Item 1.01 Entry into a Material Definitive Agreement

On September 1, 2008, NCN Group Limited, a British Virgin Islands corporation (“Seller”) and wholly-owned subsidiary of Network CN Inc. (the "Company") entered into a Stock Purchase Agreement (the "Agreement") with Zhanpeng Wang, an individual (“Buyer”). Under the Agreement, simultaneously with signing, Seller sold to Buyer, all of the issued and outstanding shares of capital stock of NCN Management Services Limited, a British Virgin Islands corporation (“NCN Management Services”), for a purchase price of HK\$1,350,000, or approximately US\$173,000, in cash. Prior to this transaction, there was no material relationship between the Buyer and the Company or any of its affiliates, or any director or officer of the Company, or any associate of any director or officer of the Company.

The Buyer acquired NCN Management Services along with its subsidiaries, which include NCN Hotels Investment Limited, a British Virgin Islands corporation, NCN Pacific Hotels Limited, a British Virgin Islands corporation, and a NCN Management Services’ 55% interest (through trust) in Guangdong Tianma International Travel Service Co., Ltd., a PRC corporation (“Tianma”).

The Company through Tianma provides agency tour services from which the Company earned substantial revenue. As the tour industry is highly fragmented and intensely competitive, Tianma’s operating results were immaterial to the Company. The Company also determined that the above transaction does not meet the significant asset test. The Company believed that it was in the best interest of the Company to dispose of its entire agency tour service business in order to focus on developing its media business.

The foregoing description of the Agreement is qualified in its entirety by reference to such Agreement, filed as Exhibit 10.1 hereto, which is incorporated by reference herein.

Item 9.01 Financial Statements and Exhibits.
