NOTICE TO THE MARKET

São Paulo, December 04, 2015 - BRASKEM S.A. (BM&FBOVESPA: BRKM3, BRKM5 and BRKM6; NYSE: BAK; LATIBEX: XBRK) hereby informs the market that the risk rating agency Standard & Poor's (S&P) has just reaffirmed the Company's investment grade rating on a global scale ("BBB-"), removing it from credit watch.

With this change, Braskem is now, for the first time, classified higher than Brazil's sovereign risk. According to the agency, this reaffirmation reflects the Company's (i) strong liquidity position; (ii) solid cash generation; and (iii) geographic diversification.

As a result, the three risk rating agencies, Fitch, Standard & Poor's and Moody's, have maintained Braskem's investment grade rating.

For further information, please contact Braskem's Investor Relations Department by telephone (+55 (11) 3576-9531) or e-mail (braskem-ri@braskem.com.br).

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
