Item 3.03. Material Modification to the Rights of Security Holders.

In connection with the public offering (the Offering) by Danaher Corporation (the Company) of 1,500,000 shares representing \$1.5 billion aggregate liquidation preference (the Firm Shares), as well as an additional 150,000 shares representing \$150 million additional aggregate liquidation preference to cover over-allotments (the Option Shares and together with the Firm Shares, the Shares), of its 4.75% Mandatory Convertible Preferred Stock, Series A, without par value (the Mandatory Convertible Preferred Stock), and the concurrent offering of Common Stock by the Company described under Item 8.01 below, the Company filed a Certificate of Designations (the Certificate of Designations) with the Secretary of State of the State of Delaware on February 28, 2019 to establish the designations, powers, preferences and rights of the Mandatory Convertible Preferred Stock and the qualifications, limitations and restrictions thereof, including the dividend rate, the redemption provisions, the amount payable with respect thereto in the event of the Company s voluntary or involuntary liquidation, winding-up or dissolution, restrictions on the issuance of shares of the same series or of any other class or series, the terms and conditions of conversion of the Mandatory Convertible Preferred Stock and the voting rights of the Mandatory Convertible Preferred Stock. The Certificate of Designations became effective upon acceptance of such filing.

Subject to certain exceptions, so long as any share of Mandatory Convertible Preferred Stock remains outstanding, no dividend or distribution will be declared or paid on shares of the Company s common stock or any other class or series of stock ranking junior to the Mandatory Convertible Preferred Stock, and no common stock or any other class or series of stock ranking junior to the Mandatory Convertible Preferred Stock will be purchased, redeemed or otherwise acquired for consideration by the Company or any of its subsidiaries unless, in each case, all accumulated and unpaid dividends for all preceding dividend periods have been declared and paid, or a sufficient amount of cash or number of shares of the Company s common stock has been set apart for the payment of such dividends, on all outstanding shares of Mandatory Convertible Preferred Stock.

Unless converted or redeemed earlier in accordance with the terms of the Certificate of Designations, each share of Mandatory Convertible Preferred Stock will mandatorily convert on the mandatory conversion date, which is expected to be April 15, 2022, into between 6.6368 and 8.1300 shares of the Company s common stock, subject to customary anti-dilution adjustments. The number of shares of the Company s common stock issuable upon conversion will be determined based on the average volume-weighted average price per share of the Company s common stock over the 20 consecutive trading day period beginning on, and including, the 21st scheduled trading day immediately before April 15, 2022.

Subject to the rights of holders of any class or series of the Company s capital stock ranking senior to the Mandatory Convertible Preferred Stock with respect to dividends, holders of Mandatory Convertible Preferred Stock will be entitled to receive, when, as and if declared by the Company s board of directors, or an authorized committee thereof, out of funds legally available for payment, cumulative dividends at the annual rate of 4.75% of the liquidation preference of \$1,000 per share (equivalent to \$47.50 annually per share), payable in cash or, subject to certain limitations, by delivery of shares of the Company s common stock or any combination of cash and shares of the Company s common stock, at the Company s election. If declared, dividends on the Mandatory Convertible Preferred Stock will be payable quarterly on January 15, April 15, July 15 and October 15 of each year, commencing on July 15, 2019 to, and including, April 15, 2022, to the holders of record of the Mandatory Convertible Preferred Stock as they appear on the Company s stock register at the close of business on the immediately preceding December 31, March 31, June 30 and September 30.

If the Company's proposed acquisition of the Biopharma business of GE Life Sciences (the Acquisition) has not closed on or before 5:00 p.m. (New York City time) on August 25, 2020, the Equity and Asset Purchase Agreement with General Electric Company relating to the Acquisition is terminated or the Company's board of directors, in its good faith judgment, determines that the Acquisition will not occur, the Company has the option to redeem the shares of the Mandatory Convertible Preferred Stock, in whole but not in part, subject to certain terms and conditions.

Upon the Company's voluntary or involuntary liquidation, winding-up or dissolution, each holder of Mandatory Convertible Preferred Stock will be entitled to receive a liquidation preference in the amount of \$1,000 per share of Mandatory Convertible Preferred Stock, plus an amount equal to accumulated and unpaid dividends on such shares to, but excluding, the date fixed for liquidation, winding-up or dissolution to be paid out of the Company's assets legally available for distribution to its stockholders, after satisfaction of debt and other liabilities owed to the Company's creditors and holders of shares of its stock ranking senior to the Mandatory Convertible Preferred Stock and before any payment or distribution is made to holders of any stock ranking junior to the Mandatory Convertible Preferred Stock (including the Company's common stock).

The above description of the Certificate of Designations is qualified in its entirety by reference to the Certificate of Designations, which is filed as Exhibit 3.1 to this Current Report on Form 8-K and is incorporated herein by reference.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On February 28, 2019, the Company filed the Certificate of Designations with the Secretary of State of the State of Delaware to establish the designations, powers, preferences and rights of the Mandatory Convertible Preferred Stock and the qualifications, limitations and restrictions thereof, including the dividend rate, the redemption provisions, the amount payable with respect thereto in the event of the Company's voluntary or involuntary liquidation, winding-up or dissolution, the terms and conditions of conversion of the Mandatory Convertible Preferred Stock and the voting rights of the Mandatory Convertible Preferred Stock. The Certificate of Designations, a copy of which is incorporated by reference as Exhibit 3.1 to this Current Report on Form 8-K, became effective upon acceptance of such filing. The information set forth under Item 3.03 above is incorporated herein by reference.
