NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

To Be Held April 26, 2018

To Our Stockholders:

We cordially invite you to attend the 2018 Annual Meeting of Stockholders of ARC Document Solutions, Inc. The annual meeting will take place at the Diablo Country Club, at 1700 Clubhouse Road, Diablo, California 94528 on Thursday, April 26, 2018, at 9:00 a.m. PDT. We look forward to your attendance either in person or by proxy.

The purpose of the annual meeting is to:

1. Elect the seven directors named in the proxy statement for the 2018 annual meeting of stockholders, each for a term of one year or until their successors are elected and qualified;
2. Ratify the appointment of Deloitte & Touche LLP as ARC Document Solutions, Inc.'s independent registered public accounting firm for fiscal year 2018;
3. Hold an advisory, non-binding vote on executive compensation;
4. Approve an amendment to the ARC Document Solutions, Inc. 2014 Stock Incentive Plan to increase the aggregate number of shares of ARC Document Solutions' Common Stock authorized for issuance under such plan by 3,500,000 shares; and
5. Transact any other business that may properly come before the annual meeting and any postponements or adjournments of the annual meeting.

The foregoing items of business are more fully described in the proxy statement accompanying this notice of annual meeting of stockholders. Only stockholders of record at the close of business on February 26, 2018, will receive notice of, and be eligible to vote at, the annual meeting or any postponements or adjournments of the annual meeting. A list of such stockholders will be available at the annual meeting and during ordinary business hours ten days prior to the annual meeting at the principal executive offices of ARC Document Solutions, Inc. at 1981 N. Broadway, Suite 385, Walnut Creek, California 94596. If you would like to review the stockholder list, please contact our principal executive offices at (925) 949-5100 to schedule an appointment.

A copy of ARC Document Solutions, Inc.'s Annual Report on Form 10-K for the fiscal year ended December 31, 2017, is included with this mailing. We are sending this proxy statement and related materials to stockholders on or about March 28, 2018.

By order of the Board of Directors,

D. Jeffery Grimes
Vice President, Senior Corporate Counsel and
Corporate Secretary

PROXY STATEMENT

The board of directors of ARC Document Solutions, Inc. is furnishing you with this proxy statement in connection with the solicitation of proxies on its behalf for the 2018 annual meeting of stockholders. The meeting will take place at the Diablo Country Club, at 1700 Clubhouse Road, Diablo, California 94528 on Thursday, April 26, 2018, at 9:00 a.m. PDT. In this proxy statement, we refer to ARC Document Solutions, Inc. as the “Company”, “we”, “us”, “our” or “ARC.”

By submitting your proxy (by signing and returning the enclosed proxy card), you authorize Kumarakulasingam Suriyakumar, the Chairman of the Board, President and Chief Executive Officer, and a director of ARC, and D. Jeffery Grimes, Vice President, Senior Corporate Counsel and Corporate Secretary of ARC, to represent you and vote your shares at the meeting in accordance with your instructions. They also may vote your shares to adjourn the meeting and will be authorized to vote your shares at any postponements or adjournments of the meeting.

We are first sending this proxy statement, form of proxy and accompanying materials to stockholders on or about March 28, 2018.

YOUR VOTE IS IMPORTANT. WHETHER OR NOT YOU PLAN TO ATTEND THE MEETING, PLEASE PROMPTLY COMPLETE AND SUBMIT YOUR PROXY CARD INCLUDED IN THE ENCLOSED ENVELOPE.

ANNUAL MEETING AND VOTING INFORMATION

The board seeks your proxy for use in voting at the annual meeting or any postponements or adjournments of the meeting. The annual meeting will be held at the Diablo Country Club, at 1700 Clubhouse Road, Diablo, California 94528 on Thursday, April 26, 2018, at 9:00 a.m. PDT. We intend to begin mailing this proxy statement, the attached notice of annual meeting, the accompanying proxy card and our Annual Report on Form 10-K for the fiscal year ended December 31, 2017, on or about March 28, 2018, to all holders of our common stock entitled to vote at the meeting. Our Annual Report on Form 10-K for the fiscal year ended December 31, 2017 does not constitute a part of the proxy solicitation materials and is not incorporated by reference into this proxy statement.

Purpose of the Annual Meeting

At the annual meeting, ARC stockholders will vote on the following items:

1. The election of the seven directors named in this proxy statement, each for a term of one year or until their successors are elected and qualified;
2. Ratification of the appointment of Deloitte & Touche LLP as the Company’s independent registered public accounting firm for fiscal year 2018;
3. An advisory, non-binding vote on executive compensation; and
4. Approval of an amendment to the 2014 ARC Document Solutions, Inc. Stock Incentive Plan.

Stockholders also will transact any other business that may properly come before the meeting. Members of ARC's management team and representatives of Deloitte & Touche LLP, the Company's independent registered public accounting firm for fiscal year 2017, will be present at the meeting to respond to appropriate questions from stockholders. Representatives of Deloitte & Touche LLP will also make a statement if they so desire.

Admission to the Annual Meeting

All record or beneficial owners of ARC's common stock may attend the annual meeting in person. When you arrive at the annual meeting, please present photo identification, such as a valid driver's license. Beneficial owners must also provide evidence of stock holdings, such as a recent brokerage account or bank statement showing ownership of ARC common stock on the record date of February 26, 2018. ARC also has invited certain ARC employees and certain agents of the Company to attend the annual meeting.

Record Date

The record date for the annual meeting is February 26, 2018. Only stockholders of record at the close of business on that date are entitled to vote at the meeting. The only class of stock entitled to be voted at the meeting is ARC's common stock. Each outstanding share of common stock is entitled to one vote on each matter presented for a vote at the meeting. At the close of business on the record date, there were 45,238,690 shares of ARC common stock outstanding.

Quorum

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of ARC common stock outstanding on the record date will constitute a quorum. Proxies received but marked as abstentions or treated as "broker non-votes" will be included in the calculation of the number of shares considered to be present at the meeting for quorum purposes. If a quorum is not present at the scheduled time of the meeting, the stockholders who are represented may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given.

Required Vote

Proposal 1 The affirmative vote of a plurality of the votes cast at the meeting is required to elect the seven nominees for director named in Proposal 1. This means that the seven nominees for director receiving the highest number of votes cast will be elected. If you vote to abstain or withhold your vote with respect to one or more nominees, your shares will not be voted with respect to the person or persons indicated, although they will be counted for purposes of determining whether there is a quorum.

Proposals 2, 3 and 4 Approval of Proposals 2, 3 and 4 requires the affirmative vote of a majority of the shares present at the meeting in person or by proxy and entitled to vote assuming a quorum is present.

Routine and Non-Routine Matters

Proposal 2 (ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2018) is a routine matter under the New York Stock Exchange ("NYSE") rules. A broker or other nominee may vote in its discretion on behalf of clients that have not provided voting instructions.

Proposal 1 (election of directors), **Proposal 3** (advisory vote on executive compensation) and **Proposal 4** (approval of an amendment to our stock incentive plan) are non-routine matters under the NYSE rules. This means that if your shares are held by your broker or other nominee in "street name," and you do not provide your broker or other nominee with instructions on how to vote your shares, your broker or nominee will not be permitted to vote your shares on Proposals 1, 3 and 4. This will result in "broker non-votes."

Voting Shares Held in “Street Name”

If your shares are held by a broker or other nominee, you are considered the beneficial owner of shares held in “street name.” If your shares are held in “street name,” these proxy materials are being forwarded to you by your broker or nominee (the record holder), along with a voting instruction card. As the beneficial owner of shares held in “street name,” you have the right to instruct your broker or nominee how to vote your shares and your broker or nominee is required to vote your shares in accordance with your instructions. If you do not give instructions to your broker or nominee, your broker or nominee will nevertheless be entitled to vote your shares with respect to “routine” items, but will not be permitted to vote your shares with respect to “non-routine” items. See the item above entitled “Routine and Non-Routine Matters” for additional details on routine and non-routine matters.

As the beneficial owner of shares, you are invited to attend the meeting. If you are a beneficial owner, however, you may not vote your shares in person at the meeting unless you obtain a proxy form from the record holder of your shares.

Treatment of Abstentions, Withhold Votes and “Broker Non-Votes”

Abstentions and Withhold Votes. You may vote to abstain or withhold your vote on any of the matters to be voted on at the annual meeting. Abstentions and withhold votes will be treated as shares present for determining whether a quorum is present at the annual meeting. Abstentions and withhold votes will have no effect on the vote to elect our directors (Proposal 1), who are elected by a plurality of votes, but (a) will be counted as votes against the ratification of the appointment of our independent registered public accounting firm, the proposal regarding an advisory, non-binding vote on executive compensation and the approval of an amendment to our 2014 Stock Incentive Plan (Proposals 2, 3 and 4).

“Broker Non-Votes.” Broker non-votes occur when a broker or other nominee is unable to vote on a “non-routine” item because of a lack of instructions from the beneficial holder (or the holder in “street name”). Shares that are subject to “broker non-votes” will be treated as shares present for quorum purposes, but will not be counted for or against any particular proposal. If you do not provide your broker or nominee with instructions on how to vote your shares held in “street name,” your broker or nominee will not be permitted to vote your shares on “non-routine” items. Under the rules of the NYSE, Proposals 1, 3 and 4 are “non-routine” items and Proposal 2 is a “routine” item. Your broker or nominee is not entitled to vote your shares on Proposals 1, 3 and 4 without specific instructions from you on how to vote. Your broker or nominee is entitled, however, to vote your shares on Proposal 2 without your instructions. If you are the beneficial owner of ARC shares, we strongly encourage you to provide instructions to your broker regarding the voting of your shares.

Voting Instructions

If you properly complete and sign the accompanying proxy card and return it in the enclosed envelope, it will be voted in accordance with your instructions. By doing so, you are authorizing the individuals listed on the proxy card to vote your shares in accordance with your instructions. The enclosed envelope requires no additional postage if mailed in either the United States or Canada.

If you are a record holder, and attend the meeting in person, you may deliver your completed proxy card in person at the meeting. Additionally, we will distribute written ballots to record holders who wish to vote in person at the meeting. If you attend the annual meeting, please bring the enclosed proxy card or proof of identification. If you are the beneficial holder of shares held in “street name,” and you wish to vote at the meeting, you will need to obtain a proxy, executed in your favor, from your broker or other nominee and bring it with you to the meeting.

If your shares are held in “street name,” you may be able to vote your shares electronically by telephone or on the internet. A large number of banks and brokerage firms participate in a program provided through Broadridge Financial Solutions, Inc. that offers telephone and internet voting options. If your shares are held in an account at a bank or brokerage firm that participates in such a program, you may vote those shares electronically by telephone or on the internet by following the instructions set forth on the voting form provided to you by your record holder.

Revoking your Proxy

If you are the record holder of your shares, you may revoke your proxy at any time before your shares are voted and change your vote:

- by signing another proxy with a later date and delivering it prior to the annual meeting in accordance with the instructions set forth in this proxy statement;
- by giving written notice of your revocation to the corporate secretary of ARC prior to or at the meeting or by voting in person at the meeting; or

by attending the annual meeting and voting in person.

Your attendance at the meeting itself will not revoke your proxy unless you give written notice of revocation to our corporate secretary before your proxy is voted or you vote in person at the meeting. Any written notice of revocation, or later dated proxy, should be delivered to:

ARC Document Solutions, Inc.
1981 N. Broadway, Suite 385
Walnut Creek, California 94596
Attention: D. Jeffery Grimes, Secretary

If your shares are held in street name by a broker or other nominee, you must contact them in order to find out how to change your vote.

Tabulating Votes

Broadridge Financial Solutions, Inc. will tabulate and certify the votes. In addition, Broadridge Financial Solutions, Inc. will provide an inspector of election at the annual meeting.

Solicitation of Proxies

ARC is soliciting the proxies and will bear the entire cost of this solicitation, including the preparation, assembly, printing and mailing of this proxy statement and any additional materials furnished to our stockholders. Our directors, officers and employees may solicit votes and request proxies by telephone. Copies of solicitation materials will be furnished to banks, brokerage houses and other agents holding shares in their names that are beneficially owned by others so that they may forward the solicitation materials to the beneficial owners. In addition, if asked, we will reimburse these persons for their reasonable expenses in forwarding the solicitation materials to the beneficial owners. We have asked banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares they hold of record.

Other Business

We know of no other business that will be presented at the meeting. If any other matter properly comes before the Company's stockholders for a vote at the meeting, the proxy holders will vote your shares in accordance with their best judgment.

PROPOSAL 1 ELECTION OF DIRECTORS

Nominees for Director

The board currently consists of seven directors, six of whom have been nominated to serve for a term of one year or until their successors are duly elected and qualified, and one of whom, Manuel J. Perez de la Mesa, is retiring from the board and is not standing for re-election in 2018. Mr. Bradford L. Brooks is nominated as a director of the board to take Mr. Perez de la Mesa's place on the board. Our board is not classified and thus all of our directors are elected annually.

Each of the nominees has consented to being named in this proxy statement and has agreed to serve as a member of the board if elected. The Company has no reason to believe that any nominee will be unable to serve. If a nominee is unable to stand for election, the board may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority to vote.

The affirmative vote of a plurality of the votes cast at the meeting is required to elect the seven director nominees listed below. This means that the seven nominees receiving the highest number of affirmative votes of the shares entitled to be voted for them will be elected as directors.

The following table sets forth, with respect to each nominee, his name, the year in which he first became a director of ARC, and his age as of February 26, 2018. Each of the nominees has served continuously as a director since first

becoming a director of ARC.

-
- Served as an advisor of American Reprographics Holdings, L.L.C., a California limited liability company (“Holdings”), since 1998 and as a director of the Company since October 2004. We were previously organized as
- (1) Holdings and immediately prior to our initial public offering on February 9, 2005, we reorganized as American Reprographics Company, a Delaware corporation, and subsequently changed our name to ARC Document Solutions, Inc.
 - (2) Served as an advisor of Holdings since 2000 and as a director of ARC since October 2004.

The following is a brief description of the principal occupation and business experience of each of our directors and their other affiliations.

Kumarakulasingam (“Suri”) Suriyakumar has served as our President and Chief Executive Officer since June 1, 2007, and he served as our President and Chief Operating Officer from 1991 until his appointment as Chief Executive Officer. On July 24, 2008, Mr. Suriyakumar was appointed Chairman of our board of directors. Mr. Suriyakumar served as an advisor of Holdings from March 1998 until his appointment as a director of the Company in October 2004. Mr. Suriyakumar joined Micro Device, Inc. (our predecessor company) in 1989. He became the Vice President of Micro Device, Inc. in 1990. Prior to joining the Company, Mr. Suriyakumar was employed with Aitken Spence & Co. LTD, a highly diversified conglomerate and one of the five largest corporations in Sri Lanka. Mr. Suriyakumar currently serves as Chairman of the board of directors of Mobitor, L.L.C., a privately held company. ARC’s board believes that as a founder of the company with tremendous industry knowledge, a strong following within the company, and demonstrated leadership skills in a variety of economic and market-driven environments, Mr. Suriyakumar possesses unmatched experience in, and insight into, all aspects of our business, and his service on the board is invaluable to ARC.

