PROXY STATEMENT

FOR 2017 ANNUAL MEETING OF STOCKHOLDERS

To Be Held at 10:30 a.m. Pacific Time on Thursday, June 8, 2017

This proxy statement and the enclosed form of proxy are furnished in connection with the solicitation of proxies by our board of directors for use at the 2017 annual meeting of stockholders of Amphastar Pharmaceuticals, Inc., a Delaware corporation, and any postponements, adjournments or continuations thereof (the “Annual Meeting”). The Annual Meeting will be held on Thursday, June 8, 2017 at 10:30 a.m. Pacific Time, at 11570 6th Street, Rancho Cucamonga, California 91730. The Notice of Internet Availability of Proxy Materials (the “Notice”) containing instructions on how to access this proxy statement and our annual report is first being mailed on or about April 28, 2017 to all stockholders entitled to vote at the Annual Meeting.

The information provided in the “question and answer” format below is for your convenience only and is merely a summary of the information contained in this proxy statement. You should read this entire proxy statement carefully. Information contained on, or that can be accessed through, our website is not intended to be incorporated by reference into this proxy statement and references to our website address in this proxy statement are inactive textual references only.

What matters am I voting on?

You will be voting on:

- the election of three Class I directors to serve until the 2020 annual meeting of stockholders and until their successors are duly elected and qualified;
- a proposal to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2017; and
- any other business as may properly come before the Annual Meeting.

How does the board of directors recommend I vote on these proposals?

Our board of directors recommends a vote:

- “FOR” the election of Jason B. Shandell, Richard Koo and Floyd F. Petersen as Class I directors; and
- “FOR” the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2017.

Who is entitled to vote?

Holders of our common stock as of the close of business on April 17, 2017, the record date, may vote at the Annual Meeting. As of the record date, there were 45,864,555 shares of our common stock outstanding. In deciding all matters at the Annual Meeting, each stockholder will be entitled to one vote for each share of

Table of Contents

our common stock held by them on the record date. We do not have cumulative voting rights for the election of directors.

**Registered Stockholders.** If shares of our common stock are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares, and the Notice was provided to you directly by us. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote in person at the Annual Meeting.

**Street Name Stockholders.** If shares of our common stock are held on your behalf in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of those shares held in “street name,” and the Notice was forwarded to you by your broker or nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker or nominee as to how to vote your shares. Beneficial owners are also invited to attend the Annual Meeting. However, since a beneficial owner is not the stockholder of record, you may not vote your shares of our common stock in person at the Annual Meeting unless you follow your broker’s procedures for obtaining a legal proxy. If you request a printed copy of our proxy materials by mail, your broker or nominee will provide a voting instruction card for you to use. Throughout this proxy, we refer to stockholders who hold their shares through a broker, bank or other nominee as “street name stockholders.”

How many votes are needed for approval of each proposal?

- Proposal No. 1: Each director to be elected by the stockholders of the corporation shall be elected by the affirmative vote of a majority of the votes cast with respect to such director by the shares present or represented by proxy at the Annual Meeting at which a quorum is present and entitled to vote thereon. “Majority of the votes cast” means that the number of votes cast “for” a candidate for director exceeds the number of votes cast “against” that director. Stockholders will be given the choice to cast votes “for” or “against” the election of each director or to “abstain” from such vote. Please note that abstentions are considered votes present and entitled to vote on this proposal, and thus, will have the same effect as a vote “against” the proposal. Broker non-votes will have no effect on the outcome of this proposal.
- Proposal No. 2: The ratification of the appointment of Ernst & Young LLP requires the affirmative vote of a majority of the voting power of the shares present or represented by proxy at the Annual Meeting at which a quorum is present and entitled to vote thereon. Please note that abstentions are considered votes present and entitled to vote on this proposal, and thus, will have the same effect as a vote “against” the proposal. Broker non-votes will have no effect on the outcome of this proposal.

What is a quorum?

