**Item 8.01 Other Events.**

On November 11, 2008, NRG Energy, Inc. ("NRG") issued a press release confirming receipt of two letters from Exelon Corporation. The press release announcing the response, including the full text of one of Exelon's letters, is attached as Exhibit 99.1 to this Current Report and is incorporated herein by reference.

On November 11, 2008, Exelon Corporation and its wholly-owned subsidiary, Exelon Xchange Corporation (together, "Exelon"), filed a complaint in the Court of Chancery of the State of Delaware against NRG and its board of directors (the "NRG Board"). The complaint alleges, among other things, that the NRG Board has failed to give due consideration and take appropriate action in response to the acquisition proposal announced by Exelon on October 19, 2008, in which Exelon offers to acquire all of the outstanding shares of NRG common stock at an exchange ratio of 0.485 Exelon shares for each share of NRG common stock. The complaint seeks declaratory and injunctive relief, among other things, (1) declaring that the NRG Board has breached its fiduciary duties to the NRG stockholders by rejecting and refusing to consider Exelon's acquisition proposal and by failing to exempt the proposed transaction from application of Section 203 of the Delaware General Corporation Law (the "DGCL"), (2) compelling the NRG Board to approve Exelon's acquisition proposal for purposes of Section 203 of the DGCL, (3) declaring that the adoption of any measure that would have the effect of impeding or interfering with Exelon's acquisition proposal constitutes a breach of the NRG Board's fiduciary duties, and (4) enjoining the defendants from adopting any measures that would have the effect of impeding or interfering with Exelon's acquisition proposal. Based on the facts known to date and the allegations in the complaint, we believe that the claims asserted in the complaint are without merit and we intend to vigorously defend against it.