Bradford L. Brooks has been nominated to serve as a director of the Company. He is currently President and CEO of OneLogin, a global leader in cloud-based identity and access management as a service. From January 2015 to June 2017, Mr. Brooks was CMO as well as the executive leader of product management and engineer for DocuSign. Mr. Brooks held senior executive level positions at Juniper Networks and Microsoft prior to DocuSign. The board believes that Mr. Brooks’ extensive experience across multiple technology sectors, and his extensive executive leadership experience in enterprise level, technology product management, sales and marketing have provided him with a deep understanding of business matters. His business understanding coupled with his broad operational expertise make his service on the board valuable to ARC. Mr. Brooks has a Bachelor of Science in economics from California State University, Chico, and Master of International Management from Thunderbird School of Global Management, Arizona State University.

Thomas J. Formolo served as an advisor of Holdings from April 2000 until his appointment as a director of the Company in October 2004. In 2013, Mr. Formolo founded New Harbor Capital, LLC, a lower middle market private equity firm focused on growth buyout, investing into business services, health care and education companies. Since 1990, Mr. Formolo has also been employed by CHS Capital LLC (formerly known as Code Hennessy & Simmons LLC), or CHS, and has been a partner since 1997. CHS is a private equity firm based in Chicago, Illinois, that specializes in leveraged buyout and recapitalizations of middle market companies in partnership with company management through its private equity funds. He has been a member of the management committee since 2001. Mr. Formolo is currently a director of the following companies: PT Solutions Holdings LLC, New York Kids Club, Kure Pain Management, Community Psychiatry, Certica Solutions, Wedgewood Pharmacy, LGM Pharma, Ocean State Urgent Care and Fyzical. The board believes that Mr. Formolo’s financial acumen, experience in leveraged buyouts, his independent director status and the fact that our board of directors has determined that he is an “audit committee financial expert” under SEC guidelines, given his understanding of accounting and financial reporting, make his service to the board valuable to ARC. Mr. Formolo has a Bachelor of Business Administration in Marketing, Finance and International Business from the University of Wisconsin-Madison and a Master of Business Administration from

Northwestern University.

John G. Freeland was appointed a director of the Company in May 2016. From October 2007 to June 2012 Mr. Freeland served as President and CEO, and from June 2012 to December 2012 served as Executive Vice Chairman, of Information Resources, Inc. (IRI), a leading global provider of information, insights and decision solutions. Previously he was President Worldwide Operations for Salesforce, and a Managing Partner at Accenture, leading its Customer Relationship Management practice. Mr. Freeland currently serves as director of WNS (Holdings) Limited, a publicly-traded company. The board believes that Mr. Freeland's experience as a principal executive officer, his service as a director of publicly-traded companies, and his direct management experience in enterprise level, software/consulting sales have provided him with a deep understanding of business matters. His business understanding coupled with his broad operational expertise and his status as an independent director make his service on the board valuable to ARC. Mr. Freeland earned his Bachelor of Arts in economics and his Masters of Business Administration from Columbia University.

Dewitt Kerry McCluggage was appointed a director of the Company in February 2006 and lead independent director in 2007. Mr. McCluggage currently serves as the President of Craftsman Films, Inc., which produces motion pictures and television programs, a company he started in January 2002. An active investor in media-related companies, Mr. McCluggage previously

served as a director of Content Media Corporation, Ltd., a private UK-based, distributor of film and television products, which was publicly-traded on the AIM market but went private in 2012. Mr. McCluggage is also an equity investor in Trifecta Entertainment, LLC, offering independent syndication sales and barter advertising in the U.S. Mr. McCluggage served as President, and then in 1993, Chairman, of Paramount Television Group, where he was responsible for overseeing all television operations from 1991 until his resignation in 2002. Prior to that, Mr. McCluggage served as President of Universal Television from 1987 to 1991. The board believes Mr. McCluggage's principal executive officer experience, and his sales, marketing and operational experience has provided him with a deep understanding of business matters. As the film/television business has undergone a transition from analog to digital production, the Board believes his experience guiding this kind of transition is valuable to ARC, which is in the middle of a similar transition. Mr. McCluggage's status as an independent director also renders his service on the board valuable to the Company. In September 2017 Mr. McCluggage joined the board of IDW Media Holdings, Inc. as an independent director. Mr. McCluggage has a Bachelor of Arts from University of Southern California and a Master of Business Administration from Harvard Business School.

James F. McNulty was elected as a director of the Company in March 2009. Mr. McNulty served as Chairman and Chief Executive Officer of Parsons Company ("Parsons"), an international engineering, construction and management services firm based in Pasadena, California, until May 2008 and as Chairman of the Board of directors of Parsons until November 2008. Mr. McNulty currently serves as a director of American States Water Company, a publicly-traded company. The board believes that Mr. McNulty's principal executive officer experience in the industry that is the target of our primary products and services, as well as his service as a director of publicly-traded companies, have provided him with a deep understanding of business matters, and that this understanding, his broad operational acumen and his status as an independent director make his service on the board valuable to ARC. Mr. McNulty has a Bachelor of Science degree in engineering from the United States Military Academy at West Point and master degrees from Ohio State University and the Massachusetts Institute of Technology where he was an Alfred P. Sloan Fellow.

Mark W. Mealy was appointed as a director of the Company in March 2005. Mr. Mealy has served as Managing Partner of Colville Capital LLC, a private investment firm, since October 2005. Mr. Mealy also served as the Managing Director and Group Head of Mergers and Acquisitions of Wachovia Securities, Inc., an investment banking firm, from March 2000 until October 2004. Mr. Mealy served as the Managing Director, Mergers and Acquisitions, of First Union Securities, Inc., an investment banking firm, from April 1998 to March 2000, and as the Managing Director of Bowles Hollowell Conner & Co., an investment banking firm, from April 1989 to April 1998. Mr. Mealy is currently a director of the following companies: Motion & Flow Control Products, Inc., Kurz Industrial Solutions, Inc., and Stored Energy Holdings, Inc. The board believes that Mr. Mealy's financial acumen, experience in mergers and acquisitions, his independent director status and the fact that our board of directors has determined that he is an "audit committee financial expert" under SEC guidelines, given his understanding of accounting and financial reporting, make his board service valuable to ARC. Mr. Mealy has Bachelor of Arts from the Woodrow Wilson School of Public and International Affairs at Princeton University.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR"
THE ELECTION OF EACH OF THE SEVEN DIRECTOR NOMINEES LISTED ABOVE**

**PROPOSAL 2
RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

Appointment of Auditors

Deloitte & Touche LLP (“Deloitte”) has been our independent registered public accounting firm and has audited our financial statements since 2009. The Audit Committee has appointed Deloitte to be our independent registered public accounting firm for the fiscal year ending December 31, 2018. ARC stockholders are asked to ratify this appointment at the 2018 annual meeting. Representatives of Deloitte will be present at the meeting to respond to appropriate questions and to make a statement if they so desire.

Auditor Fees

A summary of the services provided by Deloitte, our independent registered public accounting firm for the fiscal years ended December 31, 2017, and 2016, and fees billed for such services (in thousands), is as follows:

	2017	2016
Audit fees ⁽¹⁾	\$1,475	\$1,390
Audit related fees	—	—
Tax fees	—	—
All other fees	5	5
Total	\$1,480	\$1,395

Consists of aggregate fees billed or expected to be billed for professional services rendered for the audit of our annual consolidated financial statements for the fiscal years ended December 31, 2017, and 2016, respectively, and ⁽¹⁾ reviews of our condensed consolidated financial statements in the Company's quarterly reports during the fiscal years ended December 31, 2017, and 2016, respectively. Out-of-pocket expenses of \$44,200 and \$50,000 for the fiscal years ended December 31, 2017, and 2016, respectively, are not included in the amounts shown above.

Pre-Approval of Audit and Non-Audit Services

The Audit Committee has adopted a pre-approval policy governing the engagement of the Company's independent registered public accounting firm for all audit and non-audit services. The Audit Committee's pre-approval policy provides that the Audit Committee must pre-approve all audit services and non-audit services to be performed for the Company by its independent registered public accounting firm prior to their engagement for such services. The Audit Committee pre-approval policy establishes pre-approved categories of certain non-audit services that may be performed by the Company's independent registered public accounting firm during the fiscal year, subject to dollar limitations that may be set by the Audit Committee. Pre-approved services include certain audit related services, tax services and various non-audit related services. The term of any pre-approval is 12 months from the date of pre-approval, unless the Audit Committee specifically provides for a different period. The Audit Committee may delegate pre-approval authority to one or more of its members. The member(s) to whom such authority is delegated must report any pre-approval decisions to the Audit Committee at its next meeting. One hundred percent of the services provided by Deloitte during 2017 and 2016 were approved by the Audit Committee in accordance with the pre-approval procedures described above.

Under Company policy and/or applicable rules and regulations, the independent registered public accounting firm is prohibited from providing the following types of services to the Company: (1) bookkeeping or other services related to the Company's accounting records or financial statements, (2) financial information systems design and implementation, (3) appraisal or valuation services, fairness opinions or contribution-in-kind reports, (4) actuarial services, (5) internal audit outsourcing services, (6) management functions, (7) human resources, (8) broker-dealer, investment adviser or investment banking services, and (9) legal services.

The Audit Committee has sole authority to appoint ARC's independent registered public accounting firm for fiscal year 2018 pursuant to the terms of the Audit Committee Charter. Accordingly, stockholder approval is not required to appoint Deloitte as ARC's independent registered public accounting firm for fiscal year 2018. The board believes, however, that submitting the appointment of Deloitte to the stockholders for ratification is a matter of good corporate governance. If the stockholders do not ratify the appointment of Deloitte, the Audit Committee will review its future selection of an independent registered public accounting firm.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF DELOITTE & TOUCHE LLP AS ARC'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2018

PROPOSAL 3

ADVISORY, NON-BINDING VOTE ON EXECUTIVE COMPENSATION

We received a majority vote for our compensation program at our 2017 annual meeting, with approximately 97% of our stockholders who voted at the meeting approving our compensation practices.

The Compensation Discussion and Analysis section, beginning on page 26 of this proxy statement, describes our executive compensation program in greater detail. In particular, stockholders should note the following goals of our executive compensation program:

To establish compensation levels based on competitive market conditions that attract and retain candidates for executive positions as necessary and that encourage performance that benefits our employees, customers, and stockholders;

To foster an “ownership mentality” and align the interests of our executive officers with those of our stockholders through long-term equity awards;

To recognize and reward superior performance; and

To protect and preserve the domain expertise and customer relationships possessed by our key executives.

The Compensation Committee has also taken note of management’s progress in transforming ARC to a digitally-enabled document solutions company serving the broader construction industry. In evaluating such progress, the Compensation Committee took into consideration the particular economic and industry conditions that challenged the Company, especially in regard to the declining use of printing within the construction industry, and the substantive impact of technology on our primary end-market.

The Company is aggressively pursuing a return to growth via a strategy that requires the protection of print revenues and the growth of sales in new technology solutions. In 2017, ARC offered a more competitive print product mix thanks to refreshed fleet of production equipment, and deployed a reconfigured sales force to take its new technology solutions to market. By the end of the fourth quarter in 2017, management began to see incremental progress toward the Company’s objectives.

For the reasons stated, we are requesting approval, in a non-binding vote, of the following resolution:

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to the compensation rules of the United States Securities and Exchange Commission (“SEC”), including in the Compensation Discussion and Analysis, the compensation tables and the related narrative discussion contained in the Company’s 2018 Proxy Statement, is approved.”

The stockholder vote on Proposal 3 is advisory in nature and, thus, is not binding on the Company. The Compensation Committee, however, values the views expressed by the Company’s stockholders in their vote on this proposal and, as it did in 2017 following ARC’s annual meeting, will consider the outcome of the vote when making future compensation decisions for the Company’s executive officers.

PROPOSAL 4

**APPROVAL OF SECOND AMENDMENT TO THE ARC DOCUMENT SOLUTIONS, INC.
2014 STOCK INCENTIVE PLAN**

Introduction

In order to replenish a reserve of Common Stock that has been depleted over the past four years, we have adopted, subject to stockholder approval, the second amendment to the 2014 Stock Incentive Plan (the “2014 Plan”). The amendment increases the number of shares we are authorized to issue or award under the 2014 Plan by 3,500,000 shares of Common Stock, and increases the number of shares of Common Stock authorized to be delivered pursuant to restricted stock awards and restricted stock units by 1,100,000 shares. As of February 26, 2018 (the record date), after annual grants were made in the first quarter of 2018 and before the addition of new shares, we had 9,397 shares

remaining in the 2014 Stock Incentive Plan. With the addition of new shares we will have 3,509,397 shares in the plan for future grants. A copy of the Second Amendment is included as Exhibit A to this Proxy Statement. The board recommends that stockholders vote in favor of amending the 2014 Plan by approving the Second Amendment.

Background

In March 2014, the board adopted, and Company stockholders approved, the 2014 Plan, by which the Company provides incentives and stock-based awards for employees, officers, and directors to create stockholder value and promote the success of the Company. The 2014 Plan, prior to the adoption of the Second Amendment, permitted the issuance of (i) 2,720,327 shares, plus (ii) the sum of the number of shares subject to outstanding awards under the Company's 2005 Stock Plan (the "2005 Plan") on

the 2014 Plan's effective date that are subsequently forfeited or terminated for any reason before being exercised or settled, plus the number of shares subject to vesting restrictions under the 2005 Plan on the 2014 Plan's effective date that are subsequently forfeited, plus the number of reserved shares not issued or subject to outstanding grants under the 2005 Plan on the 2014 Plan's effective date, in an aggregate amount not to exceed 3,500,000 shares. Additionally, the 2014 Plan had the following limits: The maximum number of shares that were authorized to be delivered pursuant to options qualified as incentive stock options granted under the 2014 Plan was 3,500,000 shares. The maximum number of shares that were authorized to be delivered pursuant to restricted stock and restricted stock units awarded under the 2014 Plan was 1,000,000 shares. "Performance-Based Awards" that were granted to a participant in any calendar year period would not provide, in the aggregate, for payment of more than 500,000 shares (1,000,000 shares in the participant's first year of employment), and \$2,800,000 in cash.

General Description of Proposed Share Reserve Increase and Other Changes.

We are asking our stockholders to approve the Second Amendment to replenish the share reserve by 3,500,000 shares because the original 3,500,000 shares reserved by the First Amendment to the plan has been depleted over the past four years. The board approved the Second Amendment based, in part, on a belief that the number of shares currently available under the 2014 Plan does not give the Company sufficient authority and flexibility to adequately provide for future incentives for our continued growth and success.

In its determination to seek stockholder approval to increase the number of shares authorized under the 2014 Plan, the board and Compensation Committee reviewed an analysis of the historic equity issuance rates of the Company pursuant to the 2014 Plan, along with an assessment of the Company's anticipated future needs for equity grants over the next three years based on historic trends in annual equity incentive awards granted.

