This process allows us to provide our stockholders with the information they need on a more timely basis, while reducing the environmental impact and lowering the costs of printing and distributing our proxy materials.

PROXY STATEMENT

FOR THE 2019 ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION

Our Board of Directors (the Board of Directors or Board) has made this Proxy Statement and related materials available to you on the Internet, or at your request has delivered printed versions to you by mail, in connection with the Board of Directors solicitation of proxies for our 2019 Annual Meeting of Stockholders (the Annual Meeting), and any adjournment of the Annual Meeting. If you requested printed versions of these materials by mail, they will also include a proxy card for the Annual Meeting.

Pursuant to rules adopted by the Securities and Exchange Commission (SEC), we are providing access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the Notice) to our stockholders of record and beneficial owners as of the record date identified below. The mailing of the Notice to our stockholders is scheduled to begin by April 26, 2019.

IMPORTANT NOTICE REGARDING THE INTERNET AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL STOCKHOLDERS MEETING TO BE HELD ON JUNE 7, 2019: *This proxy statement, the accompanying proxy card or voting instruction card and our 2018 Annual Report on Form 10-K are available at <http://www.proxyvote.com>.*

In this Proxy Statement, the terms the Company, T2 Biosystems, we, us, and our refer to T2 Biosystems, Inc. and its wholly owned subsidiary. The mailing address of our principal executive offices is T2 Biosystems, Inc., 101 Hartwell Ave., Lexington, MA 02421.

EXPLANATORY NOTE

We are an emerging growth company under applicable federal securities laws and therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this proxy statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012 (the JOBS Act), including the compensation disclosures required of a smaller reporting company, as that term is defined in Rule 12b-2 promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act). In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We will remain an emerging growth company until the earliest of (i) the last day of the fiscal year in which we have total annual gross revenues of \$1 billion or more; (ii) December 31, 2019; (iii) the date on which we have issued more than \$1 billion in nonconvertible debt during the previous three years; or (iv) the date on which we are deemed to be a large accelerated filer under the rules of the SEC.

Stockholders Entitled to Vote; Record Date

As of the close of business on April 12, 2019, the record date for determination of stockholders entitled to vote at the Annual Meeting, there were outstanding 44,339,243 shares of our common stock, par value \$0.001 per share, all of which are entitled to vote with respect to all matters to be acted upon at the Annual Meeting. Each stockholder of record is entitled to one vote for each share of our common stock held by such stockholder. No shares of T2

Biosystems preferred stock were outstanding as of April 12, 2019.

Quorum; Abstentions; Broker Non-Votes

Our By-laws provide that a majority of the shares entitled to vote, present in person or represented by proxy, will constitute a quorum for the transaction of business at the Annual Meeting. Under the General Corporation Law of the State of Delaware (the DGCL), shares that are voted abstain or withheld and broker non-votes are counted as present for purposes of determining whether a quorum is present at the Annual Meeting.

Table of Contents

Under our By-laws, any proposal other than an election of directors is decided by a majority of the votes properly cast for and against such proposal, except where a larger vote is required by law or by our Certificate of Incorporation or By-laws. Abstentions and broker non-votes are not included in the tabulation of the voting results on any such proposal and, therefore, do not have the effect of votes in opposition to such proposals. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

If your shares are held in street name by a brokerage firm, your brokerage firm is required to vote your shares according to your instructions. If you do not give instructions to your brokerage firm, the brokerage firm will only be able to vote your shares with respect to certain discretionary items, but will not be allowed to vote your shares with respect to non-discretionary items. Proposal 1 is a non-discretionary item. If you do not instruct your broker how to vote with respect to this proposal, your broker may not vote, and those votes will be counted as broker non-votes. Proposal 2 is considered to be a discretionary item, and your brokerage firm will be able to vote on this proposal even if it does not receive instructions from you.

Voting

In Person

If you are a stockholder of record, you may vote in person at the meeting. We will give you a ballot when you arrive. If you hold your shares through a bank or broker and wish to vote in person at the meeting, you must obtain a valid proxy from the firm that holds your shares. No appraisal rights are available under Delaware Law or under the Current Certificate or the Company's bylaws to any stockholder who dissents from this proposal.

By Proxy

If you do not wish to vote in person or will not be attending the meeting, you may vote by proxy. You can vote by proxy over the Internet by following the instructions provided in the Notice, or, if you requested printed copies of the proxy materials by mail, you can vote by mailing your proxy as described in the proxy materials. You may also authorize another person or persons to act for you as proxy in a writing, signed by you or your authorized representative, specifying the details of those proxies' authority. The original writing must be given to each of the named proxies, although it may be sent to them by electronic transmission if, from that transmission, it can be determined that the transmission was authorized by you. If you complete and submit your proxy before the meeting, the persons named as proxies will vote the shares represented by your proxy in accordance with your instructions. If you submit a proxy without giving voting instructions, your shares will be voted in the manner recommended by the Board of Directors on all matters presented in this Proxy Statement, and as the persons named as proxies may determine in their discretion with respect to any other matters properly presented at the meeting.

If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the Annual Meeting to another time or place (including, without limitation, for the purpose of soliciting additional proxies), the persons named in the enclosed proxy card and acting thereunder will have discretion to vote on those matters in accordance with their best judgment. We do not currently anticipate that any other matters will be raised at the Annual Meeting.

