**NOTICE TO MARKET**

**Relationship with Auditors**

**Gafisa S.A.** ("Company"), in compliance to CVM Instruction No. 381/03, dated as of January 14, 2003, hereby discloses to its shareholders and the market that the Company's policy on contracting services unrelated to external audit from our independent auditors is based on principles that preserve the autonomy of the independent auditor. These internationally accepted principles consist of the following: (a) the auditor cannot audit its own work; (b) the auditor cannot serve a management function in its client; and (c) the auditor shall not promote the interests of its clients. In this sense, in 2011 our auditors only carried out works related to the audit of financial statements.

In regards to the procedures adopted by the Company in compliance with the provisions of item III, Art. 2, of CVM Instruction No. 381/03, the Company and its subsidiaries adopt as formal procedure, before contracting professional services other than those related to external audit, consult with the independent auditors, in order to assure that the provision of other services does not affect their independency nor objectivity necessary for providing independent audit services, in addition to obtaining the proper approval from its Audit Committee. Moreover, formal representations from these auditors are required on their independency in the provision of unrelated audit services.

In 2011 we did not contract services from independent auditors that exceeded 5% of the contract amount.