A quorum is the minimum number of shares required to be present at the Annual Meeting for the Annual Meeting to be properly held under our amended and restated bylaws and Delaware law. The presence, in person or by proxy, of a majority of all issued and outstanding shares of our common stock entitled to vote at the Annual Meeting will constitute a quorum at the Annual Meeting. Abstentions, withhold votes and broker non-votes are counted as shares present and entitled to vote for purposes of determining a quorum.

## Table of Contents

### How do I vote?

If you are a stockholder of record, there are four ways to vote:

- by Internet at <http://www.proxyvote.com>, 24 hours a day, seven days a week, until 11:59 p.m. Eastern Time on June 7, 2017 (have your proxy card in hand when you visit the website);
- by toll-free telephone at 1-800-690-6903 (have your proxy card in hand when you call);
- by completing and mailing your proxy card (if you received printed proxy materials); or
- by written ballot at the Annual Meeting.

If you are a street name stockholder, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank or other nominee in order to instruct your broker, bank or other nominee on how to vote your shares. Street name stockholders should generally be able to vote by returning an instruction card, or by telephone or on the Internet. However, the availability of telephone and Internet voting will depend on the voting process of your broker, bank or other nominee. If you are a street name stockholder, you may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee.

### Can I change my vote?

Yes. If you are a stockholder of record, you can change your vote or revoke your proxy any time before the Annual Meeting by:

- entering a new vote by Internet or by telephone;
- returning a later-dated proxy card;
- notifying the Secretary of Amphastar Pharmaceuticals, Inc., in writing, at Amphastar Pharmaceuticals, Inc., 11570 6th Street, Rancho Cucamonga, California 91730; or
- completing a written ballot at the Annual Meeting.

If you are a street name stockholder, your broker, bank or other nominee can provide you with instructions on how to change your vote.

### What do I need to do to attend the Annual Meeting in person?

Seating will begin at 9:30 a.m. and the meeting will begin at 10:30 a.m. On the day of the meeting, each stockholder will be required to present valid picture identification such as a driver's license or passport. Street name stockholders will also be required to present proof of beneficial ownership as of April 17, 2017, the record date, such as your most recent account statement(s) reflecting your stock ownership as of March 31, 2017, along with a copy of the voting instruction card provided by your broker, bank, trustee or other nominee or similar evidence of ownership.

Use of cameras, recording devices, computers and other personal electronic devices will not be permitted at the Annual Meeting. Photography and video are prohibited at the Annual Meeting.

Table of Contents

Please allow ample time for check-in. For security reasons, stockholders should be prepared and may be required to pass through metal detectors prior to entering the Annual Meeting. Please note that large bags and packages will not be allowed at the Annual Meeting. Persons will be subject to search.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our board of directors. Jack Yongfeng Zhang, Mary Ziping Luo, Jason B. Shandell and William J. Peters have been designated as proxies by our board of directors. When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our board of directors as described above. If any matters not described in this proxy statement are properly presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote the shares. If the Annual Meeting is adjourned, the proxy holders can vote the shares on the new Annual Meeting date as well, unless you have properly revoked your proxy instructions, as described above.

Why did I receive a Notice of Internet Availability of Proxy Materials instead of a full set of proxy materials?

In accordance with the rules of the Securities and Exchange Commission (the "SEC"), we have elected to furnish our proxy materials, including this proxy statement and our annual report, primarily via the Internet. The Notice containing instructions on how to access our proxy materials is first being mailed on or about April 28, 2017 to all stockholders entitled to vote at the Annual Meeting. Stockholders may request to receive all future proxy materials in printed form by mail or electronically by e-mail by following the instructions contained in the Notice. We encourage stockholders to take advantage of the availability of our proxy materials on the Internet to help reduce the environmental impact of our annual meetings of stockholders.

How are proxies solicited for the Annual Meeting?

Our board of directors is soliciting proxies for use at the Annual Meeting. All expenses associated with this solicitation will be borne by us. We will reimburse brokers or other nominees for reasonable expenses that they incur in sending our proxy materials to you if a broker or other nominee holds shares of our common stock on your behalf.

