Dear Fellow Stockholder:

We are the owners of 536,485 shares of common stock, \$0.001 par value (“Common Stock”), of DecisionPoint Systems, Inc. (the “Company”), and 110,560 shares of the Company’s Series D Preferred Stock, representing in the aggregate, approximately 9.1% of the 23,016,281 of the votes entitled to be cast at the Company’s annual meeting of stockholders (the “Annual Meeting”) to be held at 10:00 a.m., local time, on Wednesday, October 15, 2014, at the Courtyard by Marriott, New York LaGuardia Airport, 90-10 Grand Central Parkway, East Elmhurst, NY 11369:

1. To elect seven (7) directors, including the following five (5) individuals we intend to nominate for election as directors: Michael N. Taglich, John Guttilla, Stanley P. Jaworski, Jr., Paul A. Seid and Magnus G. Thorstenn;
2. To ratify the appointment of BDO USA, LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2014;
3. To approve the DecisionPoint Systems, Inc. 2014 Equity Incentive Plan;
4. To approve, on an advisory basis, the Company’s executive compensation;
5. To select, on advisory basis, the frequency of future advisory votes on executive compensation; and
6. To transact such other business as may properly come before the Annual Meeting.

Information concerning the Annual Meeting and the Company required under the rules of the Securities and Exchange Commission (the “SEC”) are set forth in the Company’s proxy statement for the Annual Meeting dated September 20, 2014, as amended, in connection with the solicitation of proxies on behalf of the Board of Directors for the matters to be voted upon at the Meeting (the “Company’s Proxy Statement”).

As explained in the attached Proxy Statement, given the significant decline in the price of the Company’s Common Stock, the Board’s failure to act in accordance with what we consider good corporate governance standards and what we believe to be a lack of alignment at the Board level, we have lost confidence in the current Board and do not believe that this Board is appropriately representing the interests of stockholders. Accordingly, we are seeking your support and proxy for use at the Annual Meeting to elect the five nominees for director named below and in the attached proxy statement, in opposition to certain of the nominees named in the Company’s Proxy Statement. The Board is currently composed of seven (7) directors. The Company has nominated Lawrence Yelin, David M. Rifkin, Jay B. Sheehy, Marc Ferland, Don Dalicandro, Robert C. Schroeder and James F. DeSocio for election to the Board. In connection with the private placement concluded in November 2013, the Company entered into a Placement Agreement with Taglich Brothers, Inc. in which it agreed “to identify at least two seasoned industry veterans or other qualified individuals (as determined by the Placement Agent in its sole and absolute discretion) to serve as members of the Company’s Board of Directors.” Despite this agreement, the current members of the Board called the Annual Meeting only after Michael Taglich commenced an action in the Delaware Chancery Court in July 2014 demanding that a meeting of the stockholders be convened. The Company has not held an annual meeting of stockholders since it ceased to be a shell company on June 15, 2011, during which period Lawrence Yelin, David M. Rifkin, Jay B. Sheehy and Marc Ferland continuously served as directors of the Company. After months of discussion with the current

members of the Board to change the composition of the Board, we have decided to propose the following five individuals as nominees to the Board: Michael Taglich, John Guttilla, Stanley P. Jaworski, Jr., Paul A. Seid and Magnus G. Thorstenn.

Michael Taglich is the Chairman and President of Taglich Brothers, Inc. ("Taglich Brothers"), a New York City based securities firm which he co-founded with his brother, Robert F. Taglich, in 1992. Michael Taglich serves on the Board of Directors of Air Industries Group, an aerospace and defense company (NYSE MKT: AIRI), of which he is Chairman of the Board, and Bridgeline Digital, Inc., a technology company that enables its customers to maximize the performance of their mission critical websites, intranets, and online stores (NASDAQ Capital MKT: BLIN). He also serves as a director of a number of private companies, including BioVentrix, Inc., a medical device company whose products are directed at heart failure treatment, and Caldera Pharmaceuticals Inc., a drug screening company. Michael Taglich brings extensive professional experience which spans various aspects of senior management, including finance, operations and strategic planning.

