Item 1.01 Entry into a Material Definitive Agreement.

On March 11, 2013 Genuine Parts Company (NYSE: GPC) announced that it has entered into a definitive agreement with AOF Beta B.V. and Exego Group Pty Ltd to acquire the remaining approximately 70% stake of Exego Group, headquartered in Melbourne, Australia, for a total purchase price of approximately \$800 million (US\$), including the assumption of certain debt.

The Company had previously purchased a 30% stake in the Exego Group on January 1, 2012, and held the option to acquire the remaining shares of the Exego Group at a later date, subject to Exego meeting certain earnings thresholds. The Company expects to finance the balance of the purchase using a combination of cash and borrowings. Subject to the satisfaction of customary closing conditions and applicable regulatory approvals, the acquisition is expected to close on April 1, 2013.

Exego Group, established in 1922, is a leading aftermarket distributor of automotive replacement parts and accessories in Australasia, with annual revenues of more than \$1 billion (US\$) and a company-owned store footprint of more than 430 locations across Australia and New Zealand.
