Compensation Committee

The Compensation Committee endeavors to ensure that the compensation program for executive officers is effective in attracting and retaining key executives responsible for our success and in promoting our long-term interests and those of our stockholders. The committee, without applying any specific quantitative formulas, considers such factors as revenues, net income, duties and scope of responsibility, industry standards and comparable salaries, corporate growth, profits, goals and market share increases. The functions of the Compensation Committee include reviewing and establishing compensation plans for our executive officers.

The key member of management involved in the compensation process was E.J. Elliott. Mr. Elliott was not present during the Compensation Committee's discussions regarding his compensation. The two members of the Compensation Committee are David A. Air and Cort J. Dondero. Currently, the Compensation Committee is comprised only of independent directors, as defined by NASDAQ rules. Accordingly, the Nominating Committee reviews recommendations of its individual members and gives considerable weight to candidates with industry-related experience and expertise that will benefit the Company. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, officers and certain stockholders to file with the Commission an initial statement of beneficial ownership and certain statements of changes in beneficial ownership of our equity. Based solely on our review of such forms received by us, we are unaware of any instances of noncompliance, or late compliance, with such filings during the fiscal year ended September 30, 2016.

Independent Directors

Our common stock is listed on the NASDAQ Global Market. NASDAQ requires that a majority of our directors be independent, as defined by NASDAQ's rules. Generally, a director does not qualify as an independent director if the director or a member of a director's immediate family has had in the past three years certain relationships or affiliations with us, our external or internal auditors, or other companies that do business with us. Our Board has affirmatively determined that a majority of its directors are independent directors under NASDAQ rules. Based on these standards, the Board determined that our independent directors include the following current directors and nominees for director: Randolph H. Fields, David A. Air, James P. Sharp and Cort J. Dondero.

Independent Director Meetings in Executive Sessions

Our independent directors meet separately from the other directors in executive sessions. Any independent director may call an executive session of independent directors at any time. The independent directors did meet once in an executive session during the fiscal year ended September 30, 2016.

Stockholders wishing to communicate with Directors should send their correspondence to the individual Director or Directors in care of the Chairman of the Board at 5201 N. Orange Blossom Trail, Orlando, Florida 32810. Our policy is to forward such communications to the addressees if the issues/subjects are material and relevant.

Director Attendance at Annual Meetings of Stockholders

We encourage all incumbent directors, as well as all nominees for election as director, to attend the Annual Meeting of Stockholders. All of our incumbent directors attended our Annual Meeting in 2016.

Code of Ethics

Elliott currently serves as Chairman of the Board. Mr. Elliott has held this position since 1968 and is intimately familiar with our history, current business and objectives for the future. By serving as our Chairman, Mr. Elliott is able to provide strong and consistent leadership, vision and direction as we pursue our plans. The President of the Company, Mr. Marc G. Elliott, is responsible for the conduct of all operations. With 23 years in supervisory and high level management positions at Gencor, and President of the Company since 2005, he brings the hands-on experience of all the key areas of the Company's operations into focus.

Board Oversight of Risk

Our Board of Directors oversees risk to help ensure a successful business at the Company. While the Chairman, Chief Executive Officer, President, Chief Financial Officer, and other members of our senior leadership team are responsible for the day-to-day management of risk, our Board of Directors is responsible for appropriate risk oversight and assisting management in addressing specific risks, such as strategic and competitive risks, financial risks, legal risks, and operational risks.

The Board believes that its leadership structure facilitates its oversight of risk by combining, Board committees, and majority independent Board composition, with an experienced Chairman who has detailed knowledge of our business, history, and the complex challenges we face. The Chairman's in-depth understanding of these matters and involvement in the day-to-day management of the Company positions them to promptly identify and raise key risks to the Board and focus the Board's attention on areas of concern. The independent committee chairs and other directors also are experienced professionals or executives who can and do raise issues for Board consideration and review, and are not hesitant to challenge management. The Board believes there is a well-functioning and effective balance between the non-management directors and the Chairman, Chief Executive Officer and President, which enhances risk oversight.

The Board exercises its oversight responsibility for risk both directly and through its four standing committees. Throughout the year, the Board and each committee spends a portion of their time reviewing and discussing specific risk topics. The full Board is kept informed of each committee's risk oversight and related activities through frequent non-member attendance at committee meetings and committee meeting minutes available to all directors. Strategic, operational and competitive risks are presented and discussed at the Board's regular quarterly meetings. On at least an annual basis, the Board conducts a review of our long-term strategic plans and other members of senior management report on our top risks and the steps management has taken or will take to mitigate these risks. As needed between Board meetings, our Chairman reports to the Board on the critical issues we face and the recent developments in our business units, including identified risks.