If Proposal 4 is adopted, 3,500,000 shares will be added to the 2014 Plan, creating a maximum of 7,000,000 shares of Common stock authorized under the 2014 Plan, of which, 3,509,397 will be available for future grants. In light of the factors above, the board believes this number represents reasonable potential equity dilution and provides a significant incentive for employees, officers, and directors to increase the value of the Company for all stockholders.

In addition, if Proposal 4 is adopted, the limit of shares delivered pursuant to restricted stock awards and restricted stock units will be increased by 1,100,000 to a maximum of 2,100,000 shares.

Summary Description of the 2014 Stock Incentive Plan

The principal terms of the 2014 Plan, as proposed to be amended by the Second Amendment are summarized below. The following summary is qualified in its entirety by the full text of the 2014 Plan and the first amendment, which are both filed as exhibits in our Form 8-K filed on May 9, 2014, and the Second Amendment which appears as Exhibit A to this Proxy Statement.

Administration. The board of directors has delegated general administrative authority for the 2014 Plan to the Compensation Committee of the board of directors. The Compensation Committee may delegate some or all of its authority with respect to the 2014 Plan to other persons, other than the authority to select eligible individuals for participation in and grant awards under the 2014 Plan with respect to eligible individuals who are subject to Section 16 of the Securities Exchange Act of 1934. The board of directors may also appoint another committee of directors to administer the 2014 Plan with respect to employees who are not subject to Section 16 of the Securities Exchange Act of 1934. (The appropriate acting body, be it the board of directors, a committee within its delegated authority, or an officer within his or her delegated authority, is referred to in this proposal as the "Administrator.") The Administrator has broad authority under the 2014 Plan with respect to award grants including, without limitation, the authority:

- to select participants and determine the type(s) of award(s) that they are to receive;
- to determine the number of shares that are to be subject to awards and the terms and conditions of awards, including the price (if any) to be paid for the shares or the award;
- to cancel, modify, or waive the Company's rights with respect to, or modify, discontinue, suspend, or terminate any or all outstanding awards, subject to any required consents;
- subject to the minimum vesting rules of the 2014 Plan described below, to accelerate the vesting or exercisability of any or all outstanding awards;

subject to the other provisions of the 2014 Plan, to make certain adjustments to an outstanding award and to authorize the conversion, succession or substitution of an award; and to allow the purchase price of an award or shares of Common Stock to be paid in the form of cash, check, or electronic funds transfer, by the delivery of already-owned shares of Common Stock or by a reduction of the number of shares

12

deliverable pursuant to the award, by notice and third party payment or cashless exercise on such terms as the Administrator may authorize, or any other form permitted by law.

No Repricing. In no case (except due to an adjustment to reflect a stock split or similar event or any repricing that may be approved by stockholders) will the Administrator (1) amend an outstanding stock option or stock appreciation right to reduce the exercise price of the award, (2) cancel, exchange, or surrender an outstanding stock option or stock appreciation right in exchange for cash or other awards for the purpose of repricing the award, or (3) cancel, exchange, or surrender an outstanding stock option or stock appreciation right in exchange for an option or stock appreciation right with an exercise that is less than the exercise or base price of the original award.

Eligibility. Persons eligible to receive awards under the 2014 Plan include officers or employees of the Company or any of its subsidiaries, directors of the Company, and certain consultants to the Company or any of its subsidiaries, as selected for participation in the 2014 Plan by the Administrator. Currently, approximately 2,500 officers and employees of the Company and its subsidiaries (including all of the Named Officers), and each of the six (6) non-employee directors, are considered eligible to receive awards under the 2014 Plan.

Authorized Shares; Limits on Awards. If our stockholders approve this proposal, the maximum number of shares of Common Stock that may be issued or transferred pursuant to awards under the 2014 Plan equals: (1) 6,220,327 shares plus (2) the number of any shares subject to awards granted under the 2005 Plan on the date the 2014 Plan is adopted that are subsequently forfeited or terminated for any reason before being exercised or settled, plus (3) the number of shares subject to vesting restrictions under the 2005 Plan that are subsequently forfeited, plus (4) the number of reserved shares not issued or subject to outstanding grants under the 2005 Plan on such date, in an aggregate amount not to exceed 7,000,000 shares. The maximum number of shares that may be delivered pursuant to restricted stock and restricted stock units awarded under the 2014 Plan is 2,100,000 shares. "Performance-Based Awards" granted to a participant in any calendar year period will not provide, in the aggregate, for payment of more than 500,000 shares (1,000,000 shares in the participant's first year of employment); and \$2,800,000 in cash.

Except as described in the next sentence, shares that are subject to or underlie awards that expire or for any reason are canceled or terminated, are forfeited, fail to vest, or for any other reason are not paid or delivered under the 2014 Plan will again be available for subsequent awards under the 2014 Plan. Shares that are exchanged by a participant or withheld by the Company to pay the exercise price of an award granted under the 2014 Plan, as well as any shares exchanged or withheld to satisfy the tax withholding obligations related to any award, will not be available for subsequent awards under the 2014 Plan. Only the number of shares (if any) actually issued in settlement of awards shall be counted against the share limits of the 2014 Plan. To the extent that an award is settled in cash or a form other than shares, the shares that would have been delivered had there been no such cash or other settlement will again be available for subsequent awards under the 2014 Plan. In the event that shares are delivered in respect of a dividend equivalent right, the actual number of shares delivered with respect to the award shall be counted against the share limits of the 2014 Plan. Awards granted under other plans or programs and settled in shares shall, when issued, also be counted against the share limits of the 2014 Plan. However, the 2014 Plan generally provides that shares issued in connection with awards that are granted by or become obligations of the Company through the assumption of awards (or in substitution for awards) in connection with an acquisition of another company will not count against the shares available for issuance under the 2014 Plan.

Types of Awards. The 2014 Plan authorizes stock options (non-qualified and incentive stock options), stock appreciation rights, restricted stock, restricted stock units, stock bonuses and other forms of awards granted or denominated in Common Stock or units of Common Stock, as well as cash bonus awards. The 2014 Plan retains flexibility to offer competitive incentives and to tailor benefits to specific needs and circumstances. Any award may be paid or settled in cash.

A stock option is the right to purchase shares of Common Stock at a future date at a specified price per share (the "exercise price"). The per share exercise price of an option generally may not be less than the fair market value of a share of Common Stock on the date of grant. The maximum term of an option is ten (10) years from the date of grant. Unless otherwise specified by the Administrator, a stock option award under the 2014 Plan will vest annually over a three (3)-year period from the date of grant. An option may either be an incentive stock option or a non-qualified stock

option. Incentive stock option benefits are taxed differently from non-qualified stock options, as described under “Federal Income Tax Consequences of Awards Under the 2014 Plan” below. Incentive stock options are also subject to more restrictive terms and are limited in amount by the U.S. Internal Revenue Code and the 2014 Plan. Incentive stock options may only be granted to employees of the Company or a subsidiary.

A stock appreciation right is the right to receive payment of an amount equal to the excess of the fair market value of the shares of Common Stock subject to the award on the date of exercise of the stock appreciation right over the base price of the stock appreciation right. The base price will be established by the Administrator at the time of grant of the stock appreciation right and generally may not be less than the fair market value of a share of Common Stock on the date of grant. Stock appreciation rights may be granted in connection with other awards or independently. The maximum term of a stock appreciation right is ten

(10) years from the date of grant. Unless otherwise specified by the Administrator, an award of stock appreciation rights under the 2014 Plan will vest annually over a three (3)-year period from the date of grant.

The other types of awards that may be granted under the 2014 Plan include, without limitation, restricted stock, performance stock, stock units, dividend equivalents, or similar rights to purchase or acquire shares, and cash awards. Unless otherwise specified by the Administrator, an award of restricted stock or restricted stock units under the 2014 Plan will vest annually over a three (3)-year period from the date of grant.

Non-Employee Director Automatic Grants. The 2014 Plan provides for the automatic grant of restricted stock to directors of the Company who are not employees of the Company (“non-employee directors”). On the date of each regular annual meeting of stockholders of the Company effective as of the 2014 annual meeting of stockholders, each non-employee director will receive an award of restricted stock for a number of shares of Common Stock having a fair market value of \$60,000. Subject to the non-employee director providing continuous service to the Company, the shares of Common Stock subject to the award will vest in full on the date that is 12 months after the date of the regular annual meeting of stockholders on which the award was granted. The board of directors or the Administrator may revise the terms of such future awards to non-employee directors, including the number of shares subject to the award and the type of award to be granted.

Performance-Based Awards. The Administrator may grant awards that are intended to be performance-based awards (“Performance-Based Awards”). Performance-Based Awards are in addition to any of the other types of awards that may be granted under the 2014 Plan (including options, stock appreciation rights and cash awards. Performance-Based Awards may be in the form of restricted stock, performance stock, stock units, other rights, or cash bonus opportunities.

The vesting or payment of Performance-Based Awards will depend on the absolute or relative performance of the Company on a consolidated, subsidiary, segment, division, or business unit basis. The Administrator will establish the criterion or criteria and target(s) on which performance will be measured while the attainment of the performance targets remains substantially uncertain. The criteria that the Administrator may use for this purpose will include one or more of the following: cash flow, earnings per share, earnings before interest, taxes and amortization, return on equity, total stockholder return, share price performance, return on capital, return on assets or net assets, revenue, income or net income, operating income or net operating income, operating profit or net operating profit, operating margin or profit margin, return on operating revenue, return on invested capital, market segment shares, costs, expenses, regulatory body approval for commercialization of a product, or implementation or completion of critical projects or any combination thereof. The performance measurement period with respect to an award may be annually or cumulatively over a period of years and may be measured on an absolute basis or relative to a pre-established target, to previous years’ results or to a designated comparison group or index. Performance targets will be adjusted to exclude the following: asset write-downs, litigation or claim judgments or settlements, the effect of changes in tax law, accounting principles or other such laws affecting reporting results, accruals for reorganization or restructuring programs, the unbudgeted impact of extraordinary nonrecurring gains and losses, accounting changes, the dilutive effects of acquisitions or joint ventures, the effect of any change in the outstanding shares of Common Stock by reason of a reorganization, stock split, spin off, merger or other corporate change, the effects of stock based compensation and the award of bonuses, costs in connection with potential acquisitions or divestitures that are required to be expenses under accounting principles, and to assume that any divested business of the Company achieved performance objectives at targeted levels for the remainder of the performance period following such divestiture, unless the Administrator provides otherwise at the time of establishing the targets.

Performance-Based Awards may be paid in stock or in cash (in either case, subject to the limits described under the heading “Authorized Shares; Limits on Awards” above). Before any Performance-Based Award is paid, the Administrator must certify that the performance target or targets have been satisfied. The Administrator has discretion to determine the performance target or targets and any other restrictions or other limitations of Performance-Based Awards and may reserve discretion to reduce payments below maximum award limits.

Dividend Equivalents. The Administrator may provide that restricted stock and stock units under the 2014 Plan earn dividends or dividend equivalents based on the amount of dividends paid on outstanding shares of Common Stock, provided that as to any dividend equivalent rights granted in connection with an award granted under the 2014 Plan

that is subject to performance-based vesting requirements, no dividend equivalent payment will be made unless the related performance-based vesting conditions of the award are satisfied (or, in the case of a restricted stock or similar award where the dividend must be paid as a matter of law, the dividend payment will be subject to forfeiture or repayment, as the case may be, if the related performance-based vesting conditions are not satisfied).

Assumption and Termination of Awards. Generally, and subject to limited exceptions set forth in the 2014 Plan, if the Company dissolves or undergoes certain corporate transactions such as a merger, business combination, or other reorganization, all awards then-outstanding under the 2014 Plan will become fully vested or paid, as applicable, and will terminate or be terminated

in such circumstances, unless the Administrator provides for the assumption, substitution or other continuation of the award. The Administrator also has the discretion to establish other change in control provisions with respect to awards granted under the 2014 Plan.

Transfer Restrictions. Awards under the 2014 Plan generally are not transferable by the recipient other than by will or the laws of descent and distribution and are generally exercisable, during the recipient's lifetime, only by the recipient. Any amounts payable or shares issuable pursuant to an award generally will be paid only to the recipient or the recipient's beneficiary or representative. The Administrator has discretion, however, to establish written conditions and procedures for the transfer of awards to other persons or entities, provided that such transfers comply with applicable federal and state securities laws and are not made for value (other than nominal consideration, settlement of marital property rights, or for interests in an entity in which more than 50% of the voting interests are held by the award recipient or by the recipient's family members).

Adjustments. As is customary in incentive plans of this nature, each share limit, the number of shares available under the 2014 Plan and any outstanding awards, as well as the exercise price of stock options and stock appreciation rights, and performance targets under certain types of Performance-Based Awards, are subject to adjustment in the event of a declaration of a dividend payable in shares, a declaration of a dividend payable in a form other than shares that has a material effect on the share price, certain combinations or consolidations of outstanding shares of Common Stock, or a recapitalization, spin-off or other similar occurrence.

No Limit on Other Authority. Except as expressly provided with respect to the termination of the authority to grant new awards under the 2005 Plan, the 2014 Plan does not limit the authority of the board or any committee to grant awards or authorize any other compensation, with or without reference to the Common Stock, under any other plan or authority.

Termination of or Changes to the 2014 Plan. The board may amend or terminate the 2014 Plan at any time and in any manner. Stockholder approval for an amendment will be required only to the extent then required by applicable law or any applicable listing agency or required under Sections 422 or 424 of the U.S. Internal Revenue Code to preserve the intended tax consequences of the 2014 Plan. For example, stockholder approval will be required for any amendment that proposes to increase the maximum number of shares that may be delivered with respect to awards granted under the 2014 Plan. (Adjustments as a result of stock splits or similar events will not, however, be considered an amendment requiring stockholder approval.) Unless terminated earlier by the board, the authority to grant new awards of incentive stock options under the 2014 Plan will terminate on March 13, 2024. Outstanding awards, as well as the Administrator's authority with respect thereto, generally will continue following the expiration or termination of the plan. Generally speaking, outstanding awards may be amended by the Administrator (except for a repricing), but the consent of the award holder is required if the amendment (or any plan amendment) materially and adversely affects the holder.

Federal Income Tax Consequences of Awards under the 2014 Plan

The U.S. federal income tax consequences of the 2014 Plan under current federal law, which is subject to change, are summarized in the following discussion of the general tax principles applicable to the 2014 Plan. This summary is not intended to be exhaustive and, among other considerations, does not describe the deferred compensation provisions of Section 409A of the U.S. Internal Revenue Code to the extent an award is subject to and does not satisfy those rules, nor does it describe state, local, or international tax consequences.

With respect to non-qualified stock options, the Company is generally entitled to deduct and the participant recognizes taxable income in an amount equal to the difference between the option exercise price and the fair market value of the shares at the time of exercise. With respect to incentive stock options, the Company is generally not entitled to a deduction nor does the participant recognize income at the time of exercise, although the participant may be subject to the U.S. federal alternative minimum tax.

