Private Placement

On July 31, 2017, Invitae Corporation (the Company) entered into a Securities Purchase Agreement (the Purchase Agreement) with certain accredited investors (the Investors) pursuant to which the Company, in a private placement, agreed to issue and sell to the Investors an aggregate of 5,188,235 shares of the Company's common stock, \$0.0001 par value per share (the Common Stock) at a price of \$8.50 per share and 3,458,823 shares of the Company's Series A Convertible Preferred Stock, \$0.0001 par value per share (the Series A Preferred Stock) at a price of \$8.50 per share, for gross proceeds to the Company of approximately \$73.5 million (the Private Placement). The Series A Preferred Stock, which is a Common Stock equivalent but non-voting and with a blocker on conversion if the holder would exceed a specified threshold of voting security ownership, is convertible into Common Stock on a one-for-one basis, subject to adjustment for events such as stock splits, combinations and the like as provided in the Purchase Agreement. The Private Placement is expected to close on or about August 3, 2017, subject to the satisfaction of customary closing conditions.

In connection with the Private Placement, the Company entered into a Registration Rights Agreement with the Investors, dated as of July 31, 2017 (the Registration Rights Agreement), pursuant to which the Company has agreed to file one or more registration statements with the Securities and Exchange Commission (the SEC) covering the resale of the shares of Common Stock, and Common Stock underlying the Series A Preferred Stock, sold in the Private Placement, as well as other shares of Common Stock previously held by certain investors participating in the Private Placement. The Company has agreed to file the registration statements within 60 days of the closing of the Private Placement. The Registration Rights Agreement includes customary indemnification rights in connection with the registration statements.

The foregoing summary descriptions of the Purchase Agreement and the Registration Rights Agreement do not purport to be complete and are qualified in their entirety by reference to the Purchase Agreement and the Registration Rights Agreement, which are attached as Exhibits 10.1 and 10.2 hereto, respectively, and incorporated herein by reference.

The representations, warranties and covenants contained in the Purchase Agreement and the Registration Rights Agreement were made solely for the benefit of the parties to the Purchase Agreement and the Registration Rights Agreement and may be subject to limitations agreed upon by the contracting parties. Accordingly, the Purchase Agreement and the Registration Rights Agreement are incorporated herein by reference only to provide investors with information regarding the terms of the Purchase Agreement and the Registration Rights Agreement and not to provide investors with any other factual information regarding the Company or its business, and should be read in conjunction with the disclosures in the Company's periodic reports and other filings with the SEC.

Amendment to Registration Rights Agreement

In connection with the Private Placement, on July 31, 2017, the Company entered into an amendment (the Amendment) to that certain Fifth Amended and Restated Investors' Rights Agreement dated as of August 26, 2014 (the Original Rights Agreement) by and among the Company and the other signatories thereto. The Amendment provides that a Holder's (as defined in the Original Rights Agreement) rights with respect to registration of Registrable Securities (as defined in the Original Rights Agreement) expire at such time as Rule 144 or another similar exemption under the Securities Act of 1933 (the Securities Act) is available for the sale of all of such Holder's shares without limitation during a three-month period. As required under the Original Rights Agreement, the Amendment was entered into by the Company and the holders of at least a majority of the Registrable Securities currently outstanding (as defined in the Original Rights Agreement).

Edgar Filing: Invitae Corp - Form 8-K

The foregoing summary description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the Amendment, which is attached as Exhibit 10.3 hereto and incorporated herein by reference.

Amended and Restated Registration Rights Agreement

In connection with the Private Placement, on July 31, 2017, the Company entered into an Amended and Restated Registration Rights Agreement (the *Amended and Restated Agreement*) which supersedes the Original Rights Agreement, as amended. The Amended and Restated Agreement provides that Holders (as defined in the Amended and Restated Agreement) holding Registrable Securities (as defined in the Amended and Restated Agreement), particularly those who would otherwise be prohibited from selling shares of Common Stock due to certain restrictions under federal securities laws (including, for example, due to status as an affiliate of the Company) shall be entitled to request registration of such shares on a registration statement on Form S-3 under certain circumstances as more fully described in the Amended and Restated Agreement. As required under the Original Agreement, the Amended and Restated Agreement was entered into by the Company and the holders of at least a majority of the Registrable Securities currently outstanding (as defined in the Original Agreement and following the effectiveness of the Amendment).

