MEDIA RELEASE

KDC EAST STRIKE RESOLVED

Johannesburg, 5 September 2012: Gold Fields Limited (Gold Fields) (JSE, NYSE, NASDAQ Dubai: GFI) is pleased to announce that the unlawful strike by 12,000 employees at the KDC East mine on the West Rand in South Africa has been resolved and that striking employees have agreed to return to work with the commencement of the night shift tonight.

The strike was resolved after the national leadership of the National Union of Mineworkers (NUM) met with NUM members on the mine to resolve the differences between them and office bearers of the local NUM branch.

Nick Holland, Chief Executive Officer of Gold Fields, said: "We commend the national leadership of the NUM, in particular President Senzeni Zokwana and General Secretary Frans Baleni, for their bold leadership in resolving the strike. While we cannot condone the unlawful nature of the strike, and will implement the no work, no pay and no dismissal principle, we are pleased with the peaceful manner in which our employees conducted the strike."

The strike commenced on Wednesday, 29 August 2012, when the night shift did not turn out for work.