The current federal income tax consequences of other awards authorized under the 2014 Plan generally follow certain basic patterns: nontransferable restricted stock subject to a substantial risk of forfeiture results in income recognition equal to the excess of the fair market value over the price paid (if any) only at the time the restrictions lapse (unless the recipient elects to accelerate recognition as of the date of grant); bonuses, stock appreciation rights, cash and stock-based performance awards, dividend equivalents, stock units, and other types of awards are generally subject to

tax at the time of payment. In each of the foregoing cases, the Company will generally have a corresponding deduction at the time the participant recognizes income.

If an award is accelerated under the 2014 Plan in connection with a “change in control” (as this term is used under the U.S. Internal Revenue Code), the Company may not be permitted to deduct the portion of the compensation attributable to the acceleration (“parachute payments”) if it exceeds certain threshold limits under the U.S. Internal Revenue Code (and certain related excise

taxes may be triggered). Furthermore, the aggregate compensation in excess of \$1,000,000 attributable to awards may not be permitted to be deducted by the Company in certain circumstances.

New Plan Benefits under the 2014 Stock Incentive Plan

Other than as described below, the Administrator has not made any determination with respect to future stock-based or cash-based awards under the 2014 Plan and, except for automatic grants to non-employee directors (as described above), awards and the terms of any awards under the 2014 Plan for the current year or any future year are not determinable. As described above, the 2014 Plan provides for the annual automatic grant of restricted stock to non-employee directors having a fair market value of \$60,000.

Existing Plan Benefits under the 2014 Stock Incentive Plan

The table below sets forth summary information concerning the number of shares of Common Stock that are subject to equity incentive awards granted to certain persons under the 2014 Plan as of December 31, 2017.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE “FOR” THE APPROVAL OF THE SECOND AMENDMENT TO THE ARC DOCUMENT SOLUTIONS, INC. 2014 STOCK INCENTIVE PLAN

CORPORATE GOVERNANCE PROFILE

We are committed to good corporate governance practices. As such, we have adopted corporate governance guidelines to enhance the effectiveness of our corporate governance practices. A copy of our Corporate Governance Guidelines can be accessed on our investor relations website, ir.e-arc.com, and selecting “Corporate Governance” from the navigation menu. You can request a printed copy of our Corporate Governance Guidelines, at no charge, by contacting Investor Relations at (925) 949-5100 or by sending a request by mail to 1981 N. Broadway, Suite 385, Walnut Creek, California 94596, Attention: David Stickney, Vice President Corporate Communications.

Our Corporate Governance Guidelines govern board member responsibilities, committees, compensation, access, education, management succession, and performance evaluation, among other things. The guidelines also set forth a non-exhaustive list of director qualification standards and the factors to be considered in making nominations to the board. While the selection of qualified directors is a complex, subjective process that requires consideration of many factors, our Corporate Governance Guidelines provide that the Nominating and Corporate Governance Committee will take into account the judgment, experience, skills and personal character of any candidate, as well as the overall needs of the board, in considering board candidates. Additional information on this process is set forth below in the section entitled “Director Qualifications.”

We have adopted a Code of Conduct applicable to all employees, officers and directors, including our President and Chief Executive Officer and our Chief Financial Officer, which meets the definition of a “code of ethics” set forth in Item 406 of Regulation S-K of the Securities Exchange Act of 1934 (“Exchange Act”). A copy of our Code of Conduct can be accessed on our investor relations website, ir.e-arc.com, and selecting “Corporate Governance” from the navigation menu. We will post any amendments to the Code of Conduct, and any waivers that are required to be disclosed by the rules of either the SEC or the NYSE, on our website.

Director Independence

Under our Corporate Governance Guidelines, independent directors must comprise a majority of our board. Our board has adopted independence requirements that reflect applicable NYSE rules and evaluates the independence of our directors annually, and at other appropriate times (e.g., in connection with a change in employment status) when a change in circumstances could potentially impact the independence of one or more directors.

In determining the independence of a director, the board considers whether a material relationship exists between the Company and each director, all relevant facts and circumstances, including:

- The nature of any relationships with the Company;
 - The significance of the relationship to the Company, the other organization and the individual director;
 - Whether or not the relationship is solely a business relationship in the ordinary course of the Company’s and the other organization’s businesses, and does not afford the director any special benefits;
 - Any commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships and such other criteria as the board may determine from time to time; and
- If a proposed director serves as an executive officer, director or trustee of a tax exempt organization, whether contributions from the Company, or any of its consolidated subsidiaries, to such tax exempt organization in any of the last three fiscal years are less than the greater of (i) \$1 million or (ii) 2% of the consolidated gross revenues of such tax exempt organization for its last completed fiscal year.

Pursuant to our Corporate Governance Guidelines, all members of the Audit Committee must also meet the following requirements:

Audit Committee members may not receive, directly or indirectly, any consulting, advisory or other compensatory fees from the Company or any of its subsidiaries (other than director fees paid for service on the Audit Committee, the board, or any other committee of the board).

No member of the Audit Committee may be an “affiliated person” (as defined under applicable SEC rules) of the Company or any of its subsidiaries.

After considering our Corporate Governance Guidelines and the NYSE independence standards, the board has determined that, in its judgment, all of our current directors are independent, except for Mr. Suriyakumar who is our President and Chief Executive Officer. The board also determined that all members of the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee are independent.

Director Qualifications

Our Nominating and Corporate Governance Committee is responsible for identifying qualified individuals who may become members of our board of directors and recommending to the board director nominees for our annual meetings of stockholders and nominees to fill any vacancies that may occur on the board. In the context of the selection process, the Nominating and Corporate Governance Committee takes into consideration those factors it considers appropriate to ensure an effective board of directors that is able to fulfill its oversight function for the Company and its

stockholders. While the Nominating and Corporate Governance Committee has not established an exhaustive list of specific minimum qualifications for board members, desired personal qualifications and attributes of directors include mature, practical and sound judgment; independence necessary to make an unbiased evaluation of management's performance and effectively carry out oversight responsibility; experience as a business leader; the ability to comprehend and analyze complex matters; strong personal and professional ethics and integrity; and a spirit of cooperation and collegiality that will enable our directors to interact effectively.

The board believes that each nominee named in this proxy statement possesses the characteristics described above. Our directors possess extensive leadership experience from various industry sectors, as well as experience on other boards of directors, which, collectively, provide an understanding of different business processes, challenges and strategies. The diverse background

and experiences of our directors (as described in the biographical information set forth under “Proposal 1 – Election of Directors”) complement one another and provide a solid leadership framework required for the board to exercise its oversight function.

Board Diversity

The Company strives for diversity among its board members, management and employees. In keeping with this strategy, the primary goal of board composition is to achieve a diverse and complementary set of background and experiences that will benefit the strategic direction of the Company. In considering director nominees, the Nominating and Corporate Governance Committee takes into consideration those factors it considers appropriate to address the needs and situation of the Company at the time. While the Nominating and Corporate Governance Committee does not have a formal policy regarding diversity, in practice, the Committee actively seeks candidates that offer diverse points of view about our business – including experience, gender, and race – and carefully considers the nominees’ differences in background, education and overall skill set in order to ensure complementary perspectives and areas of expertise. This approach is demonstrated by the fact that our board is currently comprised of directors with diverse professional experiences, including individuals from the construction industry, cloud-based technology businesses, financial and services sectors and the entertainment industry. The diverse backgrounds and experiences of our current directors are described in the biographical information included under “Proposal 1 – Election of Directors.”

Board Leadership Structure and Risk Oversight

Board Leadership Structure

Our board is currently comprised of six independent directors and one employee director. Mr. Suriyakumar has served as our President and Chief Executive Officer since 2007 and the chairman of our board of directors since 2008. We believe that our current board leadership structure is appropriate for the Company because it allows for common, strong leadership, with one individual having primary responsibility for both board-level and operational matters. This structure eliminates the potential for confusion, promotes efficiency and provides clear leadership for the Company, which is appropriate for our company which has widespread domestic and international operations.

Our board has designated Mr. McCluggage, one of our independent directors, to serve as lead independent director. The lead independent director chairs regularly-scheduled executive sessions of the independent directors without management present; serves as the primary point of contact between members of management and the board, which facilitates communications and promotes efficiency; and performs such other functions as the independent directors may designate from time to time.

Risk Oversight

Senior management is responsible for assessing and managing the Company’s exposure to risk on a day-to-day basis. Our board is responsible for general oversight of management in its assessment and management of day-to-day risks that affect the Company. The board fulfills its general risk oversight function periodically during board and board committee meetings. To supplement the board’s general risk oversight function, the Audit Committee monitors the Company’s financial statements and regularly reviews the Company’s major financial risk exposures (and the steps management has taken to mitigate such exposures) and the Company’s internal control over financial reporting. The Audit Committee also provides general oversight to the Company’s internal audit and compliance functions. The Compensation Committee monitors the design and implementation of the Company’s executive compensation program, as well as compensation matters relating to certain non-executive employees.

Director Attendance at Board and Committee Meetings

In 2017, no board member attended or participated in less than 75% of the aggregate of (i) the total number of board meetings (held during the period for which such person has been a director) and (ii) the total number of meetings held by all board committees on which such person served (during the periods that such person served).

Board Meetings

Our board of directors held four meetings in 2017.

Board Committees

Our board has the following committees: Audit Committee; Compensation Committee; and Nominating and Corporate Governance Committee. Committee memberships are as follows:

		Nominating and Corporate Governance Committee
Audit Committee	Compensation Committee	
Mark W. Mealy (Chairman)	James F. McNulty (Chairman)	Dewitt Kerry McCluggage (Chairman)
Thomas J. Formolo	Thomas J. Formolo	John G. Freeland
John G. Freeland	Dewitt Kerry McCluggage	James F. McNulty
Manuel J. Perez de la Mesa	Manuel J. Perez de la Mesa	Mark W. Mealy

Each of our committees is governed by a charter. The charters for our committees may be found in the Corporate Governance section on our investor relations website, ir.e-arc.com, and are available, at no cost, to any stockholder who requests them by contacting Investor Relations at (925) 949-5100 or by sending a request by mail to 1981 N. Broadway, Suite 385, Walnut Creek, California 94596, Attention: David Stickney, Vice President Corporate Communications.

Audit Committee

The functions of our Audit Committee are described in the Audit Committee Charter and include, among other things, the following: (i) reviewing the adequacy of our internal accounting controls; (ii) reviewing the results of the independent registered public accounting firm’s annual audit, including any significant adjustments, management judgments and estimates, new accounting policies and disagreements with management; (iii) reviewing our audited financial statements and discussing the statements with management; (iv) reviewing disclosures by our independent registered public accounting firm concerning relationships with the Company and the performance of our independent registered public accounting firm and annually recommending the independent registered public accounting firm; and (v) preparing such reports or statements as may be required by securities laws. The Audit Committee Charter provides that the Audit Committee shall meet as often as it determines advisable but no less frequently than quarterly.

Our board of directors has determined that all members of our Audit Committee meet the applicable tests for independence and the requirements for financial literacy that are applicable to audit committee members under the rules and regulations of the SEC and NYSE. Our board of directors also has determined that all members of our Audit Committee are “audit committee financial experts” as defined by the applicable rules of the SEC and NYSE.

The Audit Committee held five meetings in 2017.

Compensation Committee

The functions of the Compensation Committee are described in the Compensation Committee Charter and include, among other things, evaluating and approving director and officer compensation, benefit and perquisite plans, and compensation policies and programs. The Committee may form and delegate authority to subcommittees when appropriate. Members of a subcommittee may include directors of the Company, employees of the Company, consultants or any other parties as determined by the Committee in its sole discretion.

The board has determined that all of the members of its Compensation Committee meet the definition of independent director as established by the NYSE for compensation committees.

The Compensation Committee held two meetings in 2017.

Nominating and Corporate Governance Committee

The functions of the Nominating and Corporate Governance Committee are described in the Nominating and Corporate Governance Committee Charter and include, among other things, identifying individuals qualified to become members of the board, selecting or recommending to the board the nominees to stand for election as directors, developing and recommending to the board a set of corporate governance principles, and overseeing the evaluation of the board.

The board has determined that all of the members of its Nominating and Corporate Governance Committee meet the definition of independent director as established by the NYSE.

The Nominating and Corporate Governance Committee held four meetings in 2017.

Six of the seven nominees listed under “Proposal 1 – Election of Directors” are directors standing for re-election. One, Mr. Brooks, is nominated to the board for the first time.

Stockholder Recommendations of Director Nominees

Our stockholders may recommend director nominees, and the Nominating and Corporate Governance Committee will consider nominees recommended by stockholders. We have not received any recommendations from our stockholders requesting that the board or any of its committees consider a nominee for inclusion in the board’s slate of nominees presented in this proxy statement for our 2018 annual meeting. A stockholder wishing to submit a director nominee recommendation for future annual meetings of stockholders must comply with the applicable provisions of our Second Amended and Restated Bylaws, as described under the heading “Stockholder Proposals for the 2018 Annual Meeting.” Nominees recommended by stockholders will be evaluated in the same manner as nominees recommended by the board and the Nominating and Corporate Governance Committee will consider all relevant qualifications, as well as the needs of the Company, in order to comply with NYSE and SEC rules.

Stockholder Communications with Directors

Stockholders seeking to communicate with the board should send correspondence to the attention of our corporate secretary at ARC Document Solutions, Inc., 1981 N. Broadway, Suite 385, Walnut Creek, California 94596. The corporate secretary will forward all such communications (excluding routine advertisements and business solicitations and other communications described below) to each member of the board, or if applicable, to the individual director(s) named in the correspondence.

ARC reserves the right to screen materials sent to its directors for potential security risks and/or harassment purposes, and ARC also reserves the right to verify ownership status before forwarding stockholder communications to the board and/or individual directors.

The corporate secretary will determine the appropriate timing for forwarding stockholder communications to the directors. The corporate secretary will consider each communication to determine whether it should be forwarded promptly or compiled and sent with other communications and other board materials in advance of the next scheduled board meeting.

If a stockholder or other interested person seeks to communicate exclusively with the non-employee directors, such communication should be sent directly to the corporate secretary who will forward any such communication directly to the Chairman of the Nominating and Corporate Governance Committee. The corporate secretary will first consult with and receive the approval of the Chairman of the Nominating and Corporate Governance Committee before disclosing or otherwise discussing the communication with members of management or directors who are members of management.

DIRECTOR COMPENSATION

Cash Compensation

We pay an annual cash fee of \$50,000 to each of our non-employee directors, payable quarterly. In addition, non-employee directors receive \$5,000 cash per year for duties as chairman of any board committee.

Equity Compensation

In addition to cash fees, we grant each non-employee director a restricted stock award under our stock incentive plan for that number of shares of our common stock having an aggregate grant date value equal to \$60,000, based on the closing price of our common stock on the NYSE on the date of grant. Grants of restricted stock to our non-employee directors are made automatically each year on the date of our annual meeting, without any further action of our board of directors, and are intended to compensate each non-employee director for his or her service over the coming year. Each restricted stock award granted to our non-employee directors during each fiscal year vests 100% on the one-year anniversary of the grant date.

