Confirmation of the Pre-Packaged Plan

On August 26, 2016, an order confirming the pre-packaged plan of reorganization (the *Plan*) of Atlas Resource Partners, L.P. (the *Partnership*) and certain of its subsidiaries (collectively with the *Partnership*, *Atlas*) was entered by the United States Bankruptcy Court for the Southern District of New York. The *Plan* will become effective upon the completion of certain conditions precedent (the *Effective Date*).

Summary of Material Features of the Plan

Pursuant to the *Plan*, the business assets and operations of the *Partnership* will vest in a new limited liability company, Titan Energy Operating LLC (*New Opco*), which will be a subsidiary of Titan Energy, LLC (currently known as Atlas Resource Finance Corporation). Under the *Plan*, Atlas Resource Finance Corporation will convert into a limited liability company named Titan Energy, LLC and will be classified as a corporation for U.S. federal income tax purposes (*New Holdco*). Under the *Plan*, all suppliers, vendors, employees, royalty owners, trade partners and landlords will be unimpaired by the *Plan* and will be satisfied in full in the ordinary course of business, and *Atlas*'s existing trade contracts and terms will be maintained. *New Opco* will continue to operate the *Partnership*'s oil and gas properties in the ordinary course. Additionally, the tax-advantaged drilling partnerships that *Atlas* sponsors and manages to finance a portion of its natural gas, crude oil and natural gas liquids production activities, will be unaffected by the *Plan*.

The restructuring related to the *Plan*, including as a result of *Atlas* previously monetizing certain hedges to pay down borrowings outstanding under the senior secured credit facility, will result in a reduction of *Atlas*'s debt by approximately \$900 million and elimination of approximately \$80 million of *Atlas*'s annual debt service obligations.

In particular, under the *Plan*, on the *Effective Date*, the lenders under the *Partnership*'s senior secured revolving credit facility (the *First Lien Lenders*) will enter into, and be lenders under, a \$440 million amended and restated first lien credit agreement (the *First Lien Exit Facility*) with *New Holdco*, composed of a \$410 million conforming reserve-based tranche and a \$30 million non-conforming tranche. The non-conforming tranche will mature on May 1, 2017 and the conforming reserve-based tranche will mature on August 23, 2019, an extension of maturity of more than a year. In addition, *New Holdco* will enter into an amended and restated second lien credit agreement (the *Second Lien Exit Facility*) and, together with the *First Lien Exit Facility*, the *Exit Facilities*). The lenders under the *Partnership*'s second lien term loan (the *Second Lien Lenders*) will enter into the *Second Lien Exit Facility*, which will have an aggregate principal amount of \$250 million plus the amounts resulting from the accrual of PIK interest on the principal amount of \$250 million from the commencement of the Chapter 11 cases, with interest expense paid in cash to be reduced to 2% and the remainder to be paid-in-kind from the commencement date through May 1, 2017 at a rate equal to Adjusted LIBO Rate plus 9% per annum. On the *Effective Date*, *New Opco* will assume the *Exit Facilities*. During the next 15-month period, cash and in-kind interest will vary based on a pricing grid tied to *New Opco*'s leverage ratio under the *First Lien Exit Facility*. After such 15-month period, interest will accrue at a rate equal to Adjusted LIBO Rate plus 9% per annum and will be payable in cash. In addition to the *Second Lien Exit Facility*, the *Second Lien Lenders* will receive a pro rata share of 10% of the common equity interests of *New Holdco* as of the *Effective Date*, subject to dilution by a management incentive plan. Holders of *Atlas*'s senior unsecured notes, in exchange for 100% of the \$668 million aggregate principal amount of notes outstanding plus accrued but unpaid interest as of the commencement of the Chapter 11 cases, will receive, on the *Effective Date*, 90% of the common equity interests of *New HoldCo* as of the *Effective Date*, subject to dilution by a management incentive plan.

Under the *Plan*, holders of the *Partnership*'s limited partnership units will receive no recovery. On the *Effective Date*, all preferred limited partnership units and common limited partnership units of the *Partnership* will be cancelled without the receipt of any distribution or consideration.

Edgar Filing: Atlas Resource Partners, L.P. - Form 8-K

Under the Plan, New Holdco will have 5,416,667 shares of its common equity outstanding as of the Effective Date. Under the Plan, on the Effective Date, a wholly owned subsidiary of ATLS, Titan Energy Management, LLC, will receive the sole preferred share of New Holdco. The preferred share will entitle Titan Energy Management, LLC to receive 2% of the economics of New Holdco (subject to dilution if catch-up contributions are not made with respect to future equity issuances, other than pursuant to a management incentive plan) and certain other rights. New Holdco will have a continuing right to purchase the preferred share at fair market value, subject to the approval of 67% of the outstanding common shares not held by Titan Energy Management, LLC or its affiliates.

Information regarding the assets and liabilities of the Partnership as of the most recent practicable date is hereby incorporated by reference to the Partnership's Quarterly Report on Form 10-Q for the quarter ended June 30, 2016, filed with the Securities and Exchange Commission on August 8, 2016.
