PROXY STATEMENT

General. This Proxy Statement is furnished by the Board of Directors of National Retail Properties, Inc. (the "Company") in connection with the solicitation by the Board of Directors of proxies to be voted at the annual meeting of stockholders to be held on May 15, 2009, and at any adjournment thereof, for the purposes set forth in the accompanying notice of such meeting. All stockholders of record at the close of business on March 17, 2009 (the "Record Date") will be entitled to vote. It is anticipated that this Proxy Statement and the enclosed Proxy will be mailed to stockholders on or about April 1, 2009. The Proxy Statement and our Annual Report on Form 10-K filed with the Securities and Exchange Commission (the "SEC") will also be available on the Internet at www.nnnreit.com/proxyvote.

When we use the words "we," "us," "our" or "Company," we are referring to National Retail Properties, Inc.

Voting/Revocation of Proxy. If you complete and properly sign and mail the accompanying proxy card, it will be voted as you direct. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. Street name stockholders who wish to vote at the meeting will need to obtain a proxy from the institution that holds their shares.

If you are a registered stockholder, you may vote by telephone (1-800-690-6903), or electronically through the Internet (<http://www.proxyvote.com>), by following the instructions included with your proxy card. If your shares are held in street name, please check your proxy card or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically.

Any proxy, if received in time, properly signed and not revoked, will be voted at such meeting in accordance with the directions of the stockholder. If no directions are specified, the proxy will be voted **FOR** each of the proposals contained herein. Any stockholder giving a proxy has the power to revoke it at any time before it is exercised. A proxy may be revoked (1) by delivery of a written statement to the Secretary of the Company stating that the proxy is revoked, (2) by presentation at the annual meeting of a subsequent proxy executed by the person executing the prior proxy, or (3) by attendance at the annual meeting and voting in person.

Vote Required for Approval; Quorum. The eight nominees for director who receive the most votes will be elected. If you indicate withhold authority to vote for a particular nominee by entering the number of any nominee (as designated on the proxy card) below the pertinent instruction on the proxy card, your vote will not count either for or against the nominee. As of the Record Date, 79,214,955 shares of the common stock of the Company (the Common Stock) were outstanding, of which 79,038,819 shares entitled the holder thereof to one vote on each of the matters to be voted upon at the annual meeting. As of the Record Date, our executive officers and directors had the power to vote approximately 1.25% of the outstanding shares of Common Stock. Our executive officers and directors have advised us that they intend to vote their shares of Common Stock **FOR** each of the proposals contained herein.

Votes cast in person or by proxy at the annual meeting will be tabulated and a determination will be made as to whether or not a quorum is present. We will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence or absence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders. If a broker submits a proxy indicating that it does not have discretionary authority as to certain shares to vote on a particular matter (broker non-votes), those shares will not be considered as present and entitled to vote with respect to such matter. Broker non-votes with respect to the election of directors will have no effect on the outcome of the vote on this proposal.

YOUR VOTE AT THE ANNUAL MEETING IS VERY IMPORTANT TO US.

Solicitation of Proxies. Solicitation of proxies will be primarily by mail. However, our directors and officers may also solicit proxies by telephone or telegram or in person. All of the expenses of soliciting proxies, including preparing, assembling, printing and mailing the materials used in the solicitation of proxies, will be paid by us. Corporate Governance

General. We are currently managed by an eight-member Board of Directors that consists of Messrs. DeFosset, Gershenson, Habicht, Jennings, Lanier, Legler, Macnab, and Martinez, with Mr. Macnab serving as Chairman and Mr. Lanier serving as Lead Director. Clifford R. Hinkle served as Chairman until February 2008, at which time Mr. Hinkle was appointed Lead Director and Mr. Macnab was appointed Chairman. Mr. Hinkle resigned from the Board of Directors in December 2008, at which time Mr. Lanier was appointed Lead Director.

The Board of Directors has adopted a set of corporate governance guidelines, which, along with the written charters for our Board committees described below, provide the framework for the Board's governance of the

Company. Our corporate governance guidelines are available both on our website at <http://www.nnnreit.com> and in print to any stockholder who requests it.

Independence and Composition. Our corporate governance guidelines and the rules and regulations of the New York Stock Exchange, which we refer to as the NYSE listing standards, each require that a majority of our Board of Directors are "independent" directors, as that term is defined in the NYSE listing standards.

The Board of Directors has determined that Messrs. DeFosset, Gershenson, Jennings, Lanier, Legler and Martinez, representing a majority of our Board of Directors, qualify as independent directors (the "Independent Directors") as that term is defined in the NYSE listing standards. The Board of Directors made its determination based on information furnished by all directors regarding their relationships with us and our affiliates and research conducted by management. In addition, the Board of Directors consulted with our outside counsel to ensure that the Board's determination would be consistent with all relevant securities laws and regulations as well as the NYSE listing standards. In early 2007, the Board of Directors determined that Mr. Hinkle, who served on our Board of Directors until his resignation in December 2008, was an Independent Director.