John Guttilla is a principal and director in the financial services department of the public accounting firm of Rotenberg Meril Solomon Bertiger & Guttilla, P.C. whose practice focuses on providing tax structuring and compliance advice in the areas of real estate, entertainment, brokerage, manufacturing, printing, restaurant and construction. He is a director and Chairman of the Audit Committee of Orchids Paper Products Company (NYSE MKT: TIS). Rotenberg Meril Solomon Bertiger & Guttilla, P.C. are the independent registered public accountants for Air Industries Group.

Stanley P. Jaworski, Jr. has been Vice President Marketing, the Americas, of Motorola Solutions, Inc. (NYSE: MSI) since 2009. Motorola Solutions, Inc. designs, manufactures, and sells communications infrastructure, devices, system software and applications, and provide services associated with their use. From 2007 to 2009, Mr. Jaworski was Chief Marketing Officer of VBrick Systems, Inc., which provides enterprise Internet protocol (IP) video solutions for corporate, education, worship, media, and government markets worldwide, and from 2005 to 2007, he was Vice President, Worldwide Channel Marketing, of NetApp, Inc., a computer storage and data management company.

Paul A. Seid has served as CEO of RST Automation, a hospital instrumentation automation developer for the last two years. For the past fifteen years he has been President of Strategic Data Marketing, a research and data collection company. Mr. Seid is a director of BG Staffing, Inc. (OTCQB:BGSF), a national, temporary staffing company, and BioVentrix, a privately-owned medical device company.

Magnus G. Thorstenn is an attorney specializing primarily in contract, corporate and business law and has been in private practice in New York for thirty years. From 2005 to 2008, he was General Counsel for Avion Group (later Eimskipafelag Islands), a publicly listed company in Iceland. From 1991 to 2005, he was General Counsel to Air Atlanta Icelandic and served as the company's CEO from 1999 to 2001. Since 2009, Mr. Thorstenn has been the sole director of Avion Aircraft Trading, a privately held company involved in aircraft acquisitions and leasing and has been a director of its subsidiaries in Iceland and Ireland.

Since the Board is electing seven (7) director candidates at the Annual Meeting, and we have only proposed five Nominees for election as directors, we intend to exercise the discretionary authority granted in the accompanying GOLD proxy card to vote for the election of Robert C. Schroeder and James DeSocio, two of the Company's director candidates, to fill the remaining two seats on the Board, unless the proxy card contains instructions to the contrary. As further described in the attached Proxy Statement, Mr. Schroeder, Vice President of Investment Banking of Taglich Brothers, Inc., was appointed to the Board on November, 2013 as a nominee of Taglich Brothers, Inc. in connection with the Company's sale of its Series E Preferred Stock, for which Taglich Brothers, Inc. acted as placement agent. Mr. Schroeder specializes in advisory services and capital raising for small private and public companies. James DeSocio, not previously a director, was nominated to serve as a director by the Board and as indicated in the Company's Proxy Statement has more than 20 years of international enterprise software sales experience.

Edgar Filing: DecisionPoint Systems, Inc. - Form PREC14A

If elected, our Nominees will represent five of the seven members of the Board and given their business and financial background, together with Messrs. Schroeder and DeSocio, will provide the Company with an opportunity to enhance stockholder value.

We urge you to carefully consider the information contained in the attached Proxy Statement and then support our efforts by signing, dating and returning the enclosed GOLD proxy card today. The attached Proxy Statement and the enclosed GOLD proxy card are first being furnished to the stockholders on or about September __, 2014.

Mr. Schroeder, Vice President of Investment Banking of Taglich Brothers, Inc., was appointed to the Board on November, 2013 as a nominee of Taglich Brothers, Inc. in connection with the Company's sale of its Series E Convertible Preferred Stock, \$0.001 par value ("Series E Preferred Stock"), for which Taglich Brothers, Inc., acted as placement agent. Shares Entitled to Vote at the Annual Meeting