The foregoing summary description of the Amended and Restated Agreement does not purport to be complete and is qualified in its entirety by reference to the Amended and Restated Agreement, a copy of which is attached as Exhibit 10.4 hereto and incorporated herein by reference.

CombiMatrix Acquisition

On July 31, 2017, the Company, Coronado Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of the Company (*Coronado Merger Sub*), and CombiMatrix Corporation (NASDAQ: CBMX), a Delaware corporation (*CombiMatrix*), entered into an Agreement and Plan of Merger and Reorganization (the *CombiMatrix Merger Agreement*), pursuant to which, among other things, subject to the satisfaction or waiver of the conditions set forth in the CombiMatrix Merger Agreement, the Company will acquire 100% of the fully diluted equity of CombiMatrix. Pursuant to the CombiMatrix Merger Agreement, Coronado Merger Sub will merge with and into CombiMatrix, with CombiMatrix becoming a wholly-owned subsidiary of the Company and the surviving corporation in the merger (the *CombiMatrix Merger*). The CombiMatrix Merger is intended to qualify for federal income tax purposes as a tax-free reorganization under the provisions of Section 368(a) of the Internal Revenue Code of 1986, as amended (the *Internal Revenue Code*).

The aggregate merger-related consideration in the CombiMatrix Merger for 100% of the currently issued and outstanding shares of CombiMatrix as well as outstanding restricted stock units and in-the-money options consists of \$27.0 million in shares of the Company's common stock, based upon the 30 trading day trailing average closing price for shares of the Company's common stock immediately preceding the date of the CombiMatrix Merger Agreement (the *Stipulated Value*), or approximately 2.85 million shares; provided, however, that such amount is subject to adjustment based upon the *Net Cash* of CombiMatrix at the time of the CombiMatrix Merger as defined in the CombiMatrix Merger Agreement. Subject to the terms and conditions of the CombiMatrix Merger Agreement, at the closing of the CombiMatrix Merger, (i) each outstanding share of CombiMatrix common stock or Series F preferred stock will be converted into the right to receive the number of shares of the Company's common stock equal to the Exchange Ratio (as defined in the CombiMatrix Merger Agreement), (ii) outstanding and unexercised in-the-money CombiMatrix stock options will be accelerated and converted into the right to receive the number of shares of the Company's common stock equal to the Exchange Ratio, and (iii) outstanding and unsettled CombiMatrix RSUs will be accelerated and settled with the number of shares of the Company's common stock equal to the Exchange Ratio. No fractional shares will be issued in connection with the CombiMatrix Merger and the Company will pay cash in lieu of any such fractional shares.

In addition, (a) outstanding and unexercised out-of-the money CombiMatrix stock options will be cancelled and extinguished at the closing of the CombiMatrix Merger without any right to receive any consideration, (b) outstanding and unexercised CombiMatrix Series D Warrants, and outstanding and unexercised and untendered CombiMatrix

Edgar Filing: Invitae Corp - Form 8-K

Series F Warrants (NASDAQ: CBMXW) immediately prior to the closing of the CombiMatrix Merger, will be assumed by the Company and converted into warrants to purchase that number of shares of the Company's common stock equal to the Exchange Ratio and (c) certain entitlements under CombiMatrix's executive compensation transaction bonus plan will be paid in shares of the Company's common stock or RSUs to be settled in shares of the Company's common stock. All outstanding and unexercised CombiMatrix Series A, Series B, Series C, Series E, and PIPE warrants will be repurchased by CombiMatrix prior to closing pursuant to that certain CombiMatrix Common Stock Purchase Warrants Repurchase Agreement dated July 11, 2016.

As part of the CombiMatrix Merger transaction and pursuant to the Merger Agreement, the Company contemplates conducting a warrant exchange offer to the holders of outstanding CombiMatrix Series F Warrants to exchange such warrants (the Warrant Exchange Offer) for up to approximately \$6.0 million in shares of the Company's common stock based upon the Stipulated Value, or approximately 0.63 million shares. The specific terms of the Warrant Exchange Offer have not yet been determined by the Company.