Revocability of Proxy

You may revoke your proxy by (1) following the instructions on the Notice and entering a new vote by mail or over the Internet before the Annual Meeting or (2) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself revoke a proxy). Any written notice of revocation or subsequent proxy card must be received by our Secretary prior to the taking of the vote at the

Table of Contents

Annual Meeting. Such written notice of revocation or subsequent proxy card should be hand delivered to our Secretary or sent to our principal executive offices at T2 Biosystems, Inc., 101 Hartwell Ave., Lexington, MA 02421, Attention: Corporate Secretary.

If a broker, bank, or other nominee holds your shares, you must contact them in order to find out how to change your vote.

Expenses of Solicitation

T2 Biosystems is making this solicitation and will pay the entire cost of preparing and distributing the Notice and these proxy materials and soliciting votes. If you choose to access the proxy materials or vote over the Internet, you are responsible for any Internet access charges that you may incur. Our officers and employees may, without compensation other than their regular compensation, solicit proxies through further mailings, personal conversations, facsimile transmissions, e-mails, or otherwise. We have hired Broadridge Financial Solutions, Inc. to assist us in the distribution of proxy materials and the solicitation of votes described above. Proxy solicitation expenses that we will pay include those for preparation, mailing, returning, and tabulating the proxies.

OVERVIEW OF PROPOSALS

This Proxy Statement contains two proposals requiring stockholder action. Proposal 1 requests the election of one director to the Board of Directors. Proposal 2 requests the ratification of the appointment of BDO as our independent registered public accounting firm for the fiscal year ending December 31, 2019. The proposals are discussed in more detail in the pages that follow.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors is divided into three classes. One class is elected each year at the annual meeting of stockholders for a term of three years. Vacancies on the Board of Directors are filled exclusively by the affirmative vote of a majority of the remaining directors, even if less than a quorum is present, and not by stockholders. A director elected by the Board of Directors to fill a vacancy in a class shall hold office for the remainder of the full term of that class, and until the director's successor is duly elected and qualified or until his or her earlier resignation, death, or removal.

The terms of the Class II directors are scheduled to expire on the date of the upcoming Annual Meeting. Based on the recommendation of the nominating and corporate governance committee of the Board of Directors, the Board of Directors' nominees for election by the stockholders is the only current Class II member: Michael Cima. If elected, the nominee will serve as a director until the annual meeting of stockholders in 2022 and until his successor is duly elected and qualified, or until his earlier death, resignation, or removal.

The names of and certain information about the directors in each of the three classes are set forth below. There are no family relationships among any of our directors or executive officers.

It is intended that the proxy in the form presented will be voted, unless otherwise indicated, for the election of the Class II director nominee to the Board of Directors. If the nominee should for any reason be unable or unwilling to serve at any time prior to the Annual Meeting, the proxies will be voted for the election of such substitute nominee as the Board of Directors may designate.

If this proposal is not approved at the Annual Meeting, the audit committee will reconsider its appointment. Even if the appointment is ratified, the audit committee may, in its discretion, direct the appointment of a different independent registered accounting firm at any time during the year if the audit committee determines that such a change would be in our stockholders' best interests.

BDO has audited our financial statements for the fiscal year ended December 31, 2018. We expect representatives of BDO to be present at the Annual Meeting and available to respond to appropriate questions. They will have the opportunity to make a statement if they desire to do so.

Information Regarding Prior Independent Registered Public Accounting Firm

The audit committee first appointed Ernst & Young LLP (EY) as the Company s independent registered public accounting firm for the year ended December 31, 2008.

On June 8, 2018, the audit committee dismissed EY as the Company s independent registered public accounting firm. The reports of EY on the Company s financial statements for each of the two fiscal years ended December 31, 2016 and 2017 did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles, except that EY s report on the Company s audited financial statements for the years ended December 31, 2017 included an explanatory paragraph regarding substantial doubt about the Company s ability to continue as a going concern with which the Company agreed. Since the date of EY s report on the Company s audited financial statements for the year ended December 31, 2017, the Company closed a public offering of its common stock in which it received net proceeds of approximately \$49,300,000.

In the fiscal years ended December 31, 2016 and 2017 and in the subsequent interim period through June 8, 2018, there were no disagreements (as defined in Item 304(a)(1)(iv) of Regulation S-K and related instructions) between the Company and EY.

In the fiscal years ended December 31, 2016 and 2017 and in the subsequent interim period through June 8, 2018, there were no reportable events (as defined in Item 304(a)(1)(v) of Regulation S-K), except that, as reported in Part II, Item 9A of the Company s Annual Report on Form 10-K for the fiscal year ended December 31, 2017 (the 2017 10-K), the Company reported a material weakness in its internal control over financial reporting during such period with which EY agreed. As disclosed in the 2017 10-K, the Company concluded that its internal control over financial reporting was not effective as of December 31, 2017 due to the existence of a material weakness in the Company s internal control over financial reporting related to the accounting for instruments which are classified as either inventory or property and equipment, depending on their future use.

The Company provided EY with a copy of the above disclosures and requested that EY furnish the Company with a letter addressed to the SEC stating whether it agrees with the statements contained herein. A copy of EY s letter, dated June 13, 2018, was filed as Exhibit 16.1 to the Company s Form 8-K filed with the SEC on June 13, 2018.

