**Item 1.01 Entry into a Material Definitive Agreement.**

On September 27, 2006, Clearant, Inc. entered into a renewable two-year supply and representation agreement with Osprey Biomedical Corp. Osprey granted Clearant exclusive rights to place current and future Osprey cervical and lumbar allografts treated with the Clearant Process® in a number of geographic territories and an option for additional geographic territories, which in aggregate represent approximately 50% or more of the US market.

In exchange for these exclusive rights, Clearant has agreed pay to Osprey \$500,000 as a prepayment for ordered products to be delivered after October 1, 2007. The payment will be due upon the earlier of the following: (i) within 3 business days after Clearant receives debt or equity financing of at least \$1 million, or (ii) October 31, 2006. In addition, Clearant will be required to make the following quarterly payments to be applied to payments for ordered products: \$650,000 by October 31, 2006; \$750,000 by January 1, 2007; \$850,000 by April 1, 2007; \$1 million by July 1, 2007; \$1.2 million by October 1, 2007; \$1.3 million by January 1, 2008; \$1.5 million by April 1, 2008; and \$1.75 million by July 1, 2008.

Half the cost of ordered products will be offset against the quarterly inventory payments, and the remaining half will be payable within 15 or 30 days after receipt of the month-ending invoice for products delivered into inventory and ready to be placed with the end user.

From April 1, 2007 until January 1, 2008, Clearant must meet minimum quarterly inventory placement of at least \$50,000 per territory where Clearant has a representative and has been granted exclusivity. After January 1, 2008, Clearant must meet minimum quarterly inventory placement of at least \$75,000 per territory where Clearant has a representative and has been granted exclusivity.

In order to renew the agreement for an additional two years on the terms in effect at the end of the original term, Clearant must pay Osprey an additional \$500,000 by April 1, 2008, which will be applied as a prepayment for orders to be delivered after October 1, 2008.

This agreement supersedes the prior supply agreements between the parties.