To the extent the CombiMatrix Series F warrants are not exchanged in the Warrant Exchange Offer and are either exercised or assumed as part of the CombiMatrix Merger, the consideration payable by the Company could increase by up to approximately \$15 million in shares of the Company's common stock based upon the Stipulated Value, or approximately 1.58 million shares; provided, however, that such amount is subject to adjustment based upon the Net Cash of CombiMatrix at the time of the CombiMatrix Merger.

Consummation of the CombiMatrix Merger is subject to certain closing conditions, including, among other things, approval by the stockholders of CombiMatrix at a special meeting of stockholders to be called by CombiMatrix as well as a minimum required participation in the Warrant Exchange Offer by the holders of at least 90% of the outstanding CombiMatrix Series F warrants. The CombiMatrix Merger Agreement contains specified termination rights for both the Company and CombiMatrix, and further provides that, upon termination of the Merger Agreement under specified circumstances, CombiMatrix may be obligated to pay the Company a termination fee of \$1,400,000 (net of expense reimbursement previously paid), and, under specified circumstances, either party may be required to reimburse the other party for various expenses incurred in connection with the Merger up to a maximum of \$400,000.

In accordance with the terms of the Merger Agreement, certain CombiMatrix officers and directors have each entered into a Transaction Bonus Payout Agreement with CombiMatrix and the Company (the CombiMatrix Transaction Bonus Payout Agreements). Pursuant to the Transaction Bonus Payout Agreements, (i) the two CombiMatrix executive officers and another officer who are each party to such an agreement have agreed to receive any cash bonus to which they may otherwise be entitled under the CombiMatrix Transaction Bonus Plan in RSUs to be granted by the Company and settled in shares of the Company's common stock and (ii) the CombiMatrix outside directors who are each party to such an agreement have agreed to receive any cash bonus to which they may otherwise be entitled under the CombiMatrix Transaction Bonus Plan in unrestricted shares of the Company's common stock.

The preceding summary does not purport to be complete and is qualified in its entirety by reference to the CombiMatrix Merger Agreement which is filed as Exhibit 2.1 to this Current Report on Form 8-K and incorporated herein by reference.

Good Start Genetics Acquisition

On July 31, 2017, the Company, Bueno Merger Sub, Inc., a Delaware corporation and wholly-owned subsidiary of the Company (Bueno Merger Sub), Good Start Genetics, Inc., a privately-held Delaware corporation (Good Start), holders of Good Start's convertible promissory notes (the Good Start Noteholders), participants in Good Start's management carveout plan (the Good Start Plan Participants), and OrbiMed Private Investments III, LP (as representative of the Good Start Noteholders, the Good Start Plan Participants and Good Start's stockholders) entered into an Agreement and Plan of Merger (the Good Start Merger Agreement), pursuant to which, among other things, subject to the satisfaction or waiver of the conditions set forth in the Good Start Merger Agreement, the Company will acquire 100% of the fully diluted equity of Good Start. Pursuant to the Good Start Merger Agreement, Bueno Merger Sub will merge with and into Good Start, with Good Start becoming a wholly-owned subsidiary of the Company and the surviving corporation in the merger (the Good Start Merger).

The aggregate merger-related consideration in the Good Start Merger is expected to consist of approximately \$40 million, including (i) approximately \$15.7 million in shares of the Company's common stock issuable to certain Good Start Noteholders and Good Start Plan Participants, or approximately 1.65 million shares based upon the 30 trading day trailing average closing price for shares of the Company's common stock immediately preceding the date of the Good Start Merger Agreement, subject to a hold back of approximately 25% of such amount for up to 13 months to cover potential indemnification liabilities, (ii) cash of up to approximately \$18.3 million, which will be paid to retire certain Good Start secured debt, and (iii) the payment or assumption of approximately \$6 million in pre-closing and closing-related liabilities and obligations of Good Start.

Subject to the terms and conditions of the Good Start Merger Agreement, at the closing of the Good Start Merger, (i) each outstanding share of Good Start common stock (after conversion of all outstanding Good Start preferred stock into common stock) will be converted into the right to receive \$0.0001 cash per share of Good Start common stock (which, in the aggregate, will be a negligible amount), (ii) outstanding and unexercised Good Start stock options will be cancelled and extinguished without any right to receive any consideration, (iii) outstanding and unexercised Good Start warrants to purchase Good Start Series A preferred stock or Good Start Series B preferred stock will be terminated without any right to receive any consideration, and (iv) pursuant to certain note termination agreements, certain Good Start convertible promissory notes will be terminated in consideration for issuance of shares of the Company's common stock as described above to the Good Start Noteholders.