On June 8, 2018, the audit committee engaged BDO as the Company s independent registered public accounting firm for the fiscal year ended December 31, 2018.

During the fiscal years ended December 31, 2016 and 2017 and the subsequent interim period through June 13, 2018, neither the Company nor anyone on its behalf consulted with BDO with respect to (a) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company s consolidated financial statements, and neither a written report nor oral advice was provided to the Company that BDO concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue, or (b) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and related instructions) or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K).

Vote Required and Board of Directors Recommendation

The approval of Proposal 2 requires that a majority of the votes properly cast vote FOR this proposal. Shares that are voted abstain will not affect the outcome of this proposal.

The Board of Directors recommends that stockholders vote FOR ratification of the appointment of BDO as our independent registered public accounting firm.

Table of Contents**TRANSACTION OF OTHER BUSINESS**

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

RELATED PERSON TRANSACTIONS

Policies for Approval of Related Person Transactions

We have adopted a written policy that transactions with directors, officers and holders of 5% or more of our voting securities and their affiliates, or each, a related party, must be approved by our audit committee or another independent body of our Board of Directors. All related party transactions shall be disclosed in our applicable filings with the SEC as required under SEC rules.

Transactions with Related Persons

Based on a review of the transactions and arrangements between us and any related person or related person's affiliate, we describe below the transactions or arrangements during the year ended December 31, 2018 in which any related person or related person affiliate has a direct or indirect material interest and the amount involved exceeds \$120,000.

Co-Development Agreement. On February 3, 2015, we entered into a Co-Development Partnership Agreement with Canon U.S. Life Sciences, Inc. ("Canon US Life Sciences") to develop a diagnostic test panel to rapidly detect Lyme disease. Canon US Life Sciences is an affiliate of Canon U.S.A., Inc., which acquired greater than 5% of our voting securities on September 21, 2016. Under the terms of the agreement, we received an upfront payment of \$2.0 million from Canon US Life Sciences and the agreement includes an additional \$6.5 million of consideration upon achieving certain development and regulatory milestones for total aggregate payments of up to \$8.5 million. Of the additional \$6.5 million of consideration, we received \$3.5 million related to the achievement of two milestones. We are eligible to receive an additional \$3.0 million related to the achievement of the final regulatory milestone. We recorded revenue of \$1.5 million for the year ended December 31, 2018 under the agreement, and we expect to record revenue through February of 2020.

Indemnification Agreements with Executive Officers and Directors. We have entered into an indemnification agreement with each of our directors and executive officers. These indemnification agreements and our certificate of incorporation and our bylaws indemnify each of our directors and officers to the fullest extent permitted by the DGCL. See the *Director Compensation Limitation of Liability and Indemnification Agreements* section for further details.

Limitation of Liability and Indemnification Agreements We have adopted provisions in our certificate of incorporation and bylaws that limit or eliminate the personal liability of our directors to the fullest extent permitted by the DGCL, as it now exists or may in the future be amended.

Consequently, a director will not be personally liable to us or our stockholders for monetary damages or breach of fiduciary duty as a director, except for liability for:

any breach of the director's duty of loyalty to us or our stockholders;

any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;

Table of Contents

any unlawful payments related to dividends or unlawful stock purchases, redemptions or other distributions;
or

any transaction from which the director derived an improper personal benefit.

These limitations of liability do not alter director liability under the federal securities laws and do not affect the availability of equitable remedies such as an injunction or rescission.

In addition, our bylaws provide that:

we will indemnify our directors, officers and, in the discretion of our Board of Directors, certain employees to the fullest extent permitted by the DGCL, as it now exists or may in the future be amended; and

we will advance reasonable expenses, including attorneys' fees, to our directors and, in the discretion of our Board of Directors, to our officers and certain employees, in connection with legal proceedings relating to their service for or on behalf of us, subject to limited exceptions.

We have entered into indemnification agreements with each of our directors and executive officers. These agreements provide that we will indemnify each of our directors, such executive officers and, at times, their affiliates to the fullest extent permitted by Delaware law. We will advance expenses, including attorneys' fees (but excluding judgments, fines and settlement amounts), to each indemnified director, executive officer or affiliate in connection with any proceeding in which indemnification is available and we will indemnify our directors and officers for any action or proceeding arising out of that person's services as a director or officer brought on behalf of us and/or in furtherance of our rights. Additionally, each of our directors may have certain rights to indemnification, advancement of expenses and/or insurance provided by their affiliates, which indemnification relates to and might apply to the same proceedings arising out of such director's services as a director referenced herein. Nonetheless, we have agreed in the indemnification agreements that our obligations to those same directors are primary and any obligation of the affiliates of those directors to advance expenses or to provide indemnification for the expenses or liabilities incurred by those directors are secondary.