4

Meetings and Attendance. The Board of Directors met 10 times in the fiscal year ended December 31, 2008. Each of the nominees serving on the Board of Directors in 2008 attended 96% of the meetings of (i) the Board of Directors and (ii) the committees of the Board of Directors on which he served. Our corporate governance guidelines provide that it is the responsibility of individual directors to make themselves available to attend scheduled and special Board meetings on a consistent basis. All of our directors as of the date of the 2008 annual meeting of the Company's stockholders were in attendance for the 2008 annual meeting, except for Mr. DeFosset, whose term had not yet commenced by such date. In addition, non-management members of the Board of Directors met in executive session four times in the fiscal year ended December 31, 2008. These sessions were presided over by Mr. Hinkle in his capacity as Lead Director. Mr. Lanier, as the newly appointed Lead Director in December 2008, will preside over executive sessions in his capacity as Lead Director in 2009.

Interested Party Communications. The Board of Directors has adopted a process whereby stockholders and other interested parties can send communications to our directors. Anyone wishing to communicate directly with one or more directors may do so in writing addressed to the director or directors, c/o National Retail Properties, Inc., 450 South Orange Avenue, Suite 900, Orlando, Florida 32801, attention: Secretary of the Company. All correspondence will be reviewed by the Secretary of the Company and forwarded directly to the addressee so long as, in the Secretary's discretion, such correspondence is reasonably related to protecting or promoting legitimate interests of interested parties or the reliability of the financial markets.

Audit Committee

General. The Board of Directors has established an Audit Committee, which is governed by a written charter, a copy of which is available both on our website at <http://www.nnnreit.com> and in print to any stockholder who requests it. Among the duties, powers and responsibilities of the Audit Committee as provided in its charter, the Audit Committee:

- has sole power and authority concerning the engagement and fees of independent registered public accounting firms;
- reviews with the independent registered public accounting firm the plans and results of the audit engagement;
- pre-approves all audit services and permitted non-audit services provided by the independent registered public accounting firm;
- reviews the independence of the independent registered public accounting firm;
- reviews the adequacy and effectiveness of our internal control over financial reporting; and,
- reviews accounting, auditing and financial reporting matters with our independent registered public accounting firm and management.

Independence and Composition. The composition of the Audit Committee is subject to the independence and other requirements of the Securities Exchange Act of 1934 and the rules and regulations promulgated by the SEC thereunder, which we refer to as the Exchange Act, and the NYSE listing standards.

The Board of Directors, upon the unanimous recommendation of the Governance and Nominating Committee, has determined that all current members of the Audit Committee meet the audit committee composition requirements of the Exchange Act and the NYSE listing standards and that each of Messrs. Jennings and Lanier qualifies as an "audit committee financial expert" as that term is defined in the Exchange Act.

Meetings. The Audit Committee met eight times in the fiscal year ended December 31, 2008. During fiscal year 2008 and as of February 10, 2009, Messrs. Jennings, Lanier and Martinez were the members of the Audit Committee, with Mr. Lanier serving as Chairman.

Governance and Nominating Committee

General. The Board of Directors has established a Governance and Nominating Committee, which is governed by a written charter, a copy of which is available both on our website at <http://www.nnnreit.com> and in print to stockholder who requests it. As provided in the Governance and Nominating Committee charter, the Governance and Nominating Committee:

- identifies and recommends to the Board of Directors individuals to stand for election and reelection to the Board of Directors at our annual meeting of stockholders and to fill vacancies that may arise from time to time;
- develops and makes recommendations to the Board of Directors for the creation, and ongoing review and revision of, a set of effective corporate governance principles that promote our competent and ethical operation and a policy governing ethical business conduct of our employees and Directors; and,
- makes recommendations to the Board of Directors as to the structure and membership of committees of the Board of Directors.

Selection of Director Nominees. Our corporate governance guidelines provide that the Governance and Nominating Committee will endeavor to identify individuals to serve on the Board of Directors who have expertise that is useful to us and complimentary to the background, skills and experience of other Board members. The Governance and Nominating Committee's assessment of the composition of the Board of Directors includes: (a) skills — business and management experience, real estate experience, accounting experience, finance and capital markets experience, and an understanding of corporate governance regulations and public policy matters, (b) character — ethical and moral standards, leadership abilities, sound business judgment, independence and innovative thought, and (c) composition — diversity, age and public company experience. The principal qualification for a director is the ability to act in the best interests of the Company and its stockholders. Each of the candidates for director named in this proxy statement have been recommended by the Governance and Nominating Committee and approved by the Board of Directors for inclusion on the attached proxy card.

The Governance and Nominating Committee also considers director nominees recommended by stockholders. See the section of this proxy statement entitled "PROPOSALS FOR NEXT ANNUAL MEETING" for a description of how stockholders desiring to make nominations for directors and/or to bring a proper subject before a meeting should do so. The Governance and Nominating Committee evaluates director candidates recommended by stockholders in the same manner as it evaluates director candidates recommended by our directors, management or employees.

