**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On August 24, 2018, the Compensation Committee (the Committee) of the Board of Directors of Whiting Petroleum Corporation (the Company) approved, and the executive officers of the Company, including the Company's named executive officers, executed, a letter agreement (the Letter Agreement) amending outstanding equity awards that had been granted under the Company's 2013 Equity Incentive Plan (the Plan) to such officers and the Executive Employment and Severance Agreement (the Employment Agreement) between the Company and each of such officers. The amendments to the outstanding equity awards apply to all of the outstanding restricted stock and performance share awards granted to the officers of the Company, including the Company's named executive officers, in 2016, 2017 and 2018.

The amendments to the outstanding restricted stock awards provide that if the award holder's employment terminates as a result of the award holder's retirement after age 60 with at least 10 years of service (a Qualifying Retirement) or death while eligible for a Qualifying Retirement, then all of the unvested restricted stock subject to the award will vest and be released. The amendments to the outstanding performance share awards provide that, if the award holder's employment is terminated as a result of the award holder's Qualifying Retirement or death while eligible for a Qualifying Retirement, then a pro rata portion of the performance shares will vest and be released, subject to the Committee's determination of the number of shares earned based on performance through the end of the relevant performance period. The amendment to the Employment Agreement removes an exception to the non-competition obligations for service as a director of certain entities. A copy of the Letter Agreement is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

A new form of Restricted Stock Unit Award Agreement (Stock-Settled) (the RSU Award Agreement) and a new form of Performance Share Unit Award Agreement (together with the RSU Award Agreement, the New Award Agreements) that include vesting terms similar to the amendments to outstanding awards described above and approved by the Committee for use in granting future awards under the Plan are attached hereto as Exhibits 10.2 and 10.3, respectively, and incorporated herein by reference.
