on Form 8-K

As previously disclosed, on April 13, 2015 technical difficulties at the Securities and Exchange Commission (SEC) delayed the acceptance of certain filings with the SEC, including the Company's Current Report on Form 8-K (including Item 5.03 and Exhibit 3.1) (the Original Filing). Prior to market open on April 13, 2015, the Original Filing was submitted to the SEC and made available on the Company's public website, as reported in a press release issued concurrently by the Company, but the Original Filing was not available on the SEC's website until later that day. In the interim, the Company filed a substantially identical Current Report on Form 8-K (but excluding Item 5.03 and Exhibit 3.1, which based on information from the Company's filing service provider created the technical difficulties) that was immediately available on the SEC's website and therefore preceded the Original Filing, which was made available on the SEC's website later the same day after the technical difficulties were resolved.

Other than the information filed under Items 8.01 and 9.01 in this Current Report on Form 8-K, including Exhibits 1.1, 5.1 and 23.1, the information in this Current Report on Form 8-K, including the information furnished under Item 7.01 and in Exhibit 99.1 hereto, is being furnished pursuant to Item 7.01 of Form 8-K and shall not be deemed to be filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing made by the Company under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing. This Current Report will not be deemed an admission as to the materiality of any information in this Current Report that is required to be disclosed solely by Regulation FD.

Item 8.01 Other Events.
Underwritten Public Offering

On April 17, 2015, the Company completed an underwritten public offering of 23,000,000 shares (the Shares) of its class A common stock, par value \$0.01 per share, including 3,000,000 shares sold pursuant to the underwriters' full exercise of their 30-day option to purchase additional shares, in each case at a public offering price of \$30.50 per share pursuant to an underwriting agreement, dated April 13, 2015 (the Underwriting Agreement), among the Company, BXMT Advisors L.L.C. and Citigroup Global Markets Inc., Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC and Wells Fargo Securities, LLC, as representatives of the several underwriters named therein. The Underwriting Agreement relating to the offering is filed herewith as Exhibit 1.1.

Aggregate net proceeds to the Company, after estimated offering expenses, were approximately \$681.8 million. The Company intends to use the net proceeds from the offering to pay for a portion of the purchase price for its proposed acquisition of a portfolio of commercial mortgage loans from General Electric Capital Corporation and certain of its affiliates, and for working capital and other general corporate purposes. The Shares were sold pursuant to the Company's effective shelf registration statement on Form S-3ASR (File No. 333-190191) filed on July 26, 2013 and

the related prospectus dated July 26, 2013, as supplemented by the prospectus supplement dated April 13, 2015.
