**PENTAIR PLC**

We are a focused diversified industrial manufacturing company comprising four reporting segments: Valves & Controls, Flow & Filtration Solutions, Water Quality Systems and Technical Solutions. Valves & Controls designs, manufactures, markets and services valves, fittings, automation and controls and actuators. Flow & Filtration Solutions designs, manufactures, markets and services solutions for the toughest filtration, separation, flow and fluid management challenges in agriculture, food and beverage processing, water supply and disposal and a variety of industrial applications. Water Quality Systems designs, manufactures, markets and services innovative water system products and solutions to meet filtration and fluid management challenges in food and beverage, water, swimming pools and aquaculture applications. Technical Solutions designs, manufactures, markets and services products that guard and protect some of the world's most sensitive electrical and electronic equipment, as well as heat management solutions designed to provide thermal protection to temperature sensitive fluid applications and engineered electrical and fastening products for electrical, mechanical and civil applications.

Our business took its current form on September 28, 2012 as a result of a reverse acquisition (the Merger) involving Pentair, Inc. and an indirect, wholly-owned subsidiary of Flow Control (defined below), with Pentair, Inc. surviving as an indirect, wholly-owned subsidiary of Pentair Ltd, our predecessor company. Flow Control refers to Pentair Ltd. prior to the Merger. Prior to the Merger, Tyco International Ltd. (Tyco) engaged in an internal restructuring whereby

it transferred to Flow Control certain assets related to the flow control business of Tyco, and Flow Control assumed from Tyco certain liabilities related to the flow control business of Tyco. On September 28, 2012 prior to the Merger, Tyco effected a spin-off of Flow Control (the Spin-off ) through the pro-rata distribution of 100% of the outstanding common shares of Flow Control to Tyco s shareholders (the Distribution ), resulting in the distribution of approximately 110.9 million of Pentair Ltd. common shares to Tyco s shareholders. The Merger was accounted for as a reverse acquisition under the purchase method of accounting with Pentair, Inc. treated as the acquirer. After the Merger, the common shares of Pentair Ltd. were traded on the New York Stock Exchange under the symbol PNR.

**Table of Contents**

On December 10, 2013, we entered into a Merger Agreement (the "Merger Agreement") with our predecessor company, Pentair Ltd. Under the Merger Agreement, on June 3, 2014, Pentair Ltd. merged with and into our company, with our company being the surviving company (the "Redomicile"), thereby changing the jurisdiction of organization of the publicly-traded parent company from Switzerland to Ireland. Shareholders of Pentair Ltd. received one of our ordinary shares for each common share of Pentair Ltd. held immediately prior to the Redomicile. After the Redomicile, our ordinary shares continue to be traded on the New York Stock Exchange under the symbol PNR.

We are an Irish incorporated public limited company and our principal executive offices are located at P.O. Box 471, Sharp Street, Walkden, Manchester, M28 8BU, United Kingdom, and our telephone number at that address is +44-161-703-1885.

**PLAN OF DISTRIBUTION**

Prior to the Spin-off and the Merger, options to purchase Tyco common shares ( Tyco Options ) with respect to Tyco common shares had been granted to various Tyco employees and directors. The Tyco Compensation Committee authorized that various adjustments be made to the Tyco Options to prevent the dilution or enlargement of the benefits or potential benefits intended to be made available under the Tyco Options following the Spin-off, as discussed below.

Each Tyco Option that was granted prior to October 12, 2011, and that was held, as of the Distribution, by a Tyco director or by certain specified corporate-level employees of Tyco who did not become employees of Pentair Ltd. following the Spin-off, was converted into an option to separately acquire Pentair Ltd. common shares, Tyco common shares, and shares of common stock of The ADT Corporation ( ADT ), subject to the adjustments described below under Description of Option Adjustments in Connection with the Merger. The options to purchase common shares of Pentair Ltd. became subject to the Plan, in accordance with the terms of the separation and distribution agreement that Pentair Ltd. entered into with Tyco in connection with the Spin-off, and were made in partial substitution of the awards that were previously granted under Tyco s equity compensation program. The registration statement of which this prospectus forms a part covers only such awards held by certain current and former employees and directors of Tyco (including its subsidiaries) who did not become employees or directors of Pentair Ltd., and any of such individuals donees, pledgees, permitted transferees, assignees, successors and others who come to hold any such awards. The registration statement does not cover any awards that were granted to any individual who, upon completion of the Spin-off, was employed by Pentair Ltd. or was serving on the Pentair Ltd. board of directors, or any other awards that Pentair Ltd. granted under the Plan following the Spin-off or that we may grant under the Plan in the future.

At the effective time of the Redomicile, all outstanding options to purchase common shares of Pentair Ltd. and all outstanding awards of restricted stock units and other equity-based awards relating to common shares of Pentair Ltd. under the Plan became options to purchase, or restricted stock units or other equity-based awards relating to, an equal number of our ordinary shares. All of such equity-based awards remain subject to the same terms and conditions as were applicable to such awards immediately prior to the completion of the Redomicile.