We also maintain general liability insurance which covers certain liabilities of our directors and officers arising out of claims based on acts or omissions in their capacities as directors or officers, including liabilities under the Securities Act.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, or persons controlling the registrant under the foregoing provisions, we have been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2018, Mr. Lapidus, Mr. Cumming and Mr. Jones served as a member of our compensation committee. None of these individuals was at any time during the fiscal year ended December 31, 2018 one of our officers or employees or had any relationship requiring disclosure under Item 404 of Regulation S-K, and none was a former officer of the Company. None of our executive officers currently serves, or in the past fiscal year has served, as a member of the Board of Directors or compensation committee of any entity that has one or more executive officers serving on our Board of Directors or compensation committee.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

to furnish us with copies of all Section 16(a) forms they file. Based on our records and other information, we believe that during the fiscal year ended December 31, 2018, all Reporting Persons complied with all Section 16(a) reporting requirements, except that one Form 4 for each of Mr. McDonough, Mr. Lowery and Mr. Gibbs was inadvertently filed late.

CORPORATE GOVERNANCE

Board and Committee Matters

Board Leadership and Independence. Our Board of Directors has determined that all members of the Board of Directors, except John McDonough and Seymour Liebman, are independent, as determined in accordance with the rules of the NASDAQ Stock Market (the "NASDAQ Rules"). In making such independence determination, the Board of Directors considered the relationships that each such non-employee director has with us and all other facts and circumstances that the Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director. In considering the independence of the directors listed above, our Board of Directors considered the association of our directors with the holders of more than 5% of our common stock. There are no family relationships among any of our directors or executive officers.

The positions of our Chairman of the Board, or Lead Independent Director, and Chief Executive Officer are presently separated. Separating these positions allows our Chief Executive Officer to focus on our day-to-day business, while allowing the Chairman of the Board, or Lead Independent Director, to lead the Board of Directors in its fundamental role of providing advice to and independent oversight of management. Our Board of Directors recognizes the time, effort and energy that the Chief Executive Officer must devote to his position in the current business environment, as well as the commitment required to serve as our Chairman or Lead Independent Director, particularly as the Board of Directors' oversight responsibilities continue to grow. Our Board of Directors also believes that this structure ensures a greater role for the non-management directors in the oversight of our company and active participation of the independent directors in setting agendas and establishing priorities and procedures for the work of our Board of Directors. Our Board of Directors believes its administration of its risk oversight function has not affected its leadership structure. Although our bylaws do not require our Chairman, or Lead Independent Director, and Chief Executive Officer positions to be separate, our Board of Directors believes that having separate positions is the appropriate leadership structure for us at this time.

Board Meetings and Committees. Our Board of Directors held 5 meetings during 2018. The independent directors regularly hold executive sessions at meetings of the Board of Directors. During 2018, each of the directors then in office attended at least 75% of the aggregate of all meetings of the Board of Directors and all meetings of the committees of the Board of Directors on which such director then served. Continuing directors and nominees for election as directors in a given year are encouraged to attend the annual meeting of stockholders. All directors attended our annual meeting of stockholders in June 2018.

Stockholder Communications. Any stockholder wishing to communicate with our Board of Directors, a particular director or the chair of any committee of the Board of Directors may do so by sending written correspondence to our principal executive offices, to the attention of the Chair, Nominating and Corporate Governance Committee. All such communications will be delivered to the Board of Directors or the applicable director or committee chair.

During 2018, our Board of Directors had four standing committees: audit committee, compensation committee, nominating and corporate governance committee and technology committee.

Table of Contents

Stanley Lapidus, John Cumming and Adrian Jones currently serve on the compensation committee, which is chaired by Stanley Lapidus. Under NASDAQ Rules, we are permitted to phase in our compliance with the independent

compensation committee requirements set forth in NASDAQ Rule 5605(d). Our Board of Directors has determined that each of Stanley Lapidus, John Cumming and Adrian Jones is independent as that term is defined in the applicable NASDAQ Rules. The compensation committee's responsibilities include:

reviewing and approving, or recommending for approval by our Board of Directors, our Chief Executive Officer's compensation;

reviewing and approving, or recommending for approval by our Board of Directors with respect to, the compensation of our other executive officers;

overseeing an evaluation of our senior executives;

The compensation committee may delegate its authority under its charter to one or more subcommittees as it deems appropriate from time to time as further described in its charter. The compensation committee may also delegate to an officer the authority to grant equity awards to certain employees, as further described in its charter and subject to the terms of our equity plans. The compensation committee has delegated to our Chief Executive Officer the authority to issue stock options and restricted stock units under our 2014 Incentive Award Plan to certain of our non-officer employees. For information regarding the role of executive officers and compensation consultants in establishing executive and director compensation please refer to [Executive Compensation Overview](#) below.

The compensation committee held four meetings during 2018. The Compensation Committee operates under a written charter adopted by the Board, which is available, along with our corporate governance guidelines, in the [Investors Corporate Governance](#) section of our website at www.t2biosystems.com.

Nominating and Corporate Governance Committee.

John Cumming currently serves on the nominating and corporate governance committee. Our Board of Directors has determined that he is independent as that term is defined in the applicable NASDAQ Rules. The nominating and corporate governance committee's responsibilities include:

- recommending to our Board the persons to be nominated for election as directors and to each of the Board committees;

- reviewing and making recommendations to the Board with respect to management succession planning;

- developing and recommending to the Board corporate governance guidelines; and

- overseeing an annual evaluation of the Board of Directors.

The nominating and corporate governance committee did not hold any formal meetings during 2018. The nominating and corporate governance committee operates pursuant to a written charter, which is available in the [For Investors and Media Corporate Governance](#) section of our website at www.t2biosystems.com.

