Various inputs are used in determining the value of the Trust's investments.

These inputs are summarized in the three broad levels below.

Level 1 - quoted prices in active markets for identical securities

Level 2 - other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment speeds credit risks, etc.)

Level 3 - significant unobservable inputs (including the Trust's own assumptions in determining fair value of investments)

Generally, equity securities are categorized as

Level 1, fixed income securities

and senior loans

are categorized

as Level 2,

and securities

valued using fair

value methods

(other than prices supplied by independent

pricing services) as level 3.

The following is a summary of the inputs used as of December 31, 2012, in valuing the Trust's investments.