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Amphastar Pharmaceuticals, Inc. or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation of votes and certification of the vote, or to facilitate a successful proxy solicitation.

How may my brokerage firm or other intermediary vote my shares if I fail to provide timely directions?

Brokerage firms and other intermediaries holding shares of our common stock in street name for customers are generally required to vote such shares in the manner directed by their customers. In the absence of timely directions, your broker will have discretion to vote your shares on our sole "routine" matter: the proposal to ratify the appointment of Ernst & Young LLP. Your broker will not have discretion to vote on the election of directors, which is a "non-routine" matter, absent direction from you.

Table of Contents

Where can I find the voting results of the Annual Meeting?

We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Current Report on Form 8-K that we will file with the SEC within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Current Report on Form 8-K within four business days after the Annual Meeting, we will file a Current Report on Form 8-K to publish preliminary results and will provide the final results in an amendment to such Current Report on Form 8-K as soon as they become available.

I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?

We have adopted a procedure called “householding,” which the SEC has approved. Under this procedure, we deliver a single copy of the Notice and, if applicable, our proxy materials to multiple stockholders who share the same address unless we have received contrary instructions from one or more of the stockholders. This procedure reduces our printing costs, mailing costs, and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, we will deliver promptly a separate copy of the Notice and, if applicable, our proxy materials to any stockholder at a shared address to which we delivered a single copy of any of these materials. To receive a separate copy, or, if a stockholder is receiving multiple copies, to request that we only send a single copy of the Notice and, if applicable, our proxy materials, such stockholder may contact us at the following address:

Amphastar Pharmaceuticals, Inc.  
Attention: Investor Relations  
11570 6th Street  
Rancho Cucamonga, California 91730

Stockholders who beneficially own shares of our common stock held in street name may contact their brokerage firm, bank, broker-dealer or other similar organization to request information about householding.

What is the deadline to propose actions for consideration at next year’s annual meeting of stockholders or to nominate individuals to serve as directors?

Stockholder Proposals

Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at the next annual meeting of stockholders by submitting their proposals in writing to our Secretary in a timely manner. For a stockholder proposal to be considered for inclusion in our proxy statement for our 2018 annual meeting of stockholders, our Secretary must receive the written proposal at our principal executive offices not later than December 22, 2017. In addition, stockholder proposals must comply with the requirements of Rule 14a-8 regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Stockholder proposals should be addressed to:

Amphastar Pharmaceuticals, Inc.  
Attention: Secretary  
11570 6th Street  
Rancho Cucamonga, California 91730

## Table of Contents

Our amended and restated bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement. Our amended and restated bylaws provide that the only business that may be conducted at an annual meeting is business that is (i) brought before the meeting by the corporation and specified in the notice of meeting given by or at the direction of our Board of Directors, (ii) brought before the meeting by or at the direction of our Board of Directors, or (iii) otherwise properly brought before the meeting by a stockholder who (A) was a stockholder of record both at the time of giving the notice and at the time of the meeting, (B) is entitled to vote at the meeting, and (C) has complied with all of the notice procedures set forth in our bylaws.

To be timely for our 2018 annual meeting of stockholders, our Secretary must receive the written notice at our principal executive offices:

- not earlier than February 8, 2018; and
- not later than the close of business on March 10, 2018.

In the event that we hold our 2018 annual meeting of stockholders more than 30 days before or more than 30 days after the one-year anniversary of the Annual Meeting, then notice of a stockholder proposal that is not intended to be included in our proxy statement must be received no earlier than the close of business on the 120th day before such annual meeting and no later than the close of business on the later of the following two dates:

- the 90th day prior to such annual meeting; or
- the 10th day following the day on which public disclosure of the date of such annual meeting was made.

If a stockholder who has notified us of his, her or its intention to present a proposal at an annual meeting does not appear to present his, her or its proposal at such annual meeting, we are not required to present the proposal for a vote at such annual meeting.