Reimbursements

We reimburse our employee and non-employee directors for reasonable travel expenses relating to attendance at board meetings and participating in director continuing education.

The following table summarizes compensation earned by our non-employee directors during fiscal year 2017. Mr. Suriyakumar, the Chairman of our board of directors, and our President and Chief Executive Officer, does not receive compensation for serving on our board of directors.

- (4) Includes cash compensation of \$5,000 for serving as Chairman of the Compensation Committee for 2017.
- (5) Includes cash compensation of \$2,500 for Mr. Mealy and Mr. Scocimara for serving as Chairman of the Audit Committee for a portion of 2017.

EXECUTIVE OFFICERS

Our executive officers are appointed by our board of directors and serve at the discretion of our board of directors. The names, ages and positions of all of our executive officers as of February 26, 2018, are listed below:

Executive	Age	Position
Kumarakulasingam Suriyakumar	64	Chairman, President and Chief Executive Officer
Dilantha Wijesuriya	56	Chief Operating Officer

Rahul K. Roy	58	Chief Technology Officer
Jorge Avalos	42	Chief Financial Officer

The following is a brief description of the business experience of each of our executive officers and their other affiliations. Biographical information for Mr. Suriyakumar is provided above under “Proposal 1 – Election of Directors.”

Dilantha Wijesuriya joined Ford Graphics, a former division of the Company, in January 1991. He subsequently became president of that division in 2001, and became a Company regional operations head in 2004, which position he retained until his

appointment as the Company's Senior Vice President, National Operations, in August 2008. Mr. Wijesuriya was appointed Chief Operating Officer of the Company on February 25, 2011. Prior to his employment with the Company, Mr. Wijesuriya was a divisional manager with Aitken Spence & Co. LTD, a highly diversified conglomerate and one of the five largest corporations in Sri Lanka.

Rahul K. Roy joined Holdings as its Chief Technology Officer in September 2000. Prior to joining the Company, Mr. Roy was the founder, President and Chief Executive Officer of MirrorPlus Technologies, Inc., which developed software for the reprographics industry, from August 1993 until it was acquired by the Company in 1999. Mr. Roy also served as the Chief Operating Officer of InPrint, a provider of printing, software, duplication, packaging, assembly and distribution services to technology companies, from 1993 until it was acquired by the Company in 1999.

Jorge Avalos was appointed Chief Financial Officer of ARC Document Solutions in January of 2015. From 2011 to his appointment as CFO, Mr. Avalos was Chief Accounting Officer and Vice President Finance of ARC. Mr. Avalos joined the Company in June 2006 as the Company's Director of Finance and became the Company's Corporate Controller in December 2006, and Vice President, Corporate Controller in December 2010. Prior to joining the Company Mr. Avalos was employed with Vendare Media Group, an online network and social media company, as its controller. From September 1998 through March 2005, Mr. Avalos was employed in a variety of audit and management roles with PricewaterhouseCoopers LLP.

AUDIT COMMITTEE REPORT

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the year ended December 31, 2017. The information contained in this report shall not be deemed "soliciting material" or otherwise considered "filed" with the SEC, and such information shall not be incorporated by reference into any future filing under the Securities Act or the Exchange Act except to the extent that the Company specifically incorporates such information by reference in such filing.

All of the members of the Audit Committee are independent directors as required by the rules of the NYSE. The Audit Committee operates pursuant to a written charter adopted by the board.

The Audit Committee is responsible for overseeing the Company's financial reporting process on behalf of the board. Management of the Company has the primary responsibility for the Company's financial reporting process, including the system of internal controls over financial reporting. The Company's independent registered public accounting firm is responsible for performing an audit of the Company's consolidated financial statements and expressing an opinion as to the conformity of such financial statements with accounting principles generally accepted in the United States. The Audit Committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of the Company's financial statements.

In performing its responsibilities, the Committee has reviewed and discussed with management and the independent auditors the audited consolidated financial statements in ARC's Annual Report on Form 10-K for the year ended December 31, 2017. The Committee has also discussed with the independent auditors matters required to be discussed by standards of the Public Company Accounting Oversight Board ("PCAOB").

The Committee received written disclosures and the letter from the independent auditors pursuant to the applicable requirements of the PCAOB regarding the independent auditors' communications with the Committee concerning independence, and the Committee discussed with the auditors their independence.

Based on the review and discussions described above, the Audit Committee has recommended to the board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2017, for filing with the SEC.

BENEFICIAL OWNERSHIP OF VOTING SECURITIES

The following table sets forth information, as of February 26, 2018, regarding the beneficial ownership of our common stock by:

- each person who is known to us to own beneficially more than 5% of our common stock;
- each of our directors, nominees and each of our executive officers named in the Summary Compensation Table; and
- all directors, nominees and named executive officers as a group.

The table includes all shares of common stock issuable within 60 days of February 26, 2018, upon the exercise of options or other rights beneficially owned by the indicated stockholders on that date. Beneficial ownership is determined in accordance with the rules of the SEC and includes voting and investment power with respect to shares. The applicable percentage of ownership for each stockholder is based on 45,238,690 shares of common stock outstanding as of February 26, 2018. Shares of common stock issuable upon exercise of options and other rights beneficially owned, to the extent exercisable within sixty days of February 26, 2018, were deemed outstanding for the purpose of computing the percentage ownership of the person holding these options and other rights, but are not deemed outstanding for computing the percentage ownership of any other person. The information on beneficial ownership in the table and footnotes below is based upon our records, the most recently-filed Schedules 13D or 13G and information supplied to us. To our knowledge, except under applicable community property laws or as otherwise indicated in the footnotes to this table, beneficial ownership is direct and the persons named in the table below have sole voting and sole investment control regarding all shares beneficially owned.

COMPENSATION DISCUSSION AND ANALYSIS

OUR COMPENSATION GOVERNANCE PRACTICES

We reward outstanding performance that meets our stated performance objectives

We don't pay performance-based awards for unmet performance objectives

We don't guarantee minimum performance-based awards

Our incentive plans are clear and based on metrics that are transparent and formulas that are clearly disclosed and well understood

We cap payouts under our incentive plans to discourage excessive risk taking by our NEOs and to reduce windfall benefits in volatile markets

Our compensation plans contain claw-back provisions

We have double-trigger change in control provisions

We have policies against hedging or pledging of our stock

Our Compensation Committee periodically retains an independent compensation consultant

We work with a representative and relevant peer group

We hold an annual advisory vote on executive compensation

We solicit the feedback of our shareholders on our governance and compensation practices

We have stock ownership guidelines for our Directors and Named Executive Officers

This compensation discussion and analysis describes the material elements of the Company's executive compensation program for each of the executives who served as our named executive officers ("NEOs") during fiscal year 2017. For fiscal year 2017, our NEOs included the following officers:

✶Kumarakulasingham Suriyakumar, Chairman, President, Chief Executive Officer, Director

✶Dilantha Wijesuriya, Chief Operating Officer

✶Rahul K. Roy, Chief Technology Officer

✶Jorge Avalos, Chief Financial Officer

The Compensation Committee of the board of directors determined the compensation of the NEOs, as described below.

Executive Summary

Our Compensation Committee intends that our executive compensation program be appropriately aligned with the market, reflect our performance over time, and align the interests of our NEOs with those of our stockholders.

The Compensation Committee has also taken note of management's progress in transforming ARC to a digitally-enabled document solutions company serving the broader construction industry. In evaluating such progress, the Compensation Committee took into consideration the particular economic and industry conditions that challenged the Company especially in regard to the declining use of printing within the construction industry, and the substantive impact of technology on our primary end-market.

The Company is aggressively pursuing a return to growth via a strategy that requires the protection of print revenues and the growth of sales in new technology solutions. In 2017, ARC offered a more competitive print product mix thanks to refreshed fleet of production equipment, and deployed a reconfigured sales force to take its new technology solutions to market. By the end of the fourth quarter in 2017, management began to see incremental progress toward the Company's objectives.

Cash flows remained strong throughout 2017 despite our investments in new print technology, new marketing initiatives, and continuing sales force development. We leveraged our cash performance to buy back stock, and we remained aggressive in paying our debt down to strengthen our capital structure. Revenue declines began to moderate in ARC's print-related services toward the end of the year, and our pipeline for new sales opportunities in technology was robust. Sales and adjusted EBITDA declined for 2017, as we were challenged by the disruptive effects of our continuing transition.

For a calculation of adjusted EBITDA please refer to pages 29-30 in Item 7 of our 2017 Annual Report on Form 10-K. EBITDA means earnings before interest, taxes, depreciation and amortization. Adjusted EBITDA excludes loss on extinguishment and

modification of debt, goodwill impairment, restructuring expense, and stock-based compensation expense. The adjustment of EBITDA for these items is consistent with the definition of adjusted EBITDA in our credit agreement; therefore, we believe this information is useful to investors in assessing our financial performance.

2017 Response to “Say-on-Pay” Vote: We received a 97% favorable vote from investors during our 2017 proxy season with regard to our advisory, non-binding proposal on executive compensation (“Say-on-Pay”).

Similar to previous annual plans, the award criteria for fiscal year 2017 includes Company performance in revenue generation, gross margin, and adjusted earnings per share (“EPS”). A fourth opportunity for a bonus exists for each non-CEO executive in the achievement of individually determined performance objectives.

As a result of performance below target in 2017, our CEO received no bonus, and our non-CEO NEOs received reduced bonuses. (See “Annual Awards” below.)

The following sections of this proxy statement discuss and analyze the compensation awarded to, earned by, or paid to the executive officers set forth in the Fiscal 2017 Summary Compensation Table of this proxy statement. It also discusses the principles underlying our policies and decisions.

Compensation Committee and the Compensation Decision-Making Process

The Compensation Committee approves annual compensation levels and equity awards to all of our executive officers.

ARC’s Compensation Committee annually reviews a market analysis of executive compensation plans of peer public business services companies in similar industries and with similar financial metrics, such as revenue and market capitalization. The Committee considers the total compensation for our executive officers relative to similarly situated executives of the companies in the compensation peer group. The companies comprising the 2017 Compensation Peer Group were as follows:

Barrett Business Services	CRA International	Kimball International
Blucora, Inc.	Ennis, Inc.	McGrath Rentcorp
Casella Waste Management, Inc.	Heritage-Crystal Clean, Inc.	Perficient
CECO Environmental Corp.	Hill International	Resources Connection
Computer Task Group	Intersections, Inc.	

The total compensation of our CEO and the other NEOs relative to their peer group median, by rank, is shown in the table below.

Executive or Group	Peer Group Median Compensation	ARC Compensation	Percentage of Peer Group Median
All NEOs	\$4,493,058	\$3,540,320	79%
Non-CEO NEOs (2nd thru 4th highest paid)	\$2,396,702	\$2,432,320	101%
CEO	\$2,096,356	\$1,108,000	53%

Based on the market analysis and a performance review of the CEO, the Compensation Committee makes a recommendation to the board of directors on the CEO’s base salary and annual cash incentive opportunity. The CEO makes a recommendation to the Committee for the base salaries and annual cash incentive targets for the other NEOs based on the needs and operating objectives of the Company. The Compensation Committee and board, in executive session excluding the CEO, determine the CEO’s total compensation program and approve the design and programs of

the other NEOs.

At various meetings held during 2017, usually conducted in executive session, the board reviews the progress against each of the executive officers' annual bonus targets, and in February 2018 the board of directors, reviewed and approved the NEOs annual bonus that had been realized for 2017.

Executive Compensation Philosophy

Our executive compensation program is designed to attract and retain executive management talent, and provide rewards to our NEOs for achieving company-wide and functional performance that benefit our employees, customers, and stockholders.

26

ARC's program provides our executive officers with rewards for increasing revenues, improving gross margins, and increasing adjusted EBITDA and adjusted earnings per share, while at the same time providing a clear framework for measuring and rewarding their performance. Despite the continuing challenges of transforming the Company, the focus of our compensation program remains on generating year-over-year improvement in the Company's key performance metrics. The Compensation Committee continues to review best practices and make changes to our program when warranted.

We believe the alignment between stockholder interest and executive interest is best achieved by maintaining an appropriate balance of base salaries, performance-based awards, and equity grants to foster a company ownership mentality in our executives. This means that a material portion of executive compensation is variable and tied to the Company's and individual performance.

A significant portion of our annual performance-based compensation is designed in such a way that no annual bonus can be earned without exceeding a measurable threshold in the Company's revenue, gross margin and adjusted earnings per share for our non-CEO NEOs, or measurable annual growth in adjusted EBITDA for our CEO. This practice resulted in no bonus award for our CEO, and reduced bonuses for our other NEOs in 2017.

As a technology-enabled document solutions enterprise, we not only contend with the highly competitive talent market in San Francisco and the Silicon Valley, but we also compete with large, well-funded printing and imaging equipment manufacturers and highly attractive technology companies nationwide to attract and retain executive talent.

Elements of Executive Compensation

The table below summarizes the key fiscal 2017 compensation program elements for our named executive officers:

Element	Form of Compensation	Purpose
Base Salary	Cash	Provides competitive, fixed compensation to attract and retain executive management talent
Annual Bonus	Cash	Provides a variable financial reward for achieving short-term corporate and individual operating goals and improvements in Company financial measurements
Equity Grants	Non-Qualified Stock Options and Restricted Stock	Encourages NEOs to build and maintain a prescribed minimum long-term equity ownership position in ARC to align their interests with our stockholders
Change of Control and Severance Agreements	Employment Agreement	Provides reasonable employment security and certainty in the event of a termination due to a change of company control
Optional Participation in our Employee Stock Purchase Plan	Eligibility to participate and purchase stock at a discounted purchase price	Provides broad-based employee benefit available to all ARC employees
Health, Retirement and Other Benefits	Eligibility to participate in benefit plans generally available to all our employees, including health, life insurance, and disability plans, and certain perquisites	Benefit plans are part of a broad-based employee benefits program; perquisites provide competitive benefits to our NEOs

We believe that each element of our compensation program plays a substantial role in maximizing long-term value for our stockholders and employees because of the significant emphasis on pay-for-performance principles. In the aggregate, more than 50% of our NEOs' total available compensation is based on ARC's results and the attainment of individual goals. As a result, the Compensation Committee intends for ARC's performance to have a significant effect on the amount of compensation realized by the executive officers.

Each of these elements of pay is described and analyzed in more detail below.

Compensation Objectives

The objectives of our executive compensation program are (i) to link executive compensation to continuous improvement in overall Company and individual performance and an increase in stockholder value and (ii) to attract and retain executive management talent. Our executive compensation program goals include the following:

To establish compensation levels based on competitive market conditions that attract and retain candidates for executive positions as necessary and that encourage performance that benefits our employees, customers, and stockholders;

To foster and “ownership mentality” and align the interests of our executive officers with those of our stockholders through long-term equity awards;

To recognize and reward superior performance; and

To protect and preserve the domain expertise and customer relationships possessed by our key executives.

