Item 1.01 Entry Into a Material Definitive Agreement.

On March 20, 2017, Speedy Operations, Inc., a subsidiary of Speedemissions, Inc. (the “Company”) entered into and closed an Asset Purchase Agreement (the “Purchase Agreement”) with Auto Recycling of Montgomery, Inc., an Alabama corporation (“ARM”), pursuant to which the Company agreed to purchase certain assets of ARM, including land, buildings, equipment and inventory previously used by ARM in an auto recycling operation which ceased operations in June of 2014. The purchase price was \$175,000 for the land and buildings and \$90,000 for the equipment and inventory. The Company entered into two separate note agreements with ARM to fund the purchase of the assets. Terms of each note included an interest rate of ten percent, an amortization term of ten years and a seven year balloon payment. Monthly payments for the \$175,000 land and buildings note and for the \$90,000 equipment and inventory note will be \$2,313 and \$1,189, respectively. Using the acquired assets, the Company intends to create an auto recycling business operation, but expects it will take approximately 60 days to hire employees and put the necessary business systems in place before sales operations can commence. Under the terms of the Purchase Agreement, payments on the notes will commence 120 days after the closing date of the Purchase Agreement.

This asset purchase represents the Company’s decision to establish an auto recycling business. The Company intends to seek other acquisitions, subject to capital availability, and develop an auto recycling business segment in addition to the Company’s existing vehicle emissions testing business segment.

The foregoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference. The Purchase Agreement is described in, and included as an exhibit to, this Current Report on Form 8-K to provide information regarding its terms and conditions, but it is not intended to provide any other factual information regarding the Company.

Item 2.01 Completion of Acquisition or Disposition of Assets.

The information set forth in Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference.