In accordance with the terms of the Merger Agreement, Good Start stockholders owning the substantial majority of (i) the Good Start common stock (after giving effect to conversion of all preferred stock) and (ii) the Good Start preferred stock have entered into a support agreement with the Company (the Support Agreement). The Support Agreement places certain restrictions on the transfer of the shares of capital stock of Good Start held by the respective signatories and include covenants as to the voting of such shares in favor of the transactions contemplated by the

Good Start Merger Agreement.

Consummation of the Good Start Merger is subject to certain closing conditions, including among other things, approval by the stockholders of Good Start.

The shares of the Company's common stock issued in the Good Start Merger will be issued in reliance upon the exemption from registration afforded by Section 4(a)(2) of the Securities Act. Each Good Start Noteholder and Good Start Plan Participant made certain representations as to such Good Start Noteholder or Good Start Plan Participant and that shares of the Company would be acquired for such Good Start Noteholder's or Good Start Plan Participant's own account for investment purposes only and not with a view to, or for sale in connection with, any distribution thereof, and that such Good Start Noteholder or Good Start Plan Participant could bear the risks of the investment and could hold the shares for an indefinite period of time.

The foregoing description of the Good Start Merger Agreement does not purport to be complete and is qualified in its entirety by reference to a copy of the Good Start Merger Agreement attached hereto as Exhibit 2.2 and which is incorporated herein by reference.

The CombiMatrix Merger Agreement and the Good Start Merger Agreement have been included to provide investors and security holders with information regarding their terms. They are not intended to provide any other factual information about the Company, CombiMatrix or Good Start. The Agreements contain representations and warranties by the Company and CombiMatrix, on the one hand, and the Company and Good Start, on the other hand, and are made solely for the benefit of the respective parties thereto. The assertions embodied in those representations and warranties are qualified by information in confidential disclosure schedules delivered by the parties to each other in connection with the signing of the CombiMatrix Merger Agreement and the Good Start Merger Agreement. Certain representations and warranties in those agreements were made as of a specified date, may be subject to a contractual standard of materiality different from what might be viewed as material to investors, or may have been used for the purpose of allocating risk between the parties thereto. Accordingly, the representations and warranties in the CombiMatrix Merger Agreement or the Good Start Merger Agreement should not be relied on by any persons as characterizations of the actual state of facts at the time they were made or otherwise. In addition, information concerning the subject matter of the representations and warranties may change after the date of the respective agreements, which subsequent information may or may not be fully reflected in the Company's public disclosures.

The net proceeds to the Company from the Private Placement, after deducting the placement agent fees and other expenses payable by the Company, are expected to be approximately \$68.8 million. The securities to be sold in the Private Placement have not been registered under the Securities Act or applicable state securities laws and may not be offered or sold in the United States absent registration under the Securities Act or an exemption from such registration requirements. Each share of Series A Preferred Stock is convertible at any time at the option of the holder thereof into a number of shares of the Company's Common Stock determined by dividing the Stated Value by the conversion price per share, as it may be adjusted from time to time pursuant to the terms of the Certificate of Designation, which shall initially be \$8.50, subject to a blocker provision on conversion if the holder would exceed a specified threshold of voting security ownership (which percentage may subsequently be increased or decreased to any other percentage at the holder's election). The Series A Preferred Stock will have the right to receive dividends, first or simultaneously with payment of dividends to common stock, in an amount equal to the product of (i) the dividend payable on each share of common stock and (ii) the number of shares of common stock issuable upon conversion of a share of Series A Preferred Stock. The Series A Preferred Stock will have no voting rights except as required by law, as modified by the Company's Amended and Restated Certificate of Incorporation. In the event of any liquidation or dissolution of the Company, the Series A Preferred Stock is entitled to receive \$0.001 per share prior to the payment of any amount to any holders of capital stock of the Company ranking junior to the Series A Preferred Stock and thereafter shall participate *pari passu* with the holders of the Company's common stock (on an as-if-converted-to-common-stock basis).
