**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

(a) On September 18, 2008, the Board, upon recommendation of the Nominating and Corporate Governance Committee, amended the Company's Amended and Restated By-laws in several respects, including changes meant to clarify the intent of certain provisions in light of recent developments in Delaware corporate law. In addition to the amendments described below, the amended By-laws include changes to make various technical corrections and other non-substantive changes.

Sections 1.3 and 2.2 were amended to clarify the advance notice procedures a stockholder must follow to properly present director nominations or bring other business before a meeting of stockholders. This includes a requirement that a stockholder giving notice of a proposal describe, among other things, (i) the class and number of shares of the Company directly or indirectly owned by the stockholder, any beneficial owner on whose behalf the proposal is made or their respective affiliates and (ii) any agreement, arrangement or understanding (including any derivatives or short positions) to which the stockholder or beneficial owner or their respective affiliates is a party.

Section 2.2 was further amended to require that each director nominee submit a questionnaire regarding his or her background and qualifications, as well as a representation and agreement that the nominee (i) is not and will not become a party to any undisclosed voting commitment or any voting commitment that that could interfere with such person's fiduciary duties under applicable law, (ii) is not and will not become party to any agreement with any person other than the Company with respect to any compensation or indemnification in connection with service as a director and (iii) if elected, will comply with applicable law and corporate governance and other policies of the Company.

Section 4.1(b) was amended to clarify that the rights to indemnification and advancement of expenses provided for by Article 4 are contract rights that vest at the time a director or officer takes office, and that those rights extend to both current and former directors and officers.

The foregoing description of the By-laws amendments does not purport to be complete and is qualified in its entirety by reference to the By-laws, as amended, a copy of which is attached hereto as Exhibit 3.1 and incorporated by reference herein.