The nominating and corporate governance committee considers candidates for Board membership suggested by its members and the Chief Executive Officer. Additionally, in selecting nominees for directors, the nominating and corporate governance committee will review candidates recommended by stockholders in the same manner and using the same general criteria as candidates recruited by the committee and/or recommended by the Board. Any stockholder who wishes to recommend a candidate for consideration by the committee as a nominee for director should follow the procedures described later in this proxy statement under the heading [Stockholder Matters Stockholder Recommendations for Director Nominations](#). The nominating and corporate governance committee will also consider whether to nominate any person proposed by a stockholder in accordance with the provisions of our bylaws relating to stockholder nominations as described later in this proxy statement under the heading [Stockholder Matters Procedures for Submitting Stockholder Proposals](#).

Risk Oversight. Our Board of Directors oversees the management of risks inherent in the operation of our business and the implementation of our business strategies. Our Board of Directors performs this oversight role by using several

different levels of review. In connection with its reviews of the operations and corporate functions of our company, our Board of Directors addresses the primary risks associated with those operations and corporate functions. In addition, our Board of Directors reviews the risks associated with our company's business strategies periodically throughout the year as part of its consideration of undertaking any such business strategies.

Each of our Board committees also coordinates oversight of the management of our risk that falls within the committee's areas of responsibility. In performing this function, each committee has full access to management,

as well as the ability to engage advisors. Our Chief Financial Officer or Chief Executive Officer reports regularly to the audit committee and is responsible for identifying, evaluating and implementing risk management controls and methodologies to address any identified risks. In connection with its risk management role, our audit committee meets privately with representatives from our independent registered public accounting firm, and privately with our Chief Financial Officer or Chief Executive Officer.

Technology Committee

Michael Cima currently serves on the technology committee. The technology committee meets periodically to discuss scientific and technological developments that may affect our business.

Audit Committee Report

The information contained in this report shall not be deemed to be (1) soliciting material, (2) filed with the SEC, (3) subject to Regulations 14A or 14C of the Exchange Act, or (4) subject to the liabilities of Section 18 of the Exchange Act. This report shall not be deemed incorporated by reference into any of our other filings under the Exchange Act or the Securities Act, except to the extent that we specifically incorporate it by reference into such filing.

The audit committee operates under a written charter approved by the Board of Directors, which provides that its responsibilities include appointing, overseeing the independence of, and setting the compensation of the independent registered public accounting firm engaged as our independent auditor, BDO; pre-approving all audit and non-audit services to be provided by the independent auditor; overseeing the work of the independent auditor, including through the receipt and consideration of reports from such firm; reviewing and discussing with management and our independent auditor our annual and quarterly financial statements and related disclosures; coordinating the Board's oversight of our internal control over financial reporting and disclosure controls and procedures; discussing our risk management and risk assessment policies; establishing procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters; reviewing the company's policies and procedures for reviewing and approving or ratifying any related person transactions; and meeting independently with our internal auditing staff, if any, independent auditors and management.

The audit committee assists the Board of Directors with the oversight of our financial reporting process. Management is responsible for our internal controls, financial reporting process, and compliance with laws and regulations and ethical business standards. BDO is responsible for performing an independent audit of our consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States). The audit committee's main responsibility is to monitor and oversee this process.

The audit committee reviewed and discussed our audited financial statements for the fiscal year ended December 31, 2018 with management and the independent auditor. BDO presented the matters required to be discussed by Public Company Accounting Oversight Board (PCAOB) AS 16, *Communications with Audit Committees*, and SEC Regulation S-X Rule 207, *Communications with Audit Committees*. The audit committee has received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent registered public accounting firm's communications with the audit committee concerning independence, and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence.

The audit committee considered any fees paid to BDO for the provision of non-audit related services and does not believe that these fees compromise BDO's independence in performing the audit.

Table of Contents

Based on the review and discussions referred to above, the audit committee recommended to the Board of Directors that such audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2018, for filing with the SEC.

EXECUTIVE COMPENSATION

This section discusses the material components of the executive compensation program offered to our named executive officers identified below. For 2018, our named executive officers were:

John McDonough, President and Chief Executive Officer;

Thomas J. Lowery, Ph.D., Chief Scientific Officer; and

John Sprague, Chief Financial Officer.

Mr. Sprague was appointed as our Chief Financial Officer effective January 30, 2018.

Overview

Our compensation programs are designed to:

attract and retain individuals with superior ability and managerial experience;

align executive officers' incentives with our corporate strategies, business objectives and the long-term interests of our stockholders; and

increase the incentive to achieve key strategic performance measures by linking incentive award opportunities to the achievement of performance objectives and by providing a portion of total compensation for executive officers in the form of ownership in the company.