The Board has fixed September 3, 2014 as the record date for determining holders of Common Stock and Series D Preferred Stock who are entitled to vote at the Annual Meeting (the "Record Date"). Holders of Common Stock are entitled to one vote for each share of Common Stock owned on each matter presented to stockholders at the Annual Meeting. The Company's Proxy Statement states that as of the Record Date approximately 12,729,563 shares of Common Stock were outstanding and entitled to be voted at the Annual Meeting. In addition, under the terms of the Certificate of Designation authorizing the issuance of the Series D Preferred Stock (the "Series D Preferred Stock Certificate of Designation"), holders of Common Stock and the holders of Series D Preferred vote together and not as separate classes, with holders of Series D Preferred Stock as of the Record Date entitled to vote that number of shares into which the shares of Series D Preferred Stock owned as of the Record Date could have been converted as of that date. As of the Record Date, each holder of a share of Series D Preferred Stock was entitled to convert that share into 14.084506 shares of Common Stock. As a result, the holders of Series D Preferred Stock are entitled to cast 14.084506 votes on each matter submitted to a vote of stockholders at the Annual Meeting. Accordingly, as of the Record Date, holders of Common Stock are entitled to cast a total of 12,729,563 votes and holders of Series D Preferred (on an as-converted basis) are entitled to cast a total of 10,286,718 votes, for an aggregate total of 23,016,281 votes eligible to be cast.

Quorum Requirement for Annual Meeting

Under Delaware law, unless otherwise provided in the Company's Certificate of Incorporation or by-laws, at a meeting of the Company's stockholders, the presence, in person or by proxy, of stockholders entitled to cast a majority of the votes entitled to be cast at the meeting shall constitute a quorum. However, under the court order enforcing the settlement of the action we commenced against the Company in the Delaware Chancery Court seeking to compel the Company to hold an annual meeting, it was agreed that the Company would hold its annual meeting on or before October 15, 2014 and that the shares of stock represented in person or by proxy, and entitled to vote at the Annual Meeting, would constitute a quorum, notwithstanding any provision of the Company's Certificate of Incorporation or bylaws to the contrary. For further information regarding the lawsuit, see the section of the Company's Proxy Statement captioned "Additional Disclosure relating to Our Directors, Executive Officers and Corporate Governance—Corporate Governance—Involvement in Legal Proceedings—Setting Date of Annual Meeting."

Vote Required for Matters to be Voted upon at the Annual Meeting

As stated in the Company's Proxy Statement, Directors shall be elected by a plurality of the votes cast. In respect of other actions, any ratification or approval shall be authorized by a majority of the votes cast. The results of advisory votes shall not be binding on the Company or the Board. At the Annual Meeting, abstentions shall be deemed to be votes not cast, although they shall be counted for purposes of determining the existence of a quorum.

As of the Record Date, (i) Michael Taglich owned 268,242 shares of Common Stock and 85,617 shares of Series D Preferred Stock, thereby entitling him to cast 1,205,873 votes on each matter presented at the Annual Meeting, and (ii) Robert Taglich owned 268,243 shares of Common Stock and 24,943 shares of Series D Preferred Stock (exclusive of shares of Series D Preferred Stock also owned by Michael Taglich), thereby entitling him to cast 619,552 votes on each matter presented at the Annual Meeting. Accordingly, Michael Taglich and Robert Taglich are entitled to cast a total of 2,093,668 votes on each matter presented at the Annual Meeting, representing 9.1% of the total of 23,016,281 votes eligible to be cast. Michael Taglich and Robert Taglich intend to vote their shares FOR the election of the Nominees listed on the accompanying GOLD proxy card, ABSTAIN with respect to the ratification of the appointment of BDO USA, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2014, ABSTAIN with respect to approval of the DecisionPoint Systems, Inc. 2014 Equity Incentive Plan, and ABSTAIN with respect to the advisory vote on executive compensation and the frequency of future votes on executive compensation, as described herein. They also intend to exercise the discretionary authority granted in the accompanying GOLD proxy card to vote for the election of Robert C. Schroeder and James DeSocio, two of the Company's director candidates, to fill the remaining two seats on the Board, unless the proxy card contains instructions to the contrary.

The Certificates of Designation as with respect to the Series D Preferred Stock and the Series E Preferred Stock contain restrictions on conversion of the Series D Preferred Stock or the Series E Preferred Stock, as the case may be, into Common Stock. Specifically, each Certificate of Designation provides that a holder may not convert the Series D Preferred Stock or the Series E Preferred Stock if the number of shares of Common Stock to be issued upon such conversion would result in the holder being the beneficial owner (as determined in accordance with Section 13(d)) of in excess of 4.99% of all the Common Stock outstanding at such time.(the "4.99% Blocker").The 4.99% Blocker may be waived upon the holder providing the Company with 61 days' notice that such holder would like to waive the 4.99% Blocker, and does not require Company or stockholder approval. As of the date hereof, neither Michael Taglich nor Robert Taglich has waived the 4.99% Blocker.

