Item 2.02 Results of Operations and Financial Condition.

On February 20, 2007, the Company issued a press release announcing financial results for its fiscal 2007 first quarter ended February 2, 2007. The press release included unaudited condensed financial statements that did not properly classify the partial funding of the Company's deferred compensation plans which occurred during the first quarter of fiscal 2007. The reclassification only affects the condensed consolidated balance sheet as of February 2, 2007 and the condensed consolidated statement of cash flows for the three months ended February 2, 2007. The condensed consolidated balance sheet as of February 2, 2007 included an other asset of \$17.3 million and an accrued liability for \$17.3 million that should have been netted against each other. Goodwill and other assets, net should have been \$97.9 million, not \$115.2 million, and accrued liabilities should have been \$230.5 million, not \$247.8 million. Net cash used in operating activities should have been \$110.9 million, not \$93.6 million, and net cash used in investing activities should have been \$14.3 million, not \$31.6 million. Corrected versions of the condensed consolidated balance sheet as of February 2, 2007 and the condensed consolidated statement of cash flows for the three months ended February 2, 2007 are attached to this Report as Exhibit 99.1.

The information contained in this report and the exhibit hereto shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