Our compensation committee is primarily responsible for establishing and approving, or recommending for approval by the Board of Directors, the compensation for all of our executive officers. The compensation committee oversees our compensation and benefit plans and policies, administers our equity incentive plans and reviews and approves, or recommends for approval by the Board of Directors, annually all compensation decisions relating to all of our

executive officers, including our chief executive officer. The compensation committee typically considers, and during 2018 did consider, recommendations from our chief executive officer regarding the compensation of our executive officers other than himself. Our compensation committee has the authority under its charter to engage the services of a consulting firm or other outside advisor to assist it in designing our compensation programs and in making compensation decisions and has engaged Arnosti Consulting to provide these services. The compensation committee reviewed compensation assessments provided by Arnosti Consulting comparing our executive compensation program to that of a group of peer companies within our industry and met with Arnosti Consulting to discuss compensation of our executive officers, including the chief executive officer, and to receive input and advice. The compensation committee has considered the adviser independence factors required under SEC rules as they relate to Arnosti Consulting and does not believe Arnosti Consulting's work in 2018 raised a conflict of interest.

Table of Contents

Executive Compensation Components

Our executive compensation program consists of base salary, cash incentive bonuses, long-term incentive compensation in the form of stock options and restricted stock units, and a broad-based benefits program. We have not adopted any formal guidelines for allocating total compensation between long-term and short-term compensation, cash compensation and non-cash compensation, or among different forms of non-cash compensation. The compensation committee considers a number of factors in setting compensation for its executive officers, including company performance, as well as the executive's performance, experience, responsibilities and the compensation of executive officers in similar positions at comparable companies.

Base Salary

Our named executive officers receive base salaries to compensate them for the satisfactory performance of duties to our company. The base salary payable to each named executive officer is intended to provide a fixed component of compensation reflecting the executive's skill set, experience, role and responsibilities. Base salaries for our named executive officers have generally been set at levels deemed necessary to attract and retain individuals with superior talent.

Cash Incentive Compensation

Each of our named executive officers is eligible to participate in an annual cash incentive compensation program which provides participants with an opportunity to earn variable cash incentive compensation based on individual and company performance. For 2018, Mr. McDonough's target bonus was 75% of his base salary as in 2017, Dr. Lowery's target bonus was increased to 50% of his base salary from 45% and Mr. Sprague's target bonus was 50% of his base salary pursuant to the employment letter agreement we entered into with him in connection with his commencement of employment with us in January 2018. For 2019, the Board of Directors increased Mr. McDonough's target bonus to 85% of his base salary, Dr. Lowery's target bonus to 60% of his base salary and Mr. Sprague's target bonus to 60% of his base salary.

Objectives for the 2018 annual cash incentive compensation program were established in January 2018 by our compensation committee and generally related to attaining clinical, business development and financing milestones and publication, commercialization and operational goals. The determination of 2018 bonus amounts was based on a non-formulaic assessment of these factors, as well as our compensation committee's subjective evaluation of our company's overall performance and each named executive officer's individual performance and contribution to our company. The compensation committee did not assign specific weights to any elements of our bonus program in determining 2018 bonuses.

After considering these factors, the Board of Directors, based upon the recommendation of our compensation committee, approved a bonus for Mr. McDonough, Dr. Lowery and Mr. Sprague. The bonus for Mr. Sprague was prorated based on the length of his service in 2018. The annual variable cash incentive compensation earned by our named executive officers for 2018 is set forth in the Non-Equity Incentive Plan Compensation column of our 2018 Summary Compensation Table.

In March, 2018, the Board of Directors elected to pay a portion of the bonuses earned by certain of our key employees, including Mr. McDonough and Dr. Lowery, for 2017 performance in cash and a portion in equity-based awards and to delay these payments pending receipt of market clearance from the U.S. Food and Drug Administration for T2Bacteria, which was received on May 24, 2018. Thereafter, in June, 2018, the Board of Directors approved payment of the 2017 bonuses for Mr. McDonough and Dr. Lowery 40% in cash and 60% in vested shares of our

common stock, with the stock portion valued based on the market price per share of our common stock on the date the Board of Directors first approved the bonus amounts earned by

them for 2017 performance. As a result, in June 2018, the following amounts of cash and numbers of vested shares of stock were paid to Mr. McDonough and Dr. Lowery:

Name	2017 Total		
	Bonus Amount*	Cash Payment	Shares of Stock*
John McDonough	\$ 280,500	\$ 112,200	33,130
Thomas J. Lowery	\$ 138,600	\$ 55,440	16,370

* For purposes of determining the number of shares of stock to be delivered to each named executive officer, the Board of Directors used an assumed value of \$5.08, which was the market price per share of our common stock on March 1, 2018, the date the Board of Directors first approved the bonus amounts earned by the named executive officer for 2017 performance. The actual value per share of our common stock on the date the shares were paid to the named executive officers was \$8.53. The excess of the value of the shares on the payment date over the assumed value of \$5.08 is included in the Stock Awards column of our 2018 Summary Compensation Table below.

Equity-Based Compensation

We generally grant stock options and restricted stock unit awards to our employees, including our named executive officers, as the long-term incentive component of our compensation program. We typically grant stock options to employees when they commence employment with us and may thereafter grant additional options and restricted stock unit awards in the discretion of our Board of Directors. Our stock options granted upon commencement of employment typically vest as to 25% of the shares subject to the option on the first anniversary of the date of grant and in substantially equal monthly installments over the ensuing 36 months, subject to the holder's continued employment with us. Additional stock options granted after the commencement of employment typically vest in substantially equal monthly installments over 48 months. Our restricted stock unit awards typically vest in substantially equal annual installments over 24 to 36 months, subject to the holder's continued employment with us. Each restricted stock unit entitles the holder to receive one share of our common stock or its cash value upon vesting or a later settlement date. From time to time, our Board of Directors may also construct alternate vesting schedules as it determines are appropriate to motivate particular employees. For 2018, in addition to stock options, we granted performance-based restricted stock units to our named executive officers, which vest based on the achievement of pre-established 90-day average stock price targets, if achieved between March 15, 2018 and March 18, 2021.

