On March 16, 2011, the Corporation's Compensation Committee (the Committee) approved the award of performance-based and service-based restricted stock awards to the Corporation's Chief Executive Officer and other executive officers named in the Compensation Discussion and Analysis included in the Corporation's proxy statement for its Annual Meeting of Shareholders held in 2010 (the Named Executive Officers) in the following amounts:

<b>Named Executive Officer</b>	<b>Number of Restricted Stock Units Awarded Performance-Based</b>	<b>Number of Restricted Stock Units Awarded Service- Based</b>
Stephen J. Gurgovits	40,385	20,192
Vincent J. Calabrese	8,607	4,304
Vincent J. Delie, Jr.	18,206	9,103
Brian F. Lilly	15,227	7,614
Gary L. Guerrieri	8,607	4,304
Louise C. Lowrey	8,607	4,304

These awards are made pursuant to the stockholder approved 2007 Incentive Compensation Plan (the Plan), a copy of which is on file with the SEC as Annex A to the Corporation's 2007 proxy statement.

The service-based restricted stock awards are subject to the standard terms contained in the service-based restricted stock award agreement previously filed by the Corporation under a Form 8-K on January 19, 2007, and will vest on January 16, 2014, provided the Named Executive Officer remains continuously employed by the Corporation.

The performance-based restricted stock awards are subject to the standard terms and conditions contained in the form of the performance-based restricted stock agreement previously filed by the Corporation under a Form 8-K on March 23, 2010, ( Form Performance Agreement ) and will vest subject to the terms and conditions set forth in the Form Performance Agreement and the terms and conditions described below.

Under the terms of the performance-based award agreement, the Committee's determination as to whether the performance-based restricted stock units shall vest for each Named Executive Officer will occur on March 1, 2014 ( Vesting Date ). The Committee's determination will be based on the following three financial performance measures: (i) the Corporation's return on average tangible common equity ( F.N.B. ROATCE ); (ii) the Corporation's earnings per share growth ( EPS Growth ); and (iii) the Corporation's dividend payout ratio (collectively the EPS Growth and dividend payout ratio shall be referred to as F.N.B. Performance ). Under the performance award agreement the F.N.B. Performance is based on the Corporation's EPS Growth (75% weighting) and the Corporation's dividend payout ratio (25% weighting) during the four year period beginning January 1, 2011, and ending on December 31, 2014, ( Performance Period ). In order to qualify for vesting the Named Executive Officer must remain continuously employed by the Corporation up to the Vesting Date and the F.N.B. ROATCE during the Performance Period must be greater than or equal to the 25<sup>th</sup> percentile of the return on average tangible common equity of a group of similarly situated peer financial institutions ( Performance Measurement Group ). The calculation of the number of performance-based restricted stock units that shall vest will be based upon F.N.B.'s Performance relative to the Performance Measurement Group during the Performance Period.

**F.N.B.'s Performance Relative to  
Performance Measurement Group Performance  
Percentile**

**Restricted Stock Units  
Earned (as  
a multiple of the Restricted  
Stock Units targeted)**

Threshold 35 <sup>th</sup>	0.50
Target 50 <sup>th</sup>	1.00
Maximum 75 <sup>th</sup>	1.75

For amounts of the Corporation's relative earnings per share growth as compared to the Performance Measurement Group between the Threshold and Target levels or between the Target and Maximum levels, straight line interpolation, rounded up to the next whole share, will be used to determine the number of restricted stock units that will become vested.

The foregoing discussion is qualified in its entirety by reference to the full text of the Plan.
