Att.: Mr. Guilherme Rocha Lopes

Business Monitoring Manager 2

Ref.: Official Letter No. 42/2019/CVM/SEP/GEA-2, dated February 22, 2019, reiterating request for clarification.

COMPANHIA SIDERÚRGICA NACIONAL ("CSN" or "Company"), in accordance with the above-mentioned letter, which contents of the query are transcribed below, present the clarifications requested:

"1. We refer to the Official Letter No. 42/2019/CVM/SEP/GEA-2, and the Notice to the Market in 02/19/2019."

2. In this respect, we refer to the news posted on the UOL website on 02.17.2019 under the heading "CSN repeats Vale's mistake and keeps workers below dams."

3. Therefore, we request that you inform us if "(i) CSN (Companhia Siderúrgica Nacional) maintains an office, cafeteria and training room operating below the dams of Vigia and Auxiliary of Vigia, in Ouro Preto (MG)".

Edgar Filing: NATIONAL STEEL CO - Form 6-K

The Company clarifies (i) maintains an office and cafeteria structures within the rescue zone of the Vigia Auxiliary Dam, and that said dam has a certificate of stability certified by an external auditor and low risk classification in accordance with applicable legislation, and this dam is already in the process of being mischaracterized, scheduled to end this year; and (ii) regarding the Vigia dam, we inform that no office structure, cafeteria and training room are in operation.

We are available for any further clarification that may be required.

São Paulo, February 22, 2019.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
