ITEM 1 ELECTION OF TRUSTEES

The Board of Trustees (the Board), which oversees each Trust, provides broad supervision over the affairs of each Trust. Those Trustees who are not interested persons (as defined in the Investment Company Act of 1940, as amended (the 1940 Act)) of your Trust or of MFS are referred to as Independent Trustees throughout this Proxy Statement. MFS is responsible for the investment management of each Trust's assets and for providing a variety of other administrative services to each Trust. The officers of each Trust are responsible for its operations.

The Board currently consists of eleven trustees, nine of whom are Independent Trustees. An Independent Trustee serves as Chair of the Board. In addition, each of the seven standing Committees of the Board, to which the Board has delegated certain authority and oversight responsibilities, is comprised exclusively of Independent Trustees. For a description of the oversight functions of each of the Committees, see Committees below. In connection with each of the Board's regular meetings, the Independent Trustees meet separately from MFS with their counsel and with the Trusts' Independent Senior Officer, who is independent of MFS and advises the Independent Trustees regarding contract review, compliance and business matters. The Board reviews its leadership structure periodically and believes that its structure is appropriate to enable the Board to exercise its oversight of the Trusts.

The Trusts have retained MFS as the Trusts' investment adviser and administrator. MFS provides the Trusts with investment advisory services, and is responsible for day-to-day administration of the Trusts and management of the risks that arise from the Trusts' investments and operations. Certain employees of MFS serve as the Trusts' officers, including the Trusts' principal executive officer and principal financial and accounting officer. The Board provides oversight of the services provided by MFS and its affiliates, including the risk management activities of MFS and its affiliates. In addition, each Committee of the Board provides oversight of risk management activities with respect to the particular activities within the Committee's purview. In the course of providing oversight, the Board and the Committees receive a wide range of reports on the Trusts' activities, including each Trust's investment portfolio, the compliance of the Trusts with applicable laws, and the Funds' financial accounting and reporting. The Board and the relevant Committees meet periodically with MFS' Chief Risk Officer, and MFS' Chief Investment Risk Officer to receive reports on MFS and its affiliates' risk management activities, including their efforts to (i) identify key risks that could adversely affect the Trusts or MFS; (ii) implement processes and controls to mitigate such key risks; and (iii) monitor business and market conditions in order to facilitate the processes in (i) and (ii) above. In addition, the Board and the relevant Committees oversee the risk management activities related to the key risks associated with services provided by various non-affiliated service providers through the receipt of reports prepared by MFS, and, in certain circumstances, through the receipt of reports directly from service providers, such as in the case of each Trusts auditor, custodian, and pricing service providers. The Independent Trustees also meet regularly with the Trusts' Chief Compliance Officer (who is also MFS' Chief Compliance Officer) to receive reports regarding the compliance of the Trusts with the federal securities laws and the Trusts' compliance policies and procedures. In addition, the Board meets periodically with the portfolio managers of the Trusts to receive reports regarding the management of the Trusts, including their investment risks.

Effective as of the election and qualification of the nominees at the 2017 Annual Meeting of Shareholders, the Board has fixed the number of Trustees of each Trust at eleven. Under the provisions of each Trust's Declaration of Trust, the Trustees are divided into three classes, each having a term of three years. Under the terms of the Boards' retirement policy, an Independent Trustee shall retire at the end of the calendar

year in which he or she reaches the earlier of 75 years of age or 15 years of service on the Board (or, in the case of an Independent Trustee who joined the Board prior to 2015, 20 years of service on the Board).

For each of MFS Charter Income Trust, MFS Government Markets Income Trust, MFS Intermediate High Income Fund, MFS Intermediate Income Trust, MFS Multimarket Income Trust, and MFS Special Value Trust, the Nomination and Compensation Committee has selected and nominated, and recommended that the Board nominate, for election by shareholders, Steven E. Buller, Michael Hegarty, and John P. Kavanaugh as Trustees of the class whose term will expire at the 2020 Annual Meeting of Shareholders (or special meeting in lieu thereof) of the Trust, in each case, to hold office until his or her successor is elected and qualified. The Board has nominated each of the individuals selected and nominated by the Committee. Each nominee is presently a Trustee of MFS Charter Income Trust, MFS Government Markets Income Trust, MFS Intermediate High Income Fund, MFS Intermediate Income Trust, MFS Multimarket Income Trust, and MFS Special Value Trust and has agreed to serve as a Trustee of each Trust if elected. The Board recommends that you vote in favor of their election.