Notwithstanding the presence of the 4.99% Blocker, the number of votes which a holder of Series D Preferred Stock or Series E Preferred Stock is eligible to vote at a meeting of the stockholders is equal to that number of shares of Common Stock into which the Series D or the Series E Preferred Stock can be converted without regards to the 4.99% Blocker.

The mailing address of the principal executive offices of the Company is 8697 Research Drive, Irvine, California 92618. Stockholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting.

BACKGROUND TO THE SOLICITATION

A chronology of our interactions with the Company is as follows:

Taglich Brothers, Inc. was the placement agent for the private placements of the Company's Series D and Series E Preferred Stock financings in December 2012 and November 2013, respectively. The Company raised \$7,042,000 from the sale of 704,200 shares of its Series D Preferred Stock at a price of \$10.00 per share, of which 681,000 shares were purchased by then clients of Taglich Brothers, Inc., and 23,200 shares were purchased by officers, directors and employees of the Company. The Company raised \$4,090,000 from the sale of 409,000 shares of its Series E Preferred Stock, all of which were purchased by clients of Taglich Brothers, Inc. As part of Taglich Brothers Inc.'s engagement as placement agent for the Series E Preferred Stock private placement, the Company agreed to "use its best efforts to identify at least two seasoned industry veterans or other qualified individuals (as determined by the Placement Agent in its sole and absolute discretion) to serve as members of the Company's Board of Directors."

Soon after the closing of the Series E Preferred Stock private placement, in November 2013 Robert C. Schroeder, Vice President of Investment Banking of Taglich Brothers, Inc., was appointed to the Company's Board of Directors. Early in February 2014, at a meeting with David Rifkin, Jay Sheehy and Robert Schroeder, Michael Taglich discussed his vision as to the composition of the Board. Mr. Taglich reiterated his belief that there should be at least two industry experienced Board members. He also repeated his demand that the Company hold a meeting of its stockholders.

In April 2014, we recommended to the current Board, through Nicolas Toms, its then CEO and Chairman, that the Company hold an annual meeting of stockholders. The Company has never held an annual meeting of stockholders since it ceased to be a shell company in June 2011.

On June 2, 2014, Mr. Toms sent an email to the Board suggesting that it should hold a shareholders' meeting in July. The Board said that they would set a meeting date when it held its next Board meeting on June 18th.

On June 2, 2014, Robert Schroeder was advised that the Company and Mr. Toms were the subjects of an SEC investigation and that a “Wells Notice” from the staff of the SEC could be issued near term. The SEC investigation centered on allegations that Mr. Toms, the CEO of the Company, had been the beneficial owner of shares of Common Stock of the Company that had been traded, but whose trading had not been disclosed in public reports filed by the CEO himself and by the Company.

At a June Board meeting, Mr. Schroeder suggested to the Board that it set a date for the annual meeting. The Board decided not to set a date.

When Michael Taglich inquired as to whether a date had been set for an annual meeting at the June Board meeting and was advised that a date had not been set, he requested Mr. Schroeder to advise the Board that he was disappointed in its failure to act. Mr. Schroeder told the members of the Board that Michael Taglich believed that the Board needed to set a date for an annual meeting immediately and that Mr. Taglich would then like to discuss the possible slate of nominees with the Board. The Board told Mr. Schroeder to tell Mr. Taglich that they were willing to have a stockholders' meeting but would not set a date at this time.

On July 2, 2014, the Company and Mr. Toms were served with Wells Notices. After learning that the Company had received a Wells Notice, Mr. Taglich again demanded that the Board set a date for the annual meeting, regardless of the SEC investigation and the receipt of the Wells Notices. The Board did not set a date for the annual meeting but advised Mr. Taglich that it would endeavor to hold a meeting no later than October 31.

Since the Board failed to respond to our request to fix a date for and schedule an annual meeting, on or about July 14, 2014, Michael Taglich commenced an action against the Company in the Delaware Chancery Court seeking to compel the Company to hold an annual meeting of stockholders. On July 23, 2014, the Company and Mr. Taglich settled the action, on the condition that the Company hold an Annual Meeting of Stockholders by October 15, 2014.