We awarded stock options and performance-based restricted stock unit awards to our named executive officers in 2018 in the following amounts:

Named Executive Officer	2018	2018
	Options Granted (#)(1)(2)	Performance Based RSU s Granted (#)(3)
John McDonough	300,000	434,783
Thomas J. Lowery	90,000	107,386
John Sprague	225,000	69,170

- (1) Stock options were granted with exercise prices equal to the fair market value of our common stock on the date of grant.
- (2) The options granted to Mr. McDonough and Dr. Lowery vest in 48 substantially equal monthly installments following the date of grant. The options granted to Mr. Sprague were granted in connection with his commencement of employment with us and vest as to 25% of the shares subject to the option on the first anniversary of the date of grant, and in equal monthly installments over the ensuing 36 months.
- (3) The performance-based restricted stock units vest upon achievement of pre-established 90 day average stock price targets, if achieved between March 15, 2018 and March 15, 2021.

Employment Letter Agreements with Our Named Executive Officers

We have entered into an employment letter agreement with each of the named executive officers. Certain key terms of these agreements are described below.

John McDonough. We have entered into an amended employment letter agreement with Mr. McDonough which provides that if Mr. McDonough is terminated by us without cause, he will be entitled to receive 6 months of base salary continuation and a lump-sum payment in an amount equal to 50% of the maximum amount of his annual variable cash incentive compensation for the year of termination. If Mr. McDonough's employment is terminated by us without cause within the three months preceding or the 12 months following a change in control, or if Mr. McDonough resigns his employment for good reason within the 12 months following a change in control, and he timely executes a release of claims in our favor, he will be entitled to receive 18 months of base salary continuation, a lump-sum payment in an amount equal to his target annual variable cash incentive compensation for the year of termination, accelerated vesting of all outstanding unvested equity awards and reimbursement for a portion (based on cost sharing for active employees) of healthcare continuation premiums for up to 18 months.

Mr. McDonough's employment letter agreement also contains restrictive covenants pursuant to which he has agreed to refrain from competing with us or soliciting our customers, prospective customers, employees or consultants for one year following his termination of employment.

Thomas J. Lowery, PhD. We have entered into an employment letter agreement with Dr. Lowery, which provides that if Dr. Lowery's employment is terminated by us without cause within the three months preceding or the 12 months following a change in control, or if Dr. Lowery resigns his employment for good reason within the 12 months following a change in control, and he timely executes a release of claims in our favor, he will be entitled to receive 12 months of base salary continuation, accelerated vesting of all outstanding unvested equity awards and reimbursement for a portion (based on active employee cost sharing rates) of healthcare premiums for up to 12 months.

Dr. Lowery has also entered into a non-compete, non-disclosure and invention assignment agreement with us pursuant to which he has agreed to refrain from disclosing our confidential information indefinitely and from competing with us or soliciting our employees or consultants for 12 months following termination of his employment.

John Sprague. In January 2018, we entered into an employment letter agreement and a change in control severance agreement with Mr. Sprague. The employment letter agreement entitled him to an initial annual base salary of \$350,000, a target annual variable cash incentive bonus equal to 45% of his annual base salary, prorated for 2018, and an initial grant of options to purchase a total of 225,000 shares of our common stock, which vests as to 25% of the shares subject to the option on the first anniversary of Mr. Sprague's employment commencement date and as to 1/48th of the shares subject to the option on each monthly anniversary thereafter, subject to his continued employment on each applicable vesting date.

Pursuant to Mr. Sprague's employment letter agreement, in the event that his employment is terminated by us without cause not in connection with a change in control and he timely executes a release of claims in our favor, he will be entitled to receive six months of base salary continuation and reimbursement for costs associated with COBRA for six months following such termination.

Table of Contents

Pursuant to Mr. Sprague's change in control severance agreement, in the event Mr. Sprague's employment is terminated by us without cause within the three months preceding or the 12 months following a change in control, or if Mr. Sprague resigns his employment for good reason within the 12 months following a change in control, and he timely executes a release of claims in our favor, he will be entitled to receive 12 months of base salary continuation, accelerated vesting all outstanding unvested equity awards (provided that if such termination had occurred prior to the first anniversary of his start date, he would have received 12 months of accelerated vesting of all outstanding unvested equity awards), and reimbursement for a portion (based on active employee cost sharing rates) of healthcare premiums for up to 12 months.

Mr. Sprague has also entered into a non-compete, non-disclosure and invention assignment agreement with us pursuant to which he has agreed to refrain from disclosing our confidential information indefinitely and from competing with us or soliciting our employees or consultants for 12 months following termination of his employment.

Potential Payments Upon a Change in Control

As described above, under the terms of their individual agreements with the Company, Mr. McDonough, Mr. Sprague and Dr. Lowery may become entitled to payments or benefits in connection with certain terminations of employment that occur at specified times around a change in control.