## Nomination of Director Candidates

You may propose director candidates for consideration by our nomination committee. Any such recommendations should include the nominee's name and qualifications for membership on our board of directors and should be directed to our Secretary at the address set forth above. For additional information regarding stockholder recommendations for director candidates, see "Board of Directors and Corporate Governance—Stockholder Recommendations for Nominations to the Board of Directors."

In addition, our amended and restated bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information required by our amended and restated bylaws. In addition, the stockholder must give timely notice to our Secretary in accordance with our amended and restated bylaws, which, in general, require that the notice be received by our Secretary within the time period described above under "Stockholder Proposals" for stockholder proposals that are not intended to be included in a proxy statement.

### Director Independence

Our common stock is listed on the Nasdaq Global Select Market. Under the listing standards of NASDAQ Stock Market LLC, independent directors must comprise a majority of a listed company's board of directors. In addition, the listing standards of NASDAQ Stock Market LLC require that, subject to specified exceptions, each member of a listed company's audit and compensation committees be independent. While the listing standards of NASDAQ Stock Market LLC do not require a nomination committee, the functions normally undertaken by a nomination committee must, in most cases, be performed by independent directors. Under the listing standards of NASDAQ Stock Market LLC, a director will only qualify as an "independent director" if, in the opinion of that listed company's board of directors, that director does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the listing standards of NASDAQ Stock Market LLC. In addition, compensation committee members must also satisfy the independence criteria set forth under the listing standards of NASDAQ Stock Market LLC.

Our board of directors has undertaken a review of the independence of each director. Based on information provided by each director concerning his background, employment and affiliations, our board of directors has determined that Messrs. Koo, Petersen and Prins and Drs. Lee, Shohet and Zasloff do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under the listing standards of NASDAQ Stock Market LLC. In making these determinations, our board of directors considered the current and prior relationships that each non-employee director has with our company and all other facts and circumstances our board of directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director, and the transactions involving them described in the section titled "Related Party Transactions."

### Board Leadership Structure

We believe that the structure of our board of directors and its committees provides strong overall management of our company. While the Chairman of our board of directors and our Chief Executive Officer roles are separate, our current Chairman, Mary Ziping Luo, is not independent under the listing standards of NASDAQ Stock Market LLC as a result of her employment with us. Our board of directors believes that, given the perspective and experience Dr. Luo brings as one of our founders, Dr. Luo's service as our Chairman is appropriate and is in the best interests of our board of directors, our company and our stockholders.

Our Chief Executive Officer, Jack Yongfeng Zhang, is responsible for setting the strategic direction of our company, the general management and operation of the business and the guidance and oversight of senior management. In her capacity as Chief Operating Officer and Chief Scientist, Dr. Luo is also

responsible for operation of the business and the guidance and oversight of senior management. In her capacity as Chairman of our board of directors, Dr. Luo monitors the content, quality and timeliness of information sent to our board of directors and is available for consultation with our board of directors regarding the oversight of our business affairs.

### Family Relationships

### Lead Independent Director

Effective January 2016, our Board of Directors appointed Michael A. Zasloff to serve as our lead independent director. ### Board Meetings and Committees

During our fiscal year ended December 31, 2016, the board of directors held seven meetings (including regularly scheduled and special meetings), and each director attended at least 75% of the aggregate of (i) the total number of meetings of our board of directors held during the period for which he or she has been a director and (ii) the total number of meetings held by all committees of our board of directors on which he or she served during the periods that he or she served.

Although we do not have a formal policy regarding attendance by members of our board of directors at annual meetings of stockholders, we encourage, but do not require, our directors to attend. All nine directors attended our 2016 annual meeting of stockholders.

Our board of directors has established an audit committee, a compensation committee and a nomination committee. The composition and responsibilities of each of the committees of our board of directors is described below. Members will serve on these committees until their resignation or until as otherwise determined by our board of directors.