Subsequently, a series of discussions was held among David Rifkin, Jay Sheehy and Robert Schroeder to address the number and composition of Board nominees to be elected at the annual meeting. The Board determined to propose a slate of nominees which was not acceptable to us. The slate proposed by the Board does not contain two seasoned industry veterans, as previously agreed upon with Taglich Brothers, Inc in the November 2013 Placement Agreement. Consequently, we decided to propose our own slate of nominees and solicit proxies for the election of our nominees in opposition to the slate of nominees proposed by the existing Board.

REASONS FOR THE SOLICITATION

Based upon information disclosed in filings with the SEC, Michael Taglich is the largest stockholder of the Company, beneficially owning 2,093,668 shares of Common Stock and 85,617 shares of Series D Preferred Stock, thereby entitling him to cast 1,205,873 votes representing approximately 5.2% of the 23,016,281 potential votes to be cast at the Annual Meeting. He also is the beneficial owner of 15,281 shares of the Company's Series E Preferred Stock which are not entitled to vote at the Annual Meeting and holds warrants entitling him to purchase an aggregate of 351,343 shares of Common Stock. Robert Taglich owns 268,243 shares of Common Stock and 24,943 shares of Series D Preferred Stock, exclusive of shares of Series D Preferred Stock beneficially owned jointly with Michael Taglich, thereby entitling him to cast 619,552 votes representing approximately 3.9% of the 23,016,281 potential votes to be cast at the Annual Meeting. Accordingly, Michael Taglich and Robert Taglich are entitled to cast a total of 2,093,668 votes on each matter presented at the Annual Meeting, representing 9.1% of the total of 23,016,281 votes eligible to be cast.

We have significant concerns that based upon actions taken by the Board over the last three years, the current Board lacks the objectivity necessary to act in the best interest of stockholders. We believe that urgent change is needed on the Board to stop the diminution in value of the Company's shares. We believe that it is necessary to elect to the Board director candidates who have appropriate and relevant skill sets and a shared objective of enhancing value for the benefit of all stockholders. We believe the current Board has failed to enhance value for the benefit of the Company's stockholders and we have little confidence the Board will address the following serious issues that face the Company:

- Poor Stock Price Performance;
- Failure to Follow Good Corporate Governance Standards; and

- Lack of Alignment.

-5-

Therefore, we are soliciting your support to elect our Nominees at the Annual Meeting, who we believe would bring significant and relevant experience, new insight and fresh perspectives to the Board.

POOR STOCK PRICE PERFORMANCE

We are concerned by the significant decline in the market price of the Company's Common Stock.

We believe a company's stock price is the most clear, objective measure of the market's judgment of a public company's performance. The Company's share price has declined significantly since the merger transaction pursuant to which it became a Delaware corporation and ceased to be a shell company on June 15, 2011, during which entire period Lawrence Yelin, David M. Rifkin, Jay B. Sheehy and Marc Ferland have served as directors of the Company

The following table sets forth the high and low prices per share of the Company's Common Stock for each period indicated. * These quotations reflect inter-dealer prices, without retail mark-up, mark-down or commission and may not necessarily represent actual transactions.

	High	Low
First Quarter 2011	\$ 3.24	\$ 1.50
Second Quarter 2011	3.25	2.22
Third Quarter 2011	2.50	1.85
Fourth Quarter 2011	2.10	0.50
First Quarter 2012	\$ 1.64	\$ 0.65
Second Quarter 2012	1.54	0.90
Third Quarter 2012	1.35	0.71
Fourth Quarter 2012	1.25	0.55
First Quarter 2013	\$ 1.26	\$ 0.81
Second Quarter 2013	1.30	0.70
Third Quarter 2013	1.00	0.49
Fourth Quarter 2013	0.69	0.43
First Quarter 2014	\$ 0.60	\$ 0.36
Second Quarter 2014	0.58	0.26
Third Quarter (through September 15)	0.49	0.31

* Information for 2011 is based upon the Company's Annual Report on Form 10-K for the year ended December 31, 2012, information for 2012, 2013 and 2014 (through May 30, 2014) is based upon the Company's Prospectus dated June 17, 2014 and information subsequent to May 30, 2014 is based upon Yahoo Finance.

The closing market price of a share of Common Stock on September 15, 2014 was \$0.31.

