Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On June 8, 2016, the Compensation Committee of the Board of Directors of The Valspar Corporation (Valspar) approved (i) an amendment, effective as of June 8, 2016 (the Amendment), to The Valspar Corporation 2015 Omnibus Equity Plan (the Omnibus Plan) and (ii) The Valspar Corporation Amended and Restated Key Employee Annual Bonus and Long-Term Incentive Plan, dated June 8, 2016 (the Restated A&R Key Employee Plan).

The Amendment permits Valspar to grant equity awards pursuant to the Omnibus Plan after June 8, 2016 that are assumed or replaced by the acquirer in a change in control transaction, and provides that such awards shall not vest solely by reason of a change in control transaction but shall vest upon a qualifying termination of the holder s employment with Valspar and its affiliates on or following such transaction.

The Restated A&R Key Employee Plan provides for certain modifications to the long-term incentive program for participants in the plan, including Valspar s named executive officers, which are effective for Valspar s fiscal year 2017. Under the terms of the Restated A&R Key Employee Plan, fiscal year 2017 long-term incentive awards, which are granted pursuant to the Omnibus Plan, will be made solely in the form of time-based restricted stock units. Such restricted stock units shall not vest automatically upon the occurrence of a change in control transaction, but shall vest upon a termination of the participant s employment by Valspar other than for cause, or a resignation by the participant for good reason, in each case on or following such transaction.

The foregoing descriptions of the Amendment and the Restated A&R Key Employee Plan do not purport to be complete and are qualified in their entirety by reference to the full text of the Amendment and the Restated A&R Key Employee Plan attached hereto as Exhibits 10.1 and 10.2, respectively.