### Audit Committee

Our audit committee currently consists of Mr. Koo, who is the chair of the committee, Dr. Shohet and Dr. Lee, each of whom is independent in accordance with the NASDAQ Stock Market LLC and SEC standards. Mr. Koo is an “audit committee financial expert” as the term is defined under SEC regulations. The audit committee operates under a written charter. The functions of the audit committee include:

- overseeing the engagement of our independent registered accounting firm;
- reviewing our audited and interim published financial statements and discussing them with the independent registered accounting firm and our management;

## Compensation Committee

Our compensation committee currently consists of Mr. Prins, who is the chair of the committee, Mr. Petersen and Dr. Shohet, each of whom is independent in accordance with the NASDAQ Stock Market LLC standards. Each member of our compensation committee is also a non-employee director, as defined pursuant to Rule 16b-3 promulgated under the Exchange Act, and an outside director, as defined pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended. The compensation committee operates under a written charter. The functions of the compensation committee include:

- reviewing and, if deemed appropriate, recommending to our board of directors policies, practices and procedures relating to the compensation of our directors, officers and other managerial employees and the establishment and administration of our employee benefit plans;
- determining or recommending to the board of directors the compensation of our executive officers; and
- advising and consulting with our officers regarding managerial personnel and development.

A copy of the charter of our compensation committee is available on the Corporate Governance portion of our website at <http://ir.amphastar.com/corporate-governance.cfm>. During 2016, our compensation committee held five meetings.

## Nomination Committee

Our nomination committee consists of Dr. Lee, who is the chair of the committee, Mr. Petersen and Dr. Zasloff, each of whom is independent in accordance with the NASDAQ Stock Market LLC standards. The nomination committee operates under a written charter. The functions of the nomination committee include:

- establishing standards for service on our board of directors;
- identifying individuals qualified to become members of our board of directors and recommending director candidates for election or re-election to our board; and

## Table of Contents

· considering and making recommendations to our board of directors regarding the size and composition of the board of directors, committee composition and structure and procedures affecting directors.

Our nomination committee operates under a written charter that satisfies the requirements for directors performing nominating functions under the listing standards of NASDAQ Stock Market LLC. A copy of the charter of our nomination committee is available on the Corporate Governance portion of our website at <http://ir.amphastar.com/corporate-governance.cfm>. During 2016, our nomination committee held three meetings.

### Compensation Committee Interlocks and Insider Participation

None of the members of the compensation committee is or has ever been one of our officers or employees. None of our executive officers serves, or in the past has served, as a member of the compensation committee or on the board of directors of any entity that has one or more executive officers serving on our board of directors or compensation committee.

### Considerations in Evaluating Director Nominees

Our nomination committee uses a variety of methods for identifying and evaluating director nominees. In its evaluation of director candidates, our nomination committee will consider the existing size and composition of our board of directors, the number and qualification of candidates, the benefit of continuity on the board and the relevance of the candidate's background and experience to the issues we face. Our nomination committee relies upon various criteria for board membership, which may include, without limitation, that a candidate: be of the highest ethical character; exhibit sound business judgment; preserve the confidentiality of materials given or presented to the board and not use such materials for personal gain; has demonstrated leadership and significant experience in an area of endeavor relevant to our business; comprehend the role of a public company director (particularly the fiduciary obligations to us and our stockholders); understand our business and industry and keep informed on our operations; disclose to other directors any potential conflicts of interest (and if appropriate, refrain from voting on certain matters); dedicate sufficient time to our business, including attendance at meetings of the board or committees on which he or she serves and stockholder meetings (and prepare for such meetings as required and appropriate); be independent of any particular constituency and not engaged in any activity adverse to us or in conflict with our interests (including, without limitation, service on the board or in the management of a competing company) and thus be able to represent all of our stockholders; and demonstrate a willingness toward free and open exchange of ideas and opinions, and exercise balance, fitness, care and due and independent deliberation in the decision-making process. Qualification and backgrounds of the directors as a whole should provide the proper breadth of knowledge, abilities and experience to appropriate composition of the board. Renomination of existing directors will not be viewed as automatic, but rather will be based on continuing qualification using the criteria set forth above.