Independence and Composition. The NYSE listing standards require that the Governance and Nominating Committee consist solely of independent directors. The Board of Directors, upon the unanimous recommendation of the Governance and Nominating Committee, has determined that all current members of the Governance and Nominating Committee are "independent" as that term is defined in the NYSE listing standards.

Meetings. The Governance and Nominating Committee met four times in the fiscal year ended December 31, 2008. Between January 1, 2008, and May 30, 2008, Messrs. Jennings, Legler and Martinez were the members of the Governance and Nominating Committee, with Mr. Jennings serving as Chairman. Following May 30, 2008, and as of February 10, 2009, the Governance and Nominating Committee consisted of Messrs. Gershenson, Jennings and Legler, with Mr. Jennings serving as Chairman.

Compensation Committee

General. The Board of Directors has established a Compensation Committee, which is governed by a written charter, a copy of which is available both on our website at <http://www.nnnreit.com> and in print to any stockholder who requests it.

Processes and Procedures for Executive and Director Compensation Determinations

- *Role of Compensation Committee.* The Compensation Committee is responsible for discharging the responsibilities of the Board of Directors with respect to approving and evaluating compensation plans, policies and programs for our executive officers and directors and approving all awards to any executive officer, director or associate under our equity incentive plans. The Compensation Committee also serves as the administrator of our 2007 Performance Incentive Plan.
- *Role of Management in Compensation Determinations.* The Compensation Committee considers the recommendations of our Chief Executive Officer when determining the base salary and incentive performance compensation levels of the executive officers. Similarly, the Compensation Committee also considers the recommendations of our Chief Executive Officer when setting specific Company and individual incentive performance targets. In addition, officers may be invited to attend committee meetings, but are not present for any discussion of their own compensation. Management generally does not have a role in the setting of director compensation.
- *Role of Independent Compensation Consultants.* In February 2008, the Compensation Committee retained Gressle & McGinley LLC, a compensation consultant focused on the REIT industry (["G&M"]), to assist the Compensation Committee in researching and evaluating director compensation programs among the Company's peer group and in setting directors' compensation. G&M also assisted in setting executive officers' and directors' compensation during 2008. The use of independent consultants provides additional assurance that our executive compensation programs are reasonable, consistent with Company objectives, and competitive with executive compensation with companies in our peer group. G&M reports directly to the Compensation Committee and regularly participates in committee meetings.
- *Delegation of Authority by the Committee.* The Committee may delegate its authority to make and administer awards under our equity incentive plans to another committee of the Board of Directors or, except for awards to individuals subject to Section 16 of the Securities Exchange Act of 1934, to one or more of our officers. On an annual basis, the Committee typically authorizes a limited number of shares of restricted stock to be awarded by our Chief Executive Officer to such of our non-executive associates as he determines, in consultation with our other executive officers. The restricted stock typically vests 20% annually over a five-year period.

Our executive compensation programs and philosophy are described in greater detail under the section entitled ["Compensation Discussion and Analysis.["

Independence and Composition. The NYSE listing standards require that the Compensation Committee consist solely of independent directors. The Board of Directors, upon the unanimous recommendation of the Governance and Nominating Committee, has determined that all current members of the Compensation Committee are ["independent[" as that term is defined in the NYSE listing standards.

Meetings. The Compensation Committee met six times in the fiscal year ended December 31, 2008. Between January 1, 2008, and May 30, 2008, Messrs. Jennings, Legler and Martinez were the members of the Compensation Committee, with Mr. Legler serving as Chairman. Following May 30, 2008, and as of February 10, 2009, the Compensation Committee consisted of Messrs. Gershenson, Legler and Martinez, with Mr. Legler serving as Chairman.

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee is or was previously an officer or employee of the Company, and no executive officer of the Company serves on the board of directors of any company at which any member of the Compensation Committee is employed.

- (1) With the exception of Mr. DeFosset, the awards shown in column (c) represent annual grants made to directors of the Company. The grant to Mr. DeFosset and a portion of the grant to Mr. Gershenson represents a grant of 2,500 shares of common stock upon attending his respective first meeting of the Board of Directors.
- (2) The cash fees and stock awards earned by Messrs. DeFosset, Jennings, Legler, and Martinez are deferred into shares of our common stock under our Deferred Fee Plan, which is described in greater detail below. Mr. Gershenson also deferred all cash fees and stock awards earned subsequent to his election to participate in our Deferred Fee Plan on February 29, 2008.

The Company only compensates non-employee directors for services provided as directors of the Company. Each non-employee director received \$104,525 per year, to be paid in shares of the Company's common stock on the last day of each January, April, July and October based on the prior business day's closing share price of the Company's common stock as reported on the New York Stock Exchange. Additionally, the Lead Director, the Chairman of the Audit Committee, the Chairman of the Compensation Committee and the Chairman of the Governance and Nominating Committee received \$25,000, \$15,000, \$10,000 and \$7,500, respectively. In addition, Messrs. DeFosset and Gershenson, as new directors, each received a grant of 2,500 shares of common stock of the Company upon attending his respective first meeting of the Board of Directors.