We believe this significant stock price underperformance is a reflection of management's misguided strategy and poor execution. We fear that the stock performance is unlikely to improve on a sustained basis until the market regains its confidence in the Board's and management's ability to generate value for stockholders.

FAILURE TO FOLLOW GOOD CORPORATE GOVERNANCE STANDARDS

The current Board's failure to call an annual meeting of stockholders since the Company ceased to be a shell company in June 2011 is not consistent with good corporate governance standards.

The Company has never held an annual meeting of stockholders since it ceased to be a shell company in June of 2011. In the Placement Agreement entered into in November, 2013, the Company agreed "to identify at least two seasoned industry veterans or other qualified individuals (as determined by the Placement Agent in its sole and absolute discretion) to serve as members of the Company's Board of Directors." Despite its agreement and our repeated requests, the Board has refused to appoint industry veterans as agreed upon or hold an annual meeting at which stockholders could elect directors they deem appropriate in accordance with good corporate practices. We believe that it is part of good general corporate governance standards for a Company to hold an annual meeting each year.

Section 7 of Article I of the Company's By-laws contemplates that the Company will hold an annual meeting of stockholders not more than thirteen months after the annual meeting for the preceding year. Under Delaware law, a stockholder has the right to file an action in the Delaware Chancery Court if a company has not held an annual meeting within thirteen months of its last annual meeting. The New York Stock Exchange and NASDAQ each require a listed company to hold an annual meeting of stockholders each year. Annual meetings of stockholders provide stockholders with an opportunity to hold incumbent directors accountable for actions taken since their most recent election or appointment to the Board, an opportunity to meet, ask questions of and discuss various issues with members of the Board and senior management relating to the business of the Company, nominate individuals for election to the Board and submit proposals for consideration by stockholders, providing a certain degree of transparency not otherwise available. Furthermore, SEC proxy rules applicable to solicitations of proxies for annual meetings of stockholders at which directors are to be elected require disclosure of certain information concerning members of the Board and the committees of the Board, Board and executive compensation, transactions with related parties, security ownership by members of the Board, the Chief Executive Officer and other executive officers whose compensation is in excess of \$100,000 per annum, as well as holders of in excess of five percent of each class of voting securities, together with certain financial and other information depending upon the matters to be voted upon by stockholders at the annual meeting.

The failure of the current Board to call and hold an annual meeting in each of the past three years has deprived the stockholders of the Company of the ability to exercise their rights as stockholders.

Unfortunately, since the Board failed to respond to our request to schedule an annual meeting, on or about July 14, 2014, Michael Taglich commenced an action against the Company in the Delaware Chancery Court seeking to compel the Company to hold an annual meeting of stockholders. On July 23, 2014, the Company and Mr. Taglich settled the action, on the condition that the Company hold an Annual Meeting of Stockholders by October 15, 2014.

Our Nominees are in agreement with our belief that public companies should adhere to good corporate governance standards including holding an annual meeting of stockholders every year.

LACK OF ALIGNMENT

We do not believe the members of the Board have a significant ownership interest in the Company and therefore lack sufficient economic alignment with the interests of stockholders in maximizing stockholder value.

We are concerned that the lack of significant ownership of Common Stock by the members of the Board may contribute to the Board's lack of success in maximizing stockholder value.

The following table, which is based on disclosures in the Company's Proxy Statement in connection with the Annual Meeting, sets forth the beneficial ownership of shares of Common Stock by the current members of the Board as of June 30, 2014. As the table illustrates, the current members of the Board (other than Mr. Schroeder) beneficially own approximately 3.98% of the outstanding shares of Common Stock of the Company computed in accordance with the beneficial ownership rules of the SEC, but less than one percent (1%) of the actual outstanding shares.

OUR NOMINEES HAVE THE EXPERIENCE AND QUALIFICATIONS NECESSARY TO GENERATE VALUE FOR STOCKHOLDERS

As the Company's largest stockholder, Michael Taglich has a significant economic stake in the Company, as do the clients of Taglich Brothers, Inc., the brokerage firm co-founded, owned and managed and by him and his brother, Robert Taglich. .

