the Securities Exchange Act of 1934.

Yes No

If "Yes" is marked, indicated below the file number assigned to the
registrant in connection with Rule 12g3-2(b):

GOL Confirms dates for ADS Ratio Change

São Paulo, April 17, 2017 - GOL Linhas Aéreas Inteligentes S.A. ("GLAI") (NYSE: GOL and BM&FBOVESPA: GOLL4), Brazil's #1 airline, confirms the dates for the ratio change in the Company's American Depositary Receipt (ADR) program from a ratio of one (1) American Depositary Share (ADS) representing ten (10) preferred shares to a ratio of one ADS representing five (5) preferred shares in the Company. The purpose of the ADS ratio change is to increase liquidity in the trading, expanding the shareholder base and facilitating access to GOL ADSs on the NYSE.

As a result of the ratio change, ADS holders of record will automatically receive on the distribution date, May 1, 2017, one additional ADS for each ADS held by the close of business on the record date, April 27, 2017. The ratio change will not affect holders of the Company's preferred shares. Existing ADSs will continue to be valid and will not have to be exchanged.

Summary of the ADS ratio change:

- Current ratio: 1 ADS = 10 preferred shares
- New ratio: 1 ADS = 5 preferred shares
- Record date: April 27, 2017
- Distribution date: May 1, 2017

In addition, effective today, GOL has appointed The Bank of New York Mellon as the successor depositary bank for the Company's ADR program on terms substantially identical to the previous deposit agreement.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