A Deferred Fee Plan was established by the Company for the benefit of its directors and their beneficiaries. A director may elect to defer all or part of his or her director's fees to be earned in any calendar year by filing a deferred fee agreement with the Company no later than December 15 of the previous year. A director has the option to have deferred fees paid in cash, in shares of common stock or in a combination of cash and common stock. If the director elects to have the deferred fees paid in stock, the number of shares allocated to the director's stock account is determined based on the market value of the common stock on the day the deferred director's fees were earned. A director is entitled to receive the vested portion of the amounts credited to his or her deferred fee account or the earlier of a change of control or the time specified in such director's fee agreement. The Deferred Fee Plan was amended by the Compensation Committee on May 30, 2008, for compliance purposes pursuant to Section 409A of the Internal Revenue Code of 1986.

The following table sets forth fees deferred into shares of common stock by directors under the Deferred Fee Plan.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Objectives of Compensation Program

We believe our success is largely attributable to the talent and dedication of our employees (whom we refer to as associates) and to the management and leadership efforts of our executive officers. Our goal is to establish a compensation program that will attract and retain talented corporate officers, motivate them to perform to their fullest potential, and align their long-term interests with the interests of our stockholders.

What Our Compensation Program is Designed to Reward and Other Policies

We believe that the most effective compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals, and which aligns executives' interests with those of the stockholders by rewarding performance that meets or exceeds established goals, with the ultimate objective of improving stockholder value. Our Compensation Committee (for purposes of this discussion and analysis, the "Committee") evaluates both performance and compensation to ensure that we maintain our ability to attract and retain superior executive officers and that compensation provided to our executive officers remains competitive relative to the compensation paid to similarly situated executives of our peer companies. In making compensation decisions, the Committee considers the compensation practices and financial performance of REIT and other industry participants and from time to time receives assessments and advice regarding compensation practices from independent compensation consultants. In evaluating performance, the Committee considers quantitative and qualitative improvement in factors such as funds from operations (FFO) per share based metrics, capital structure, absolute and relative stockholder returns and individual performance and contribution to corporate goals and objectives. Additionally, the Committee makes a subjective assessment of our general performance, the executive officer's contribution to our performance, the executive officer's anticipated performance and contribution to our achievement of our long-term goals and the position, level and scope of the executive officer's responsibility.

We believe that our compensation for executive officers, which includes the use of restricted stock awards, results in a significant alignment of interest between these individuals and our stockholders. In addition, under our Corporate Governance Guidelines, within five years of becoming a Covered Person, as defined by the Compensation Committee, executive officers are strongly encouraged to own our common stock (including restricted stock) equal to a minimum of five times the annual base salary for CEO and three times their annual base salary for all other executive officers.

Accounting and Tax Considerations

We select and implement the elements of compensation for their ability to help us achieve the objectives of our compensation program and not based on any unique or preferential financial accounting or tax treatment. However, when awarding compensation, the Committee is mindful of the accounting impact that will be caused as a result of the compensation expense related to the Committee's actions. In addition, Section 162(m) of the Internal Revenue Code provides that public companies cannot deduct for federal income tax purposes non-performance based compensation paid to certain named executive officers in excess of \$1.0 million per year. While we have not adopted a policy requiring that all compensation be deductible and expect that we may pay compensation that is not deductible when necessary to achieve our compensation objectives, we consider the consequences of Section 162(m) and under our 2007 Performance Incentive Plan, a portion of our future restricted stock awards are intended to be performance-based grants which are exempt from the deduction limits of Section 162(m).

Timing of Restricted Stock Awards

Restricted stock awards to our executive officers are typically made annually in conjunction with the review of the individual performance of our executive officers. The review and the annual restricted stock awards typically occur at the regularly scheduled February meeting of the Committee. For corporate and accounting measurement purposes, the date of grant of the restricted stock awards is the date of the meeting or such later date as specified by the Committee. However, the number of shares of restricted stock granted is based on our closing stock price on the last trading day of the preceding fiscal year for which the restricted stock was earned.

For the fiscal year ended December 31, 2008, base salary, non-equity incentive compensation (in the form of a cash bonus) and equity incentive compensation (in the form of restricted stock) were the principal components of compensation for the named executive officers. Executives also receive certain benefits and other perquisites. We believe that these compensation components provide an appropriate mix of fixed and variable pay, balances short-term operational performance with long-term shareholder value, and encourages executive recruitment and retention.

