GOL Launches Press Channel on IR Site

São Paulo, March 28, 2008 GOL Linhas Aéreas Inteligentes S.A. (Bovespa: GOLL4 and NYSE: GOL), the parent company of the Brazilian airlines GOL Transportes Aéreos S.A. and VRG Linhas Aéreas S.A., today launched a new channel on its Investor Relations (IR) website, www.voegol.com.br/ir, specifically designed for journalists and other members of the media .

The new press room, which is available through a unique link on the IR homepage, was designed to simplify journalists' access to company information, particularly commonly-requested details, including the Company's profile, fleet data, GTA and VRG's route networks and financial information.

A glossary of airline terms and frequently asked questions is available, as well as an image database with photos for download and press releases from GOL. There is also a quick and simple registration option for those who wish to receive real-time alerts with the latest news from the Company.

The press channel conveniently organizes the information journalists need most often. "GOL is committed to transparency and wants to be sure the information reporters need is readily and easily available," said Fabio Lobo, Corporate Communication manager at GOL.

Since simultaneously listing its shares on both the NYSE and Bovespa stock exchanges on June 24, 2004, the Company has operated a financial communications program centered on three main principles: transparency, guaranteed access to information and equal treatment of all stakeholders.

In addition to its main home page, the IR website offers five channels specifically tailored to institutional investors, individual investors, analysts, creditors and journalists.