Our nomination committee considers these and other factors as it oversees the annual board of director and committee evaluations. After completing its review and evaluation of director candidates, our nomination committee recommends to our full board of directors the director nominees for selection.

### Stockholder Recommendations for Nominations to the Board of Directors

Our nomination committee will consider candidates for director recommended by stockholders, provided that (i) any recommending stockholder must have continuously held at least \$2,000 in market value, or 1%, of the company's securities entitled to be voted on the proposal at the meeting for at least one year by

the date you submit the proposal, and (ii) such recommendations comply with our amended and restated certificate of incorporation and amended and restated bylaws and applicable laws, rules and regulations, including those promulgated by the SEC. The nomination committee will evaluate such recommendations in accordance with its charter, our amended and restated bylaws, our policies and procedures for director candidates, as well as the regular director nominee criteria described above.

Any nomination should be sent in writing to our Secretary at Amphastar Pharmaceuticals, Inc., 11570 6th Street, Rancho Cucamonga, California 91730. Risk Oversight

Our board of directors has responsibility for the oversight of our risk management processes and, either as a whole or through our committees, regularly discusses with management our major risk exposures, their potential impact on our business and the steps we take to mitigate or manage them. The risk oversight process includes receiving reports from committees of our board of directors and members of senior management to enable our board of directors to understand our risk identification, risk management and risk mitigation strategies with respect to areas of potential material risk, including operations, finance, legal, regulatory, strategic and reputational risk.

The audit committee oversees our management of financial risks. Periodically, the audit committee reviews our policies with respect to risk assessment and risk management. Oversight by the audit committee includes direct communication with our external auditors, and discussions with management regarding significant risk exposures and the actions management has taken to limit, monitor or control such exposures. The compensation committee is responsible for assessing whether any of our compensation policies or programs has the potential to encourage excessive risk-taking. The nomination committee manages risks associated with the independence of the board of directors, corporate disclosure practices and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire board or directors is regularly informed through committee reports about such risks. Matters of significant strategic risk are considered by our board of directors as a whole.

Non-Employee Director Compensation

Cash and Equity Compensation

We compensate non-employee members of the board of directors. Directors who are also employees do not receive cash or equity compensation for service on the board of directors in addition to compensation payable for their service as our employees. The non-employee members of our board of directors are reimbursed for travel, lodging and other reasonable expenses incurred in attending board of directors or committee meetings. Our directors received equity grants annually at the fair market value of our common stock at the time of grant under our 2005 Plan. Beginning in 2016, these annual equity grants were under our 2015 Plan.

PROPOSAL NO. 1  
ELECTION OF DIRECTORS

Our board of directors is currently composed of nine members. In accordance with our amended and restated certificate of incorporation, our board of directors is divided into three staggered classes of directors. At the Annual Meeting, three Class I directors will be elected for a three-year term to succeed the same class whose term is then expiring.

Each director's term continues until the election and qualification of his or her successor, or such director's earlier death, resignation, or removal. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of our directors. This classification of our board of directors may have the effect of delaying or preventing changes in control of our company.

Nominees

Our nomination committee has recommended, and our board of directors has approved, Jason B. Shandell, Richard Koo and Floyd F. Petersen as nominees for election as Class I directors at the Annual Meeting. If elected, each of Messrs. Shandell, Koo and Petersen will serve as Class I directors at the 2020 annual meeting of stockholders and until their successors are duly elected and qualified. Each of the nominees is currently a director of our company. For information concerning the nominees, please see the section titled "Board of Directors and Corporate Governance."

If you are a stockholder of record and you sign your proxy card or vote by telephone or over the Internet but do not give instructions with respect to the voting of directors, your shares will be voted "FOR" the re-election of Messrs. Shandell, Koo and Petersen. We expect that Messrs. Shandell, Koo and Petersen will accept such nomination; however, in the event that a director nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by our board of directors to fill such vacancy. If you are a street name stockholder and you do not give voting instructions to your broker or nominee, your broker will leave your shares unvoted on this matter.