Ultimately, the objective of our compensation program is to both attract and retain senior executives capable of delivering long-term value to our stockholders and employees, otherwise expressed as “pay for performance.” Our compensation policies must also be flexible and scalable enough to offer appropriate base compensation and bonus awards to executives tasked to address value creation in the midst of an architectural, engineering and construction (“AEC”) industry that has been fundamentally transformed from a document management perspective.

How Pay Was Tied to the Company’s Performance in Fiscal Year 2017

During fiscal year 2017 we demonstrated the pay-for-performance basis of our compensation policy.

Consistent with the Company’s pay-for-performance philosophy and defined objective standards of performance, the threshold for eligibility of the CEO’s annual bonus was not met and he did not receive a bonus for 2017. (See “Recent Key Compensation Program and Other Related Changes” on page 35 for information regarding 2018 changes to the CEO’s salary and annual bonus.)

The Company’s annual revenue, gross margin, and adjusted annual earnings per share performance did not exceed the threshold amount for other NEOs to become eligible for annual incentive bonus awards for these goals, whereas the thresholds for individual goals were achieved. Based only on the goals achieved, reduced annual bonuses were awarded.

Base Salary

Base salaries for our executive officers are generally established based on the scope of their respective responsibilities, taking into account competitive market compensation paid by similar companies (as represented by the peer group analysis directed by the Compensation Committee) for similar positions in the San Francisco Bay Area and Silicon Valley, as well as for any circumstances unique to the Company.

The Compensation Committee reviews the CEO’s salary every three years and reviews the non-CEO named executive officers’ salaries annually as part of its overall competitive market assessment and may make adjustments based on performance, experience, individual role, and positioning relative to market.

Base salaries provide executive officers with a reasonable and secure standard of living based on the executive officer’s position within the organization and geographical location. The CEO’s salary was set in accordance with his three-year amended employment agreement effective in 2014, which was extended for one year in 2017. The Compensation Committee makes use of “at-will” employment agreements with all non-CEO NEOs, and conducts

annual reviews of such executives' base salaries.

In setting the base salaries for our non-CEO NEOs, the Compensation Committee also considers the recommendations of the CEO based upon his annual review of their performance. Although the Compensation Committee takes into account the factors and information described above during its review and determination of the base salary for each executive officer, it uses its collective judgment taking into account all available information, including the competitive market assessment.

President and Chief Executive Officer

Under Mr. Suriyakumar's February 2014 amended and restated three-year employment agreement, which was extended for one year in 2017, his base salary was maintained at \$950,000 per year for 2017. In maintaining his annual base salary, the Compensation Committee deemed his salary as appropriate to his position and took under consideration that (i) Mr. Suriyakumar's base salary had been subject to temporary reductions previously, (ii) his continuing leadership and stewardship of the Company,

and (iii) as a founder of the Company he maintains a significant equity interest relative to most CEO's such that compensation in the form of additional equity grants is not as pertinent. (See "Recent Key Compensation Program and Other Related Changes" on page 35 for information regarding 2018 changes to the CEO's salary and annual bonus.)

Chief Technology Officer

Under Mr. Roy's June 2015 amended and restated employment agreement, his base salary was maintained at \$675,000 per year.

Chief Operating Officer

Under Mr. Wijesuriya's June 2015 amended and restated employment agreement, his base salary was maintained at \$370,000 per year.

Chief Financial Officer

Under Mr. Avalos' June 2015 amended and restated employment agreement, his base salary was maintained at \$310,000.

Annual Awards

We utilize annual bonuses to focus management behavior on improved short-term financial performance and the achievement of specific annual objectives. Our annual bonuses, as opposed to our equity grants described below, are designed to reward our executive officers for their collective and individual performance during the most recent fiscal year. We believe that the immediacy of these annual bonuses, in contrast to equity grants vesting over a longer time period, provides a more direct reward to our executive officers to drive the Company's near-term financial performance and meet their respective individual objectives. We intend for our annual bonuses to be an important factor for our executive officers, and we thus apportion a substantial percentage of their total annual compensation to these bonuses.

At the first board meeting of each new calendar year, typically held in late February or early March, the Compensation Committee reviews the Company's performance for the previous fiscal year and compares it to the associated performance targets set by the Compensation Committee the year before.

President and Chief Executive Officer

Mr. Suriyakumar's bonus structure for 2017 was based on year-over-year adjusted EBITDA growth: the greater the year-over-year adjusted EBITDA growth, the greater the CEO's participation in that growth.

Under his 2014 amended and restated employment agreement, Mr. Suriyakumar was eligible to receive a bonus in an amount equal to the dollar value resulting from the product of (a) the year-over-year dollar increase in adjusted EBITDA, and (b) the applicable "Participation Percentage" as shown in the table below:

Year-over-Year Increase in Adjusted EBITDA (%) ("Percentage Increase")	Participation Percentage (% of Adjusted EBITDA Increase)
Less than 2.5%	—%
2.5 – 4.9%	20%
5.0 – 7.4%	30%
7.5% – 9.9%	40%

10.0% or greater

50%

No bonus would be awarded if the percentage increase were less than 2.5%, and no annual bonus would be awarded in excess of \$4 million. Mr. Suriyakumar's employment agreement stipulated that the bonus is payable in cash or shares of ARC common stock, or a mix of cash and shares, at Mr. Suriyakumar's discretion. Any such shares associated with the annual grant would vest at the rate of 25% each year on the first four anniversaries of the date of grant. The Compensation Committee approves the amount of the cash bonus as well as the equity component of the bonus.

Since the year-over-year adjusted EBITDA growth percentage was less than 2.5% in 2017, Mr. Suriyakumar was not eligible for an annual bonus. (See “Recent Key Compensation Program and Other Related Changes” on page 35 for information regarding 2018 changes to the CEO’s salary and annual bonus.)

Other Executive Officers

In February 2017, the Compensation Committee determined that the NEOs (other than the President and Chief Executive Officer) would be eligible for annual bonuses based upon pre-determined corporate goals, and it set the goals for their 2017 annual compensation.

Under the 2017 program, non-CEO NEOs have specific award opportunities related to four performance metrics, three of which are based on company performance, and one of which is based on individual or functional performance. The following table presents each named executive officer’s target and maximum bonus opportunity fiscal 2016:

Executive	FY17 Target% of Base Salary	FY17 Target in Dollars	FY17 Maximum Dollars per Plan
Rahul K. Roy	80%	\$540,000	\$675,000
Dilantha Wijesuriya	100%	\$370,000	\$508,750
Jorge Avalos	80%	\$248,000	\$341,000

In fiscal year 2017, the award opportunities for each of our non-CEO NEOs included Company performance in revenue generation, gross margin, and adjusted earnings per share. A fourth opportunity existed for each NEO in the achievement of individually determined performance objectives. The portions of each bonus assigned to each target are set forth in the table below.

Executive	Annual Revenue	Annual Gross Margin	Annual Adjusted EPS	Individual Objectives
Rahul K. Roy	25%	—%	25%	50%
Dilantha Wijesuriya	25%	25%	25%	25%
Jorge Avalos	25%	25%	25%	25%

We chose the aforementioned performance metrics because:

Revenue, gross margin, and adjusted EPS measures correlate strongly to stockholder value creation for ARC; are transparent to investors and are included in our quarterly earnings releases; these measures also balance growth, efficiency, and profitability;

Revenue and adjusted EPS performance targets are established based on a range of inputs, including external market economic conditions, growth outlooks for our product and service portfolio, the competitive environment, our internal budgets, and market expectations; and

Individual performance goals align with our operational and strategic objectives, and provide opportunities for achievement within the scope of our executives’ responsibilities.

For a calculation of adjusted EPS please refer to page 29 in Item 7 of our 2017 Annual Report on Form 10-K. Adjusted EPS means earnings per share excluding loss on extinguishment and modification of debt, goodwill impairment, restructuring expense, the impact of new tax legislation, and changes in the valuation allowances related to certain deferred tax assets and other discrete tax items. This presentation facilitates a meaningful comparison of our operating results for the years ended December 31, 2017, 2016 and 2015. We believe these charges were the result of the then current macroeconomic environment, our capital restructuring, or other items which are not indicative of our actual operating performance.

For the revenue performance portion of the 2017 program, no bonus was awarded if fiscal year 2017 revenue was at or below \$400 million. Payouts in increments of 10% of the target bonus amount are achieved for every \$900,000 of revenue above \$400 million, and reach 100% of the target bonus amount if the fiscal year 2017 revenue reaches \$409 million. Payouts in increments of 2.5% of the target bonus amount are achieved for every \$650,000 above \$409 million and are capped at 150% of the target bonus amount, or \$422 million in annual revenue. A similar logic and identical increments are applied to each of the other Company performance goals, substituting the gross margin percentage or adjusted EPS figure as appropriate. For the individual performance metric, the payout ranges from 0% to 100% of the target objective. While the payout for each individual performance goal can

exceed 100% of its target – thus allowing for excellent performance in one area to partially offset poor performance in another – the aggregate amount for all four targets cannot exceed the maximum bonus payout stipulated in our executive employment agreements.

The following table summarizes the foregoing description of low, target and maximum performance levels and the relative payout at each level for each of the Company’s performance objectives:

Description	Low	Target	Max
% of Base Target Bonus Amount	—%	100%	150%
Annual Revenue	\$400 million	\$409 million	\$422 million
Annual Gross Margin	32.3%	32.8%	33.3%
Adjusted EPS	\$0.24	\$0.28	\$0.32

Individual performance goals are proposed to the Compensation Committee annually by our President and Chief Executive Officer, and the Compensation Committee reviews and refines the objectives. The Compensation Committee also evaluates actual performance of these executive officers with the President and Chief Executive Officer periodically throughout the year. After fiscal year end, the Compensation Committee conducts a final review with our President and Chief Executive Officer of the performance of each of these executive officers and approves the annual bonuses payable to them.

Separate and apart from an annual bonus, the Compensation Committee may grant a discretionary bonus related to an objective or otherwise based on an individual’s exceptional performance, taking into account the recommendations made by the CEO.

Achievement of Fiscal Year 2017 Performance Metrics

In determining the degree of achievement in each of our performance metrics for fiscal 2017, the Compensation Committee took into account the relative success in meeting the quantitative performance measures, as well as the quantifiable and subjective elements assigned to each executive’s individual objectives.

For fiscal 2017, our revenue target was \$409 million, our gross margin target was 32.8%, and our adjusted EPS target was \$0.28. The Compensation Committee determined that we did not achieve the low end of our target for revenue, adjusted EPS, or gross margin, and thus no portion of the bonuses were awarded for these targets. The targets for individual performance objectives were achieved and bonuses were awarded to our non-CEO NEOs based on these achievements.

Executive	2017 Actual Bonus Paid
Rahul K. Roy	\$270,000
Dilantha Wijesuriya	\$92,500
Jorge Avalos	\$62,000

The individual performance achievement payout potential for Messrs. Roy, Wijesuriya, and Avalos is set forth in the table below. In rating individual executive performance, the Compensation Committee gives weight to the recommendations of our CEO, but final decisions about the compensation of our named executive officers are made solely by the Compensation Committee.

Executive	Individual Performance Objective
Rahul K. Roy	Technology system improvements, platform advances, and application enhancements

Dilantha Wijesuriya	Implementation of operational workflow improvements, increases in profitability for international division, implementation of marketing initiatives for traditional business
Jorge Avalos	Reporting systems implementation, cash management improvements, and further development of human resources and recruiting programs

Equity Grants

We believe that equity grants provide our executive officers, non-executive officers and other management-level employees with a strong link to our long-term performance, create an ownership culture and closely align the interests of these employees with the interests of our stockholders. The purpose of equity grants is to encourage a long-term view of the Company's success and to reward achievements with respect to the Company's strategic goals and financial performance priorities, as well as individual

performance. Grants are made at the Compensation Committee’s discretion and are generally made once per year at fair market value at a Compensation Committee meeting during the first half of the fiscal year. The Compensation Committee retains the right to make grants at other meetings, e.g., for newly hired executives.

Our executive officers are eligible to receive stock options pursuant to our 2014 Plan. In 2017, in recognition of the Company’s new Stock Ownership Guidelines, the board, upon the recommendation of the Compensation Committee, elected to grant restricted stock awards to our non-CEO NEOs in lieu of stock options. Separately in 2017, pursuant to Mr. Wijesuriya’s employment agreement, the Compensation Committee made the following non-qualified stock option grant:

Executive	Options granted Value of 2017 Options Granted ⁽¹⁾ in 2017
Dilantha Wijesuriya ⁽²⁾	76,347 \$200,000

- The amounts shown in this column reflect the grant date fair value in accordance with FASB ASC 718 to Mr. Wijesuriya. For a discussion of the assumptions used in these calculations, see Note 2 of the Notes to Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2017. Stock options listed for Mr. Wijesuriya, our Chief Operating Officer, are an annual long-term equity incentive award as a part of his employment agreement. This award is payable in the form of an annual stock option grant valued at \$200,000 (based on the Black-Scholes valuation model) at an exercise price equal to the closing price of our common stock on the NYSE on the date of grant. The options vest at the rate of 25% each year on the first four anniversaries of the date of grant.

Details regarding this stock option grant are included in the “Summary Compensation Table” in this proxy statement.

Restricted Stock Awards

In 2017, we used restricted stock awards in lieu of stock options as a component of our executive compensation program. We believe that grants of restricted stock allow our executive officers an opportunity for immediate ownership of our common stock and align their interests with our stockholders, while also providing retention value through vesting conditions. Restricted stock awards foster an ownership culture and incentivize our executive officers to perform at peak levels across economic and business cycles because the value of these awards is linked to the Company’s long-term performance. The Company determines the conditions for an award of restricted stock, and the conditions for vesting of restricted shares, as appropriate from time to time. Grants of restricted stock in lieu of stock options also allow our non-CEO NEOs to achieve their individual targets under our Stock Ownership Guidelines.

In 2017, the Compensation Committee approved grants of 65,000 shares to Messrs. Roy, Avalos, and Wijesuriya, and 100,000 shares to Mr. Suriyakumar, in connection with their individual roles, responsibilities, and performance. No other grants of restricted stock were awarded to our executive officers in 2017.

The Compensation Committee has reviewed and considered other forms of long-term equity compensation in addition to stock options and restricted stock. Considering the impact of alignment with stockholder interests, perceived value, and cash cost to the Company, the Compensation Committee believes that granting long-term equity in the form of stock options and restricted stock that vest over time, is the best approach for the Company.

Change of Control and Severance Arrangements

We have implemented change of control and severance arrangements for each of our executive officers, including salary and health benefits continuation through specific post-termination periods and accelerated vesting of restricted stock and stock options. The Company believes that implementing these types of arrangements for our executive officers is an important retention element by providing security against arbitrary termination, and that they are appropriate elements of competitive market compensation. Currently, Messrs. Suriyakumar, Roy, Wijesuriya and Avalos have change of control and severance arrangements, which are described in the “Potential Payments Upon Termination or Change-in-Control” section of this proxy statement.

