99.1	Press Release dated March 29, 2016
------	------------------------------------

This Current Report on Form 8-K and Exhibit 99.1 contain forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements typically are identified by use of terms such as may, project, should, plan, expect, anticipate believe, estimate and similar although some forward-looking statements are expressed differently. Forward-looking statements represent our management’s judgment regarding future events and include statements regarding the Company’s expectations with respect to the Ampion PIVOT trial, as well as risks associated with clinical trials, expected results, regulatory approvals, and changes in business conditions and similar events. These forward-looking statements also include statements regarding the Special Protocol Assessment as well as the classification of Ampion as a novel biologic with 12 years exclusivity. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, the Company can give no assurance that such expectations will prove to be correct. All statements other than statements of historical fact included in this Current Report on Form 8-K and in Exhibit 99.1 are forward-looking statements. Except as required by applicable law, the Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. The Company cannot guarantee the accuracy of the forward-looking statements, and you should be aware that the Company’s actual results could differ materially from those contained in forward-looking statements due to a number of factors, including the statements under Risk Factors found in the Company’s Annual Reports on Form 10-K’s and its Quarterly Reports on Form 10-Q’s on file with the Securities and Exchange Commission.
