**Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

Effective February 23, 2005, the Board of Directors of Conexant Systems, Inc. (the "Company") unanimously approved amending the Bylaws to delete Article XI. A copy of the Bylaws, as amended is attached hereto as Exhibit 3(ii).

Article XI (Special Provisions Relating to the Merger with GlobespanVirata, Inc. ("GlobespanVirata")) had been adopted effective February 27, 2004 to provide that as of the effective time of the merger of the Company with GlobespanVirata, the Board of the Company would have seven directors designated by the Company and five by GlobespanVirata and that each group would be able to replace one of their respective number in the event of a vacancy in their respective ranks. In addition, Article XI provided that the Company's Audit Committee would consist of two directors designated by the Company and two by GlobespanVirata (one of whom to be the chairman), that the Company's Governance and Composition Committee would consist of four directors designated by the Company (one of whom to be the chairman) and four by GlobespanVirata, and that the Compensation and Management Development Committee would consist of two directors designated by the Company (one of whom to be the chairman) and two by GlobespanVirata. Article XI further provided that for two years after February 27, 2004, the affirmative vote of at least 75% of the Directors would be required to amend Article XI, to change the number of directors comprising the Company's whole Board of Directors, to change the number of directors comprising the above-mentioned committees, and to remove the Chairman of the Board, the Chief Executive Officer and/or the President from their respective positions.

Upon the resignations of Messrs. Cicerone and Geday, the Board of Directors determined that it was in the best interests of the Company to decrease the size of the Board from twelve to ten directors. In addition, during 2004 the Board determined the Chairman of the Audit Committee would remain one of the pre-merger Company directors and that upon the departure of Mr. Cicerone that the size of the Audit Committee would decrease to three. As a result of these and other management changes, the Board determined that Article XI of the Bylaws no longer served a useful propose and amended the Bylaws to delete Article XI in its entirety.