Base Salary

Base salary is intended to provide executive officers with a base level of compensation that is comparable to the base salaries awarded by comparable companies, with the understanding that a significant portion of each executive's total compensation will be incentive based. In 2005, the Committee undertook an extensive review of the compensation of our executive officers as compared to the compensation of executive officers of companies in our peer group (the "2005 Review"). In connection with the 2005 Review, the Committee, with the assistance of The Schonbraun McCann Group, LLC, an independent compensation consultant focusing on the REIT industry ("SMG"), determined that our peer group included Realty Income Corporation, Lexington Corporate Properties, Inc., Capital Automotive REIT, Entertainment Properties Trust, Equity One, Inc., Developers Diversified Realty Corporation and Regency Centers Corporation. The Committee was provided with a detailed analysis of the compensation of our executive officers as compared to the executive officers of companies in our peer group, with the overall strategy of benchmarking base salary comparable to the peer group. As a result of the 2005 Review, the Committee set base salaries for executive officers in 2005. The Committee expects to undertake similar peer group compensation reviews every two or three years. In 2007 the Committee retained Gressle & McGinley ("G&M") to conduct a review of the compensation of our peers and compare them to the compensation paid to our executive officers. Pursuant to that review, in 2008, the Committee approved base salary increases for its executive officers as follows: 3.75% increase for Mr. Macnab; 14.09% increase for Mr. Whitehurst; 6.78% increase for Mr. Habicht; 14.71% increase for Mr. Tessitore; and 14.71% increase for Mr. Bayer.

Non-Equity Incentive Compensation (Cash Bonuses)

Bonus Plan. As described above, we believe that a significant portion of each executive officer's total compensation should be provided in the form of incentive compensation. Thus, in consultation with G&M, in February 2008, the Committee approved a non-equity incentive compensation plan (the "Bonus Plan") for executive officers. The bonus potential for executive officers under the Bonus Plan was based 75% upon our achievement of certain FFO per share based targets in 2008 (the "2008 Earnings Targets"), while 25% was based on individual performance as evaluated by the Committee, in the case of Mr. Macnab and as evaluated by Mr. Macnab, in the case of Messrs. Whitehurst, Habicht, Bayer, and Tessitore. The 2008 Earnings Targets were fixed by the Committee. FFO is generally considered by industry analysts and investors to be the most appropriate measure of performance of real estate investment companies. Total bonus potential for each of our executive officers in 2008 was based on the following percentages of their respective base salaries:

Named Executive Officer	Achievement of 2008 Earnings Targets ⁽¹⁾			
	Threshold Performance	Target Performance	Maximum Performance	Outperform Performance
Craig Macnab	50%	100%	150%	200%
Julian E. Whitehurst	50%	100%	125%	150%
Kevin B. Habicht	50%	100%	125%	150%
Paul E. Bayer	50%	75%	100%	125%
Christopher P. Tessitore	50%	75%	100%	125%

(1) An interpolation provision applied in the event that actual results in 2008 fell between any of the 2008 Earnings Targets.

In addition, the Committee reserved the right, in its sole discretion, to make further modifications to the Bonus Plan, to terminate the Bonus Plan or to elect not to make any awards under the Bonus Plan.

Awards under Bonus Plan. In February 2009, the Committee met to consider awards to executive officers under the Bonus Plan. Based on the Company's 2008 FFO per share of \$1.99, and thus, achievement of the outperform 2008 Earnings Target, a review of Mr. Macnab's performance in 2008 and a report from Mr. Macnab on the performance of the other executive officers in 2008, the Committee approved a cash bonus to Mr. Macnab equal to 200% of his base salary in 2008, a cash bonus to each of Messrs. Whitehurst and Habicht equal to 150% of such officer's base salary in 2008, and a cash bonus to each of Messrs. Bayer and Tessitore equal to 125% of each of such officer's base salary in 2008.

The February 2009 bonus awards are reflected in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table below.

Equity Incentive Plan Compensation (Restricted Stock Awards)

Restricted stock grants are intended to provide the named executive officers with a significant interest in the long-term performance of our stock. The Committee has elected to use awards of restricted stock instead of other equity awards, such as stock options, because, as a REIT, which pays a large portion of its annual earnings to stockholders in the form of dividends, we believe that restricted stock provides a better incentive and alignment of interest than stock options. The Committee has determined that our desired compensation objectives are better achieved by awarding restricted stock that is earned based on achievement of specified financial performance targets.

Restricted Stock Plan. Thus, in consultation with G&M, in November 2006, the Committee approved an equity incentive compensation plan (the "Restricted Stock Plan") for executive officers. The Restricted Stock Plan provided for grants of restricted stock based on our achievement of the 2008 Earnings Targets. In addition, the Committee reserved the right, in its sole discretion, to make further modifications to the Restricted Stock Plan, to terminate the Restricted Stock Plan or to elect not to make any awards under the Restricted Stock Plan. The Restricted Stock Plan provides for a restricted stock grant potential for our executive officers in 2008 based on the percentages of their respective base salaries set forth on the chart set forth above under "Non-Equity Incentive Compensation (Cash Bonuses) - Bonus Plan."

The restricted stock will, if awarded, vest 20% per year over a five-year period. In addition, the executive officers would be entitled to receive dividends on unvested shares of retention restricted stock.