As of the Record Date, Michael Taglich was the beneficial owner of 2,131,078 shares of Common Stock. Included among the shares of Common Stock beneficially owned by Mr. Taglich are 268,242 shares of Common Stock, 1,205,873 shares of Common Stock issuable upon conversion of 85,617 shares of Series D Preferred Stock, 305,620

shares of Common Stock issuable upon conversion of 15,281 shares of Series E Preferred Stock and 351,343 shares of Common Stock issuable upon exercise of warrants held by Mr. Taglich. As of the record date Robert Taglich was the beneficial owner of 1,524,480 shares of Common Stock. Included among the shares of Common Stock beneficially owned by Mr. Taglich are 268,243 shares of Common Stock, 351,309 shares of Common Stock issuable upon conversion of 24,943 shares of Series D Preferred Stock, 407,500 shares of Common Stock issuable upon conversion of 20,375 shares of Series E Preferred Stock and 351,343 shares of Common Stock issuable upon exercise of warrants held by Mr. Taglich.

Taglich Brothers, Inc. was the placement agent for the private placements of the Company's Series D and Series E Preferred Stock financings in December 2012 and November 2013, respectively. The Company raised \$7,042,000 from the sale of 704,200 shares of its Series D Preferred Stock at a price of \$10.00 per share, of which 681,000 shares were purchased by clients of Taglich Brothers, Inc. and 23,200 shares were purchased by the officers, directors and employees of the Company. The Company raised \$4,090,000 from the sale of 409,000 shares of its Series E Preferred Stock, all of which were purchased by clients of Taglich Brothers, Inc.

Michael Taglich and Robert Taglich believe that the Company can grow and prosper under the direction of the Nominees named in this Proxy Statement, and with a CEO and senior management team with industry experience.

Michael Taglich and Robert Taglich have been significant experience in management of public and private microcap companies, some of which have experienced liquidity difficulties similar to those of the Company and were in need of capital to grow and sustain operations. In 2007, Taglich Brothers, Inc. completed an \$8 million private placement of preferred stock for Air Industries Group, a Long Island, New York based aerospace and defense company. At the time of this private placement Air Industries Group was experiencing severe liquidity problems and its stock price was \$0.31. Michael Taglich and Robert Taglich joined the Board of Air Industries Group in September 2008 and despite difficult general economic conditions were able to raise additional capital for the company. Air Industries Group has been listed on the NYSE MKT since May 2013, with a share price currently in the \$10 range and since November 2012 it has been paying quarterly dividends to holders of its common stock, currently at the rate of \$0.60 per share per year. Since June 2012, Air Industries Group has made five acquisitions, and its net sales have grown from \$38,694,000 for the year ended December 31, 2008, to \$ 62,833,000 for the year ended December 31, 2013.

As the Company's largest stockholder, Michael Taglich's interests are aligned with all stockholders. Moreover, because Taglich Brothers, Inc. has served as placement agent in two of the Company's private offerings, Michael Taglich and Robert Taglich need the Company to succeed for the benefit of their customers. For this reason and because of Michael Taglich's business and financial skills and experience in working with microcap companies we believe Michael Taglich is qualified to contribute to the growth of the Company as a member of its Board. Because of our desire to help the Company succeed we have nominated to serve on the Board individuals with whom we have worked or who are personally known to us, or have been recommended to us, who are highly-qualified with valuable and relevant business and financial experience who we believe will bring a fresh perspective into the boardroom and would be extremely helpful in evaluating and executing on initiatives to contain expenses and unlock value at the Company.

John Guttilla's financial and business experience as a principal in an accounting firm and his service on the board and as chairman of the audit committee of a public company enable him to provide valuable insight to the Board without the need for significant ownership. Stanley J. Jaworski, Jr., has highly relevant industry experience and skills. Paul Seid is a member of the Board of BioVentrix, a privately-owned medical device company, as is Michael Taglich. Based upon his experience working with Paul Seid on the Board of BioVentrix, Michael Taglich believes that Mr. Seid will be an advocate for aggressively exploring changes that we consider necessary at the Company. Michael Taglich also believes that Magnus Thorstenn's experience as a business lawyer, both in private practice and as a general counsel of a publicly-listed company, will provide the Company with experience in the areas of corporate finance and corporate governance.

VOTING RULES AND PROCEDURES

Only stockholders of record of Common Stock and Series D Preferred Stock on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Stockholders who sold their Common Stock or Series D Preferred Stock before the Record Date (or acquire Common Stock or Series D Preferred Stock without voting rights after the Record Date) may not vote such shares. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares after the Record Date. Each share of Common Stock entitles the record holder to one vote on each matter to be voted upon at the Annual Meeting. Each share of Series D Preferred Stock is entitled to ten votes for each share owned of record.

