**Item 1.01 Entry into a Material Definitive Agreement.**

On February 12, 2018, Lennar Corporation (the Company) amended and restated the credit agreement governing its unsecured revolving credit facility (the Credit Facility) to, among other things, increase the maximum potential borrowings from \$2.0 billion to \$2.6 billion and extend the maturity of the Class A lenders' commitments, which are currently \$2.1 billion, from June 2022 to April 2023. The Class B lender's commitment, which currently is \$70 million, terminates in June 2018, and the Class C lender's commitment, which currently is \$50 million, terminates in June 2020. The \$2.6 billion includes an accordion feature, subject to additional commitments.

The Sixth Amended and Restated Credit Agreement (the Credit Agreement) is among the Company, as borrower, JPMorgan Chase Bank, N.A., as swingline lender, issuing lender, and administrative agent and the several lenders from time to time parties thereto. The Credit Facility consists of a revolving loan under which amounts may be borrowed, repaid and redrawn. The proceeds available under the Credit Facility may be used for working capital and general corporate purposes.

In connection with the Credit Agreement, the Company entered into a Sixth Amended and Restated Guarantee Agreement (the Guarantee Agreement), dated as of February 12, 2018, in which substantially all of the Company's wholly-owned homebuilding subsidiaries and some of the Company's other subsidiaries guaranteed the Company's obligations under the Credit Agreement. The descriptions of the Credit Agreement and the Guarantee Agreement are qualified in their entirety by reference to the full and complete terms contained in the Credit Agreement and the Guarantee Agreement, each of which is an exhibit to this Report on Form 8-K.

The Company and certain of its affiliates from time to time enter into commercial financial arrangements with almost all the lenders under the Credit Facility and/or their respective affiliates, and affiliates of some of the lenders provide financial, advisory, investment banking and other services to the Company and its affiliates. In addition, affiliates of certain of the lenders serve as underwriters of Company's issuances of senior notes.