Awards under Restricted Stock Plan. In February 2009, based on achievement of the outperform 2008 Earnings Target, pursuant to each of the components of the Restricted Stock Plan, the Committee approved grants of restricted stock to Mr. Macnab with a value equal to 400% of his base salary in 2008, grants of restricted stock to each of Messrs. Whitehurst and Habicht equal to 300% of such officer's base salary in 2008 and grants of restricted stock to each of Messrs. Bayer and Tessitore equal to 250% of such officer's base salary in 2008.

Although the grant date of the restricted stock for corporate and accounting measurement purposes was February 9, 2009, the date of the Committee meeting at which the grants were approved, the number of shares of restricted stock granted was based on our closing stock price of \$17.19 per share on December 31, 2008.

Although the February 2009 stock grants were intended to reward our executive officers for 2008 performance, the February 2009 stock awards are not reflected in the Equity Compensation Tables below because there was no impact of these grants for FAS 123R reporting purposes on our consolidated financial statements for the year ended December 31, 2008. These grants will first be reflected in the Equity Compensation Tables included in our proxy statement for the 2010 annual meeting of stockholders.

Benefits and Other Perquisites

We provide benefits to our executive officers under the National Retail Properties, Inc. Retirement Plan. We do not sponsor a defined benefit pension plan for our executive officers or any other associates. Our executive officers are eligible to receive, on the same basis as other associates, employer matching contributions under the plan. This allows our executive officers to save for their retirement on a tax-deferred basis through the Section 401(k) savings feature of the plan, with the Company-funded portion of these benefits based on matching the contributions of the executive officers.

Our executive officers are also eligible to participate in the other employee benefit and welfare plans that the Company maintains on similar terms as associates who meet applicable eligibility criteria, subject to any legal limitations on the amounts that may be contributed or the benefits that may be payable under such plans.

We do not consider perquisites to be a principal component of our executive officers' compensation. Costs attributed to the perquisites and other personal benefits afforded to the named executive officers for the fiscal year ended December 31, 2008, are shown in the "Other Compensation" column of the Summary Compensation Table below.

We believe that our executive officer benefit and perquisite programs provided are reasonable and competitive with benefits and perquisites provided to executive officers of other REITs, and are necessary to sustain a fully competitive executive compensation program.

New Employment Agreements

Historically, because the employment agreements of most of our executive officers provided for automatic renewal, the Committee reviews the terms of the employment agreements periodically and before a renewal occurs to determine whether the terms of the agreements continue to further our goals.

Effective December 1, 2008, primarily in order to expand the "cause" definition for purposes of termination for cause, the Company entered into new employment agreements with Messrs. Macnab, Whitehurst, Habicht, Tessitore and Bayer, effectively terminating each executive officer's prior employment agreement with the Company. In each of the employment agreements, the definition of "cause" for purposes of termination for cause, was amended primarily to: (a) include fraud or any act of dishonesty to the list of prohibited criminal prohibited behavior on behalf of the executive, (b) include the requirement for disclosure of any conflicts of interest as a fiduciary duty of the executive, and (c) encompass both monetary and non-monetary impacts to determine whether any act by the executive materially injures the Company or any of its majority-owned subsidiaries. The Committee approved the employment agreements on November 10, 2008, and believes the change to the "cause" definition helps maintain industry best practices.

Each of the employment agreements is subject to automatic successive two-year renewals unless one party provides written notice to the other party of non-renewal 180 days prior to the expiration date in the employment agreement. The expiration date in the employment agreement for each of the executive officers is as follows: (a) May 16, 2011, for Mr. Macnab; (b) August 17, 2011, for Messrs. Whitehurst and Habicht; and (c) January 2, 2011, for Messrs. Tessitore and Bayer. The initial base salary for each executive remained the same as what had been approved earlier in 2008 by the Committee. Each employment agreement continues to provide for participation in any bonus and equity incentive plans developed by the Company, benefits generally available to senior executives of the Company and other benefits, such as a monthly car allowance, long-term disability coverage and life insurance benefits.

A description of the other terms of the employment agreements, including post-employment payments and triggers, can be found under "Potential Payments Upon Termination or Change of Control" below.

We believe that the protections provided to our executive officers in their employment agreements, particularly the post-employment payments, should help us achieve our goal of retaining our executive officers and are a customary industry practice.

