**Item 3.03 Material Modifications to Rights of Security Holders.**

The disclosure in Item 5.03 below is incorporated by reference herein. Because of the convertible nature of the senior common stock, par value \$0.001 per share (the "Senior Common Stock") of Gladstone Commercial Corporation (the "Company"), holders of the Company's common stock, par value \$0.001 per share, which is listed on the NASDAQ Global Select Market under the symbol "GOOD" (the "Listed Common Stock") may have their ownership interests diluted should the Senior Common Stock be converted into shares of Listed Common Stock. As a result of the modification of the Exchange Ratio (as defined below) of the Senior Common Stock described in Item 5.03 below, the rights of the holders of the Listed Common Stock have been modified in certain respects.

**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On June 9, 2010, the Company filed Amended and Restated Articles Supplementary Establishing and Fixing the Rights and Preferences of Senior Common Stock (the "Amended and Restated Articles") with the State Department of Assessments and Taxation of Maryland. The Amended and Restated Articles modified the ratio (the "Exchange Ratio") used for calculating the number of shares of Listed Common Stock that holders of Senior Common Stock will have the right, but not the obligation, to obtain in exchange for shares of Senior Common Stock following the fifth anniversary of the issuance of such shares. Under the Amended and Restated Articles, the Exchange Ratio is calculated by dividing \$15.00 (the value assigned to each share of the Senior Common Stock) by the greatest of (i) the Closing Trading Price of the Listed Common Stock on the date on which such shares of Senior Common Stock were originally issued, (ii) the Book Value Per Share of the Listed Common Stock as determined as of the date on which such shares of Senior Common Stock were originally issued, and (iii) \$13.68. All other rights, preferences and privileges of the Senior Common Stock were unchanged by the filing of the Amended Articles.

The foregoing description of the Amended and Restated Articles is qualified in its entirety by reference to the Amended and Restated Articles, which are filed as an exhibit to this Current Report on Form 8-K and incorporated by reference herein.

**Item 9.01 Financial Statements and Exhibits.**

Exhibit 3.1 – Amended and Restated Articles Supplementary Establishing and Fixing the Rights and Preferences of Senior Common Stock.
