Item 7.01. Regulation FD Disclosure.

On June 2, 2015, International Flavors & Fragrances Inc. (the Company) issued a press release regarding its previously announced 2015 Investor Day, being held today, Wednesday, June 2, 2015 in New York, New York, and providing commentary of the second quarter and full year 2015 and its long-term financial guidance for the 2016 to 2020 period. Interested parties can access a live webcast of 2015 Investor Day within the Investor Relations section of the Company's website at www.iff.com. For those unable to listen to the live webcast, a replay will be accessible on the Investor Relations section of the Company's website. The full text of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K and a copy of the 2015 Investor Day slide presentation is furnished as Exhibit 99.2 to this Current Report on Form 8-K.

The information in this Current Report on Form 8-K (including the exhibits hereto) is being furnished under Item 7.01 and shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liability of such section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934.

Non-GAAP Financial Measures

Certain of the presentations furnished with this Current Report on Form 8-K contain non-GAAP financial measures, including (i) adjusted EPS, (ii) adjusted operating profit and (iii) currency neutral sales. These measures are not intended to represent a presentation in accordance with GAAP. In discussing the Company's historical and expected future results and financial condition, the Company believes it is meaningful for investors to be made aware of and to be assisted in a better understanding of, on a period-to-period comparable basis, financial amounts both including and excluding identified items. The Company believes such non-GAAP measures provide investors with an overall perspective of the period-to-period performance of its business. In addition, management internally reviews each of these non-GAAP measures to evaluate performance on a comparative period-to-period basis in terms of absolute performance, trends and expected future performance with respect to our business. A material limitation of these non-GAAP measures is that such measures do not reflect actual GAAP amounts. The Company compensates for such limitations by presenting reconciliations of the non-GAAP measures contained in the furnished presentations to the most directly comparable GAAP measures. These non-GAAP measures may not be comparable to similarly titled measures used by other companies. A reconciliation of these non-GAAP measures to GAAP measures can be accessed by visiting the Investor Relations section of the Company's website.
