Explanatory Note

On April 15, 2019, GameStop Corp., a Delaware corporation (the Registrant), granted to Mr. Sherman 671,141 shares of restricted stock under the Make Whole Inducement Award Agreement and 503,356 shares of restricted stock under the 2019 Annual Award Inducement Award (together with the Make Whole Inducement Award Agreement, the Inducement Award Agreements). Each award consists of 50% time-vested restricted stock and 50% performance-based restricted stock. The 587,248 shares of performance-based restricted stock granted to Mr. Sherman represent the number of shares that would be earned at target levels of performance (the Target Shares). The actual number of shares of performance-based restricted stock that may be earned under these awards will vary between 0 to 200% of the Target Shares, with any above-target shares being issued at the time performance is actually determined. The Inducement Award Agreements were granted outside of the terms of the Registrant's stockholder-approved equity plan as an employment inducement grant under New York Stock Exchange Listing Rule 303A.08.

2. Description of the Registrant's Class A Common Stock, par value \$.001 per share, contained in Item I of the Registrant's Registration Statement on Form 8-A, filed with the Commission on October 3, 2005.

All documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act prior to the filing of a post-effective amendment which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference into this Registration Statement and to be a part hereof from the date of filing of such documents; provided, however, that documents or information deemed to have been furnished and not filed in accordance with Commission rules shall not be deemed incorporated by reference into this Registration Statement. Item 4. Description of Securities.

Not Applicable.

Item 5. Interest of Named Experts and Counsel.

Not Applicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law (the DGCL) and Article X of the Registrant's Fifth Amended and Restated By-laws (the By-laws) provide for the indemnification of the Registrant's directors and officers in a variety of circumstances, which may include liabilities under the Securities Act.

Edgar Filing: GameStop Corp. - Form S-8

Section 145 of the DGCL also provides that the indemnification and advancement of expenses provided by, or granted pursuant to, Section 145 shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any by-law, vote of stockholders or disinterested directors or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office.

Section 145 of the DGCL also provides that a corporation has the power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation,

partnership, joint venture, trust or other enterprise, against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability under this Section 145.

Article X of the Registrant's By-laws generally requires the Registrant to indemnify its directors and officers against all liabilities (including judgments, settlements, fines and penalties) and reasonable expenses incurred in connection with the investigation, defense, settlement or appeal of any type of action, whether instituted by a third party or a stockholder (either directly or derivatively) and including specifically, but without limitation, actions brought under the Securities Act and/or the Exchange Act.

In addition, the Registrant's Third Amended and Restated Certificate of Incorporation (the Certificate of Incorporation) contains a provision which eliminates the personal liability of a director to the Registrant and its stockholders for certain breaches of his or her fiduciary duty of care as a director. This provision does not, however, eliminate or limit the personal liability of a director (i) for any breach of such director's duty of loyalty to the Registrant or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under the Delaware statutory provision making directors personally liable, under a negligence standard, for unlawful dividends or unlawful stock repurchases or redemptions, or (iv) for any transaction from which the director derived an improper personal benefit. This provision offers persons who serve on the Board of Directors of the Registrant protection against awards of monetary damages resulting from breaches of their duty of care (except as indicated above), including grossly negligent business decisions made in connection with takeover proposals for the Registrant. As a result of this provision, the ability of the Registrant or a stockholder thereof to successfully prosecute an action against a director for a breach of his or her duty of care has been limited. However, the provision does not affect the availability of equitable remedies such as an injunction or rescission based upon a director's breach of his or her duty of care. The Commission has taken the position that the provision will have no effect on claims arising under the federal securities laws.

The above discussion of the DGCL, the Certificate of Incorporation and the By-laws is not intended to be exhaustive and is qualified in its entirety by such statutes, Certificate of Incorporation and By-laws, as applicable.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 9. Undertakings.

1. The undersigned Registrant hereby undertakes:

(a) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment hereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (1)(a)(i) and (1)(a)(ii) will not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

2. The undersigned Registrant hereby further undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions described under Item 6 above, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or

Edgar Filing: GameStop Corp. - Form S-8

controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act, as amended, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Grapevine, State of Texas, on the 15th day of April, 2019.
