Item 1.01. Entry into a Material Definitive Agreement.

On March 9, 2016, NuVasive, Inc. (the Company) entered into an Amendment No. 1 to Credit Agreement (the Amendment) with Bank of America, N.A., as administrative agent, and the other lenders party thereto, evidencing an amendment to the Company s revolving senior credit facility (the Facility) providing for, among other things, modifications to the Facility to allow for the offering of the Notes (as defined below) as a Permitted Convertible Note Refinancing pursuant to the terms of the Facility.

The foregoing is a summary description of certain terms of the Amendment and does not purport to be complete, and it is qualified in its entirety by reference to the full text of the Amendment, which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

Item 8.01. Other Events.

On March 9, 2016, the Company announced a proposed offering of \$550 million aggregate principal amount of Convertible Senior Notes due 2021 (the Notes) in a private offering to qualified institutional buyers that is exempt from registration under the Securities Act of 1933, as amended (the Securities Act) in reliance upon Rule 144A under the Securities Act. In addition, the Company announced its intention to enter into convertible note hedge transactions and warrant transactions in connection with the offering of the Notes with one or more of the initial purchasers of the Notes (Convertible Note Hedge and Warrant Transactions). The Company s press release announcing the launch of the offering of the Notes and potential Convertible Note Hedge and Warrant Transactions, as well as the expected use of proceeds thereof, is filed as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference.

In connection with the repurchases of the Convertible Senior Notes due 2017 (the 2017 notes) described in the press release noted above, the Company expects to amend each of the base call option transaction confirmations the Company entered into with affiliates of the initial purchasers in connection with the pricing of its 2017 notes in June 2011 in order to continue to permit the exercise by the Company of a number of options to purchase its common stock underlying such base call option transaction confirmations corresponding to the number of 2017 notes repurchased in connection with the offering of the Notes that, absent such amendment, would have been exercisable only upon the conversion of such repurchased 2017 notes.
