ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On June 23, 2015, Tri-State 1st Banc, Inc. (Tri-State), the parent company of National Community Bank (FNCB), Farmers National Banc Corp. (the Company), the parent company of The Farmers National Bank of Canfield (Farmers Bank), and FMNB Merger Subsidiary, LLC, a newly-formed wholly-owned subsidiary of the Company (Merger Sub), entered into an Agreement and Plan of Merger (the Merger Agreement) pursuant to which Tri-State will merge with and into Merger Sub (the Merger). Promptly following consummation of the Merger, it is expected that Merger Sub will be dissolved and liquidated, and FNCB will merge with and into Farmers Bank.

Pursuant to the terms of the Merger Agreement, common shareholders of Tri-State will be entitled to receive 1.747 common shares, without par value, of the Company (the Company Common Shares), or \$14.20 in cash, for each common share, without par value, of Tri-State (the Tri-State Common Shares), subject to proration provisions specified in the Merger Agreement that provide for a targeted aggregate split of total consideration consisting of 75% Company Common Shares and 25% cash. Preferred shareholders of Tri-State will be entitled to receive \$13.60 in cash for each share of Series A Preferred Stock, without par value, of Tri-State pursuant to the Merger Agreement.

The Merger Agreement contains (a) customary representations and warranties of Tri-State, the Company and Merger Sub, including, among others, with respect to corporate organization, capitalization, corporate authority, third party and governmental consents and approvals, financial statements and compliance with applicable laws, (b) covenants of Tri-State and the Company to conduct their respective businesses in the ordinary course until the Merger is completed and (c) covenants of Tri-State and the Company not to take certain actions during such period. Tri-State also has agreed that neither it nor its representatives will (i) solicit proposals relating to alternative business combination transactions or, (ii) subject to certain exceptions, enter into discussions concerning, or furnish information in connection with, any proposals for alternative business combination transactions, or approve, endorse or recommend, or take other actions relating to, an alternative business combination transaction.

Consummation of the Merger is subject to certain conditions, including, among others, approval of the Merger by the shareholders of Tri-State, effectiveness of the registration statement to be filed by the Company with the Securities and Exchange Commission (the SEC) to register the Company Common Shares to be offered to the common shareholders of Tri-State, the absence of any injunctions or other legal restraints, governmental filings and regulatory approvals and expiration of applicable waiting periods, accuracy of specified representations and warranties of each party and receipt of tax opinions.

The Merger Agreement contains certain termination rights for each of Tri-State and the Company, as the case may be, applicable upon the occurrence or non-occurrence of certain events, including (a) a final, non-appealable denial of required regulatory approvals, (b) the Merger has not been completed on or before June 23, 2016, (c) a breach by the other party that is not or cannot be cured within 30 days if such breach would result in a failure of the conditions to closing set forth in the Merger Agreement, (d) the failure of the shareholders of Tri-State to approve the Merger by the requisite vote, (e) the failure of the Board of Directors of Tri-State to

recommend the Merger to its shareholders or a change in the recommendation by the Board of Directors, (f) a breach of certain of the covenants of Tri-State or (g) the recommendation by the Board of Directors to the shareholders to tender (or the failure to recommend not to tender) Tri-State Common Shares in certain tender or exchange offers. If the Merger Agreement is terminated under certain conditions, Tri-State has agreed to pay the Company a termination fee of \$0.5 million.

In connection with the execution of the Merger Agreement, each of the directors and executive officers of Tri-State has entered into substantially identical voting agreements with the Company pursuant to which such directors and executive officers have agreed, among other things, to vote their respective Tri-State Common Shares in favor of the approval of the Merger Agreement and the transactions contemplated thereby. The form of voting agreement is included in Exhibit 2.1 to this Current Report on Form 8-K as Exhibit B to the Merger Agreement and is incorporated herein by reference.

The foregoing description of the Merger Agreement is not complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is filed as Exhibit 2.1 hereto and is incorporated herein by reference. The Merger Agreement has been attached as an exhibit to this report in order to provide investors and security holders with information regarding its terms. It is not intended to provide any other information about the Company, Tri-State or their respective subsidiaries and affiliates. The covenants, representations and warranties contained in the Merger Agreement were made only for purposes of that agreement and, in the case of representations and warranties, as of specific dates, may be subject to a contractual standard of materiality different from what a shareholder might view as material, may have been used for purposes of allocating risk between the respective parties rather than establishing matters as facts, may have been qualified by or subject to certain disclosures and exceptions not reflected in the Merger Agreement and generally were for the benefit of the parties to that agreement. Investors should not rely on the representations, warranties or covenants or any description thereof as characterizations of the actual state of facts or condition of the Company, Tri-State or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Company or Tri-State.
