**Item 1.01 Entry into a Material Definitive Agreement.**

On June 8, 2018, Republic Services, Inc. (the Company) entered into a \$2.25 billion revolving credit facility pursuant to a Credit Agreement with Bank of America, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer and the other lenders party thereto (the Credit Agreement).

The Credit Agreement is unsecured and will mature in June 2023. The Company may request two one-year extensions of the maturity date, but none of the lenders are committed to participate in such extensions. The Credit Agreement includes a feature that allows the Company to increase availability under the facility, at the Company's option, by an aggregate amount of up to \$1.0 billion, through increased commitments from existing lenders or the addition of new lenders, subject to obtaining additional commitments and other customary conditions. At the Company's option, and subject to customary conditions, borrowings bear interest at a base rate or a Eurodollar rate, plus an applicable margin based on the Company's debt ratings. Available amounts subject to outstanding letters of credit, and outstanding principal, accrued and unpaid interest and other amounts payable under the facility, may be accelerated upon the occurrence of customary events of default, including (subject to certain materiality thresholds and grace periods) payment defaults, failures to comply with covenants, material inaccuracies of representations or warranties, bankruptcy or insolvency proceedings, changes of control, ERISA matters and cross-defaults to other debt agreements.

The Credit Agreement contains customary affirmative and negative covenants, including, among other things, covenants requiring the Company to maintain certain financial ratios (including a minimum ratio of EBITDA, as defined in the Credit Agreement, to interest and a maximum ratio of total debt to EBITDA). The Company may pay dividends and repurchase common stock if it is in compliance with these covenants.

The foregoing description of the Credit Agreement does not purport to be complete, and is qualified in its entirety by reference to the full text of the Credit Agreement, which is attached hereto as Exhibit 4.1 and is incorporated herein by reference.

**Item 1.02 Termination of a Material Definitive Agreement.**

On June 8, 2018, and in connection with the execution and delivery of the Credit Agreement described in Item 1.01 above, the Company terminated its two existing committed credit facilities (each a Prior Facility, and together, the Prior Facilities). The first Prior Facility was for \$1.0 billion and was evidenced by the Second Amended and Restated Credit Agreement, dated as of May 2, 2016, among the Company, Bank of America, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer, and other lenders party thereto. The second Prior Facility was for \$1.25 billion and was evidenced by the Credit Agreement, dated as of June 30, 2014, as amended, among the Company, Bank of America, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer, and other lenders party thereto. The Company used available liquidity to repay all indebtedness and fees outstanding under the Prior Facilities. The disclosure provided in Item 1.01 above is incorporated herein by reference.

**Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant.**

On June 8, 2018, the Company entered into a \$2.25 billion Credit Agreement. The information required by Item 2.03 of Form 8-K is included in Item 1.01 above and is incorporated herein by reference.