Vote Required

Each director to be elected by the stockholders of the corporation shall be elected by the affirmative vote of a majority of the votes cast with respect to such director by the shares present or represented by proxy at the Annual Meeting at which a quorum is present and entitled to vote thereon. Abstentions will have the effect of a vote AGAINST the proposal and broker non-votes will have no effect.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR"  
EACH OF THE NOMINEES NAMED ABOVE.

 RATIFICATION OF APPOINTMENT OF  
 INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At the Annual Meeting, our stockholders are being asked to ratify the appointment of EY as our independent registered public accounting firm for our fiscal year ending December 31, 2017. Our audit committee is submitting the appointment of EY to our stockholders because we value our stockholders’ views on our independent registered public accounting firm and as a matter of good corporate governance. Audit Committee Policy on Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Our audit committee has established a policy governing our use of the services of our independent registered public accounting firm. Under the policy, our audit committee is required to pre-approve all audit and non-audit services performed by our independent registered public accounting firm in order to ensure that the provision of such services does not impair the public accountants' independence. All fees paid to EY for our fiscal years ended December 31, 2015 and 2016 were pre-approved by our audit committee.

Vote Required

The ratification of the appointment of EY requires the affirmative vote of a majority of the voting power of the shares present or represented by proxy at the Annual Meeting at which a quorum is present and entitled to vote thereon. The composition of the audit committee, the attributes of its members and the responsibilities of the audit committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The audit committee reviews and assesses the adequacy of its charter and the audit committee's performance on an annual basis.

- discussed with EY the matters required to be discussed under Public Company Accounting Oversight Board Auditing Standard No. 1301, Communications with Audit Committees; and
- received the written disclosures and the letter from EY required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with EY its independence.

Based on the audit committee's review and discussions with management and EY, the audit committee recommended to the board of directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2016 for filing with the Securities and Exchange Commission.

Respectfully submitted by the members of the audit committee of the board of directors:

Employment Agreements

We entered into an employment agreement with William J. Peters dated March 11, 2014. We entered into substantially similar employment agreements with each of Jack Y. Zhang, Mary Z. Luo and Jason B. Shandell that govern the terms of each executive officer's employment. The employment agreements provide for an initial term of three years and will be automatically extended for successive one-year periods, unless one of the parties provides the other 90 days' prior written notice before the expiration of the initial term or any annual renewal term that the term will not be extended. The employment agreements are terminable (a) by the executive officer at any time, provided the executive gives at least four weeks' prior notice of resignation; (b) by us at any time; or (c) due to the disability or death of the executive.

Pursuant to their respective employment agreements, if the executive's employment terminates for any reason, the executive officer is entitled to receive (a) any and all base salary and vacation pay earned through the date of termination and (b) any reimbursable expenses properly reported by the executive officer. Unless the executive officer resigns without "good reason" (as defined in the employment agreement) or the employment is terminated for "cause" (as defined in the employment agreements), the executive officer is also entitled to (a) any applicable prorated bonus, based on actual performance for the year of termination, as determined by the board of directors in its discretion when making bonus determinations for other senior executives and payable at such time as annual bonuses are otherwise determined for such other senior executives, and (b) any accrued but unpaid annual bonus for the fiscal year immediately preceding the year of termination.

If we do not renew an employment agreement at the end of the initial term or any renewal term, the executive's employment is terminated by us without "cause" (as defined in the employment agreements) or if the executive officer resigns with "good reason" (as defined in the employment agreements), such executive, conditioned upon execution of a release in form and substance satisfactory to us, is entitled to:

