Item 8.01 Other Events.

On November 16, 2007, Huntington Bancshares Incorporated (Huntington) announced that, as a result of the recently announced actions of Franklin Credit Management Corporation (Franklin) and related deterioration in Franklin's mortgage portfolios, 2007 fourth quarter results for Huntington are expected to include an after-tax charge of up to \$300 million, or \$0.81 per common share, to build the allowance for loan and lease losses in support of the Franklin relationship. As a result of this charge, Huntington will report a 2007 fourth quarter net loss.

Huntington also announced that capital levels at the holding company and The Huntington National Bank will remain above the regulatory "well capitalized" minimums. Accordingly, Huntington has no plans to reduce its current dividend level.
