Item 1.01. Entry into a Material Definitive Agreement

On December 1, 2015, Vonage Holdings Corp. (the “Company”) entered into a Fourth Amendment to Lease (the “Amendment”) to its lease for its corporate headquarters at 23 Main Street, Holmdel, NJ 07733 with Mack-Cali Holmdel L.L.C. whose address is c/o Mack-Cali Realty Corporation, 343 Thornall Street, Edison, New Jersey 08837 (the “Landlord”), dated as of March 24, 2005 (as subsequently amended, the “Lease”).

The Amendment, among other things, extends the term of the Lease by an additional period of seventy-four (74) months, starting on September 1, 2017 and expiring on October 31, 2023. The Amendment lowers the Company’s security deposit to \$1.5 million effective immediately and to \$1.0 million on the third anniversary of the effective date of the extension period.

The Amendment also provides that the Landlord will provide for a cash allowance of approximately \$4.6 million for the design, permitting, and construction of tenant improvement work on the premises. In addition, the Amendment provides for lower annual management fees and certain improvements to the premises by the Landlord at its cost (the “Landlord Renovations”). There is no change to the base rent per square foot pursuant to the Amendment. Further, the costs of the Landlord Renovations will not be passed on to the Company as additional rent or CAM expenses. The effectiveness of the Amendment is expressly conditioned upon the Landlord’s receipt of the written consent and approval of its mortgagee to the terms and provisions of this Amendment no later than thirty (30) days after execution of the Amendment. In the event the consent is not received the existing terms of the Lease will remain in full force and effect.

The foregoing description of the Amendment does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Amendment, which shall be filed with the appropriate future periodic report.

Item 2.03. Creation of a Direct Financial Obligation.

The information set forth in Item 1.01 above is incorporated by reference into this Item 2.03.