In addition, the awards would 50% vest upon the achievement of a lower set of annualized total return and FFO per share targets. On January 1, 2013, an interpolated number of shares of performance restricted stock will vest if we have achieved the 50% vesting targets, but not the 100% vesting targets. - (4) The restricted shares vest 20% annually from 2009 through 2010 provided that the Company meets certain total shareholder return thresholds.
- (5) The amounts shown in columns (i) and (j) reflect the performance restricted stock issued under our Restricted Stock Plan in 2008 and 2007. The performance restricted stock issued in 2008 and 2007 will fully vest (as shown in column (g)) as follows:
- if we have satisfied a cumulative total return target during the period beginning January 1, 2008, for the restricted stock issued in 2008 and January 1, 2007 for the restricted stock issued in 2007, and ending after January 1, 2010, and before January 1, 2013, for the restricted stock issued in 2008 and after January 1, 2009, and before January 1, 2012, for the restricted stock issued in 2007, or
 - if we have achieved an annual FFO per share based target at December 31, 2010, 2011, or 2012, for the restricted stock issued in 2008 or at December 31, 2009, 2010, or 2011 for the restricted stock issued in 2007.
- In addition, the awards would 50% vest upon the achievement of a lower set of annualized total return and FFO per share targets. On January 1, 2013 for the restricted stock issued in 2008 and on January 1, 2012, for the restricted stock issued in 2007, an interpolated number of shares of performance restricted stock will vest if we have achieved the 50% vesting targets, but not the 100% vesting targets. Potential Payments Upon Termination or Change of Control

Effective December 1, 2008, the Company entered into new employment agreements with Messrs. Macnab, Whitehurst, Habicht, Bayer and Tessitore. Messrs. Macnab, Habicht, Whitehurst, Bayer, and Tessitore are collectively referred to herein as the "Executives" and each, an "Executive." Each agreement contains severance provisions that provide for payment to the Executive upon the occurrence of certain events, including death or disability, termination by the Company for "cause" or by the Executive without "good reason," termination by the Company without "cause" or by the Executive with "good reason," and termination upon expiration of the employment agreement. In the event the Executive is unable to perform his job duties due to death or disability, the agreement provides for payment of his accrued salary, a prorated performance bonus and, for a period of one year following termination of the agreement due to death, health benefits under the Company's health plans and programs to the Executive's dependents. In the event the Executive is terminated by the Company for "cause" or the Executive terminates the agreement without "good reason," the Executive is entitled to his accrued salary and benefits prior to the date of termination.

The agreement also contains severance provisions that call for payment to the Executive of the following amounts in the event that he is terminated without "cause" or he resigns for "good reason":

- accrued and unpaid salary through the date of termination;
- a cash payment equal to 200% (with respect to Messrs. Bayer and Tessitore), 250% (with respect to Messrs. Habicht and Whitehurst), and 300% (with respect to Mr. Macnab) of his respective annual salary;
- a cash payment equal to 200% (with respect to Messrs. Bayer and Tessitore), 250% (with respect to Messrs. Habicht and Whitehurst), and 300% (with respect to Mr. Macnab) of his respective average bonus for the last three years of employment under the agreement;
- immediate vesting of his restricted stock awards, stock options and other equity awards;
- for a period of one year after termination (but in no event after the Executive becomes eligible to receive benefits of the same type from another employer), health benefits under the Company's health plans and programs generally available to senior executives of the Company; and
- in the event of such a termination upon or after a change of control, a prorated annual bonus at the target level for the year in which termination occurred.

In the event that the employment agreement naturally terminates at the end of its term because the Company elects not to renew, the Executive will be entitled to the following severance payments:

- accrued and unpaid salary through the date of termination;
- a cash payment equal to 200% of his annual salary if the non-renewal is at the end of the initial term and 100% of his annual salary if the non-renewal is at the end of any subsequent renewal term;
- if the non-renewal is at the end of the initial term, immediate vesting of his restricted stock awards, stock options and other equity awards that are exclusively time-based vesting;
- for a period of one year after termination (but in no event after the Executive becomes eligible to receive benefits of the same type from another employer), health benefits under the Company's health plans and programs generally available to senior executives of the Company; and
- a prorated annual bonus at the target level for the year in which termination occurred.

In addition to the foregoing payments, each Executive shall be entitled to gross-up payments to the extent such payments result in the imposition of excise tax, interest or penalties.

□Cause□ is defined in each Executive's agreement as the Executive's:

- conviction of (or pleading nolo contendere to) an indictment or information that is filed against Executive and is not discharged or otherwise resolved within 12 months thereafter, and said indictment or information charged Executive with a felony, any crime of moral turpitude, fraud or any act of dishonesty or any crime which is likely to result in material injury, either monetarily or otherwise, to the Company or any of its majority-owned subsidiaries;
- the continued failure by Executive substantially to perform his duties or to carry out the lawful written directives of the Board of Directors;
- material breach of a fiduciary duty, including disclosure of any conflicts of interest that are known to the Executive, or with reasonable diligence should be known, relating to Executive's employment with the Company, or otherwise engaging in gross misconduct or willful or gross neglect (in connection with the performance of his duties) which is materially injurious, either monetarily or otherwise, to the Company or any of its majority-owned subsidiaries; or
- material breach of the non-competition and confidentiality clauses set forth in his employment agreement.

□Good reason□ is defined in each agreement, unless otherwise consented to by Executive, as:

- a material reduction in Executive's position, authority, duties or responsibilities;
- a reduction in the annual salary of Executive;
- the relocation of Executive's office to more than 50 miles from the Company's principal place of business in Orlando, Florida;
- the Company's material breach of his employment agreement;
- the Company's failure to obtain an agreement from any successor to the business of the Company by which the successor assumes and agrees to perform his employment agreement; or
- with respect to Mr. Macnab, a change in Executive's reporting responsibilities such that he is no longer reporting directly to the Board of Directors.