The Audit Committee is responsible for reviewing our financial risks. The Audit Committee meets with our Chief Executive Officer, Chief Financial Officer, Controller, and the independent auditor to discuss our major financial risk exposures, financial reporting, internal controls, and credit and liquidity risk. The Audit Committee meets regularly in

separate executive session with the independent auditor to facilitate a full and candid discussion of risk and other issues.

The Compensation Committee is responsible for overseeing compensation risk and ensuring executive compensation is aligned with performance. The Compensation Committee is charged with monitoring our equity-based compensation plans.

The Nominating Committee oversees risk related to our overall governance, including Board and committee composition, Board size and structure, director independence, ethical and business conduct and our corporate governance profile and ratings. The Nominating Committee also is engaged in overseeing risks associated with succession planning for the Board and management.

EXECUTIVE COMPENSATION

Compensation Committee Process and Procedures

The members of the Compensation Committee for the fiscal year ended September 30, 2016 (hereafter in the Executive Compensation section referenced as 2016) were David A. Air (Chairman) and Cort J. Dondero. The Compensation Committee meets as circumstances dictate. Agendas for the meetings are typically established with input from the Compensation Committee's Chairman and the Company's Chief Executive Officer (CEO). At times, our CEO attends portions of the meetings of the Compensation Committee. However, the Compensation Committee also conducts meetings to consider, discuss and evaluate issues without the presence of any of our executive officers. Our CEO is never present during voting or deliberations with respect to his own compensation.

To assist the Compensation Committee in the design of effective compensation programs, policies and practices, including developing a mix of cash and equity compensation and annual and long-term compensation that promotes our compensation objectives, and that is competitive in the marketplace, the Compensation Committee may retain a compensation consultant from time to time subject to Board approval.

2016 Stock Dividend

The outstanding stock option awards shown in the information and tables that follow are adjusted to reflect the stock dividend.

2009 Incentive Compensation Plan

On March 17, 2009 the stockholders of the Company approved the 2009 Incentive Compensation Plan (the 2009 Plan). The 2009 Plan provides that the total number of shares of Company stock that may be subject to the granting of awards under the 2009 Plan (Awards) at any time during the term of the 2009 Plan shall be equal to 800,000 shares of Common Stock and 160,000 shares of Class B stock. The foregoing limit shall be increased as provided for in the 2009 Plan. Persons eligible to receive Awards under the 2009 Plan include our employees, directors, consultants and other persons who provide services to the Company. The 2009 Plan imposes individual limitations on the amount of

certain Awards in part to comply with IRS Code Section 162(m). The Awards can be in the form of stock options, restricted and deferred stock, performance awards and other stock base awards as provided for in the 2009 Plan. On July 1, 2011, 298,000 common stock options were issued under the 2009 Plan. These options vested at 25% per year from October 1, 2012 through October 1, 2015. Assuming a change of control had occurred on September 30, 2016 and the Named Executive Officer listed in the table entitled "Outstanding Equity Awards in Fiscal Year 2016" exercised the full amount of their awards, the cash value of the accelerated awards for the Named Executive Officer would be as follows:

Name	Value of Accelerated Equity Awards (1) (2)
E.J. Elliott	\$ 1,028,100
Marc G. Elliott	\$ 1,028,100
Eric E. Mellen	\$ 54,100

- (1) Assumes a stock price of \$11.98, which was the closing price of our common stock on September 30, 2016, the last trading day of our fiscal year.
- (2) The value of accelerated equity awards is calculated by multiplying the difference between the closing price of our common stock on September 30, 2016 and the exercise price of the option by the number of options accelerated.

Under the terms of the 2009 Plan, a change of control shall be deemed to have occurred upon any reorganization, reclassification, merger, consolidation or exchange, or similar event, as defined in the individual plans.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

We lease vehicles from Marcar Leasing Corporation (Marcar), a corporation engaged in general leasing to the public of machinery as well as vehicles owned by members of E.J. Elliott's immediate family, including Marc G. Elliott. The terms and conditions of the leases are more favorable to the Company than those available from independent third parties. Leases between Marcar and Gencor provide for equal monthly payments, no down payment, and no mileage surcharge. During fiscal 2016, we made lease payments to Marcar in the aggregate amount of \$147,000.

Although we did not deem the following transaction to be a related person transaction, and therefore do not require disclosure, we note that during fiscal 2016 Randolph H. Fields, one of our directors, was a stockholder of the law firm of GrayRobinson, P.A., which served as our primary legal counsel in fiscal 2016.

We recognize that related person transactions may raise questions among our stockholders as to whether the transactions are consistent with our best interests and our stockholders' best interests. We generally do not enter into or ratify a related person transaction unless our Board of Directors, acting through the Audit Committee or otherwise, determines that the related person transaction is in, or is not inconsistent with our best interests and our stockholders' best interests. Our procedures are currently not documented in writing.
