Mrs. Elizabeth Lopez Rios Machado Superintendency of Company Relations

Mr. Waldir de Jesus Nobre - Superintendency of Market and Agent Relations

Reference is made to your Official Letter No. GAE 1316/09, received last May 12, to reaffirm that, as already informed by the Company on March 25, 2009, in our answer to the Official Letter No. GAE 473/09, discussions have been held with Perdigão S.A. about a possible association, however, up to this date, no agreement has been entered into and it cannot even be said that such negotiations will lead to any kind of legal business or even what type of business entity could result from them.

Lacking any other information, it might be presumed that the price oscillations and the increase in the volume of Company-issued shares are nothing more than a market reaction to such expectations and the interpretation of each investor. The Company, in turn, is unable to prevent, or to identify the source of, the rumors and speculations disseminated by the media and can only reaffirm its commitment to keep the market informed about any developments.

Very truly yours,

Mr. Welson Teixeira Junior

Investor Relations Director