“Change of control,” as defined in each agreement, means:

- a “person” or “group” (which terms shall have the meaning they have when used in Section 13(d) of the Securities Exchange Act of 1934 (the “Exchange Act”)) (other than the Company, any trustee or other fiduciary holding securities under an employee benefit plan of the Company, any corporation owned directly or indirectly, by the stockholders of the Company in substantially the same proportions as their ownership of voting securities of the Company) becomes (other than solely by reason of a repurchase of voting securities by the Company), the “beneficial owner” (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of 40% or more of the combined voting power of the Company's then total outstanding voting securities, provided, however, that in no event shall a change of control for purposes of each agreement be deemed to have arisen merely by virtue of a “person” or “group” having become a direct or indirect owner of Company securities (such that a change of control would otherwise have been deemed to have occurred), if the Executive is a member of such person or group; or
- the Company consolidates with or merges with or into another corporation or partnership or conveys, transfers or leases, in any transaction or series of transactions, all or substantially all of its assets to any corporation or partnership, or any corporation or partnership consolidates with or merges with or into the Company, in any event pursuant to a transaction in which the outstanding voting stock of the Company is reclassified or changed into or exchanged for cash, securities or other property, other than any such transaction where (i) the outstanding voting securities of the Company are changed into or exchanged for voting securities of the surviving corporation and (ii) the persons who were the beneficial owners of the Company's voting securities immediately prior to such transaction beneficially own immediately after such transaction 50% or more of the total outstanding voting power of the surviving corporation, or the Company is liquidated or dissolved or adopts a plan of liquidation or dissolution.

The amount of compensation payable to each Executive upon any termination is shown below. All estimates are based on an assumed termination date of December 31, 2008. The actual payments due on terminations occurring on different dates could materially differ from the estimates in the table.

PROPOSAL II

**PROPOSAL TO RATIFY
 ERNST & YOUNG LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee appointed Ernst & Young LLP to serve as the Company's principal independent registered public accounting firm to audit the Company's financial statements for the year ending December 31, 2009, to review quarterly interim results and to perform other appropriate accounting services. We are requesting ratification of such appointment by the stockholders.

Ernst & Young LLP has acted as our independent registered public accounting firm for our two most recent fiscal years and our Audit Committee currently believes that we should continue our relationship with Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2009. In the event that the stockholders do not ratify this appointment by the requisite vote, the Audit Committee will reconsider its appointment of Ernst & Young LLP.

A representative of Ernst & Young LLP will be present at the annual meeting and will be provided with the opportunity to make a statement if desired. Such representative will also be available to respond to appropriate questions.

Fiscal 2008 and 2007 Audit Firm Summary. During the fiscal years ended December 31, 2008 and 2007, we retained Ernst & Young LLP to provide services in the following categories and amounts:

	Fiscal Year 2008	Fiscal Year 2007
Audit Fees (1)	\$686,509	\$939,214
Audit Related Fees (2)	--	--
Total Audit and Audit Related Fees	686,509	939,214
Tax Fees	21,710	17,295
All Other Fees	--	--
Total Fees	\$708,219	\$956,509

- (1) Audit fees include the audit fee and fees for comfort letters, attest services, consents and assistance with and review of documents filed with the SEC (including those related to securities offerings).

- (3) Tax fees consist of fees for tax compliance services.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Accountants. Consistent with SEC policies regarding auditor independence, the Audit Committee has

responsibility for appointing, setting compensation and overseeing the work of the independent accountants. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent accountants.

23

Prior to engagement of the independent accountants for the next year's audit, management will submit to the Audit Committee for approval an aggregate of services expected to be rendered during that year for each of the services described above in the captions Audit Fees, Audit Related Fees and Tax Fees.

Prior to engagement, the Audit Committee pre-approves these services by category of service. The fees are budgeted and the Audit Committee requires the independent accountants and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent accountants for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent accountants.

For the fiscal years ended December 31, 2008 and 2007, the Audit Committee pre-approved 100% of services described above in the captions Audit Related Fees and Tax Fees. For the fiscal year ended December 31, 2008, no hours expended on Ernst & Young LLP's engagement to audit our financial statements were attributed to work performed by persons other than full-time, permanent employees of Ernst & Young LLP.

Pursuant to our Audit Committee charter, the Audit Committee may delegate pre-approval authority to the chairman of the Audit Committee, who shall promptly advise the remaining members of the Audit Committee of such approval at the next regularly scheduled meeting.

The Board of Directors unanimously recommends that you vote FOR ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2009.

The Audit Committee has adopted a written policy governing transactions with related parties. In determining whether to approve or ratify a transaction with a related party, the Audit Committee will take into account, among other factors it deems appropriate, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances and the extent of the related party's interest in the transaction.
