The Amendment, among other things, amends the period during which ConforMIS was able to borrow the second term loan under the Loan and Security Agreement, and also amends the associated financial covenants of the Company. Pursuant to the Loan and Security Agreement, the Company initially borrowed \$15 million of capital, and two additional term loans of \$15 million (the “Term B Loan”) and \$20 million were to become available for specified periods, in each case, subject to the satisfaction of certain revenue milestones and customary drawdown conditions. The Amendment made the Term B Loan available to the Company through the earlier of (i) June 30, 2017, or (ii) an event of default under the Loan and Security Agreement.

Except as modified by the Amendment, all terms and conditions of the Loan and Security Agreement remain in full force and effect. A copy of the Amendment is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

On June 30, 2017, the Company borrowed \$15 million pursuant to the Term B Loan of the Loan and Security Agreement. The proceeds of the Term B Loan will be used to fund the Borrowers’ ongoing working capital needs.