Employee Stock Purchase Plan

We offer all of our employees, including our executive officers, the opportunity to purchase our common stock through a tax-qualified employee stock purchase plan (“ESPP”). Under our ESPP, as amended, employees may elect to purchase annually, at a 15% discount (from the closing price of our common stock on the NYSE on the applicable date of purchase), up to the lesser of

(a) 2,500 shares of our common stock, or (b) that number of shares of our common stock having an aggregate fair market value of \$25,000.

Other Compensation

Our executive officers are eligible to participate in our health, life and disability insurance plans, and our 401(k) plan to the same extent that our other employees are entitled to participate in such plans.

Tax Considerations

Section 162(m) of the Internal Revenue Code

Generally, Section 162(m) of the Internal Revenue Code, as amended by the Tax Cuts and Jobs Act of 2017, disallows a tax deduction for any publicly-held corporation for individual compensation exceeding \$1 million in any taxable year to its chief executive officer, chief financial and up to three other executive officers who are among our five most highly compensated executive officers. For taxable years beginning before January 1, 2018, qualifying “performance-based compensation” was not subject to this deduction limit if specified requirements were met.

As part of the Tax Cuts and Jobs Act of 2017, the ability to rely on the “performance-based compensation” exemption was eliminated with respect to federal income taxes for any performance based incentive awards granted in taxable years beginning after December 31, 2017. Incentive awards granted in prior taxable years may still be deductible if they satisfy the requirements of the “performance-based compensation” exemption and were provided pursuant to a written binding contract that was in effect on November 2, 2017, and not modified in any material respect after that date.

In approving the amount and form of compensation for our NEOs, the Compensation Committee considers all elements of the cost to the Company of providing such compensation, including the potential impact of Section 162(m) of the Code. However, our Compensation Committee may, in its judgment, authorize compensation payments that may not be deductible when it believes that such payments are appropriate to attract and retain executive talent and/or in the best interests of the Company.

Section 409A of the Internal Revenue Code

Section 409A of the Code requires that “non-qualified deferred compensation” be deferred and paid under plans or arrangements that satisfy the requirements of the statute with respect to the timing of deferral elections, timing of payments and certain other matters. Failure to satisfy these requirements can expose employees and other service providers to accelerated income tax liabilities, additional taxes and interest on their vested compensation under such plans. Accordingly, as a general matter, it is our intention to design and administer our compensation and benefits plans and arrangements for all of our employees and other service providers, including our named executive officers, so that they are either exempt from, or satisfy the requirements of, Section 409A of the Code.

Section 280G of the Internal Revenue Code

Section 280G of the Code, disallows a tax deduction with respect to excess parachute payments to certain executives of companies that undergo a change in control. In addition, Section 4999 of the Code, imposes a 20% excise tax on the individual with respect to the excess parachute payment. Parachute payments are compensation linked to or triggered by a change in control and may include, but are not limited to, bonus payments, severance payments, certain fringe benefits, and payments and acceleration of vesting from long-term incentive plans including options and other equity based compensation. Excess parachute payments are parachute payments that exceed a threshold determined

under Section 280G of the Code based on the executive's prior compensation. In approving the compensation arrangements for our named executive officers, the board considers all elements of the cost to the Company of providing such compensation, including the potential impact of Section 280G of the Code. However, the board may, in its judgment, authorize compensation arrangements that could give rise to loss of deductibility under Section 280G of the Code and the imposition of excise taxes under Section 4999 of the Code when it believes that such arrangements are appropriate to attract and retain executive talent.

Accounting for Stock Based Compensation

We follow Financial Accounting Standards Board Accounting Standards Codification Topic 718, or ASC Topic 718, for our stock based compensation awards. ASC Topic 718 requires companies to calculate the grant date "fair value" of their stock based awards using a variety of assumptions. ASC Topic 718 also requires companies to recognize the compensation cost of their stock based awards in their income statements over the period that an employee is required to render service in exchange for the award.

Grants of equity based awards under our equity incentive award plans will be accounted for under ASC Topic 718. The board and/or Compensation Committee will regularly consider the accounting implications of significant compensation decisions, especially in connection with decisions that relate to our equity incentive award plans and programs. As accounting standards change, we may revise certain programs to appropriately align accounting expenses of our equity awards with our overall executive compensation philosophy and objectives.

Recent Key Compensation Program and Other Related Changes

Amended CEO Employment Agreement: In February 2018, the Compensation Committee amended and restated our CEO's three-year employment agreement, including adjusting the agreement's salary and annual incentive bonus terms. Mr. Suriyakumar's salary was adjusted from \$950,000 to \$800,000. His incentive bonus opportunities for fiscal years 2018-2020, as with our other NEO's, will be based on quantitative performance metrics. The target bonus is one hundred percent (100%) of his base salary with a maximum set at one hundred and fifty percent (150%) of his base salary.

Mr. Suriyakumar and the Compensation Committee were in agreement that greater alignment with performance metrics of ARC's Non-CEO NEOs better supported the collaboration within the senior leadership group to achieve improved financial result for the Company in the short term, and to adopt consistent practices that will allow for more predictable and objective annual compensation awards in the future.

In late 2017, the Compensation Committee requested updated information on ARC's peer group compensation levels. In setting targets for total compensation for each of ARC's four highest paid executives, the Compensation Committee determined that the aggregate compensation amount was approximately 79% of the median aggregate amount of the four highest paid executives in ARC's peer group.

Stock Ownership Guidelines: ARC's Nominating and Corporate Governance Committee maintains minimum stock ownership requirements for the board's independent directors and all Company NEOs, which include a five-year window in which such ownership should be acquired. The ownership threshold for the board's independent directors is three (3) times their annual retainer. The ownership threshold for our CEO is five (5) times base salary and the threshold for our other NEOs is two (2) times base salary. Stock ownership for the purpose of the Guidelines includes shares owned directly or indirectly; restricted shares, excluding restricted shares that remain subject to achievement of performance goals; and excludes stock options.

Clawback Policy: ARC maintains an executive compensation recovery policy pursuant to which the Company will seek to recover or cancel any performance-based compensation paid to an executive officer during the three-year period preceding the date as of which the Company is required to prepare restated financial results, in the event of ARC's material noncompliance with financial reporting requirements of applicable securities laws, to the extent that such compensation exceeds the amount that would have been paid to the executive officer had it been based on the restated results. The board of directors is authorized to administer this policy consistent with the requirements of Section 10D of the Securities Exchange Act of 1934 and applicable rules or standards adopted by the SEC and the NYSE or such other national exchange on which ARC's shares may be listed.

Summary

After its review of all existing programs, consideration of current market and competitive conditions and alignment with our overall compensation objectives and philosophy, the Compensation Committee believes that the total proposed compensation program for our executive officers is focused on increasing value for stockholders and enhancing the Company's performance. The Compensation Committee believes that under the amended and restated employment agreement with our CEO and the employment agreements for our other NEOs a significant portion of

compensation of executive officers is properly tied to stock appreciation or stockholder value through stock options, restricted stock awards and/or annual bonus measures. The Compensation Committee believes that our executive compensation levels are comparable with compensation programs offered by other companies with which we compete for executive talent.

CEO Pay Ratio

In 2017, the annual total compensation of Mr. Suriyakumar, our CEO, and the median of the annual total compensation of all of our employees were determined. The values and the ratio of those two values were as follows:

• The annual total compensation of our CEO, as reported in the 2017 Summary Compensation Table, was \$1,449,713;
• and

• The median of the annual total compensation of all of our employees, other than our CEO, was \$32,630.

For 2017, the ratio of the annual total compensation of our CEO, Mr. Suriyakumar, to the median of the annual total compensation of our employees other than our CEO was 44.4 to 1.

To identify our median employee, we used our world-wide employee population, including full-time, temporary, part-time and seasonal employees, as of December 31, 2017, for a total of 2,626 employees. We excluded 60 employees in the U.K. and one employee in the U.A.E., who together accounted for less than 5% of our total employee population, and our CEO. We measured W-2 earnings (or their equivalent outside the U.S.) over the period from January 1, 2017, to December 31, 2017. For those employees who did not work for the full year, we included all of their earnings actually paid (and did not annualize the sums). Total W-2 earnings in the U.S. includes base salary, cash bonus, vested restricted stock grants and exercised options. For determining W-2 earnings equivalent outside the U.S. in addition to regular earnings we included all sums an employee received for allowances (such as housing, transportation or food allowances) that would have been treated as taxable income if paid to a U.S.-based employee.

We converted all foreign currencies to U.S. dollars using an exchange rate as of December 31, 2017, and we did not use any cost of living adjustments. Using this approach, we selected the individual at the median of our employee population, who was a U.S. employee.

We calculated annual total compensation for the median employee using the same methodology we use for our named executive officers set forth in the 2017 Summary Compensation Table included in this proxy statement. The pay ratio was calculated in accordance with the SEC's rules and was based on our reasonable estimates and assumptions that reflect our employee population and compensation practices. The SEC rules do not specify a single methodology for identification of the median employee or calculation of the pay ratio, and other companies may use assumptions and methodologies that are different from those we used. Accordingly, the pay ratio disclosed by other companies may not be comparable to our pay ratio as disclosed above.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the board of directors has reviewed and discussed the "Compensation Discussion and Analysis" section of this proxy statement with management. Based on this review and discussion, the Compensation Committee has recommended to the board of directors that the "Compensation Discussion and Analysis" section be included in this proxy statement.

Pension Benefits

None of our executive officers participates in, or has account balances in, qualified or non-qualified defined benefit plans sponsored by us.

Non-qualified Deferred Compensation

None of our executive officers participates in or has account balances in non-qualified defined contribution plans or other deferred compensation plans maintained by us.

Potential Payments Upon Termination or Change-in-Control

The employment agreements we entered into with our executive officers also required us to provide compensation and other benefits to our executive officers if their employment terminated or they resigned under specified circumstances. The following discussion summarizes the potential payments upon termination of employment pursuant to the employment agreements in effect as of December 31, 2017, with our NEOs. The amounts specified below assume that employment terminated on December 31, 2017, and the calculations of the value of equity awards reflect the closing price of our common stock on the NYSE on December 31, 2017.

The severance payments and benefits described below are only payable if the executive officer executes and delivers to us an agreement releasing us and our related parties for all claims and liabilities that the executive officer may have against us and our related parties.

Under each of our employment agreements with Messrs. Suriyakumar, Roy, Wijesuriya, and Avalos:

“Cause” means a willful refusal to perform the duties set forth in the agreement or as delegated to him, gross negligence, self-dealing or willful misconduct injurious to the Company, fraud or misappropriation of our business and assets, habitual insobriety or use of illegal drugs, criminal activity involving moral turpitude, indictment or trial for a felony or misdemeanor involving moral turpitude, any felony conviction or guilty plea that harms the reputation or business of the Company, or material breach of the employment agreement or any material policy of the Company.

“Good Reason” means a material change in his respective title, duties and responsibilities set forth in the employment agreement, without his written consent, a reduction in his compensation, without his written consent, a material breach by the Company of any other material terms of the employment agreement, or a Change of Control, as a result of which he is not offered the same or comparable position in the surviving company, or within 12 months after accepting such position, he is terminated without Cause, or he terminates his employment for Good Reason, as provided in the employment agreement. A change in the officer to whom the executive reports, without his consent, also constitutes “Good Reason” under the employment agreements with Messrs. Roy, Wijesuriya, and Avalos.

“Change of Control” means: (a) our being merged with any other corporation, as a result of which we are not the surviving company or our shares are not exchanged for or converted into more than 50% of the voting securities of the merged company; (b) our sale or transfer of all or substantially all of our assets; or (c) any third party becoming the beneficial owner in one transaction or a series of transactions within 12 months, of at least 50% of our voting securities.

Kumarakulasingam Suriyakumar If Mr. Suriyakumar was terminated without “Cause” (as defined above) or his employment was terminated for “Good Reason” (as defined above), he would have been entitled to receive: (a) his then base salary for twenty-four months following the effective date of termination; (b) earned but unpaid incentive bonus; (c) continued payment of premiums for him and his eligible dependents to remain covered by our group medical insurance programs, until the earlier of (i) medical insurance coverage being available through another employer, (ii) termination of eligibility for his children under our policies and applicable laws, or (iii) qualification of him and his spouse, in each instance, for Medicare coverage; (d) continued payment of employer-paid benefits, including without limitation, the lease of automobiles, for twenty-four months following the effective date of termination, provided that the annual cost to the Company shall not exceed \$10,000; and (e) immediate vesting of any unvested stock options, restricted stock or similar rights granted to him as of the effective date of termination. As of December 31, 2017, payment of all the foregoing in connection with termination of Mr. Suriyakumar’s employment without Cause or for Good Reason would have totaled approximately \$2,413,820. Accelerated vesting of Mr. Suriyakumar’s outstanding unvested stock options would not have resulted in any additional compensation. Accelerated vesting of Mr. Suriyakumar’s unvested restricted stock would have resulted in vesting of 182,466 shares of unvested restricted common stock outstanding as of December 31, 2017, with an aggregate market value of approximately \$465,288. In

the case of both stock options and restricted stock, the aggregate market value is based on the closing price on the NYSE on December 31, 2017.

Rahul K. Roy If Mr. Roy is terminated without “Cause” (as defined above) or his employment terminates for “Good Reason” (as defined above), he is entitled to receive: (a) his then base salary for 12 months following the effective date of the termination; (b) earned but unpaid incentive bonus; (c) continued payment of premiums for him and his eligible dependents to remain covered by our group medical insurance programs for the period in which he is entitled to continue to receive his base salary; and (d) immediate vesting of all unvested stock options, restricted stock or similar rights granted to him as of the effective date of termination. As of December 31, 2017, payment of all the foregoing in connection with termination of Mr. Roy’s employment without Cause or for Good Reason would have totaled approximately \$1,204,464. Accelerated vesting of Mr. Roy’s outstanding unvested stock options would have resulted in vesting of 11,334 shares of common stock subject to unvested options as of December 31, 2017, with a fair market value of zero. Accelerated vesting of Mr. Roy’s unvested restricted stock would have resulted in vesting of 91,667 shares of unvested restricted common stock outstanding as of December 31, 2017, with an aggregate market value of approximately

\$233,751. In the case of stock options the aggregate market value is based on the closing price on the NYSE on December 31, 2017.