Under Delaware law, unless otherwise provided in the Company's Certificate of Incorporation or by-laws, at a meeting of the Company's stockholders, the presence, in person or by proxy, of stockholders entitled to cast a majority of the votes entitled to be cast at the meeting shall constitute a quorum. However, under the court order enforcing the settlement of the action we commenced against the Company in the Delaware Chancery Court seeking to compel the Company to hold an annual meeting, it was agreed that the Company would hold its annual meeting on or before October 15, 2014 and that the shares of stock represented in person or by proxy, and entitled to vote at the Annual Meeting would constitute a quorum, notwithstanding any provision of the Company's Certificate of Incorporation or bylaws to the contrary. For further information regarding the lawsuit, see the section of the Company Proxy Statement captioned "Additional Disclosure relating to Our Directors, Executive Officers and Corporate Governance—Corporate Governance—Involvement in Legal Proceedings—Setting Date of Annual Meeting."

According to the Company's Proxy Statement, the current Board has nominated seven candidates for election at the Annual Meeting. Since the Board is electing seven (7) director candidates at the Annual Meeting, and we have only proposed five Nominees for election as directors, we intend to exercise the discretionary authority granted in the accompanying GOLD proxy card to vote for the election of Robert C. Schroeder and James DeSocio, two of the Company's director candidates, to fill the remaining two seats on the Board, unless the proxy card contains instructions to the contrary. The names, backgrounds and qualifications of the Company's nominees, including Messrs. Schroeder

and DeSocio, and other information about them, can be found in the Company's Proxy Statement.

Broker Non-Votes; Abstentions

Due to the contested nature of the Annual Meeting, brokers will not have discretionary authority to vote proxies on any proposal at the Annual Meeting without instructions as to how to vote on those proposals (so called “broker non-votes”). Accordingly, broker non-votes have no effect toward the vote total for any proposal.

Abstentions will not affect the outcome of the vote on Proposal Nos. 1 or 2, but will have the effect of a vote AGAINST Proposal Nos. 3, 4 and 5 because abstentions are considered shares entitled to vote on these proposals.

Accordingly, it is important that you vote the shares of Common Stock or Series D Preferred Stock you held on the Record Date, or grant a proxy to vote such shares on the GOLD proxy card, even if you sell or have already sold your Common Stock or Series D Preferred Stock.

Votes Required for Approval

According to the Company’s Proxy Statement, with respect to the election of the directors, the seven nominees receiving the highest number of votes cast at the Annual Meeting will be elected. Approval of each of the other proposals requires the affirmative vote of a majority of the shares cast in person or represented by proxy at the Annual Meeting.

Important Instructions For “Street Name” Stockholders

If any of your shares of Common Stock or Series D Preferred Stock are held in the name of a brokerage firm, bank nominee or other institution, only that institution can sign a GOLD proxy card with respect to your shares and only after receiving your specific instructions. Accordingly, please promptly sign, date and mail in the postage-paid envelope provided the enclosed GOLD proxy card (or voting instruction form) you received from the brokerage firm, bank nominee or other institutions in whose name your shares are held. Please check the voting instruction form used by that broker, bank or other institution to see if it also offers telephone or Internet voting. Please do so for each account you maintain to ensure that all of your shares are voted.

Revocation of Proxies

Stockholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to Michael Taglich and Robert Taglich, c/o Taglich Brothers, Inc., at 275 Madison Avenue, Suite 1618, New York, New York 10016, or to the Company at 8697 Research Drive, Irvine, California 92618, or any other address provided by the Company. To ensure that your shares are voted in accordance with your wishes, you should also contact the person responsible for your account and give instructions for a GOLD proxy card to be issued representing your shares of Common Stock or Series D Preferred Stock

Solicitations may be made by our agents and/or their employees, none of whom will receive any additional compensation for such solicitations. We will request banks, brokerage houses and other custodians, nominees and fiduciaries to forward all of our solicitation materials to the beneficial owners of the shares of Common Stock and Series D Preferred Stock which such individuals or entities hold of record. We will reimburse these record holders for customary clerical and mailing expenses incurred by them in forwarding these materials to the beneficial owners of the shares.