In addition, the agreements governing Mr. McDonough's, Dr. Lowery's and Mr. Sprague's unvested stock options and restricted stock units provide for full accelerated vesting if their employment is terminated by us without cause within the three months preceding or the 12 months following a change of control or if they resign for good reason within 12 months following a change in control.

Procedure for Submitting Stockholder Proposals

Stockholder proposals, including proposed director nominations, intended to be presented at the next annual meeting of our stockholders must satisfy the requirements set forth in the advance notice provision under our By-laws. To be timely for our next annual meeting of stockholders, any such proposal must be delivered in writing to our Secretary at our principal executive offices between the close of business on February 8, 2019, and March 10, 2019. If the date of the next annual meeting of the stockholders is scheduled to take place before May 9, 2019, or after August 7, 2019, notice by the stockholder must be delivered no earlier than the 120th day prior to such annual meeting and no later than the close of business on the later of (1) the 90th day prior to such annual meeting or (2) the 10th day following the day on which public announcement of the date of such meeting is first made.

In addition, any stockholder proposal, including proposed director nominations, intended to be included in the proxy statement for the next annual meeting of our stockholders must also satisfy the SEC regulations under Rule 14a-8 of the Exchange Act, and be received not later than December 27, 2018. If the date of the annual meeting is moved by more than 30 days from the date contemplated at the time of the previous year's proxy statement, then notice must be received within a reasonable time before we begin to print and send proxy materials. If that happens, we will publicly announce the deadline for submitting a proposal in a press release or in a document filed with the SEC.

The independent auditor is responsible for auditing the Company's financial statements and the Company's internal control over financial reporting and for reviewing the Company's unaudited interim financial statements. The authority and responsibilities set forth in this Charter do not reflect or create any duty or obligation of the Audit Committee to plan or conduct any audit, to determine or certify that the Company's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law, or to guarantee the independent auditor's reports.

Oversight of Independent Auditor

1. *Selection.* The Audit Committee shall be solely and directly responsible for appointing, evaluating, retaining and, when necessary, terminating the engagement of the independent auditor. The Audit Committee may, in its discretion, seek stockholder ratification of the independent auditor it appoints.
2. *Independence.* The Audit Committee shall take, or recommend that the full Board take, appropriate action to oversee the independence of the independent auditor. In connection with this responsibility, the Audit Committee shall obtain and review the written disclosures and the letter from the independent auditor required by applicable requirements of the Public Company Accounting Oversight Board (the PCAOB) regarding the independent auditor's communications with the Audit Committee concerning independence. The Audit Committee shall actively engage in dialogue with the independent auditor concerning any disclosed relationships or services that might impact the objectivity and independence of the auditor.
3. *Compensation.* The Audit Committee shall have sole and direct responsibility for setting the compensation of the independent auditor. The Audit Committee is empowered, without further action by the Board, to cause the Company to pay the compensation of the independent auditor established by the Audit Committee.
4. *Pre-approval of Services.* The Audit Committee shall pre-approve all audit services to be provided to the Company, whether provided by the principal auditor or other firms, and all other services (review, attest and non-audit) to be provided to the Company by the independent auditor; provided, however, that de minimis non-audit services may instead be approved in accordance with applicable SEC rules.
5. *Oversight.* The independent auditor shall report directly to the Audit Committee, and the Audit Committee shall have sole and direct responsibility for overseeing the work of the independent auditor, including resolution of disagreements between Company management and the independent auditor regarding financial reporting. In connection with its oversight role, the Audit Committee shall, from time to time as appropriate, receive and consider the reports and other communications required to be made by the independent auditor regarding:

critical accounting policies and practices;

alternative treatments within generally accepted accounting principles for policies and practices related to material items that have been discussed with Company management, including ramifications of the use of such alternative disclosures and treatments, and the treatment preferred by the independent auditor;

other material written communications between the independent auditor and Company management; and

the other matters addressed in PCAOB Auditing Standard No. 16, Communications with Audit Committees (AS 16).

whether the PCAOB's inspection of other audits performed by the firm raised auditing or accounting issues similar to those presented in the Company's audit;

the firm's response to PCAOB findings; and

the firm's remedial efforts in light of any quality control deficiencies that may have been identified by the PCAOB.

Review of Other Financial Disclosures

10. *Independent Auditor Review of Interim Financial Statements.* The Audit Committee shall direct the independent auditor to use its best efforts to perform all reviews of interim financial information prior to disclosure by the Company of such information and to discuss promptly with the Audit Committee and the Chief Financial Officer any matters identified in connection with the auditor's review of interim financial information which are required to be discussed by applicable auditing standards. The Audit Committee shall direct management to advise the Audit Committee in the event that the Company proposes to disclose interim financial information prior to completion of the independent auditor's review of interim financial information.

The Audit Committee may also act by unanimous written consent in lieu of a meeting. The Audit Committee shall periodically meet separately with: (i) the independent auditor, (ii) Company management and (iii) the Company's internal auditors, if any. The Audit Committee shall keep such records of its meetings as it shall deem appropriate.

2. *Subcommittees.* The Audit Committee may form and delegate authority to one or more subcommittees, as it deems appropriate from time to time under the circumstances (including a subcommittee consisting of a single member). Any decision of a subcommittee to pre-approve audit, review, attest or non-audit services shall be presented to the full Audit Committee at its next scheduled meeting.