**DESCRIPTION OF OPTION ADJUSTMENTS IN CONNECTION WITH THE MERGER**

In connection with the Spin-off, each Tyco Option that was granted prior to October 12, 2011, and that was held, as of the Distribution, by a Tyco director or by certain specified corporate-level employees of Tyco who did not become our employees following the Spin-off, or by former Tyco employees, was converted into an option to separately acquire common shares of Pentair Ltd., Tyco common shares, and ADT common stock, in the following manner:

the adjusted number of shares subject to each option to acquire:

Tyco shares was determined by multiplying the number of Tyco shares for which the Tyco Option was exercisable by a fraction, the numerator of which was the aggregate spread of the original Tyco Option, calculated by reference to the closing regular-way trading price of Tyco common shares on the NYSE on the last trading day immediately prior to the Spin-off, and the denominator of which was the sum of (a) the ex-distribution closing trading price of Tyco common shares on the NYSE on the last trading day immediately prior to the Spin-off minus the adjusted exercise price for Tyco options described below, (b) the product of (1) the when-issued

closing trading price of our common shares on the NYSE on the last trading day immediately prior to the Spin-off minus the adjusted exercise price for options to purchase our common shares described below and (2) the distribution ratio for our common shares of approximately 0.239943 (which was determined on the date of the Spin-off), and (c) the product of (1) the when-issued

closing trading price of ADT shares of common stock on the NYSE on the last trading day immediately prior to Spin-off minus the adjusted exercise price for ADT options described below and (2) the distribution ratio for shares of ADT of 0.5 (based on one share of ADT common stock for every two shares of Tyco common stock outstanding as of the record date), rounded down to the nearest whole share;

Pentair Ltd. common shares was determined by multiplying the number of Tyco shares subject to the converted option by the distribution ratio for our common shares of approximately 0.239943 (which was determined on the date of the Spin-off); and

ADT shares was determined by multiplying the number of Tyco shares subject to the converted option by the distribution ratio for shares of ADT of 0.5 (based on one share of ADT common stock for every two shares of Tyco common stock outstanding as of the record date).

each converted option's exercise price was determined as follows:

the exercise price of each option to purchase Pentair Ltd. common shares was equal to the exercise price of the applicable Tyco Option prior to the Spin-off multiplied by a fraction, the numerator of which was the when-issued closing trading price of Pentair Ltd. common shares on the NYSE on the last trading day immediately prior to the Spin-off and the denominator of which was the closing regular-way trading price of Tyco common shares on the NYSE on the last trading day immediately prior to the Spin-off, rounded up to the nearest hundredth of a cent;

the exercise price of each ADT option was equal to the exercise price of the applicable Tyco Option prior to the Spin-off of ADT multiplied by a fraction, the numerator of which was the when-issued closing trading price of ADT common shares on the NYSE on the last trading day immediately prior to the ADT Spin-off and the denominator of which was the closing regular-way trading price of Tyco common shares on the NYSE on the last trading day immediately prior to the ADT distribution, rounded up to the nearest hundredth of a cent; and

the exercise price of each Tyco option was equal to the exercise price of the Tyco option prior to the Spin-off multiplied by a fraction, the numerator of which is the ex-distribution closing trading price of Tyco common shares on the NYSE on the last trading day immediately prior to the Spin-off and the denominator of which was the closing regular-way trading price of Tyco common shares on the NYSE on the last trading day immediately prior to the Spin-off, rounded up to the nearest hundredth of a cent.

The mechanics for conversion and adjustment of the equity awards summarized above are more fully described in Section 6.01 of the Amended and Restated Separation and Distribution Agreement, dated as of September 27, 2012, by and among Tyco, Pentair Ltd. and ADT, which is filed as Exhibit 2.3 to our Registration Statement on Form S-3 of which this prospectus is a part and which is incorporated in this prospectus by reference.

As described above, at the effective time of the Redomicile, all outstanding options to purchase common shares of Pentair Ltd. and all outstanding awards of restricted stock units and other equity-based awards relating to common shares of Pentair Ltd. under the Plan became options to purchase, or restricted stock units or other equity-based awards relating to, an equal number of our ordinary shares.

**Item 15. Indemnification of Directors and Officers.**

Pursuant to the Company's articles of association, subject to the provisions of, and so far as may be permitted by the Irish Companies Act 2014, every director or other officer of the Company (other than an auditor) shall be indemnified out of the assets of the Company, against all costs, losses, expenses and liabilities incurred by him or her in the execution and discharge of his or her duties or in relation thereto including any liability incurred by him or her in defending civil or criminal proceedings which relate to anything done or omitted or alleged to have been done or omitted by him or her as an officer or employee of the Company and in which judgment is given in his or her favor (or the proceedings are otherwise disposed of without any finding or admission of any material breach of duty on his part) or in which he or she is acquitted or in connection with any application under any statute for relief from liability in respect of any such act or omission in which relief is granted to him or her by the court; provided, however that the indemnity shall not extend to any liability arising from such person's fraud or dishonesty in the performance of their duties or such officers' conscious, intentional or willful breach of any duty to act in the best interest of the Company.

The Company maintains insurance to reimburse the Company's directors and officers and the directors and officers of the Company's subsidiaries for charges and expenses incurred by them for wrongful acts claimed against them by reason of their being or having been directors or officers of the Company or any of the Company's subsidiaries.

The Company and Pentair Management Company, a Delaware corporation and subsidiary of the Company, have each entered into indemnification agreements with the directors and officers of the Company that provide for the indemnification of and the advancing of expenses to the indemnitee to the fullest extent (whether partial or complete) permitted under Irish law in the case of the Company, and under the Delaware General Corporation Law, in the case of Pentair Management Company. The indemnification agreements between the Company and the directors and officers of the Company further provide that, to the extent insurance is maintained, the Company will provide

continued coverage of the indemnitee under their directors and officers liability insurance policies.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling the registrant pursuant to the foregoing provisions, the registrant has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