For each of MFS California Municipal Fund, MFS High Income Municipal Trust, MFS High Yield Municipal Trust, MFS Investment Grade Municipal Trust, and MFS Municipal Income Trust, the Nomination and Compensation Committee has selected and nominated, and recommended that the Board nominate, for election by common and preferred shareholders, voting together as a single class, Steven E. Buller and Michael Hegarty as Trustees of the class whose term will expire at the 2020 Annual Meeting of Shareholders (or special meeting in lieu thereof) to hold office until his or her successor is elected and qualified. The Nomination and Compensation Committee has also selected and nominated, and recommended that the Board nominate, for election by preferred shareholders only, voting as a separate class, John P. Kavanaugh and Laurie J. Thomsen for a term that will expire at the next annual meeting of shareholders (or special meeting in lieu thereof) to hold office until his or her successor is elected and qualified. The Board has nominated each of the individuals selected and nominated by the Committee. Each nominee is presently a Trustee of MFS California Municipal Fund, MFS High Income Municipal Trust, MFS High Yield Municipal Trust, MFS Investment Grade Municipal Trust, and MFS Municipal Income Trust and has agreed to serve as Trustee of each Trust if elected. The Board recommends that you vote in favor of their election.

It is intended that, absent contrary instructions, proxies will be voted in favor of electing Steven E. Buller, Michael Hegarty, John P. Kavanaugh, and Laurie J. Thomsen. If, before the election, any nominee refuses or is unable to serve, proxies will be voted for a replacement nominee designated by each Trust's current Trustees, or the Trustees may fix the number of Trustees at fewer than eleven for a Trust.

The following provides an overview of the considerations that led the Board to conclude that each individual serving as a Trustee of the Trust should so serve. The current members of the Board have joined the Board at different points in time since 2004. Generally, no one factor was decisive in the original selection of an individual to join the Board. Among the factors the Board considered when concluding that an individual should serve on the Board were the following: (i) the individual's business and professional experience and accomplishments; (ii) the individual's ability to work effectively with the other members of the Board; (iii) the individual's prior experience, if any, serving on the boards of public companies (including, where relevant, other investment companies) and other complex enterprises and organizations; and (iv) how the individual's skills, experience and attributes would contribute to an appropriate mix of relevant skills and experience on the Board.

In respect of each current Trustee, the individual's substantial professional accomplishments and prior experience, including, in some cases, in fields related to the operations of the Trusts, were a significant factor in the determination that the individual should serve as a Trustee of the Trusts. Following is a summary of each Trustee's professional experience and additional considerations that contributed to the Board's conclusion that an individual should serve on the Board:

- (1) The number of committee meetings for the fiscal years ending October 31, 2016 and November 30, 2016 is the same for all committees.
- (2) Independent Trustees. Although Mr. Gunning is not a member of all Committees of the Board, he is invited to and attends many of the Committees' meetings in his capacity as Chair of the Board.
- (3) Audit Committee Financial Expert.
- * Independent Trustees

The Trustees generally hold at least 8 regular meetings each calendar year. These regular meetings generally take place over a two-day period. The performance and operations of each of the Trusts is reviewed by the Trustees at each meeting and more in-depth reviews of particular Trusts are conducted by the Trustees throughout the year. During the fiscal years ended October 31, 2016 and November 30, 2016, each Trust held 8 Board meetings. Each Trustee attended at least 75% of the Board and applicable committee meetings noted for each Trust.

Audit Committee

Each Trust's Audit Committee consists only of Independent Trustees. Each Trust's Audit Committee's statement on the Trust's most recent audited financials is included below under the heading Independent Registered Public Accounting Firm. Each Trust's Board has adopted a written charter for the Audit Committee. A copy of the Committee's charter is available at www.mfs.com (once you have selected Individual Investor Home as your role, click on Products and Services to view the various product sets available for that role, and click on Closed-End Funds. Next, click the Closed-End Fund name and click the Resources tab).

Nomination and Compensation Committee

The Trustees have adopted a written charter for the Nomination and Compensation Committee. A copy of the Committee's charter is available at www.mfs.com (once you have selected Individual Investor Home as your role, click on Products and Services to view the various product sets available for that role, and click on Closed-End Funds. Next, click the Closed-End Fund name and click the Resources tab).

Each Trust's Nomination and Compensation Committee consists only of Independent Trustees.