- an amount equal to three, or two in the case of Mr. Peters, times the sum of (a) the highest base annual salary in effect (i) during the 12 months immediately prior to the date of termination or (ii) during the employment, if the employment has lasted less than 12 months, plus (b) the average annual bonus earned by the executive for the most recent three, or two in the case of Mr. Peters, fiscal years ending prior to the date of termination or the base salary for the remainder of the agreement, whichever is greater, such amount to be paid in cash or immediately-available funds in a lump sum thirty days following the date of termination;
- continued payment of his or her health insurance premiums as may be necessary to allow the executive and his or her spouse and dependents to continue to receive health insurance coverage substantially similar to the coverage they received prior to the date of termination of the executive's employment, for a period of 12 months or the remainder of the agreement, whichever is greater commencing on the date of termination;
- vesting of any restricted stock, stock option or other equity compensation awards granted by us, except to the extent that the provisions of the applicable restricted stock, stock option or other equity award are more favorable; and
- coverage for the executive as a named insured on all directors' and officers' insurance maintained by us for the benefit of directors and officers on at least the same basis as all other covered individuals, and at least the same corporate indemnification we provide to other senior executives, through at least six years following the date of termination.

In addition, certain of our executive officers may be entitled to additional payments and benefits upon a “change of control” (as defined in the employment agreements). See “—Potential Payments on Termination or Change of Control.”

Potential Payments on Termination or Change of Control

Under the employment agreements of Dr. Zhang, Dr. Luo, Mr. Shandell and Mr. Peters, upon termination of employment resulting from a change in control (as defined in the employment agreements) and occurring as a result of the specific termination events and time periods set forth in the employment agreements, in addition to any severance payments as described above, the executives are entitled to:

- payment in an amount equal to three, or two in the case of Mr. Peters, times the sum of (a) the highest base salary in effect (i) during the 12 months immediately prior to the date of termination or (ii) during the period of employment, if the employment lasted less than 12 months, plus (b) the average annual bonus earned by the executive for the most recent three, or two in the case of Mr. Peters, fiscal years ending prior to the date of termination, such amount to be paid in cash or immediately-available funds in a lump sum sixty days following the date of termination;
- an additional 12-month extension of health insurance premium payments in addition to those payments to which he or she is otherwise entitled under his or her respective employment agreement; and
- full vesting of all restricted stock, stock options or other equity compensation awards granted by us that were unvested immediately prior to the change in control, except to the extent that the provisions of the applicable restricted stock, stock option or other equity award are more favorable.

Entitlement to the above benefits upon a change in control is conditioned upon execution of a release in form and substance satisfactory to us.

The 2005 Plan provides that, in the event of a change of control (as defined in the 2005 Plan) where the acquirer does not assume awards granted under the 2005 Plan, awards issued under the 2005 Plan will be subject to accelerated vesting such that 100% of the awards will become vested and exercisable or payable, as applicable. In the event of a change of control where the acquirer assumes awards granted under the 2005 Plan, if the holder of any such award is terminated by the acquirer without cause (as defined in the 2005 Plan) or as a result of a constructive termination (as defined in the 2005 Plan) within one year after the change of control, such award will immediately vest in full and, if applicable, any remaining forfeiture, repurchase and other restrictions applicable to such award shall lapse on the date of termination.

The 2015 Plan provides that, in the event of a “change in control” (as defined in the 2015 Plan), each award will be treated as the administrator determines, including that each award be assumed or substantially equivalent awards substituted by the acquiring or succeeding corporation or its affiliate. The administrator will not be required to treat all outstanding awards the same in the transaction.

If the successor corporation does not assume or substitute for the award, the participant will fully vest in and have the right to exercise all of his or her outstanding options and stock appreciation rights, all restrictions on restricted stock and restricted stock units will lapse, and, with respect to awards with performance-based vesting, all performance goals or other vesting criteria will be deemed achieved at target levels and all other terms and conditions met. In addition, if an option or stock appreciation right is not

assumed or substituted for, the administrator will notify the participant in writing or electronically that the option or stock appreciation right will be exercisable for a period of time determined by the administrator, in its sole discretion, and the option or stock appreciation right will terminate upon the expiration of such period.

However, if a payment under an award agreement is subject to Section 409A of the Code (“Section 409A”) and the award agreement’s definition of change in control does not comply with Section 409A’s definition of “change of control,” then any payment of an amount that is otherwise accelerated under this Section will be delayed until the earliest time that the payment would not trigger any penalties under Section 409A.