Dilantha Wijesuriya If Mr. Wijesuriya is terminated without “Cause” (as defined above) or his employment terminates for “Good Reason” (as defined above), he is entitled to receive: (a) his base salary for twelve months following the effective date of termination; (b) earned but unpaid incentive bonus; (c) continued payment of premiums for Mr. Wijesuriya and his eligible dependents to remain covered by our group medical insurance programs for twelve months following the effective date of termination; and (d) immediate vesting of all unvested stock options, restricted stock or similar rights granted to him as of the effective date of termination. As of December 31, 2017, payment of all of the foregoing in connection with termination of Mr. Wijesuriya’s employment without Cause or for Good Reason would have totaled approximately \$740,596. Accelerated vesting of Mr. Wijesuriya’s outstanding unvested stock options would have resulted in vesting of 197,935 shares of common stock subject to unvested options as of December 31, 2017, with a fair market value of zero. Accelerated vesting of Mr. Wijesuriya’s unvested restricted stock would have resulted in vesting of 98,334 shares of unvested restricted common stock outstanding as of December 31, 2017, with an aggregate market value of approximately \$250,752. In the case of stock options the aggregate market value is based on the closing price on the NYSE on December 31, 2017.

Jorge Avalos If Mr. Avalos is terminated without “Cause” (as defined above) or his employment terminates for “Good Reason” (as defined above), he is entitled to receive: (a) his base salary for twelve months following the effective date of termination; (b) earned but unpaid incentive bonus; (c) continued payment of premiums for Mr. Avalos and his eligible dependents to remain covered by our group medical insurance programs for twelve months following the effective date of termination; and (d) immediate vesting of all unvested stock options, restricted stock or similar rights granted to him as of the effective date of termination. As of December 31, 2017, payment of all of the foregoing in connection with termination of Mr. Avalos’ employment without Cause or for Good Reason would have totaled approximately \$658,595. Accelerated vesting of Mr. Avalos’ outstanding unvested stock options would have resulted in vesting of 11,000 shares of common stock subject to unvested options as of December 31, 2017, with a fair market value of zero. Accelerated vesting of Mr. Avalos’ outstanding unvested restricted stock would have resulted in full vesting of 101,667 shares of unvested restricted common stock as of December 31, 2017, with an aggregate market value of approximately \$259,251. In the case of both stock options and restricted stock, the aggregate market value is based on the closing price on the NYSE on December 31, 2017.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of our Compensation Committee from January 2017 to December 2017 were Messrs. McNulty, Formolo, McCluggage and Perez de la Mesa. No member of our Compensation Committee during the last fiscal year (i) was, during fiscal year 2017, an officer or employee of the Company, (ii) was formerly an officer of the Company, or (iii) had any relationship requiring disclosure under Item 404 of Regulation S-K promulgated under the Securities Act of 1933, as amended (the “Securities Act”).

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Certain of our directors, executive officers, 5% beneficial owners and their affiliates have engaged in transactions with us in the ordinary course of business. The following is a description of such transactions during our fiscal year ended December 31, 2017, and the Company’s policies and procedures applicable to such transactions.

Policies and Procedures Regarding Related Transactions

Our Related Party Transactions Policy provides that we will only enter into or ratify a transaction with a related party when our board of directors, acting through the Audit Committee, determines that the transaction is in the best

interests of ARC and our stockholders.

For the purposes of this policy, a related party means:

- a member of the board of directors (or a nominee to the board of directors);
- an executive officer;
- any person who is known to be the beneficial owner of more than five percent of any class of our securities; or
- any immediate family member of any of the persons listed above.

We review all known relationships and transactions in which ARC and our directors, executive officers, and significant stockholders or their immediate family members are participants to determine whether such persons have a direct or indirect interest. Our legal staff is primarily responsible for developing and implementing processes and controls to obtain information

regarding our directors, executive officers, and significant stockholders with respect to related party transactions and then determining, based on the facts and circumstances, whether ARC or a related party has a direct or indirect interest in these transactions. On a periodic basis, the legal team will review all transactions involving payments between ARC and any company that has an ARC executive officer or director as an officer or director. In addition, our directors and executive officers are required to notify us of any potential related party transactions and provide us with the information regarding such transactions.

If our legal department determines that a transaction is a related party transaction, the Audit Committee must review the transaction and either approve or disapprove it. If advance approval of a transaction is not feasible, the chair of the Audit Committee may approve the transaction and the transaction may be ratified by the Audit Committee in accordance with the Related Party Transactions Policy. In determining whether to approve or ratify a transaction with a related party, the Audit Committee will take into account all of the relevant facts and circumstances available to it, including, among any other factors it deems appropriate, such as:

- the benefits to us of the transaction;
- the nature of the related party's interest in the transaction;
- whether the transaction would impair the judgment of a director or executive officer to act in the best interests of ARC and our stockholders;
- the potential impact of the transaction on a director's independence; and
- whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances.

Any member of the Audit Committee who is a related party with respect to a transaction under review may not participate in the deliberations or vote on the approval of the transaction.

Related Party Real Property Leases

During our fiscal year ended December 31, 2017, we were a party to real property leases with entities owned by our former Chairman of the board, Mr. Chandramohan, and our current Chairman of the Board, President and Chief Executive Officer, Mr. Suriyakumar, for two of our facilities located in Costa Mesa, California, and Los Angeles, California. These facilities are leased to us under written lease agreements between us and Sumo Holdings Costa Mesa, LLC and Sumo Holdings, LA, LLC, respectively. Messrs. Chandramohan and Suriyakumar are the only members of each of the Sumo Holdings limited liability companies.

Under these real property leases, we paid these entities rent in the aggregate amount of \$504,000 in 2017. We were also obligated to reimburse these entities for certain real property taxes and the actual costs incurred by these entities for insurance and maintenance on a triple net basis.

The real property leases described above were originally entered into by us between November 19, 1997, and February 1, 1999. Our board of directors determined that, as of the February 2005 closing of our initial public offering, we would not enter into any arrangements to lease any additional facilities from Messrs. Chandramohan and Suriyakumar or their affiliates. Our board of directors reviews and approves the renewal terms for any existing related party real property leases and requires that any extensions will not be approved if the proposed base rent exceeds the then-existing fair market rate in the applicable geographic market. Our Chief Financial Officer reviews relevant market data to ensure that lease term base rent for any extension term does not exceed the fair market rate and is authorized to consult with and retain the services of professionals, as necessary, to determine prevailing market rental rates.

Indemnification Agreements

We have entered into, and expect to continue to enter into, indemnification agreements with our directors and executive officers that provide indemnification under certain circumstances for acts and omissions that may not be covered by any directors' and officers' liability insurance. The indemnification agreements may require us, among other things, to indemnify our officers and directors against certain liabilities that may arise by reason of their status or service as officers and directors (other than liabilities arising from willful misconduct of a culpable nature), to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified, and to obtain officers' and directors' insurance if available on reasonable terms.

Registration Rights Agreement

We have a registration rights agreement dating back to April 10, 2000, that is currently in effect only with respect to shares held by Mr. Suriyakumar and Mr. Chandramohan, a former officer of the Company (or entities in which they control a majority

of voting shares). The registration rights agreement entitles them to certain rights with respect to the registration of their shares under the Securities Act. These registration rights are summarized below.

Piggyback Registrations. If we propose to register any of our equity securities under the Securities Act (other than pursuant to a demand registration of registrable securities or a registration on Form S-4 or Form S-8) for us or for holders of securities other than the registrable securities, we will offer the holders of registrable securities the opportunity to register their registrable securities.

Conditions and Limitations; Expenses. The registration rights are subject to conditions and limitations, including the right of the underwriters to limit the number of shares to be included in a registration and our right to delay or withdraw a registration statement under specified circumstances. We will pay the registration expenses of the holders of registrable securities in demand registrations and piggyback registrations in connection with the registration rights agreement.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires directors and certain officers of the Company and persons who own more than 10% of our common stock to file with the SEC initial reports of beneficial ownership (Form 3) and reports of subsequent changes in their beneficial ownership (Form 4 or Form 5) of ARC's common stock. Such directors, officers and greater-than-10% stockholders are required to furnish us with copies of the Section 16(a) reports they file. The SEC has established specific due dates for these reports, and ARC is required to disclose in this report any late filings or failures to file.

Based solely on our review of copies of the Section 16(a) reports received or written representations from such officers, directors and greater-than-10% stockholders, we believe that the Company's officers, directors and greater-than-10% stockholders timely filed all reports required under Section 16(a) during the fiscal year ended December 31, 2017. The Company discovered, however, that two gifts of the Company's common stock of February 9, 2005, and July 21, 2016, by Mr. Perez de la Mesa to a trust of which he serves as the trustee were inadvertently not reported in Section 16(a) reports. Promptly upon their discovery by the Company, these two transactions were disclosed in a Form 5 filing on February 12, 2018.

ADDITIONAL INFORMATION

Householding

Under rules adopted by the SEC, we are permitted to deliver a single set of any proxy statement, information statement, annual report and prospectus to any household at which two or more stockholders reside if we believe the stockholders are members of the same family. This process, called householding, allows us to reduce the number of copies of these materials we must print and mail. Even if householding is used, each stockholder will continue to receive a separate proxy card or voting instruction card.

The Company is not householding for those stockholders who hold their shares directly in their own name. If you share the same last name and address with another Company stockholder who also holds his or her shares directly, and you would each like to start householding for the Company's annual reports, proxy statements, information statements and prospectuses for your respective accounts, then please contact our corporate secretary c/o ARC Document Solutions, Inc., 1981 N. Broadway, Suite 385, Walnut Creek, California 94596, Attention: D. Jeffery Grimes, Secretary, telephone (925) 949-5100.

This year, some brokers and nominees who hold Company shares on behalf of stockholders may be participating in the practice of householding proxy statements and annual reports for those stockholders. If your household received a

single proxy statement and annual report for this year, but you would like to receive your own copy this year, please contact our corporate secretary c/o ARC Document Solutions, Inc., 1981 North Broadway, Suite 385, Walnut Creek, California 94596, Attention: D. Jeffery Grimes, Secretary, telephone (925) 949-5100, and we will promptly send you a copy. If a broker or nominee holds Company shares on your behalf and you share the same last name and address with another stockholder for whom a broker or nominee holds Company shares, and together both of you would like to receive only a single set of the Company's disclosure documents, please contact your broker or nominee as described in the voting instruction card or other information you received from your broker or nominee.

If you consent to householding, your election will remain in effect until you revoke it. Should you later revoke your consent, you will be sent separate copies of those documents that are mailed at least 30 days or more after receipt of your revocation.

Stockholder Proposals for the 2019 Annual Meeting

In order to present a proposal at our 2019 annual meeting, a stockholder must comply with the specific requirements set forth in our Second Amended and Restated Bylaws, including the requirement to provide notice in writing to our corporate secretary at our principal executive offices not later than the 90th day nor earlier than the 120th day before the one-year anniversary of our 2018 annual meeting of stockholders. The stockholder's notice must include the specific items set forth in our Second Amended and Restated Bylaws.

In order to submit a proposal for inclusion in our proxy materials for the 2019 annual meeting of stockholders, a stockholder must submit the proposal not later than January 27, 2019, and follow the other procedures set forth in Rule 14a-8 of the Exchange Act. If we hold our 2019 annual meeting of stockholders more than 30 days before or after April 26, 2019 (the one-year anniversary date of the 2018 Annual Meeting of Stockholders), we will disclose the new deadline by which stockholders proposals must be received in our earliest possible Quarterly Report on Form 10-Q or, if impracticable, by any means reasonably determined to inform stockholders. Proposals must also comply with SEC regulations under Rule 14a-8 regarding the inclusion of stockholder proposals in company-sponsored proxy materials.

You may request a printed copy of the relevant provision of our Second Amended and Restated Bylaws regarding the requirements for presenting stockholder proposals at our annual meetings of stockholders by contacting our corporate secretary at (925) 949-5100 or by sending a request by mail to ARC Document Solutions, Inc., 1981 N. Broadway, Suite 385, Walnut Creek, California 94596, Attention: D. Jeffery Grimes, Secretary.

Additional Information

We file annual, quarterly and current reports, proxy statements and other information with the SEC. You may read and copy any document we file with the SEC at the SEC's public reference room at 100 F Street, N.E., Washington, D.C. 20549. Please call the SEC at 1-800-SEC-0330 for information on the public reference room. The SEC maintains an internet site that contains annual, quarterly and current reports, proxy and information statements and other information that issuers file electronically with the SEC. The SEC's internet site is www.sec.gov.

Our investor relations internet address is ir.e-arc.com. We make available free of charge, on or through our investor relations webpage, our proxy statements, annual report on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K and any amendments to those reports filed or furnished pursuant to the Exchange Act, as soon as reasonably practicable after such material is electronically filed with, or furnished to, the SEC. We also make available, through our Investors webpage, statements of beneficial ownership of our equity securities filed by our directors, officers, 10% or greater stockholders and others under Section 16 of the Exchange Act. The reference to our website address does not constitute incorporation by reference of the information contained in the website and should not be considered part of this document.

A copy of our Code of Conduct, as defined under Item 406 of Regulation S-K, including any amendments thereto or waivers thereof, our Corporate Governance Guidelines, and board committee charters can also be accessed on our investor relations website ir.e-arc.com and selecting "Corporate Governance" from navigation menu. Our Code of Conduct applies to all directors, officers and employees, including our Chief Executive Officer, our Chief Financial Officer and our Controller. We will post any amendments to the Code of Conduct, and any waivers that are required to be disclosed by the rules of either the SEC or the NYSE, on our website.

You can request a printed copy of these documents, excluding exhibits, at no cost, by contacting Investor Relations at (925) 949-5100 or by sending a request by mail to 1981 N. Broadway, Suite 385, Walnut Creek, California 94596, Attention: David Stickney, Vice President Corporate Communications.

Exhibit A

Amendment to the ARC Document Solutions, Inc. 2014 Stock Incentive Plan

Section 5(a) of the Plan is hereby amended as follows:

(a) Basic Limitation. Shares offered under the Plan shall be authorized but unissued Shares or treasury Shares. The aggregate number of Shares authorized for issuance as Awards under the Plan shall not exceed the sum of (x) 6,520,327 shares, plus (y) the sum of the number of Shares subject to outstanding awards under the Company's 2005 Stock Plan (the "Predecessor Plan") on the Effective Date that are subsequently forfeited or terminated for any reason before being exercised or settled, plus the number of Shares subject to vesting restrictions under the Predecessor Plan on the Effective Date that are subsequently forfeited, plus the number of reserved Shares not issued or subject to outstanding grants under the Predecessor Plan on the Effective Date, in an aggregate amount not to exceed 7,000,000 shares. Notwithstanding the foregoing, (i) the number of Shares that may be delivered in the aggregate pursuant to Restricted Shares and Stock Units awarded under the Plan shall not exceed 2,100,000 Shares, and (ii) the number of Shares that may be delivered in the aggregate pursuant to the exercise of ISOs granted under the Plan shall not exceed 3,500,000 Shares plus, to the extent allowable under Section 422 of the Code and the Treasury Regulations promulgated thereunder, any Shares that become available for issuance under the Plan pursuant to Section 5(c). The limitations of this Section 5(a) shall be subject to adjustment pursuant to Section 12. The number of Shares that are subject to Awards outstanding at any time under the Plan shall not exceed the number of Shares which then remain available for issuance under the Plan. The Company shall at all times reserve and keep available sufficient Shares to satisfy the requirements of the Plan.