The Nomination and Compensation Committee requires that Trustee candidates have a college degree or equivalent business experience, but has not otherwise established specific, minimum qualifications that must be met by an individual to be considered by the Committee for nomination as a Trustee. The Nomination and Compensation Committee may take into account a wide variety of factors in considering Trustee candidates, including, but not limited to: (i) availability and commitment of a candidate to attend

meetings and perform his or her responsibilities to the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) financial expertise; (v) an assessment of the candidate's ability, judgment and expertise; (vi) overall diversity of the composition of the Board; and (vii) such other factors as the Committee deems appropriate. While the Committee has not adopted a particular definition of diversity, when considering a nominee's and the Board's diversity, the Committee generally considers the manner in which each nominee's professional experience, expertise in matters that are relevant to the oversight of the Funds (e.g., investment management, distribution, accounting, trading, compliance, legal), general leadership experience, and life experience (including with respect to gender and ethnicity) are complementary and, as a whole, contribute to the ability of the Board to oversee the Funds. The Nomination and Compensation Committee may consider candidates for Trustee recommended by each Trust's current Trustees, officers or shareholders or by MFS or any other source deemed appropriate by the Nomination and Compensation Committee. The Nomination and Compensation Committee may, but is not required to, retain a third-party search firm at the applicable Trust's expense to identify potential candidates.

The Nomination and Compensation Committee will review and consider nominees recommended by shareholders to serve as Trustee, provided that the recommending shareholder follows the Procedures for Shareholders to Submit Nominee Candidates, which are set forth as Appendix B to the Trusts' Nomination and Compensation Committee Charter (which is available at www.mfs.com). Among other requirements, these procedures provide that the recommending shareholder must submit any recommendation in writing to the Trust, to the attention of the Trust's Secretary, at the address of the principal executive offices of the Trust. Any recommendation must include certain biographical information and other information regarding the candidate and the recommending shareholder, and must include a written and signed consent of the candidate to be named as a nominee and to serve as a Trustee if elected. The Nomination and Compensation Committee takes the diversity of a particular nominee and the overall diversity of the Board into account when considering and evaluating nominees for trustee. The foregoing description is only a summary.

The Nomination and Compensation Committee has full discretion to reject nominees recommended by shareholders, and there is no assurance that any such person properly recommended and considered by the Committee will be nominated for election to the Board of a Trust.

Share Ownership

As of July 31, 2017, the Trustees and officers of each Trust as a group owned less than 1% of the outstanding shares of any Trust. The Board has adopted a policy requiring that each Independent Trustee shall have invested on an aggregate basis, within two years of membership on the Board, an amount equal to his or her prior calendar year's base retainer and meeting attendance fees in shares of the MFS Funds.

The following table shows the dollar range of equity securities beneficially owned by each nominee or Trustee (a) of each Trust and (b) on an aggregate basis, in the MFS Funds overseen by the nominee or Trustee, as of July 31, 2017.

The following dollar ranges apply:

- N. None
- A. \$1 - \$10,000
- B. \$10,001 - \$50,000

Shareholder Communications with the Board of Trustees

The Board of Trustees of each Trust has adopted procedures by which shareholders may send communications to the Board. Shareholders may mail written communications to the Board of Trustees, [Name of Trust], Massachusetts Financial Services Company, 111 Huntington Avenue, Boston, Massachusetts 02199, Attention: Frank Tarantino, Independent Senior Officer (ISO) of the Fund. Shareholder communications must (i) be in writing and be signed by the shareholder, (ii) identify the MFS Trust to which they relate and (iii) identify the class and number of shares held by the shareholder. The ISO is responsible for reviewing all properly submitted shareholder communications. The ISO shall either (i) provide a copy of each properly submitted shareholder communication to the Board at its next regularly scheduled meeting or (ii) if the ISO determines that the communication requires more immediate attention, forward the communication to the Chair of the Trustees promptly after receipt. The ISO may, in good faith, determine that a shareholder communication should not be provided to the Board because it is ministerial in nature (such as a request for Trust literature, share data or financial information). The ISO may in such cases forward the communication to the appropriate party or parties at MFS. These procedures do not apply to (i) any communication from an officer or Trustee of the Trust, (ii) any communication from an employee or agent of the Trust, unless such communication is made solely in such employee's or agent's

capacity as a shareholder or (iii) any shareholder proposal submitted pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, as amended, or any communication made in connection with such a proposal. Each Trust's Trustees are not required to attend the Trust's shareholder meetings or to otherwise make themselves available to shareholders for communications, other than pursuant to the aforementioned procedures. No Board members attended the 2016 Annual Meeting of Shareholders.

Each Trust's Declaration of Trust currently provides that the Trust will indemnify its Trustees and officers against liabilities and expenses incurred in connection with litigation in which they may be involved because of their offices with the Trust, unless it is finally adjudicated or, in case of a settlement, it has been determined by Trustees not involved in the matter or independent legal counsel, that they have not acted in good faith in the reasonable belief that their actions were in the best interests of the Trust or that they engaged in willful misfeasance or acted with bad faith, gross negligence or reckless disregard of the duties involved in the conduct of their offices.
